

LEGENDS OF AVANTRIS

ONCE UPON A WITCHLIGHT

FEY CURSE TABLE

This table is used at the DMs discretion to “curse” players with wacky fey magic. Start by having your player roll a D20 and use the result to determine the Fey Curse below:

Roll	Effect
1	You're incredibly unlucky. All rolls are at disadvantage and so are any allies within 20 feet of you for 24 hours.
2	Everyone around you looks like candy and you have a sweet tooth.
3	You develop an appetite for human bones.
4	You are incredibly paranoid and believe everyone is out to get you.
5	You can only speak in song.
6	You believe you are turning into a were-person. You are not.
7	You fall madly in love with the first person you see.
8	Your head becomes the head of a donkey.
9	The last person you killed tells you things no one wants to know.
10	Roll d4. You become an Eladrin of the following type: 1.) Spring 2.) Summer 3.) Autumn 4.) Winter
11	You all swap bodies. Use any random method to determine who swaps into whom.
12	You cannot tell the truth. You love lying.
13	You transform into a clown.
14	Your entire mouth is numb and you can't stop drooling.
15	You immediately die. Roll on the reincarnation table. You are reincarnated as that species for one hour.
16	Your nose becomes a flopping penis. You don't notice any change in yourself.
17	You turn into a feral tabaxi, and you feel the need to mark your territory.
18	You become a proud nudist.
19	You are overcome by psychedelic hallucinations.
20	Half of your body goes numb.
