

I've royally screwed the pooch this time

What's wrong...?

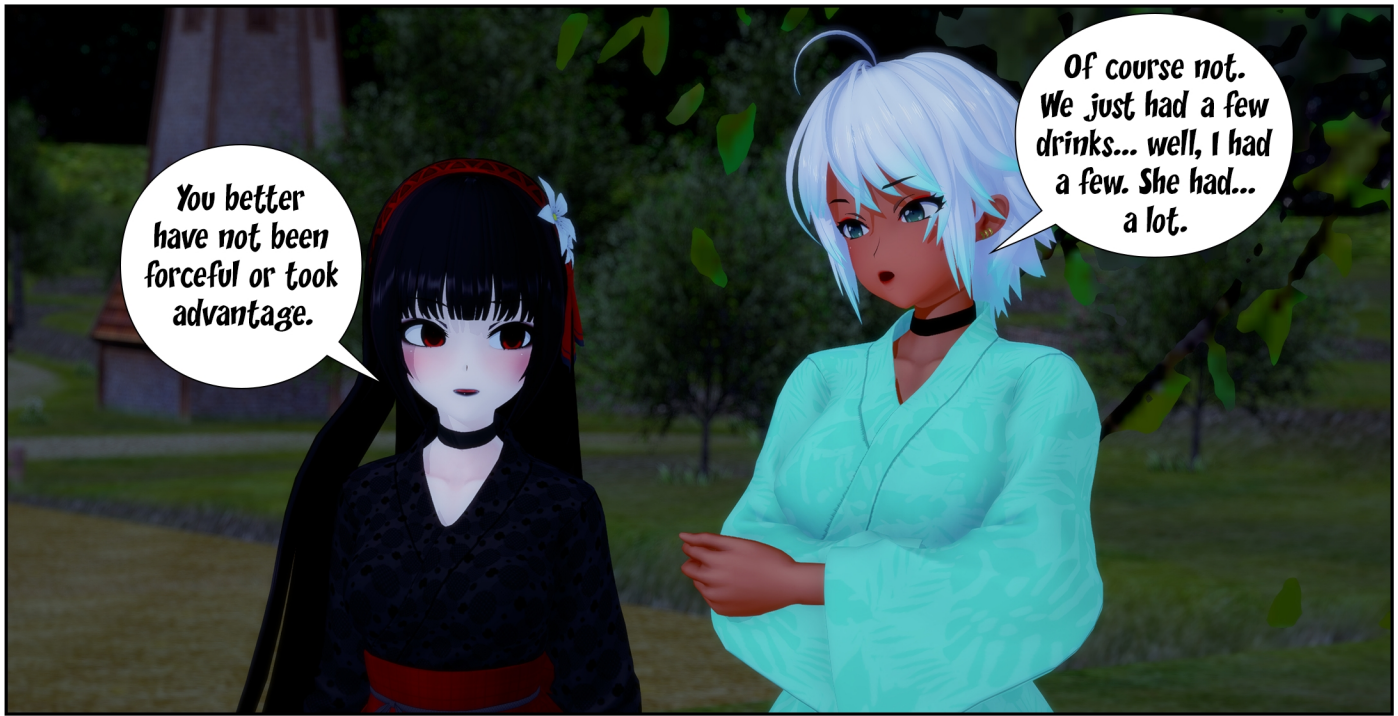

Nothing. Absolutely nothing.

...What have you done?

Don't tell her! Hold it! Lock it away...

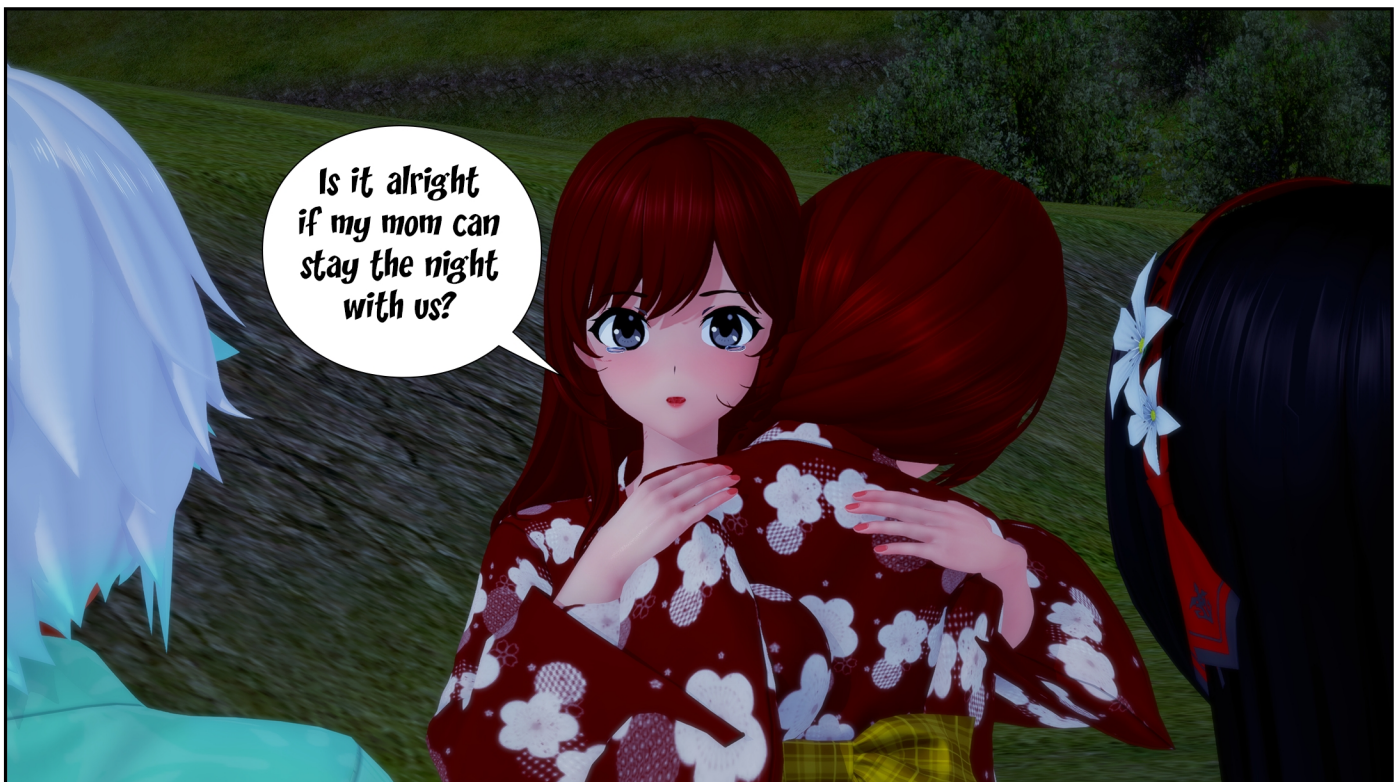

You both
can come
back now.

Why are you
sweating so
much?

IT'S
JUST SO
HOT!

Indeed.

Is it alright
if my mom
can stay the night
with us?

Morning

What do I say... W-Where do I begin...

I'm sorry about last night... Mama made a bit of a mistake...

I-I don't know much about that. Lilith dealt with everything like that. I don't know why they told you that...

Lilith? Is she the one in charge of you then? Hmm then I'll save those questions for her.

So... Did she make you dress like this?

Yeah... my disguise was a girl named Leona...

Ah? So it's a disguise... It looks so real.

So your hair is extensions?

N-No it's real...

You used to throw a fit when it got past your ears. It must annoy you a lot right?

Probably not as annoying as lugging fake breasts around every day. Though they're quite obnoxiously big aren't they. I don't know why uh... Lilith was it? Couldn't just decide flat was okay.

THAT FELT REAL.

T-THEY'RE NOT FAKE.

N-NOT FAKE... I-I DON'T UNDERSTAND?

E-EVERYTHING IS... EVERYTHING IS REAL...

EVERYTHING?

T-THEN IT'S NOT A DISGUISE?

EVERYTHING IS REAL...? T-THEN IF... LEON IS SAYING... HE... HE'S A GIRL?

OH MY GOD!

MOM I...

I JUST... S-STOP... GIVE ME A MOMENT. PLEASE.
