

A little hair care goes a long way! As a **girl** now, it's something you'll want to keep in mind~

**Hmm**  
Come to think of it, hasn't Mom always kept her hair short? Did she ever wear ribbons when she was younger?

Oh my... you look absolutely lovely

Really? You think so? I mean... it's not a big deal or anything...

She's adorable...  
I'm really glad that  
the cage didn't  
get her too down.

**Mei,

**MISS

I was told to keep a low profile... but they did come to me.

What sticky fingers I have... Hehehe...
