

It's time
to say goodbye
to your long hair,
puppy

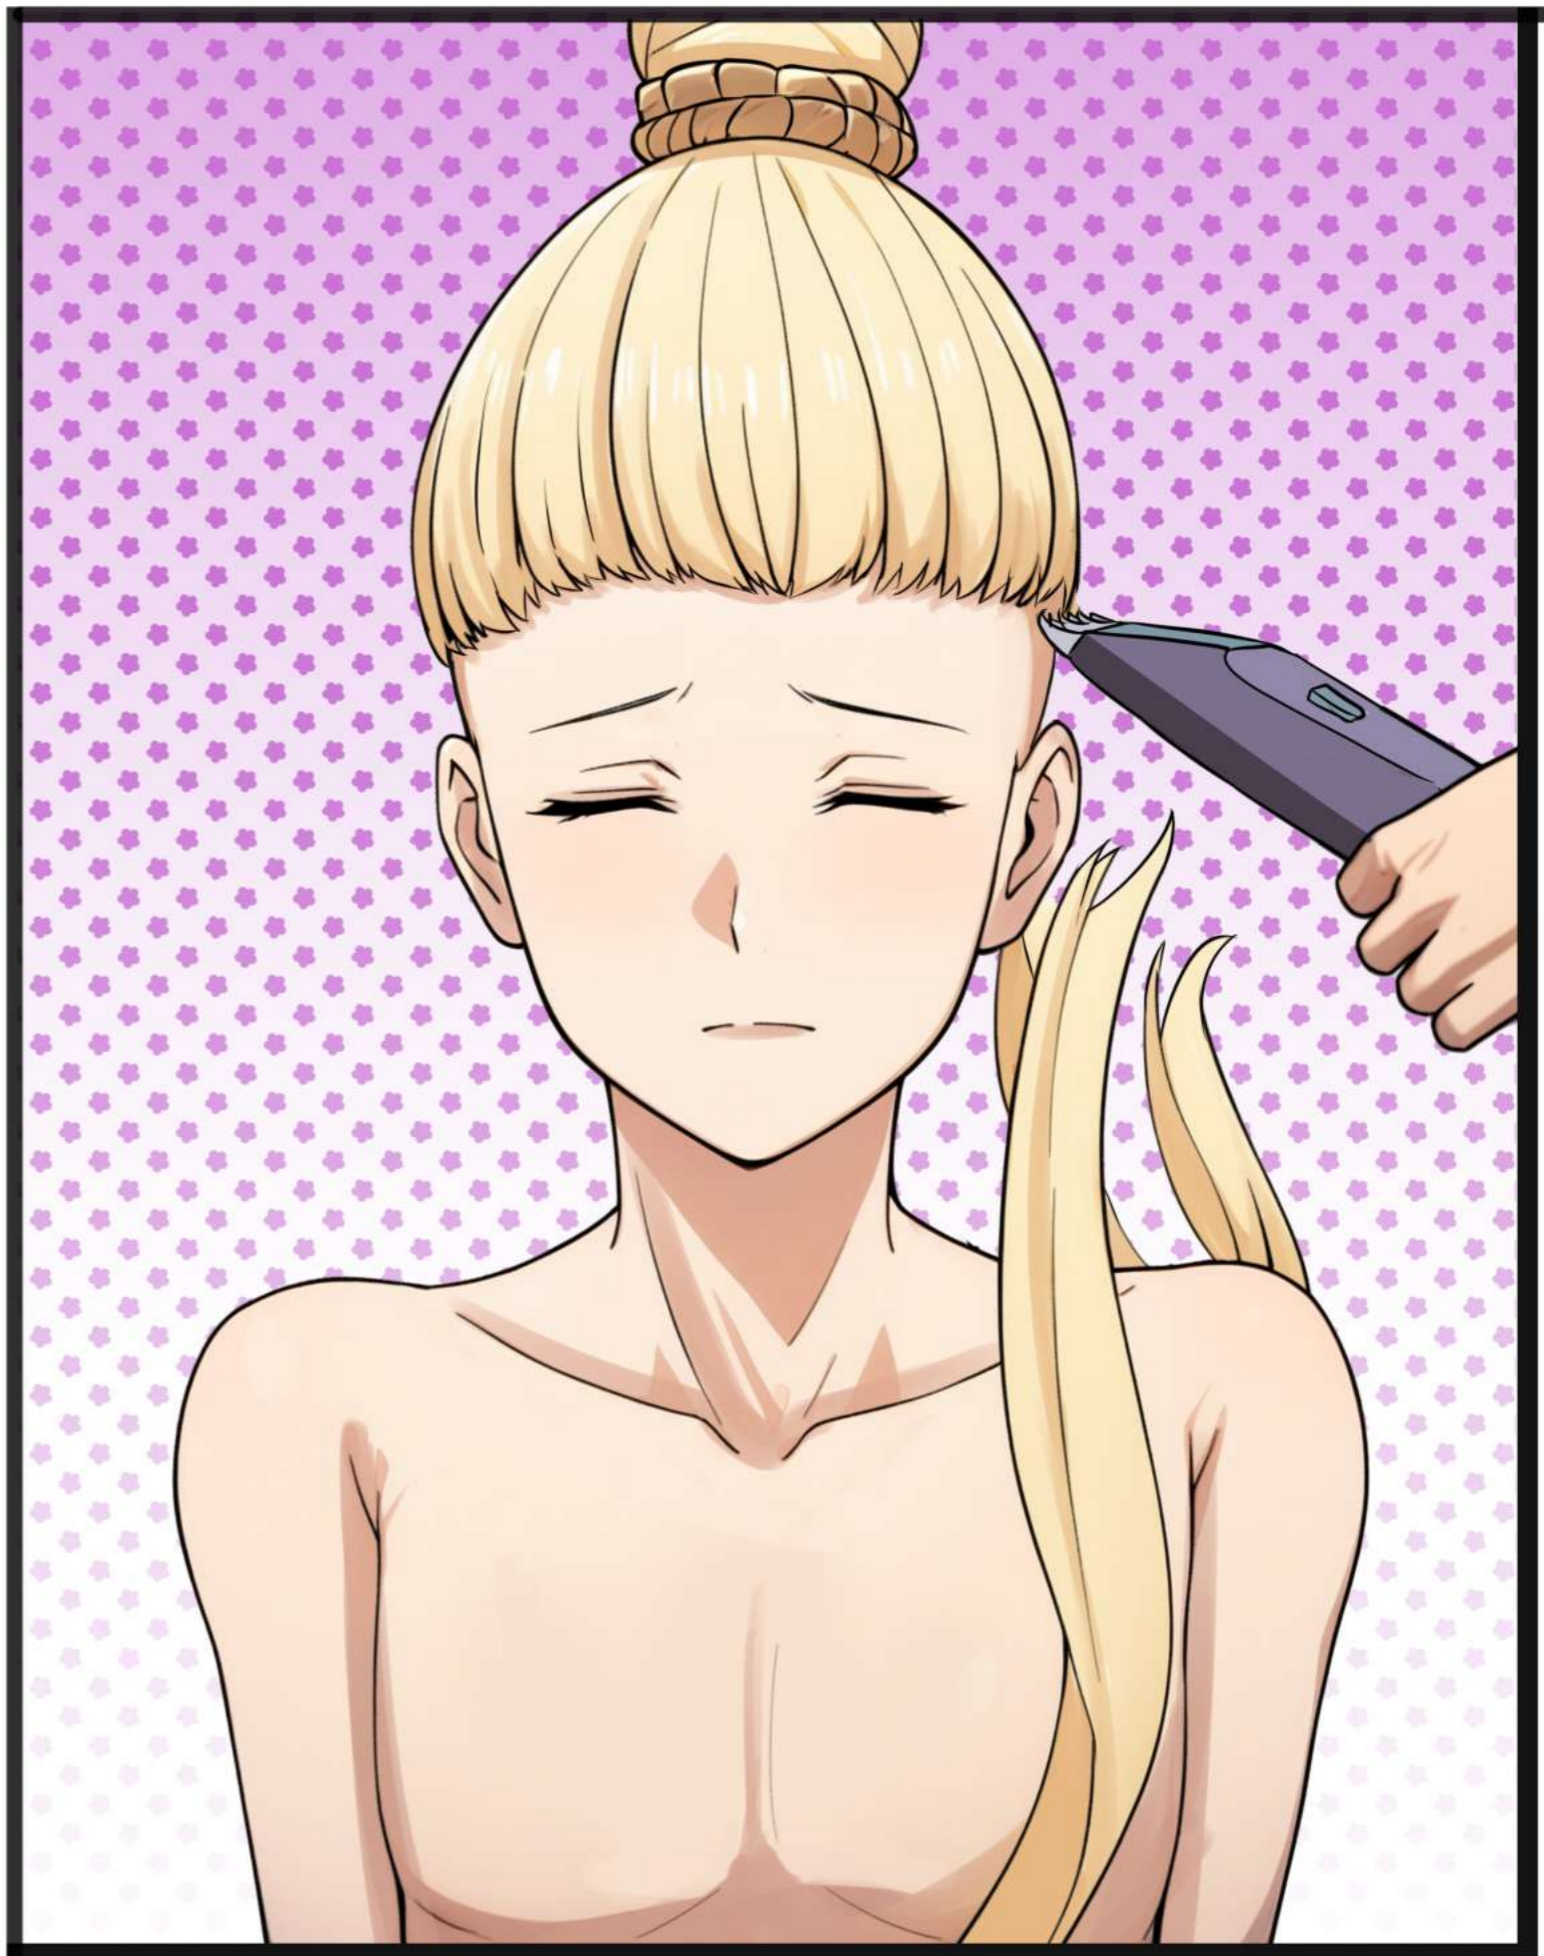

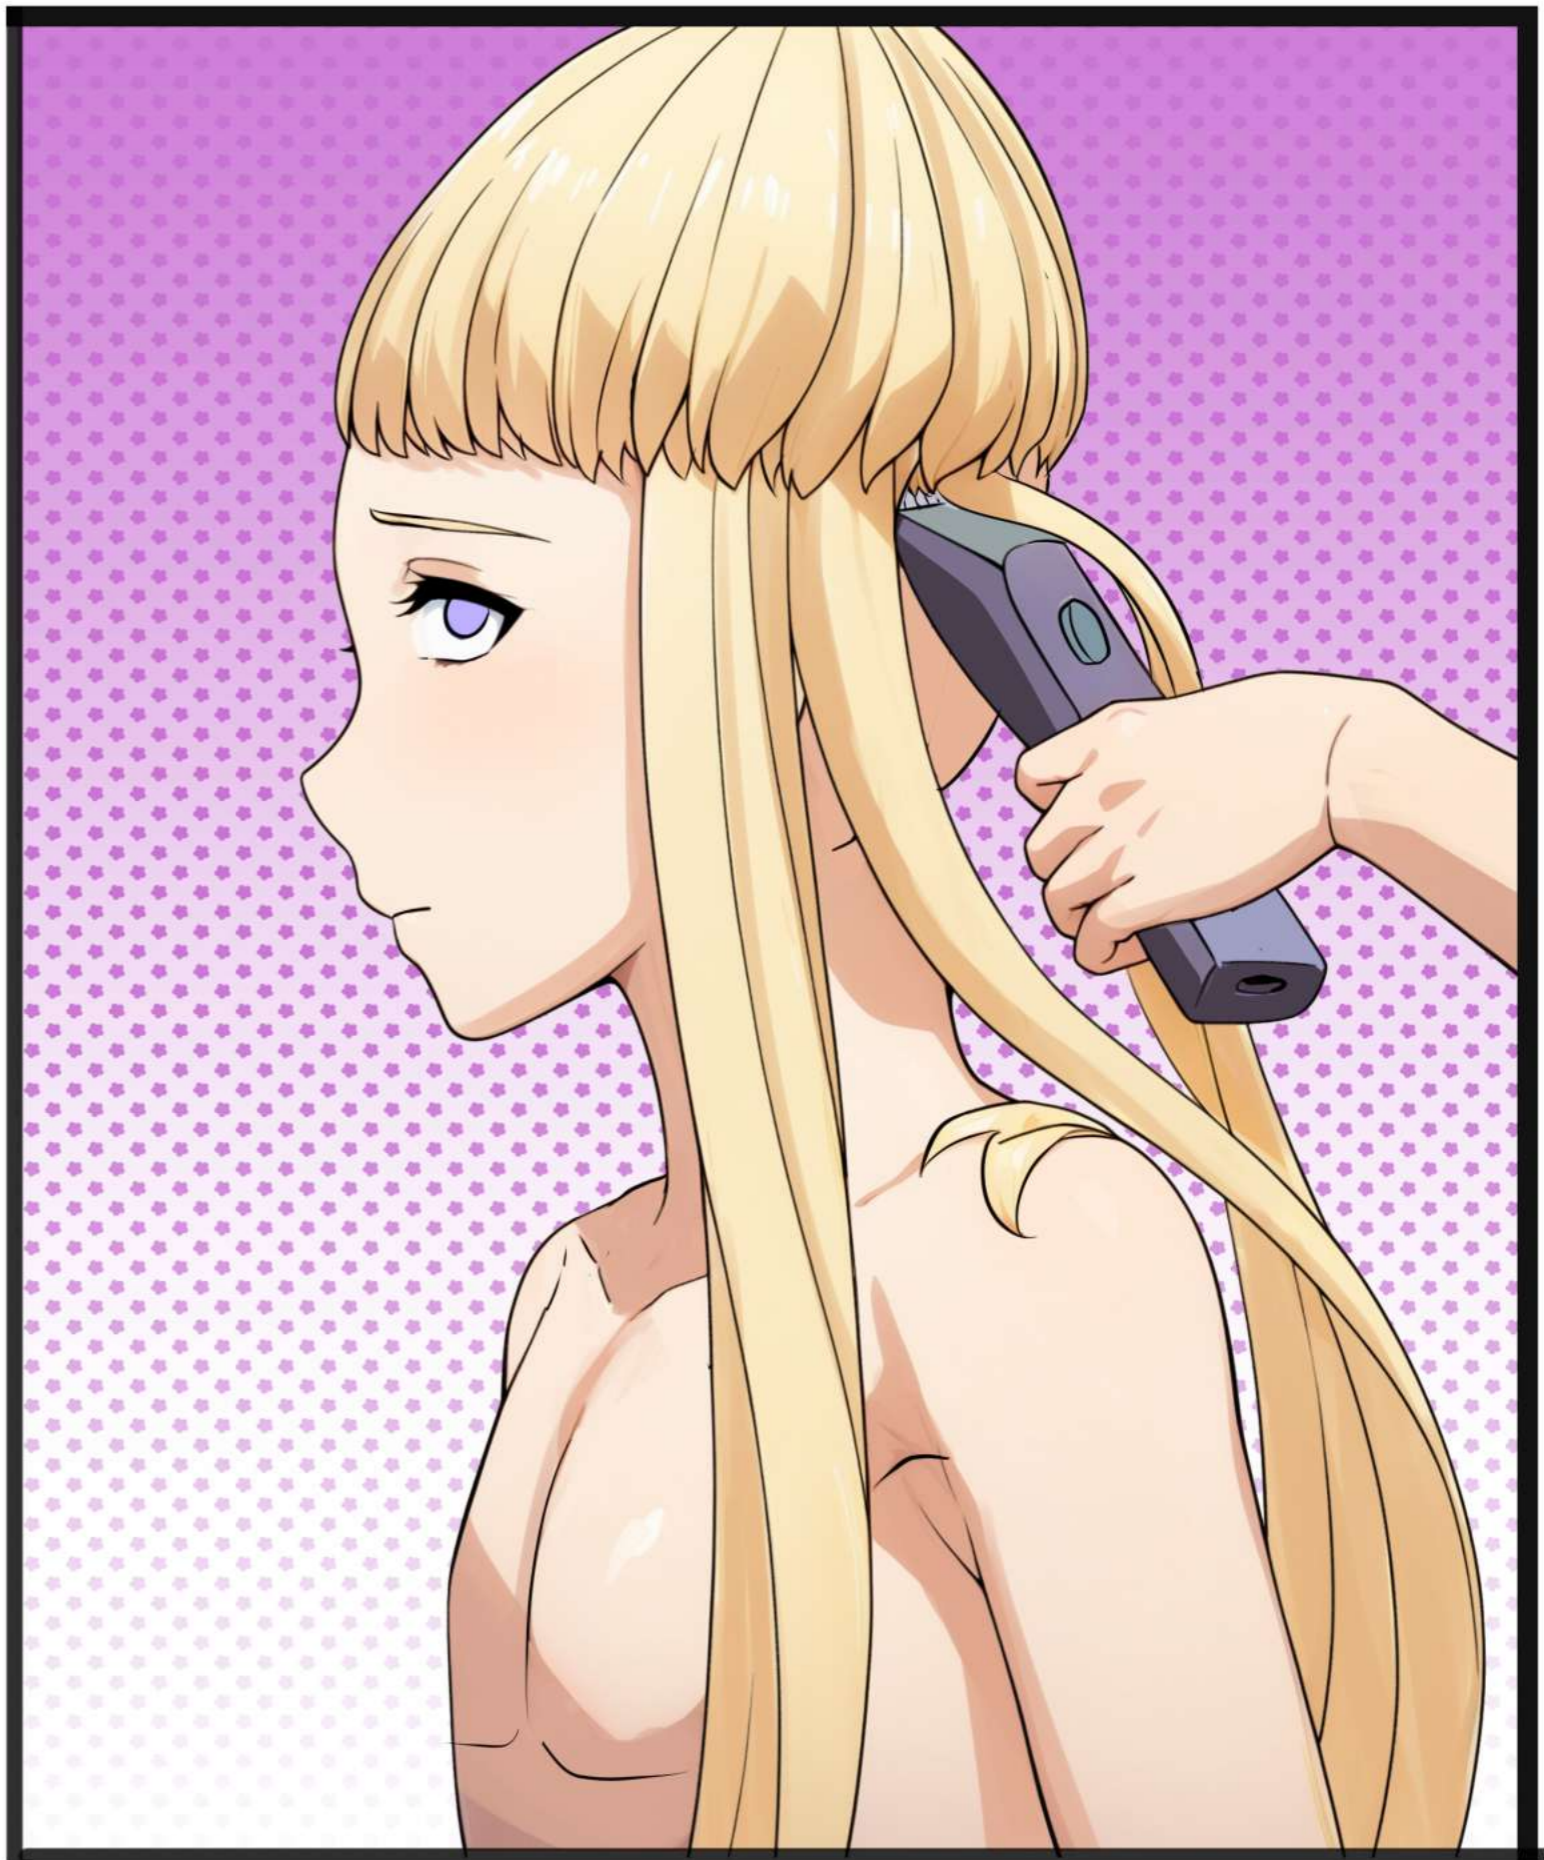

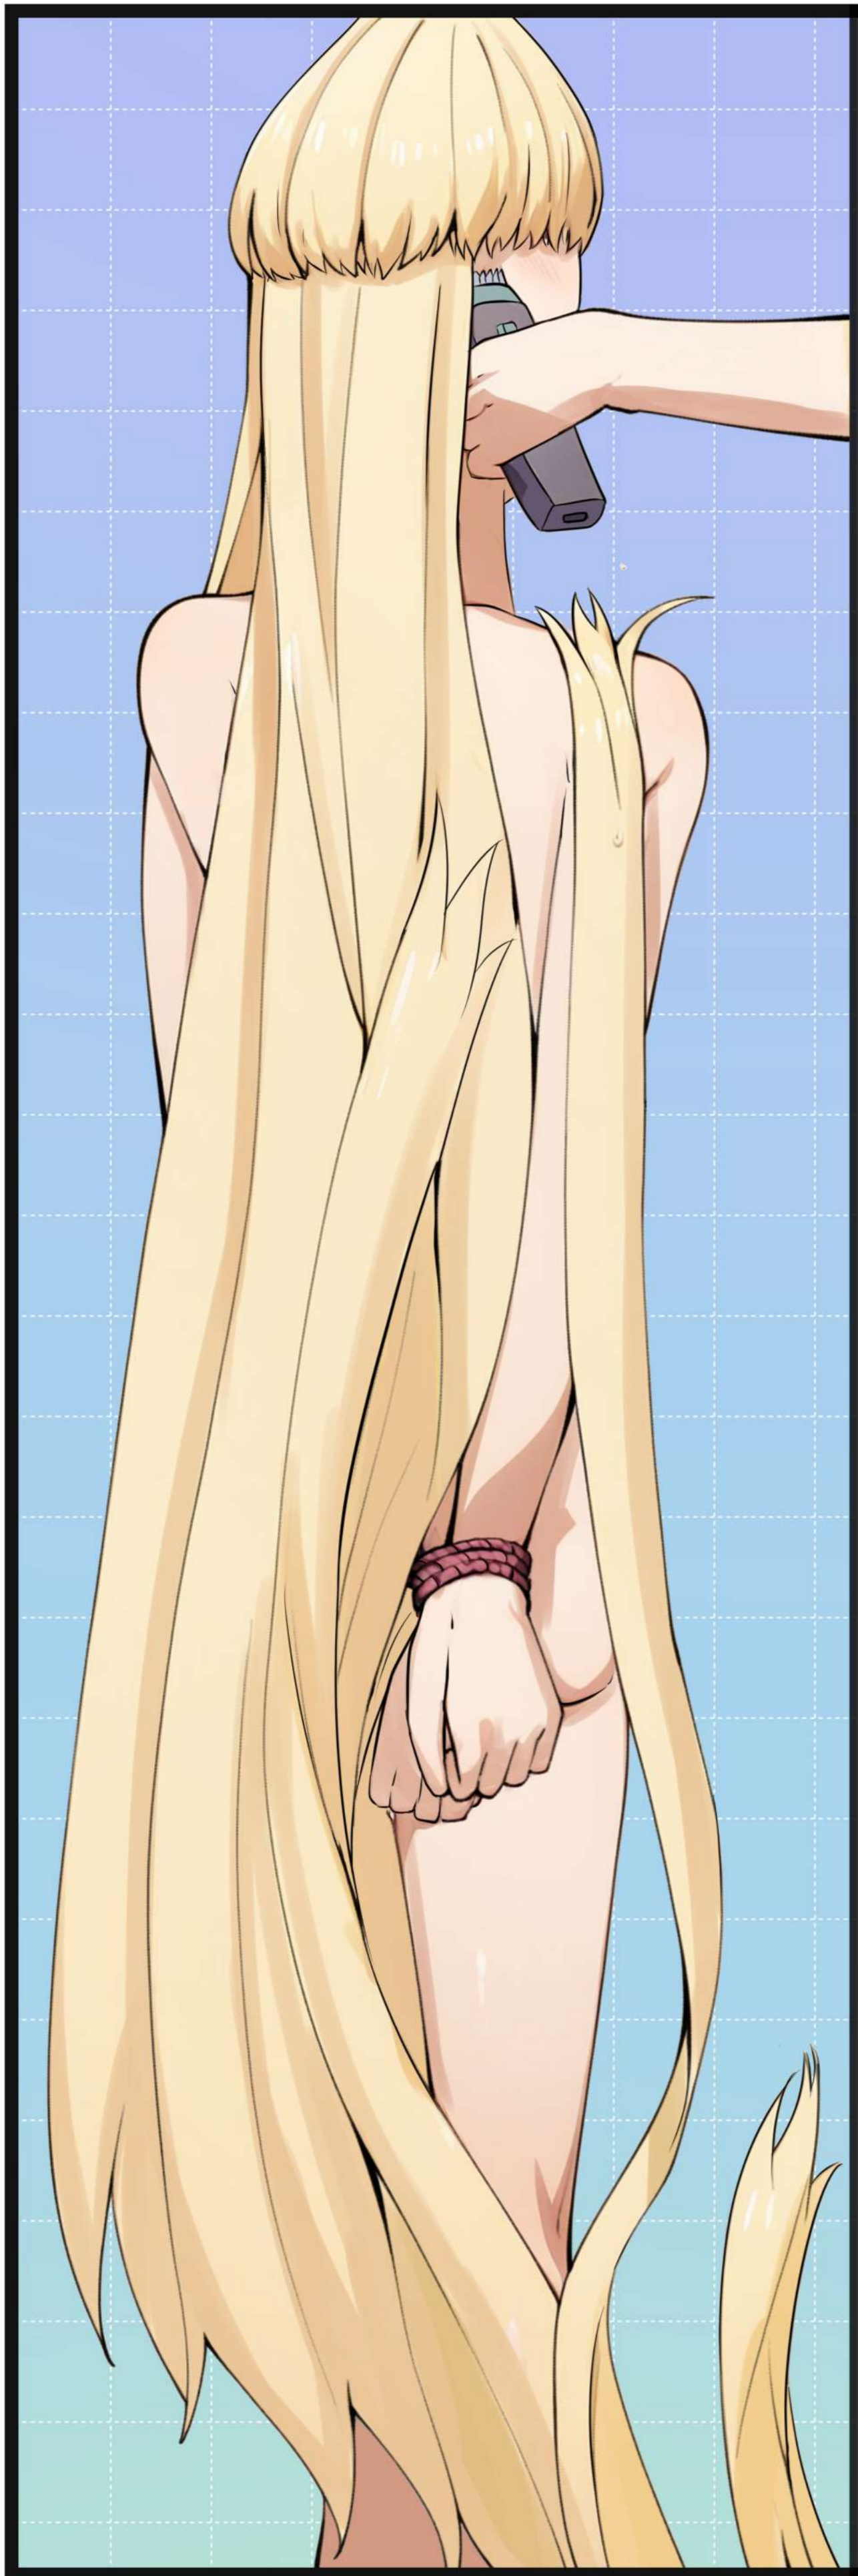

Bzzzzzz

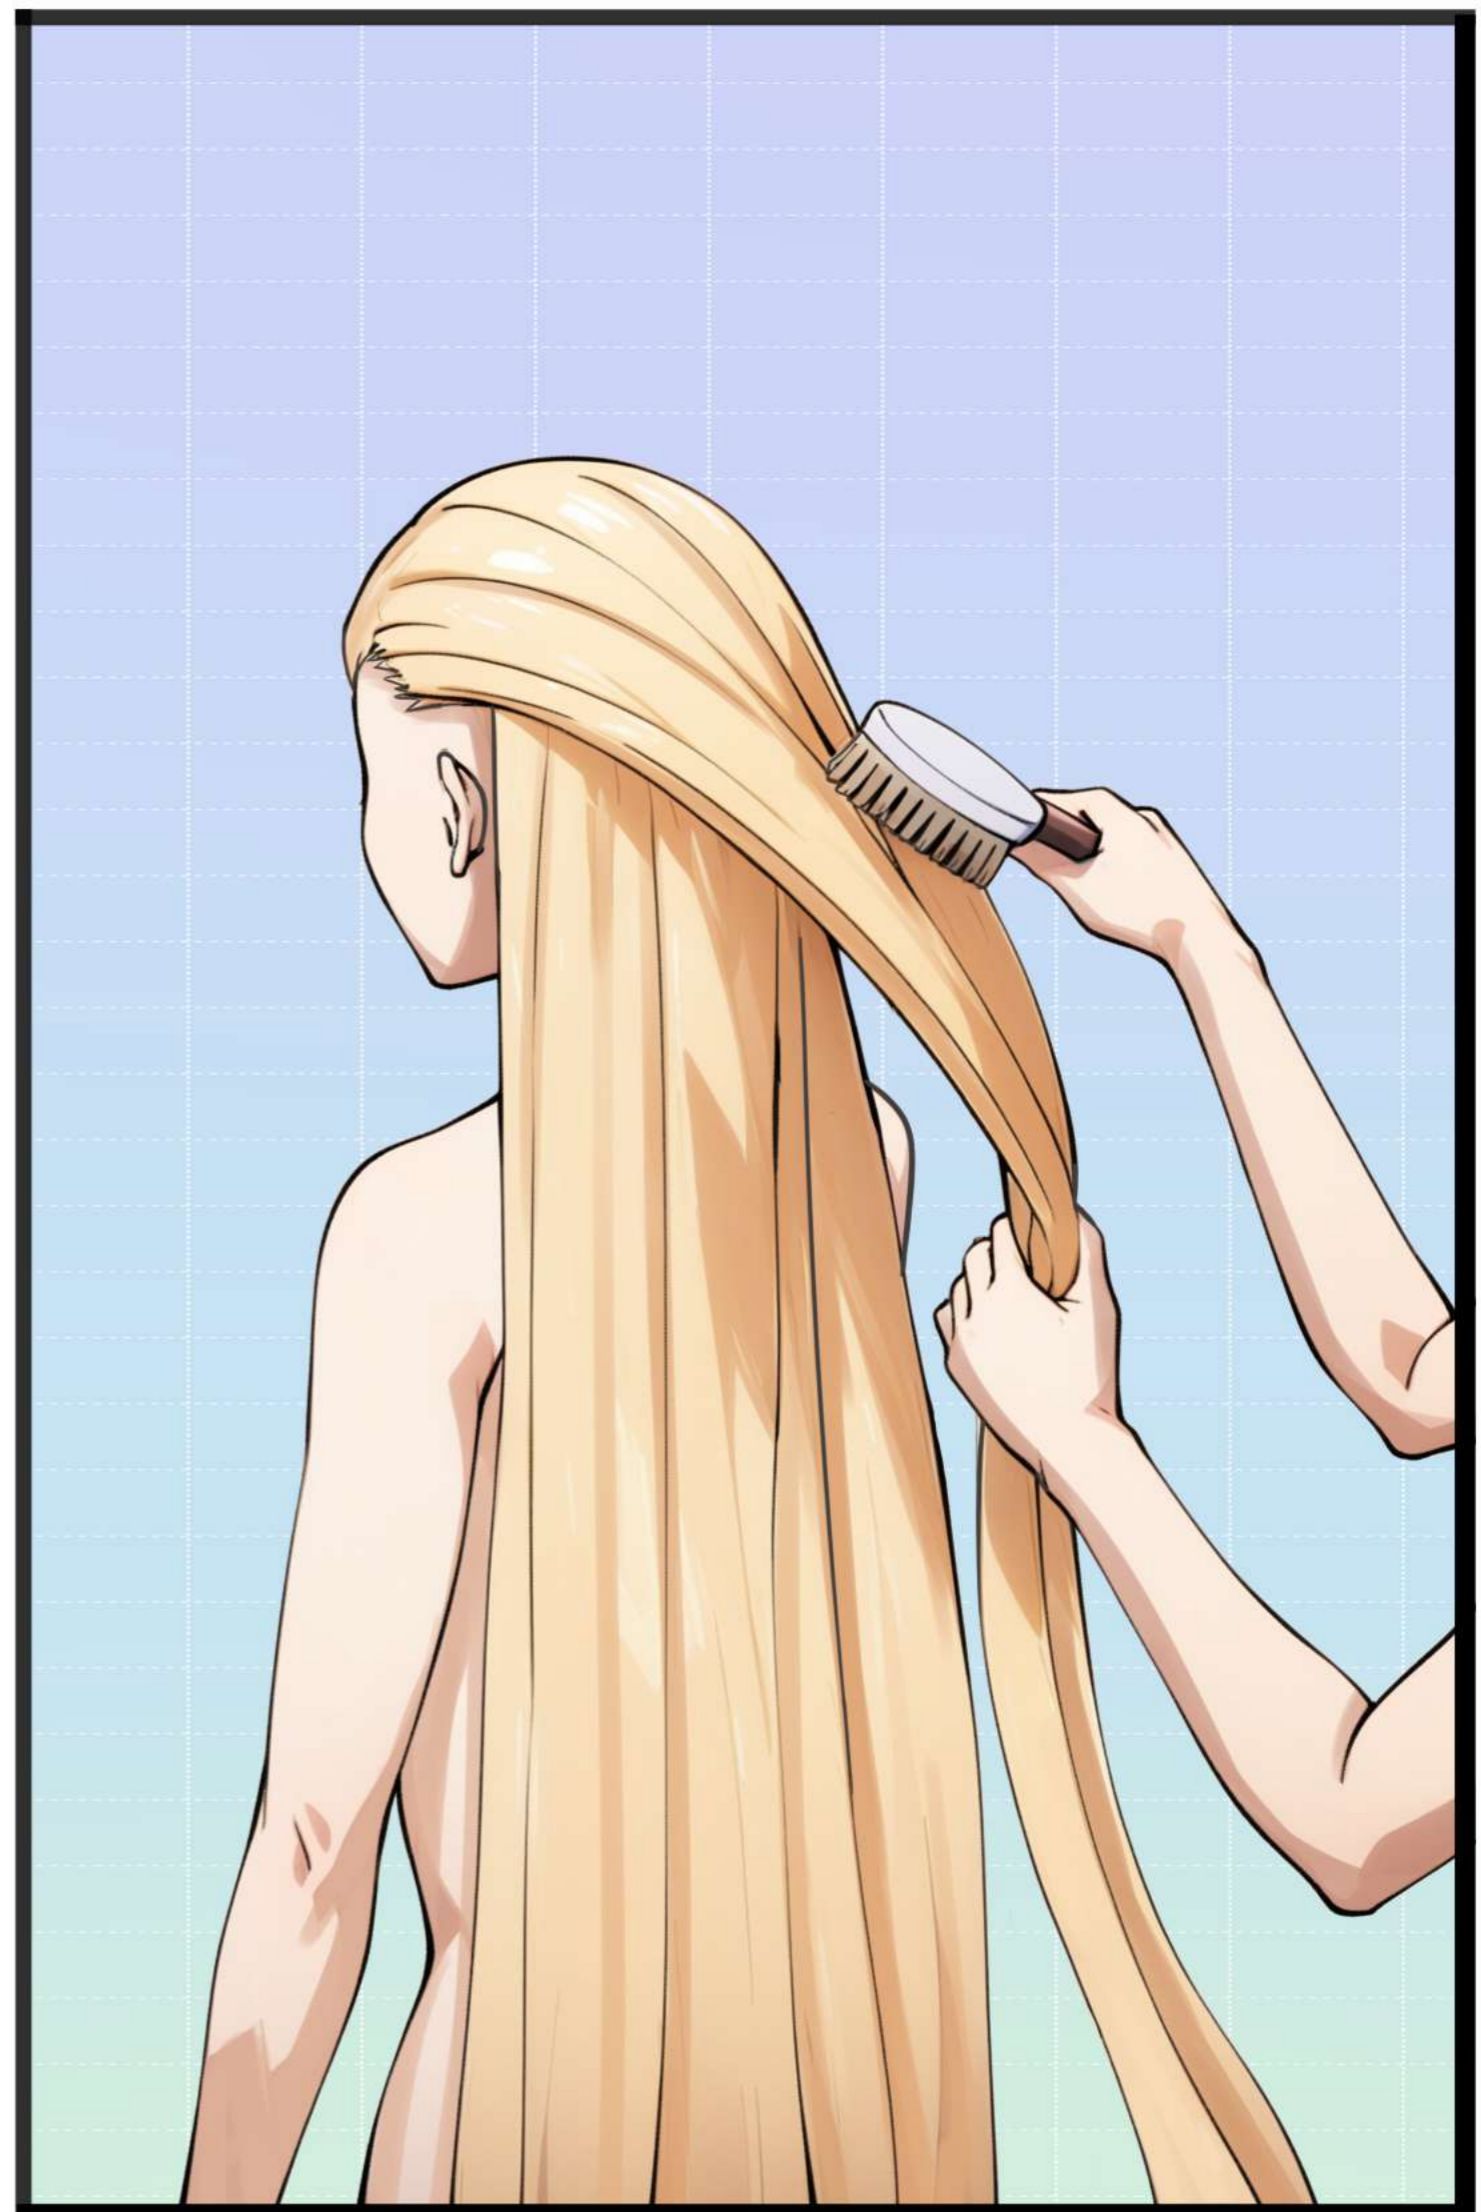

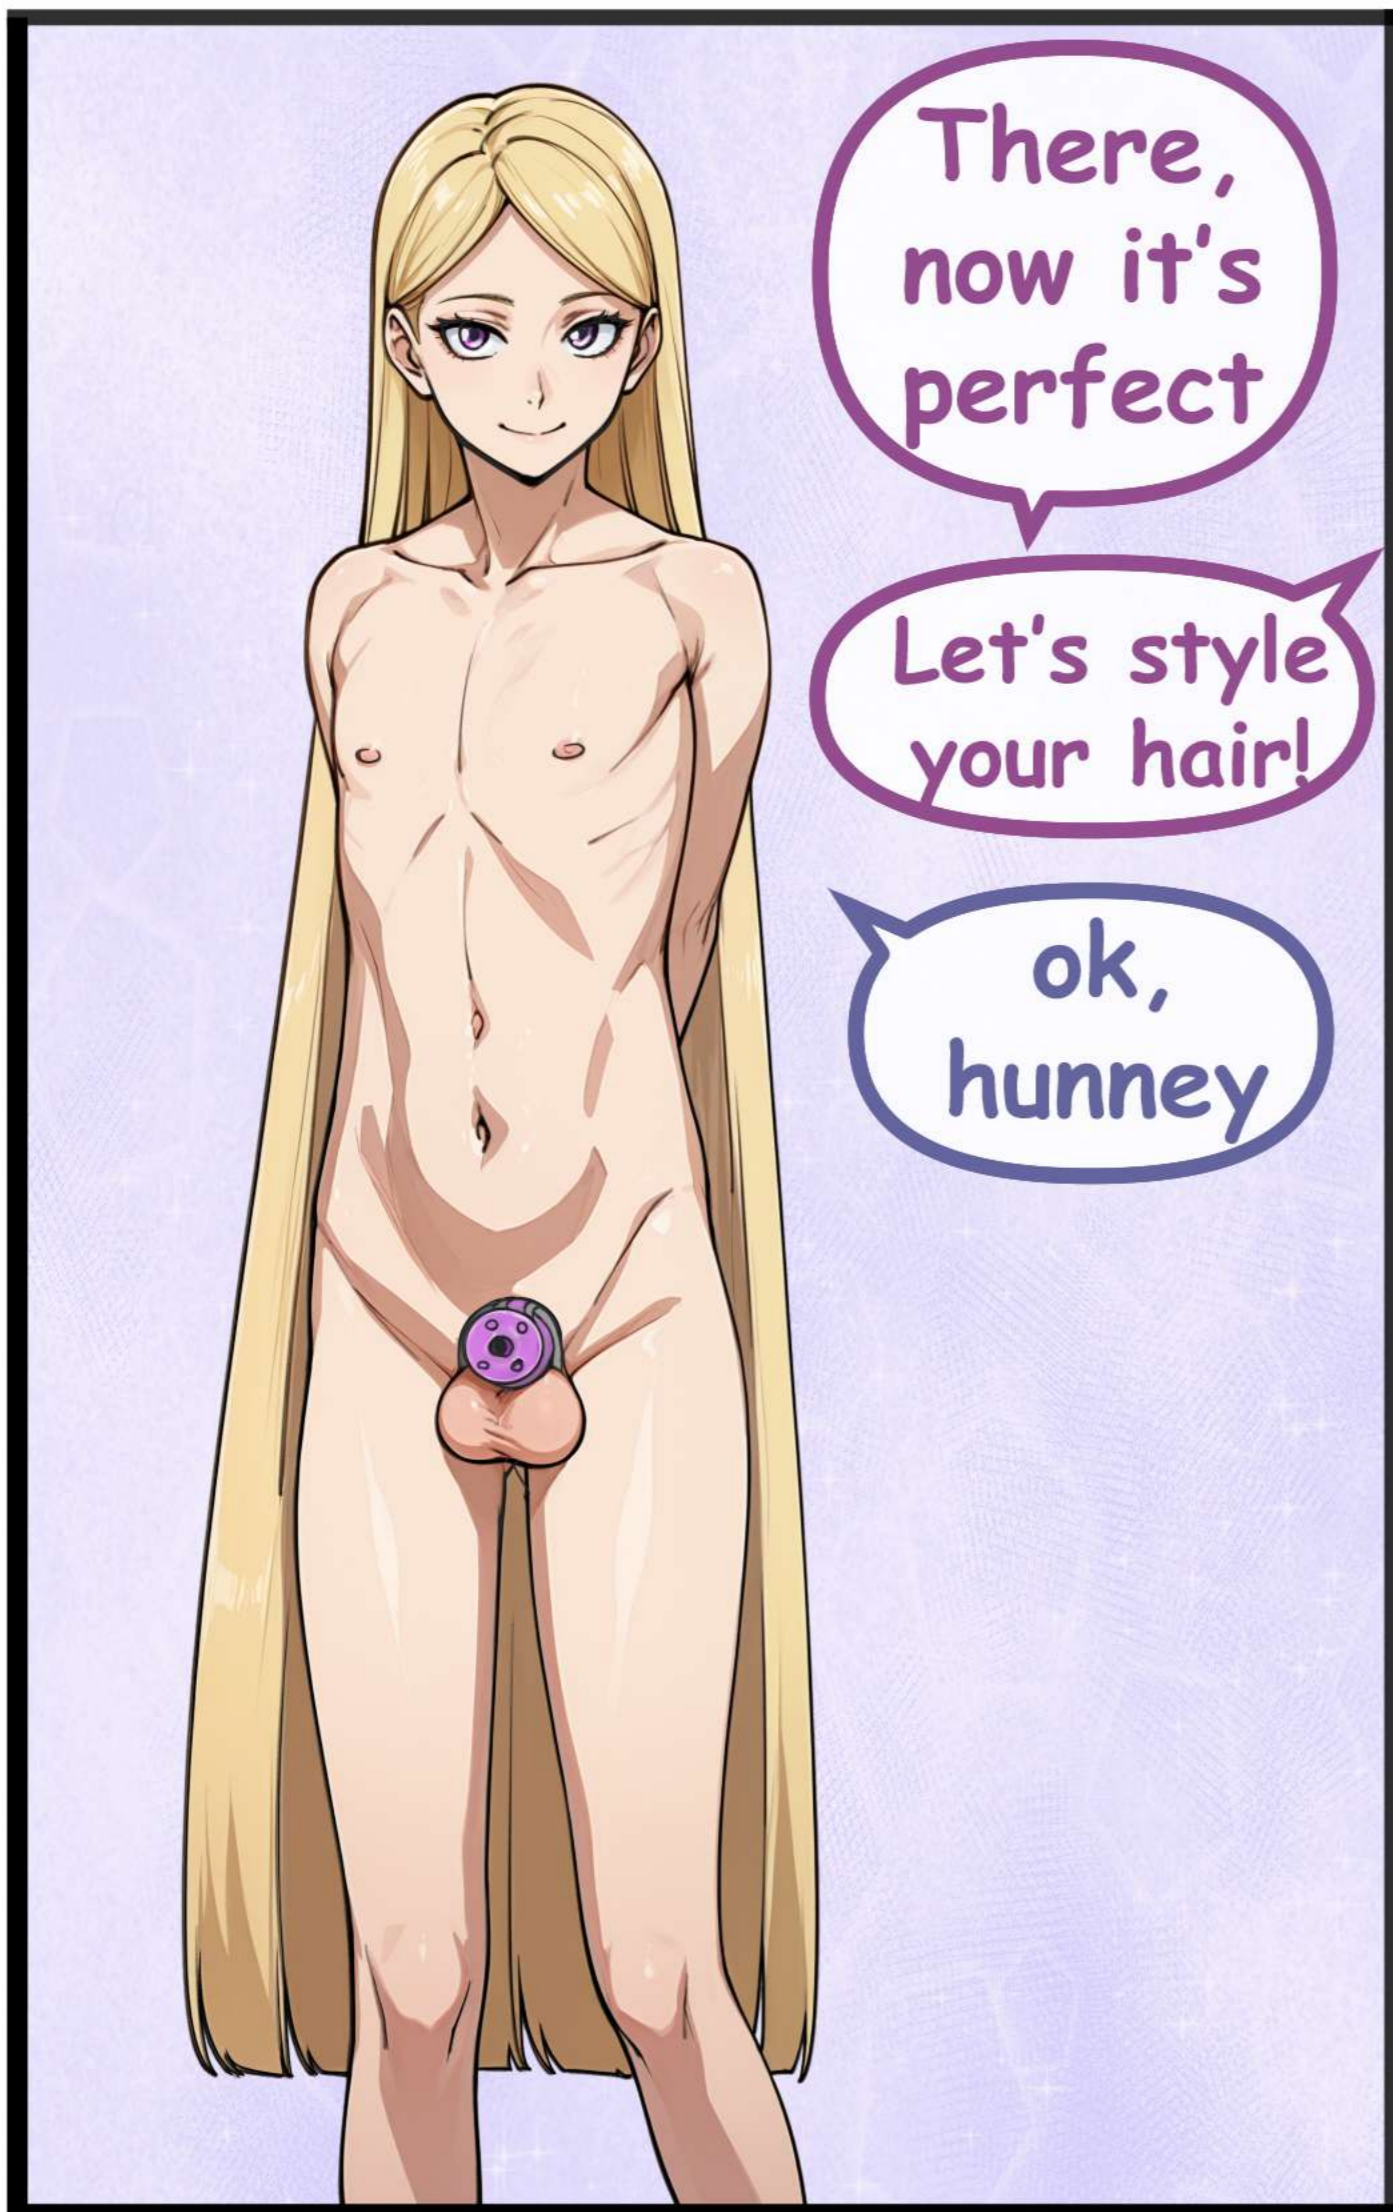

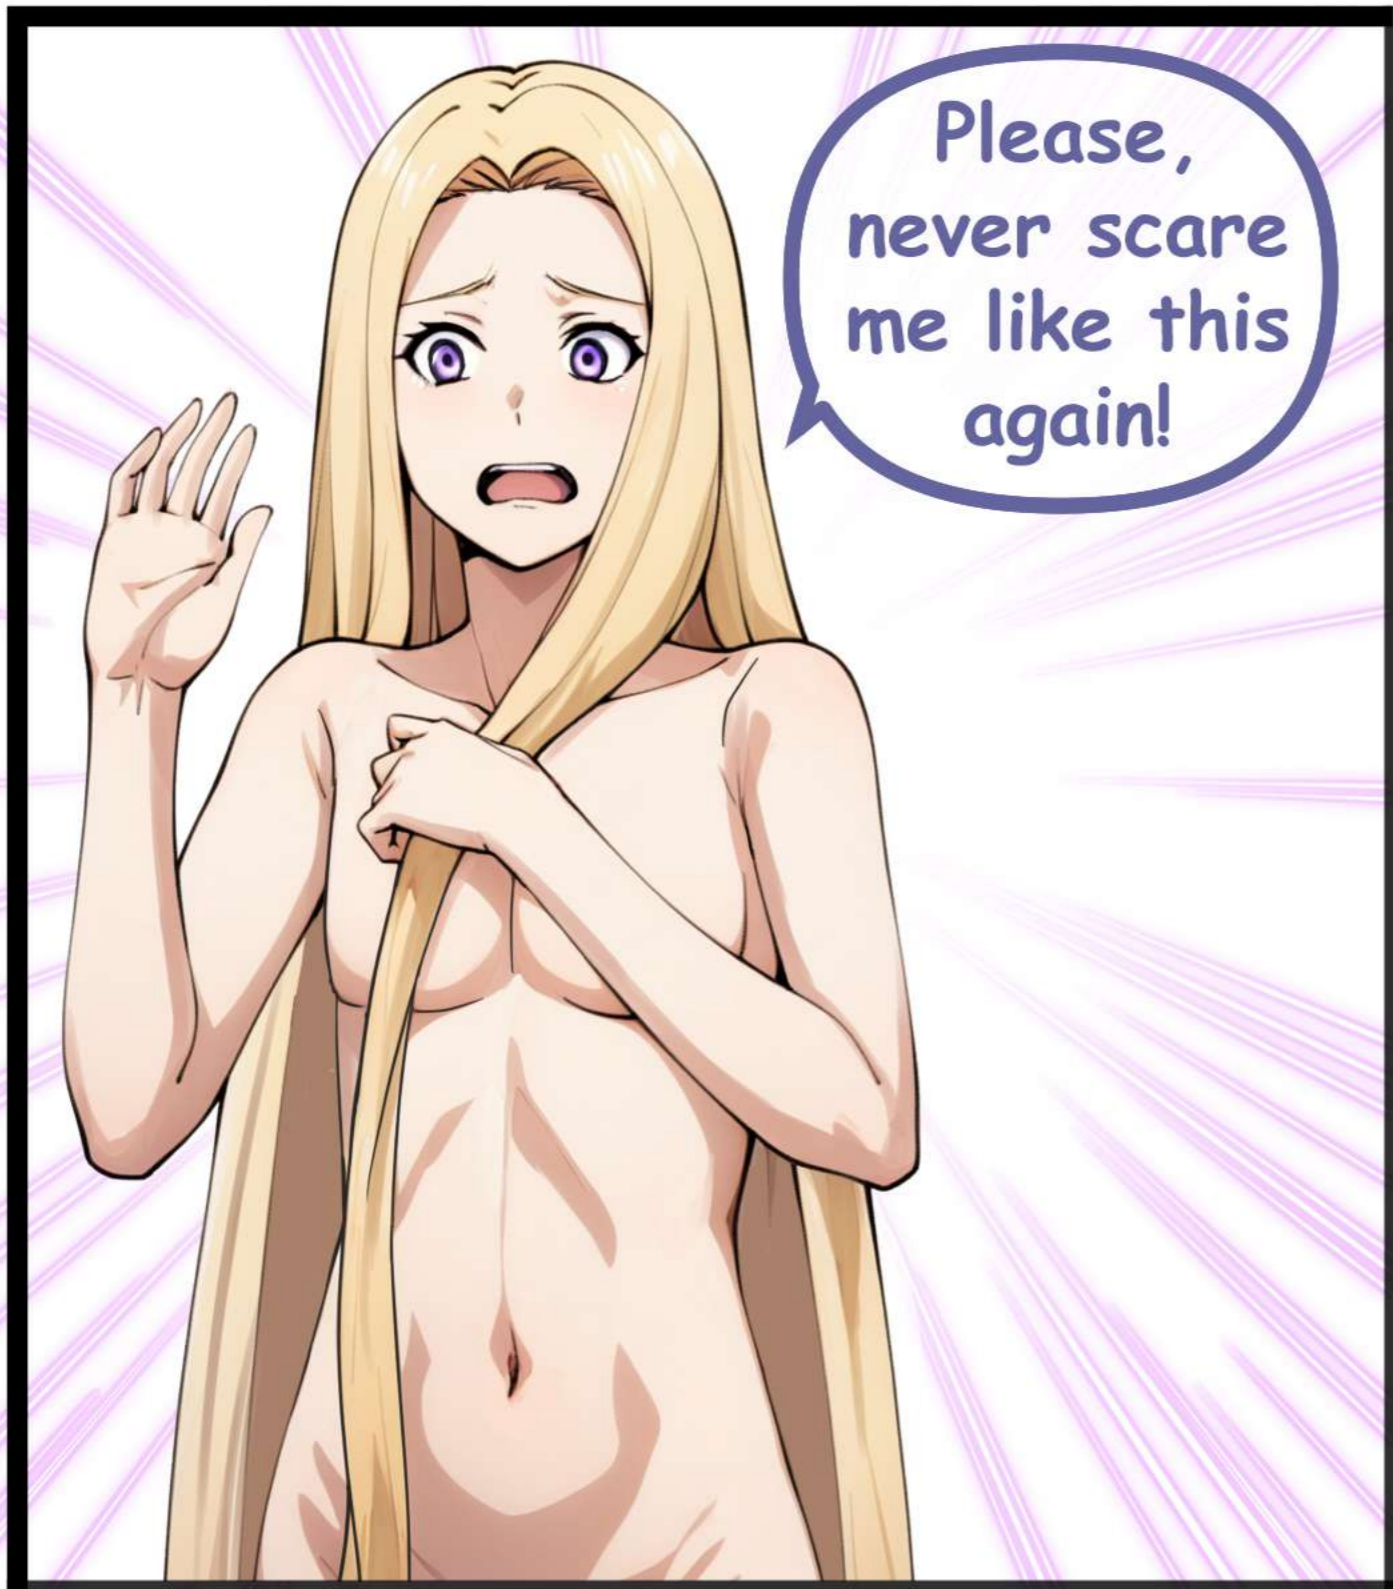

W-wait,
honey!

Our
roleplay is
going too far!

You look like a princess, darling!

Did you really like it?

For sure!

Never scare me like that again, honey

But you look so cute when you're scared!

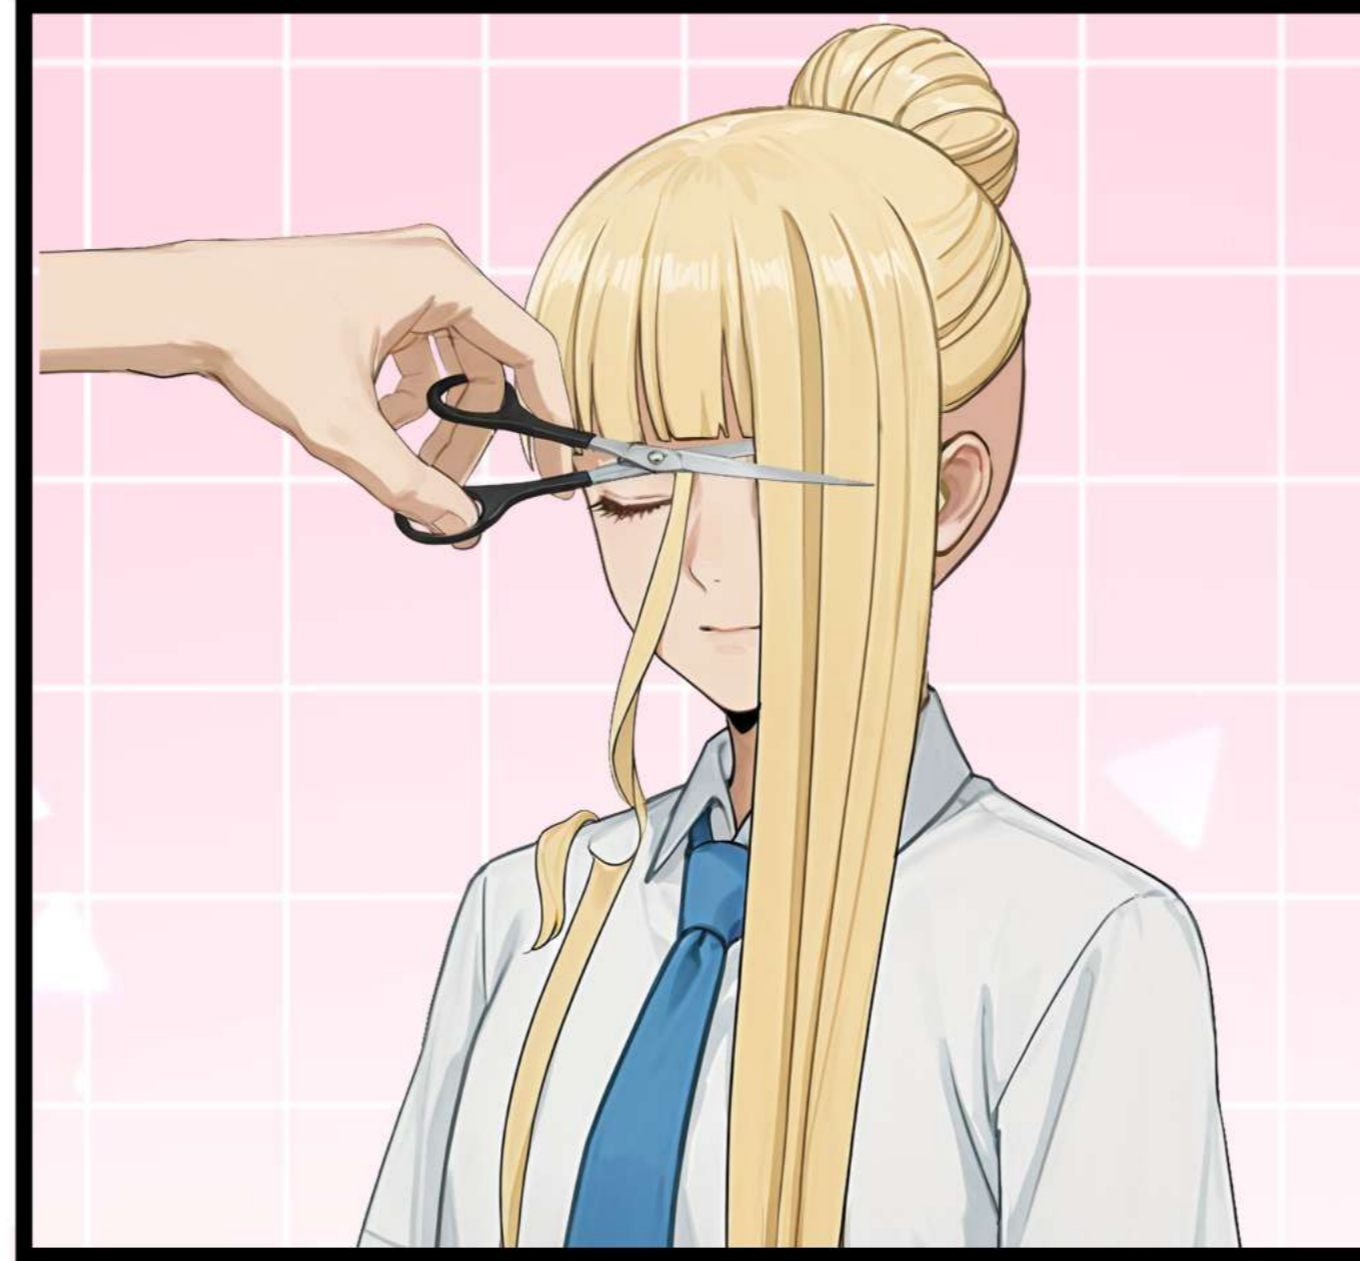

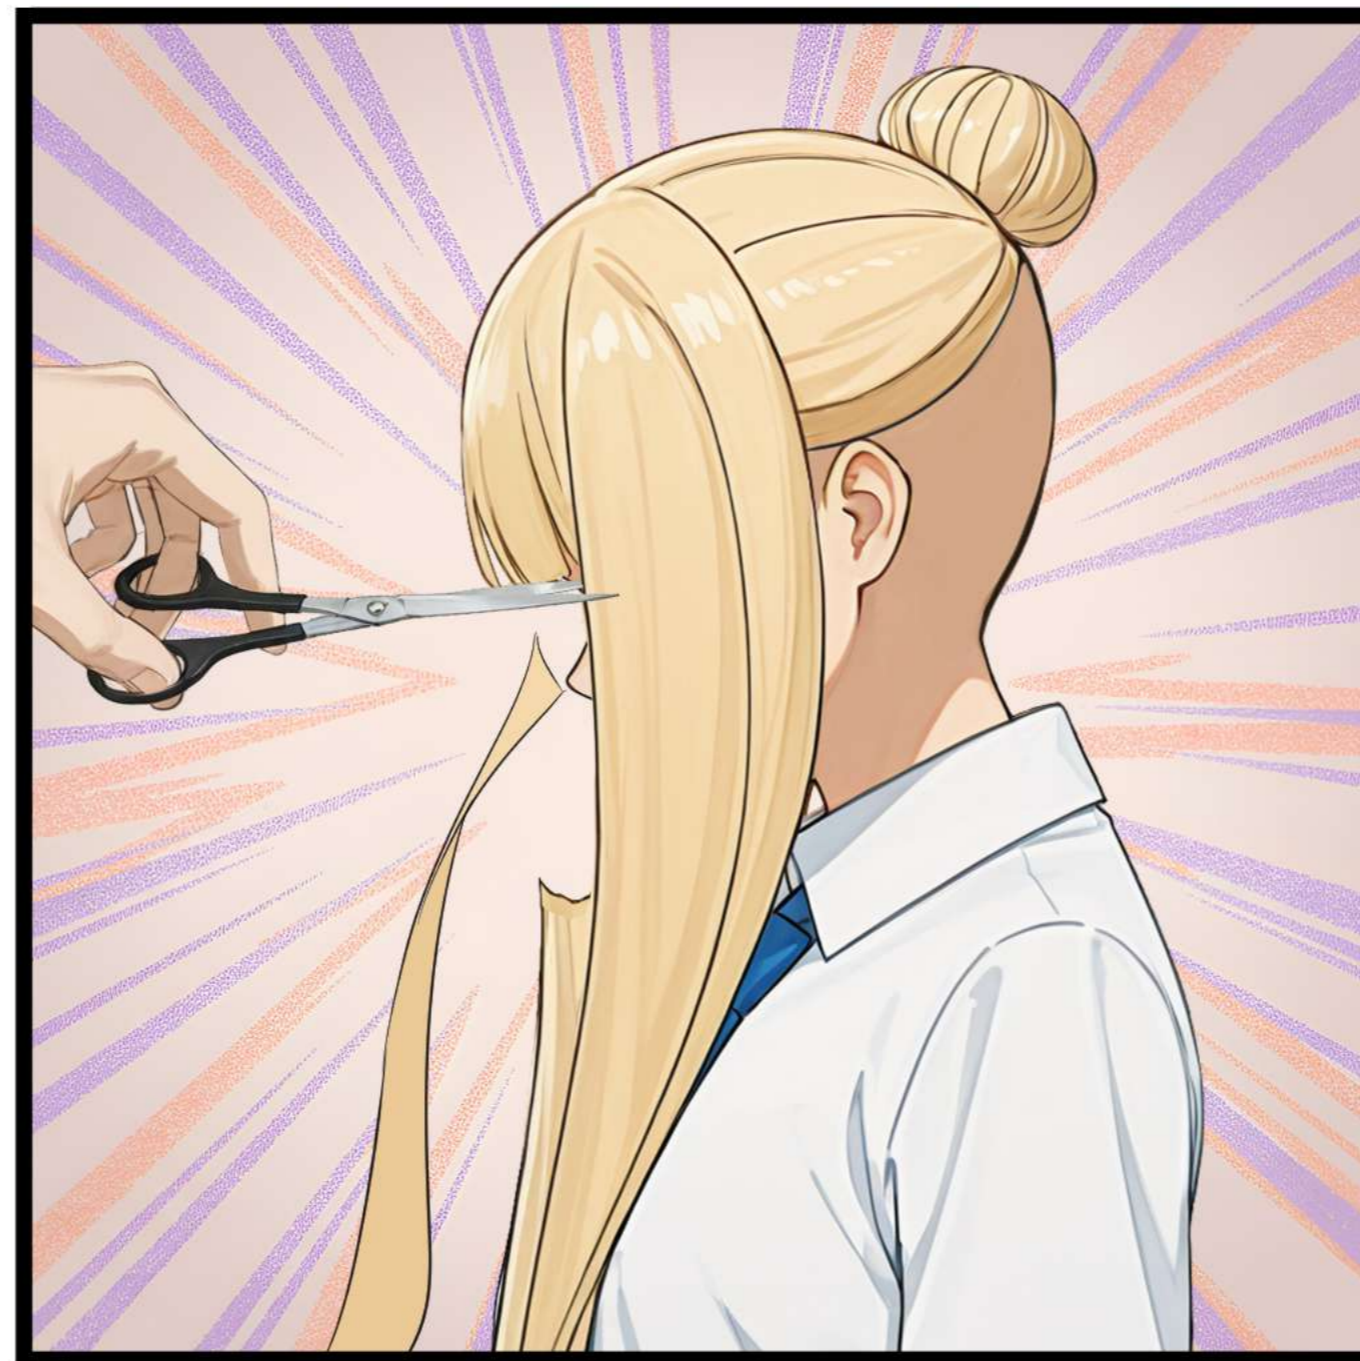

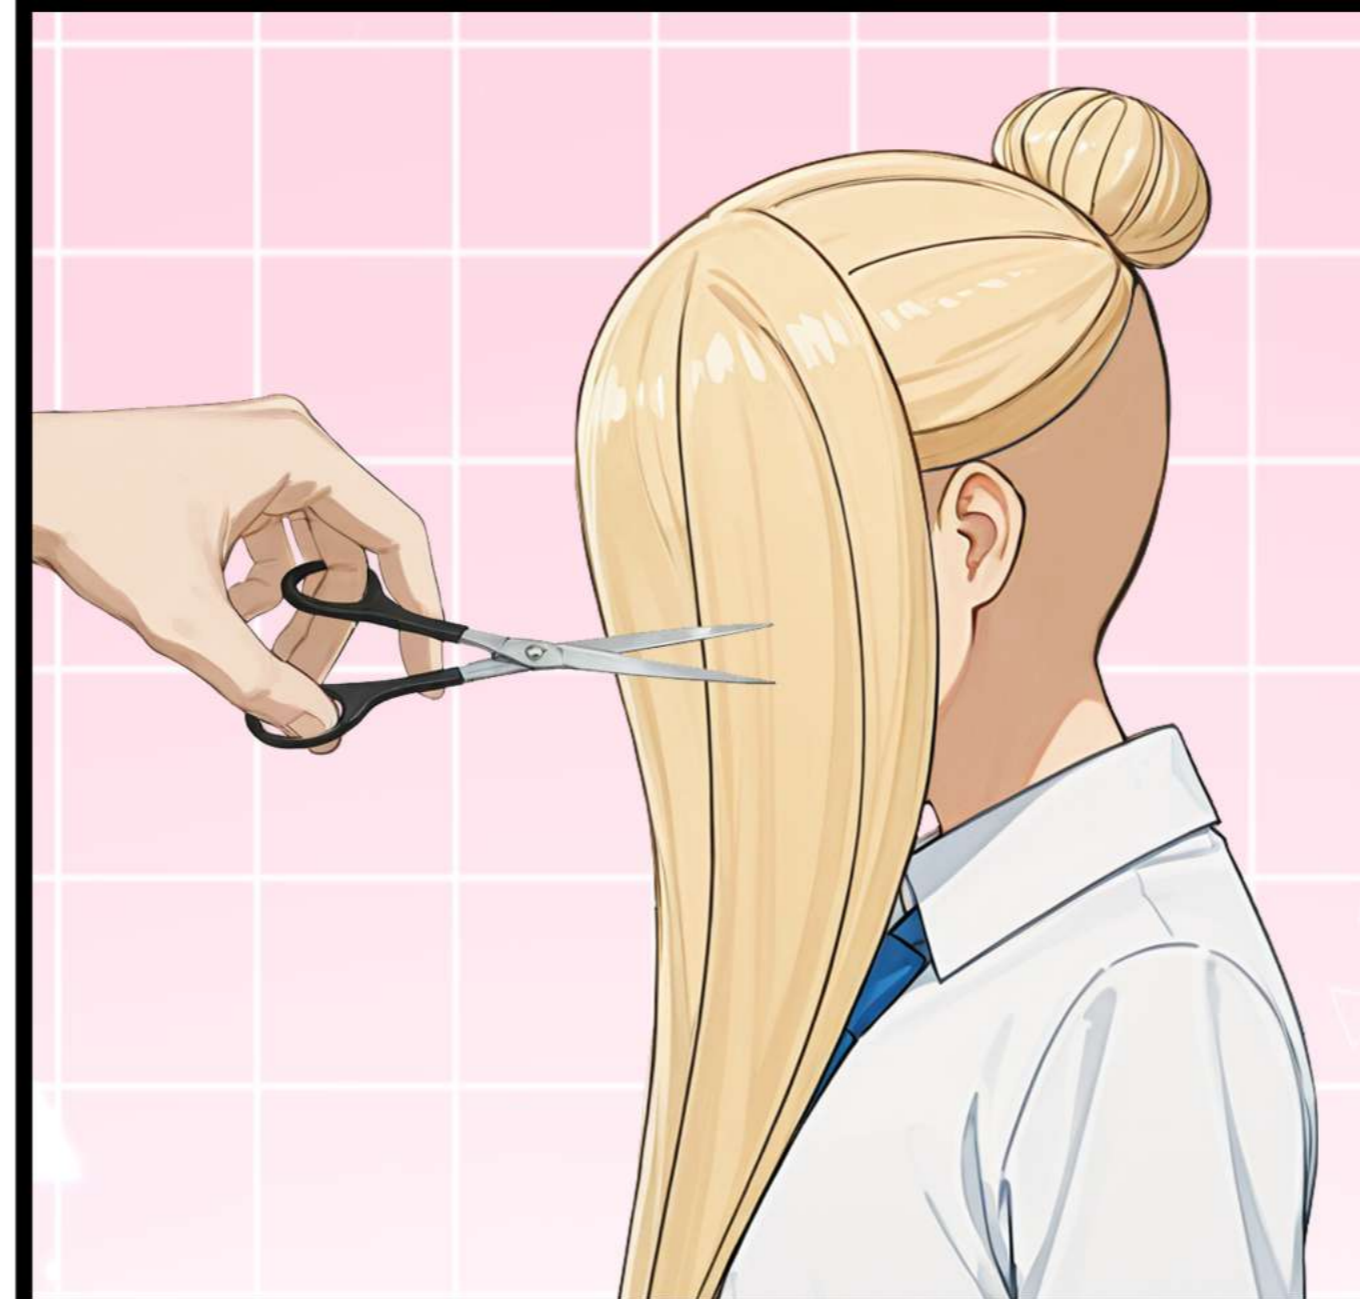

Welcome home~

I was just thinking...

how about I try a new little haircut on you?

You're not gonna do anything extreme this time, right?

Just a tiny cut, I promise~

Can you PLEASE stop doing crazy stuff to my hair!?

But you look sooo cute, darling!

C-couldn't you at least give me normal bangs!?

I just made it a little wider, so everyone can see your cute face better~

Hmph... You just like teasing me, don't you?

Hehe, just a little~

Let me guess... your girlfriend again?

Yeah... apparently she really loves weird haircuts...

Weird or not, it actually suits you!

She could've at least given me a normal haircut for once...

Come on,
kitty. Time
for your walk

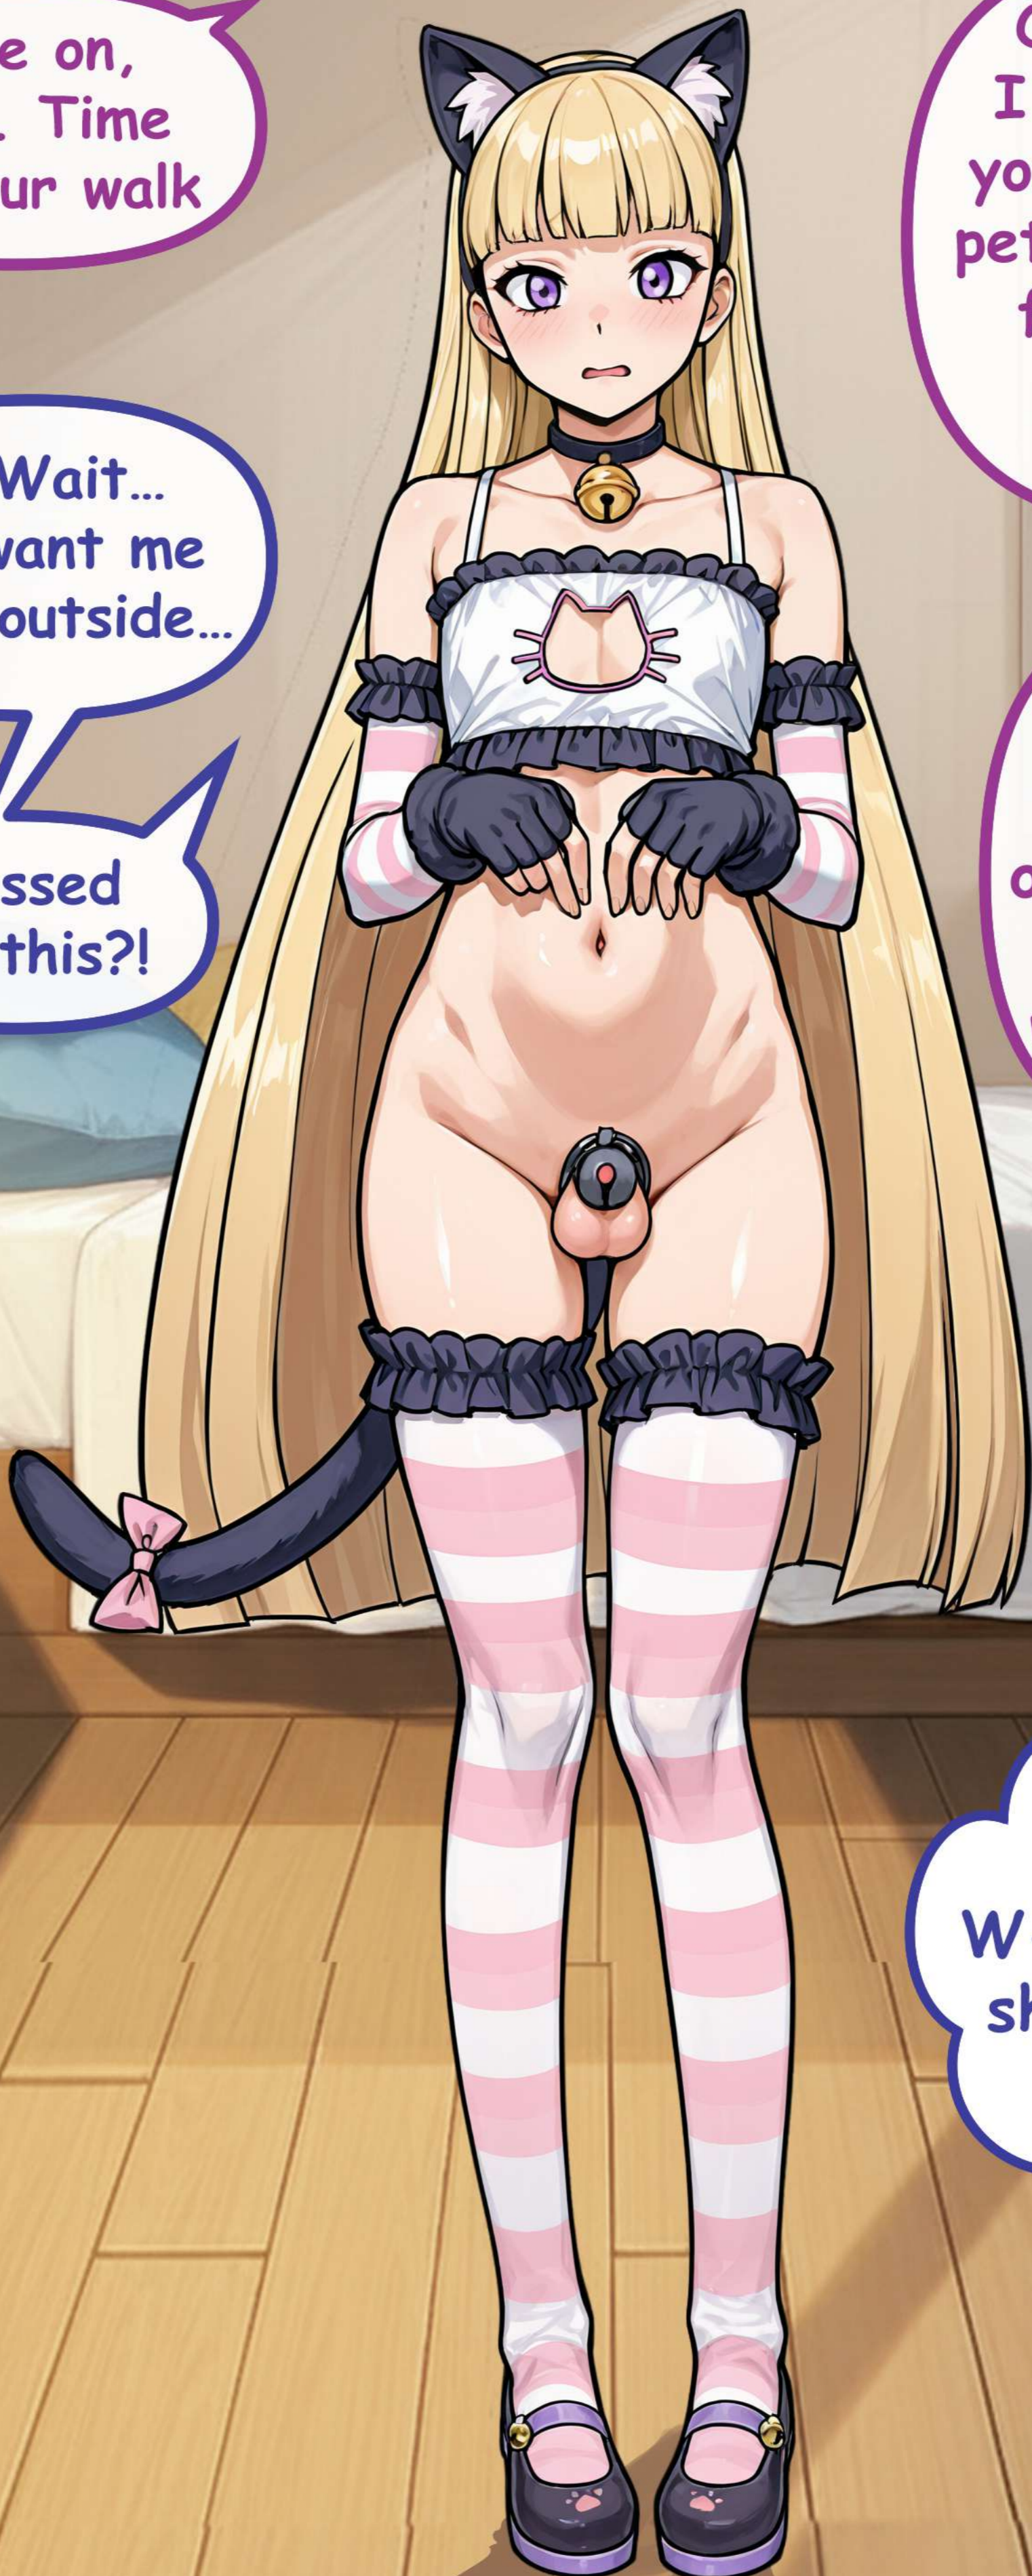

W-Wait...
you want me
to go outside...

dressed
like this?!

Of course!
I didn't buy
you that cute
pet outfit just
for you to
wear it
at home

And
this time
we're going
out at night,
so no one
will see you

T-This
time...?
W-What does
she mean by
that...?

I-I
can't believe
I'm actually
doing this...

Ho-honey...
what if
someone
sees me
like this...?

When you're
dressed like
this, you call
me Mistress!

And
stop hiding
your sissy
caged dick!

That's
an order!

Y-Yes...
Mistress...

Good boy!

Our
roleplays
are going way
too far...

D-Damn
it... Her
calling me
that... it
turns me on
so much...

Hey, darling,
I was thinking about
getting some new
clothes

Wanna
go with
me?

Yeah,
sure!

Yay! Let's
look at cute
clothes
together!

T-they're
for you,
right...?

Well...
I might not resist
getting a few things
for my cute boyfriend
too

H-honey...

Hey darling, what do you think of this lingerie?

It's cute, right?

Wow, she'd look amazing in this...

Yeah... it's super cute!

So... You like it, right?

Yeah! It'd look great on you!

Good~
But who said
it's for me?

W-wait...
you don't
mean—

I-I don't
now if that's a
good idea...

So~
wanna try
it on?

Come on,
No one's gonna
notice you're
a guy

I can't believe I'm actually doing this...

In a clothing store...

L-love...

C-can you come here...?

I think this one's a bit too big...

Aww...
My boyfriend is
so small and
flat

And sooo
cute!

Hey!
Of course
I'm flat!

I'm a
man!

Hmph...
and I'm not
even that
small!

Come on,
you're so small yo
buy your clothes
in the kids' section,
hehe

Alright,
alright! I'll grab
a smaller size-
be right back!

T-that
doesn't mean
anything!

it fits perfectly...
that makes it even
more embarrassing...

really can't
believe how girly
I look...

So...
can I take a
look, darling?

Yeah...
it's the right
size this
time...

See?
This is my boyfriend.
Cute, right?

He's
absolutely
adorable!

W-wait—
what's
happening?!

He could
totally pass as
a girl!

Don't worry, darling. She's the attendant who helped me get the lingerie in the right size for you

And we picked lots of other lingerie for you to try on too

W-weren't we supposed to pretend I was a girl...?

I changed my mind, this way is much more fun

Now stop complaining and let's move on to the next outfit

Come on,
why are you
so embarrassed
about this
lingerie?

You've worn
a kitty outfit
before

I wore
it at night...
and in secret...

Now
I'm in a mall,
trying this on...

Nah, relax.
You're inside
the fitting room.
No one's going
to see

Y-yeah...
but there's
someone
peeking...

Oops,
my bad,
hehe

I'll go help
another customer.
If you need anything,
just call me!

H-hey...
this looks more
like cosplay
than lingerie!

Shouldn't
this be sold
at a sex shop or
something...?

Hehe,
this store has
some pretty spicy
lingerie.

And you
look so cute
as my little 'otomaid',
darling

This outfit
suits my submissive
boyfriend
perfectly...

S-submissive?!

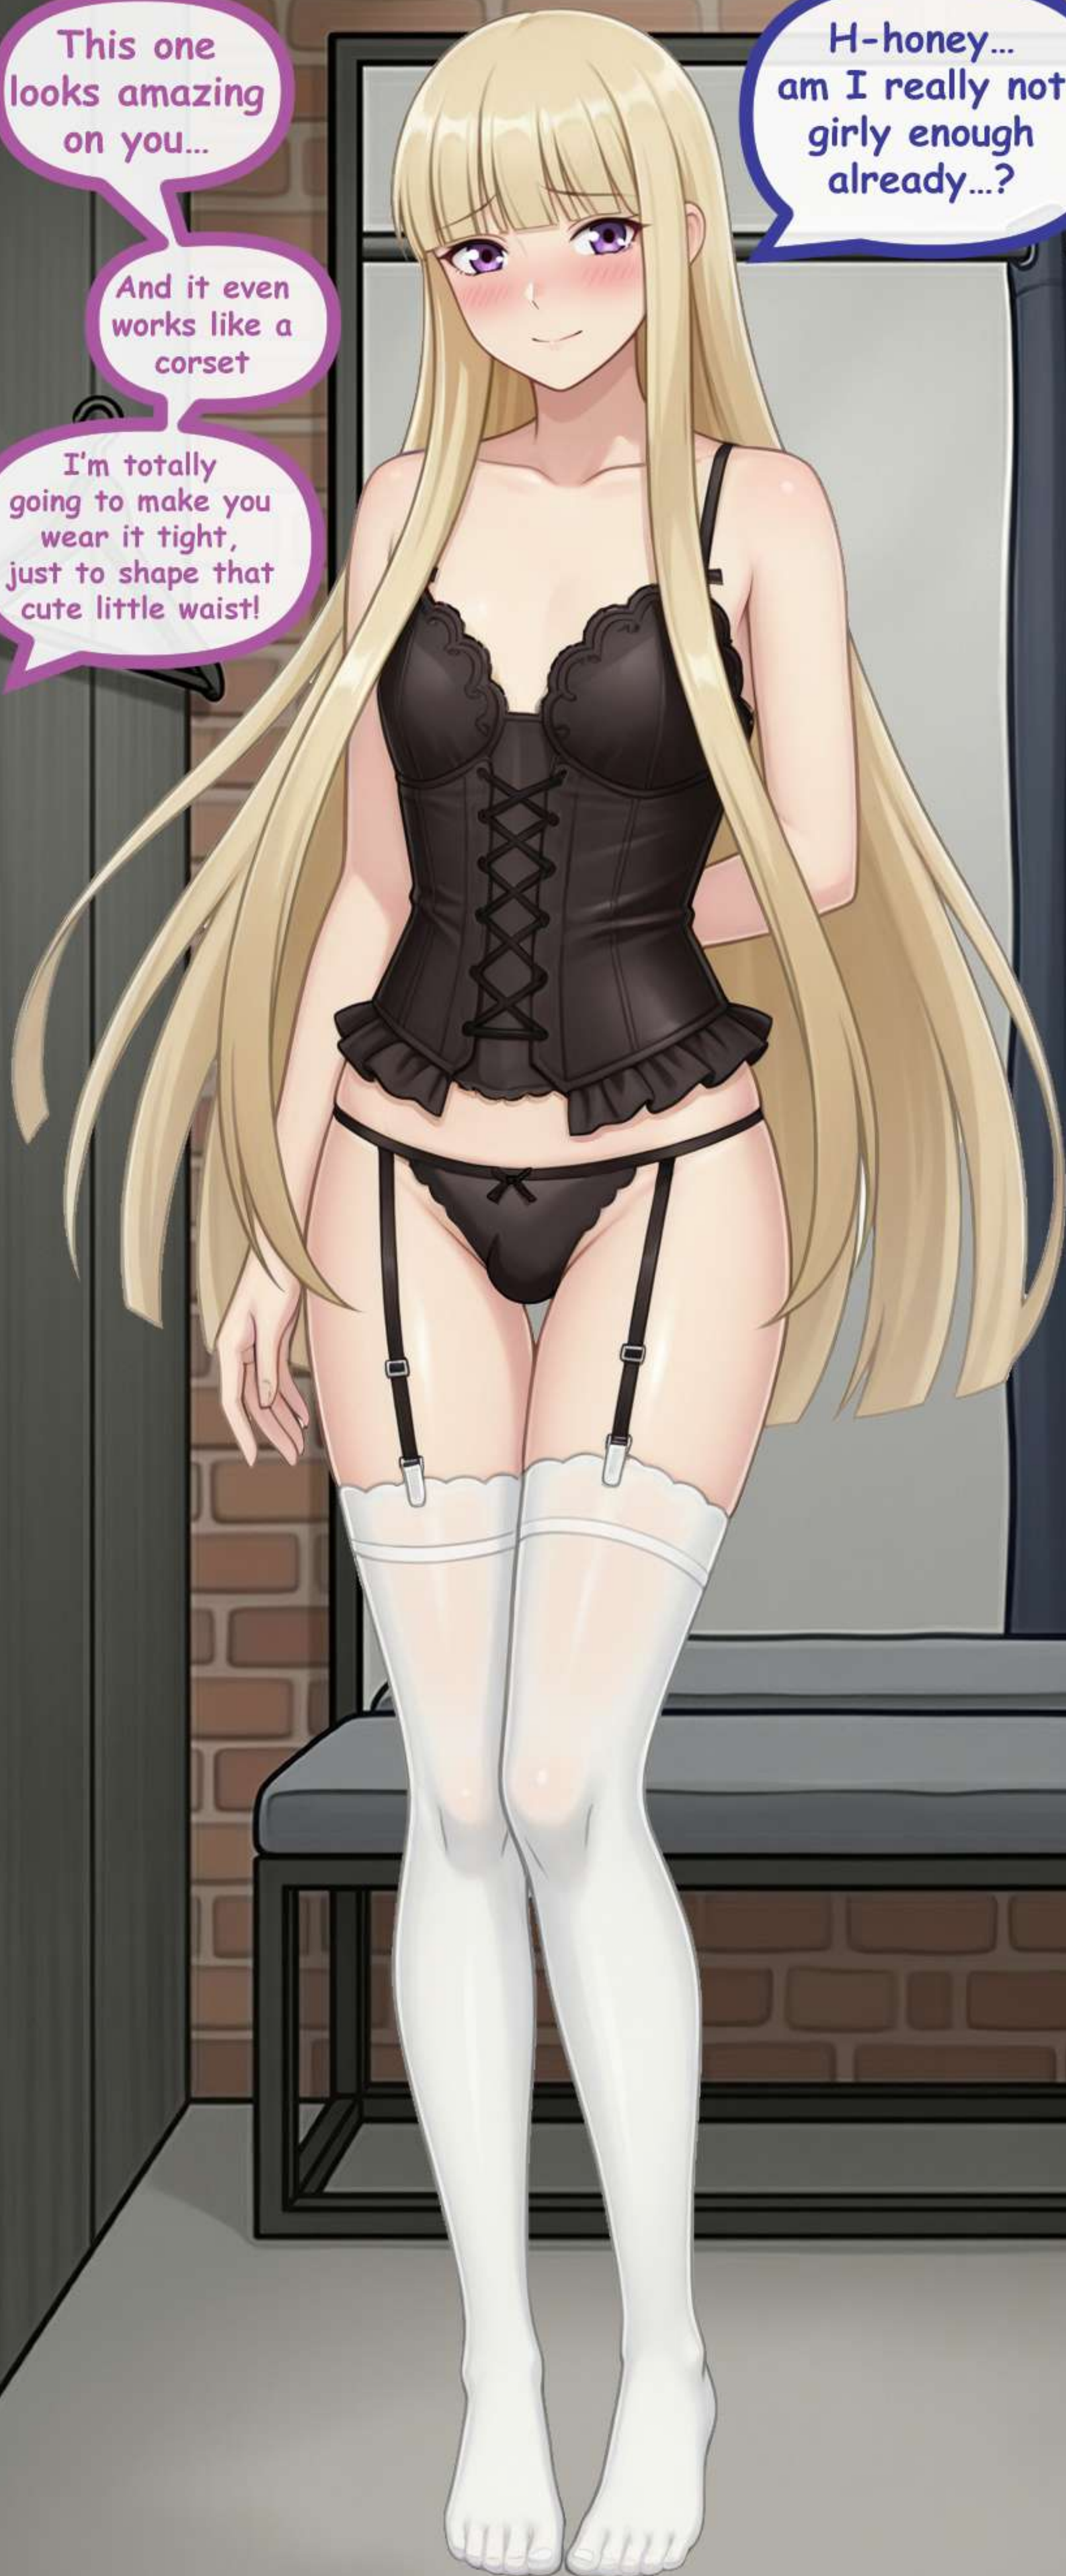

This one looks amazing on you...

And it even works like a corset

I'm totally going to make you wear it tight, just to shape that cute little waist!

H-honey... am I really not girly enough already...?

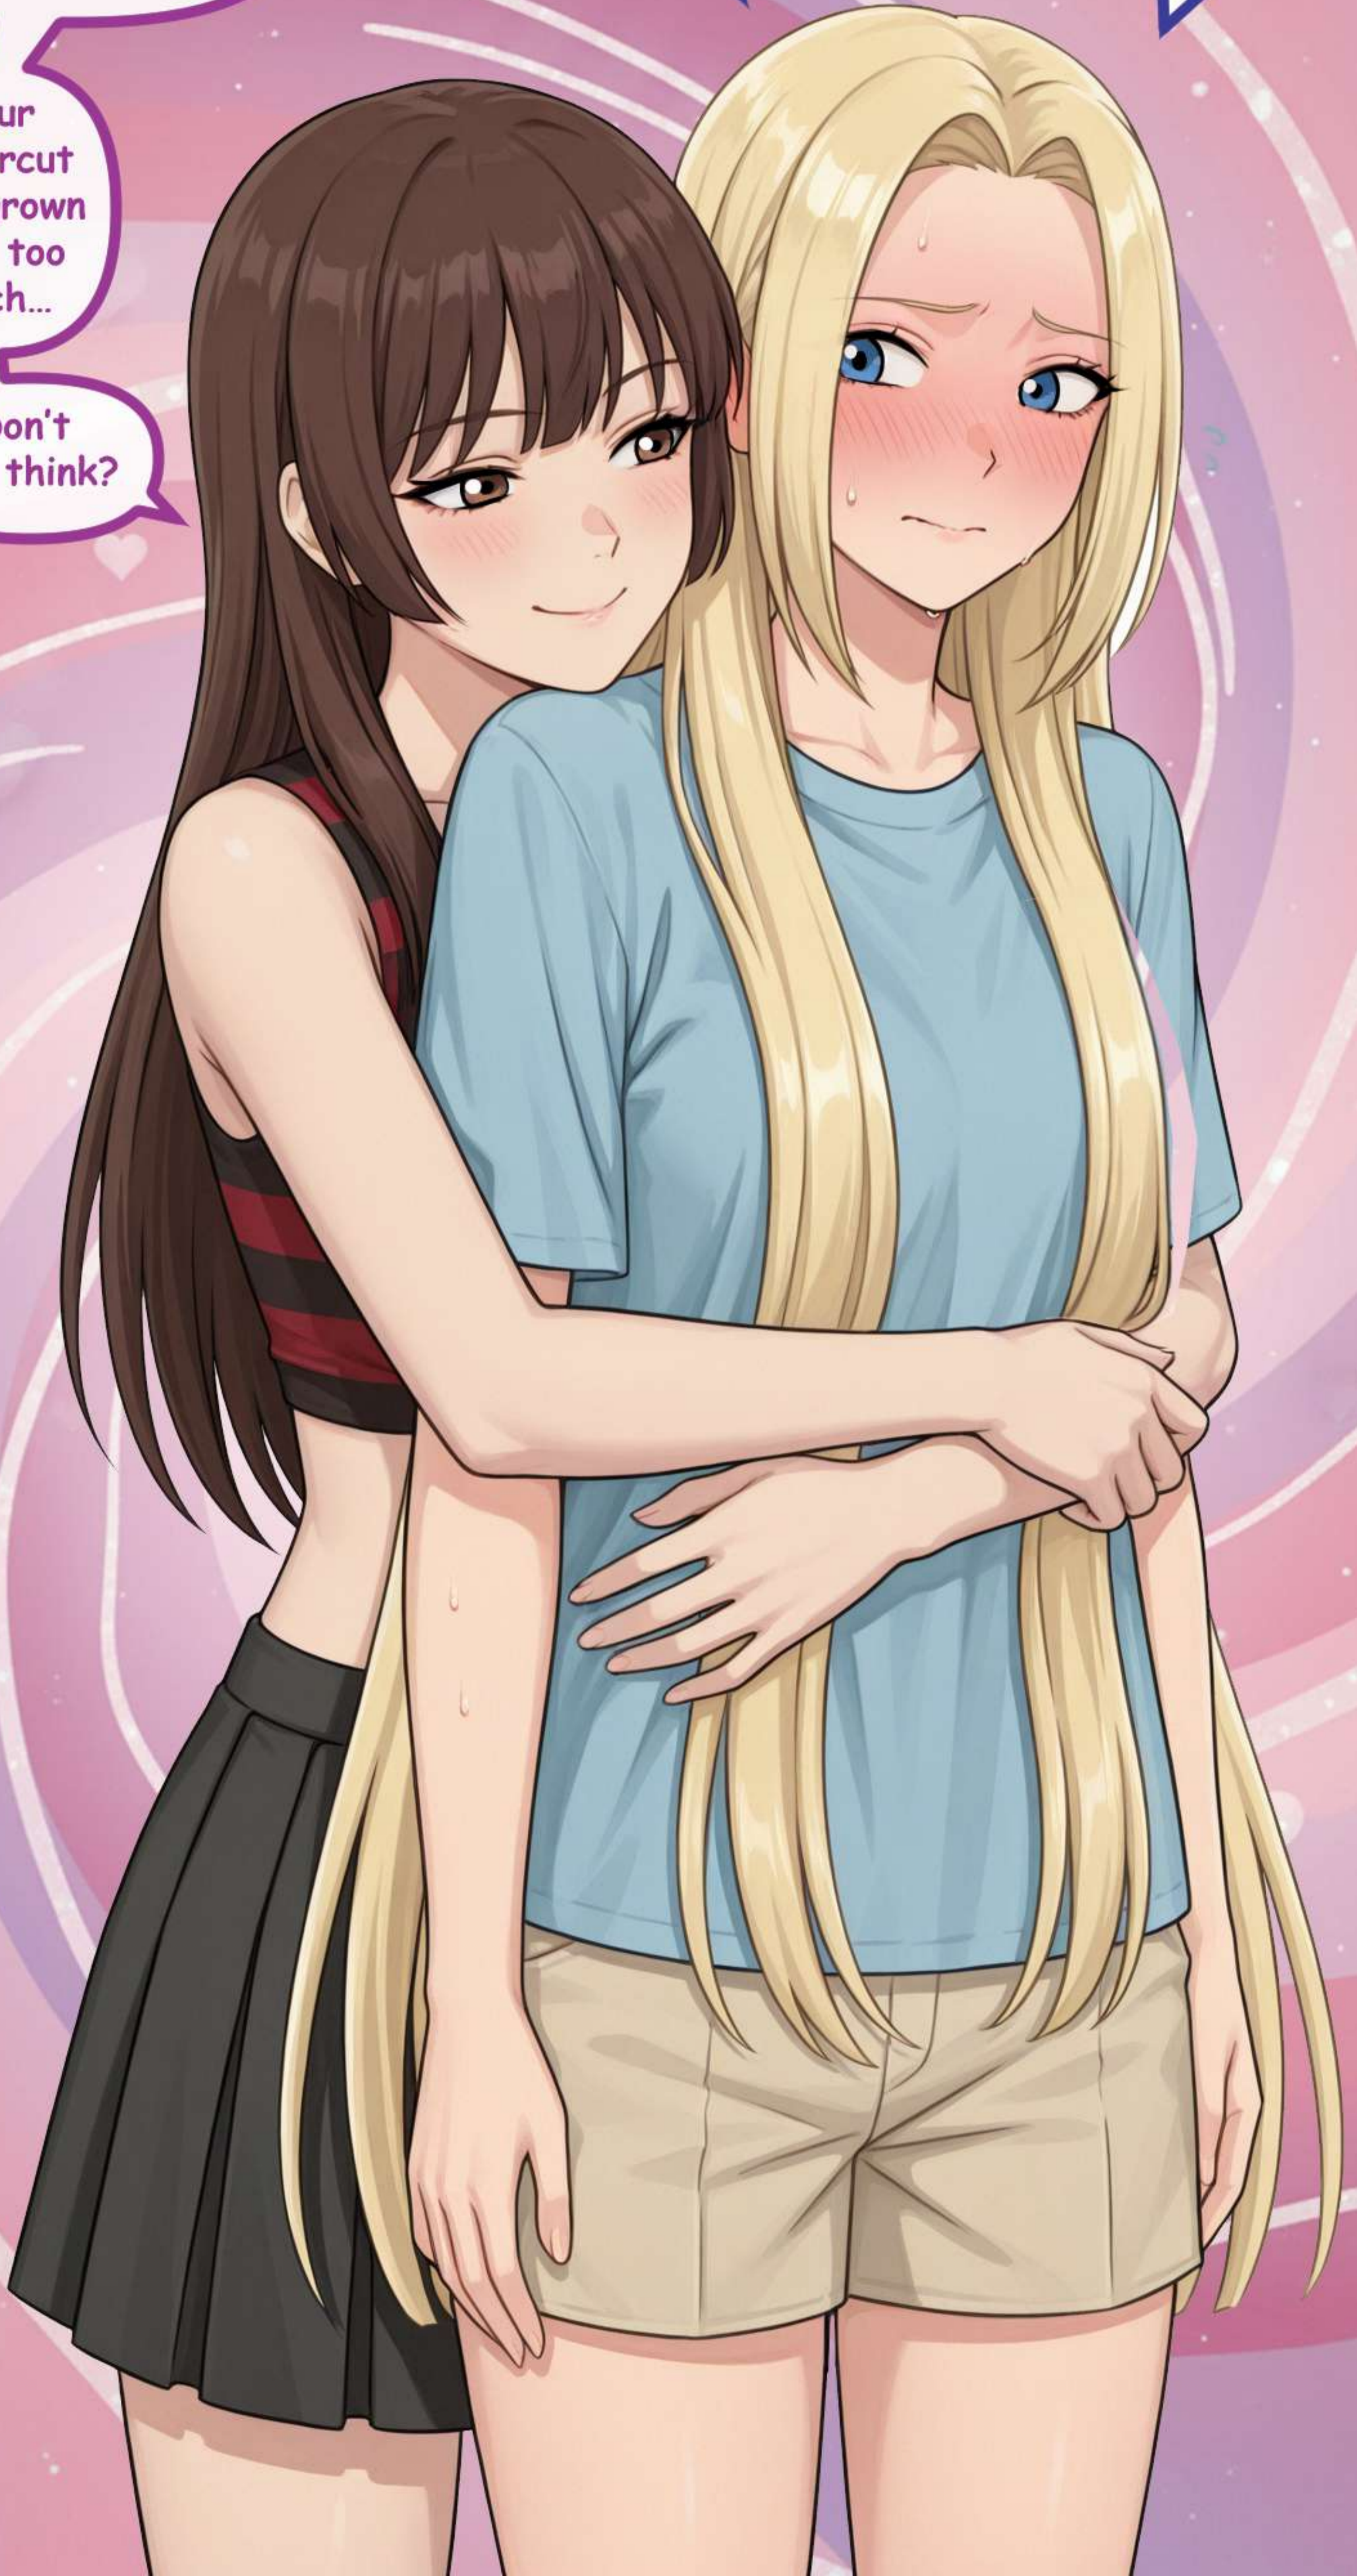

Darling...
I haven't done
anything to your hair
in so long...

D-don't you think
I should let it grow...?

I could already
tie it with the
ponytail...

Your
undercut
has grown
way too
much...

Don't
you think?

No way.
I like your nape
smooth and
shaved

It's just
so nice to
give little
kisses
there~

Honey...
You're making me
really shy...

Hehe~
Cutie

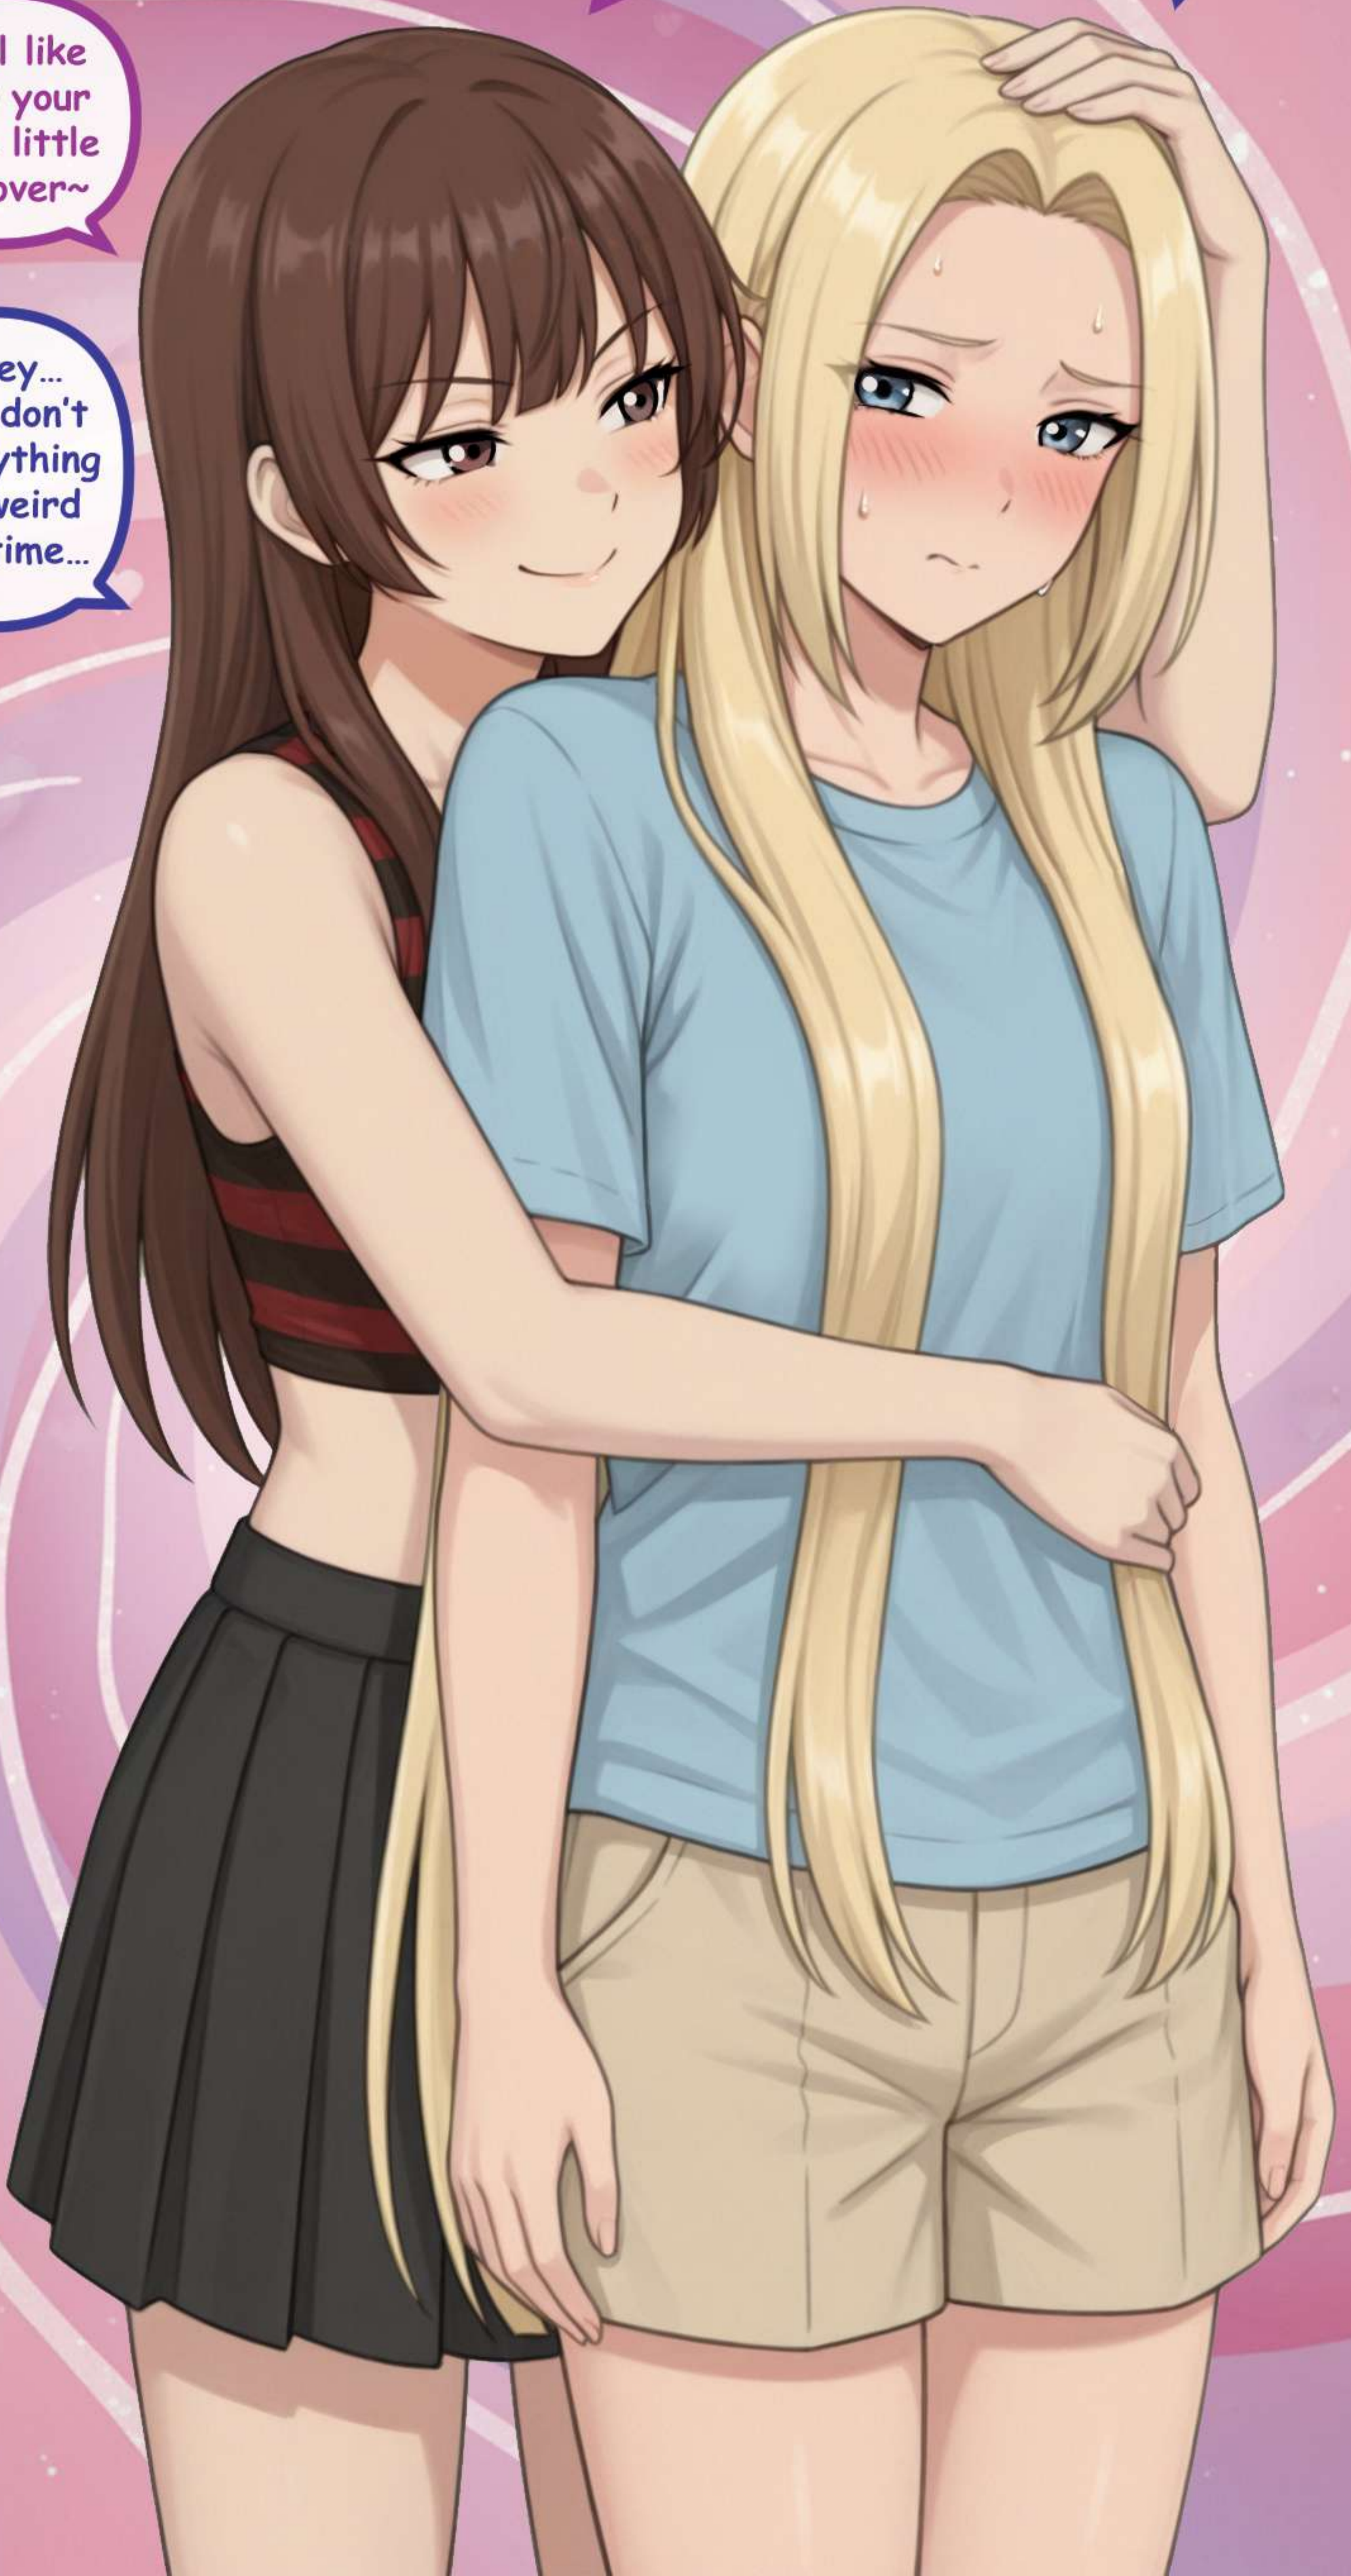

I've been thinking...

Relax, relax~
I'll just tweak it
a little.

...Yeah,
I know...

I feel like
giving your
hair a little
makeover~

Honey...
Just don't
do anything
too weird
this time...

Oh wow...
It really
grew a lot

It's been ages
since I shaved
your undercut

Yeah...
You really
scared me
when you
suddenly
showed up
with a hair
clipper...

I honestly
thought
you were going
to shave
everything...

I love
your hair, darling.
I'd never shave
it all off~

But
you looked
so adorable
when you got
scared~

BZZZ

All done!

Now I
just need
to shave it
totally
smooth~

Hold still~

H-honey,
That feels
cold

Just
Relax~

Perfect~
Smooth again,
just how I like
it.

So...
We're all
done now?

T-that's
it... right?

Of
course
not~

I still have
a little surprise
for you.

But you'll have
to keep your eyes
closed

Honey...
What are you
planning...?

Shh.
No complaining.
Just obey.

...It feels cold...
There's no way...
she's dyeing it...

Surprise~
Hihi~

H-honey...
What are
you doing...?

There we go.
Now we just wait
a bit for it to
work~

A bit...?
How long is that,
honey?

About...
thirty minutes~

thirty
minutes...

Come on.
Hand.

I'll keep you
entertained~

Let's
go to the
bedroom.

Don't worry, love...
I'll make these
thirty minutes go
by really fast~

What
are you
planning,
honey...?

Hmm...
Let's start
with tickles~

Tickles...?

W-wait...
tickles?!

You're so
evil, honey~

Let's see
how ticklish
you are~

Tickle
tickle~

Ah—!
Hahaha—
Honey!!

Hahaha—
s-stop!!

N-not fair—
hahaha!

Okay... Now
my favorite
part~

play
with my
femboy's
body

Y-you
really enjoy
making me shy,
don't you...?

You're
adorable
when you
blush~

Ahh—
Your hands
are cold...

Then I'll
warm them up
on your belly~

So...
you're going to
keep teasing me
while that stuff
sits on my hair~?

What do
you think~?

Maybe
I'll do more
than just touch
you...

I might
whisper a few
naughty things
in your ear~

Honey...
you're such
a perv...

SOME TIME LATER

You're so sensitive, darling...

I barely touch you and you're already melting~

Ahh... h-honey...

Ahh... I can't...

My boyfriend is so weak...

That's what makes dominating you so fun~

Ahh—honey... I'm at my limit...

I can't take much more...

Alright, cutie~ Time's up

Let's go wash that hair~

Y-yeah—Ahh—! That's not fair—!

Sorry~ I couldn't resist teasing you a little more.

Ahhh...
that feels so
refreshing...

You like it
when I take care
of your hair,
don't you?

Yesss...
even if you're
a little mean
sometimes~

Making
my boyfriend
even cuter
doesn't count as
being mean~

Now stay still, I don't wanna end up cutting too much of your hair

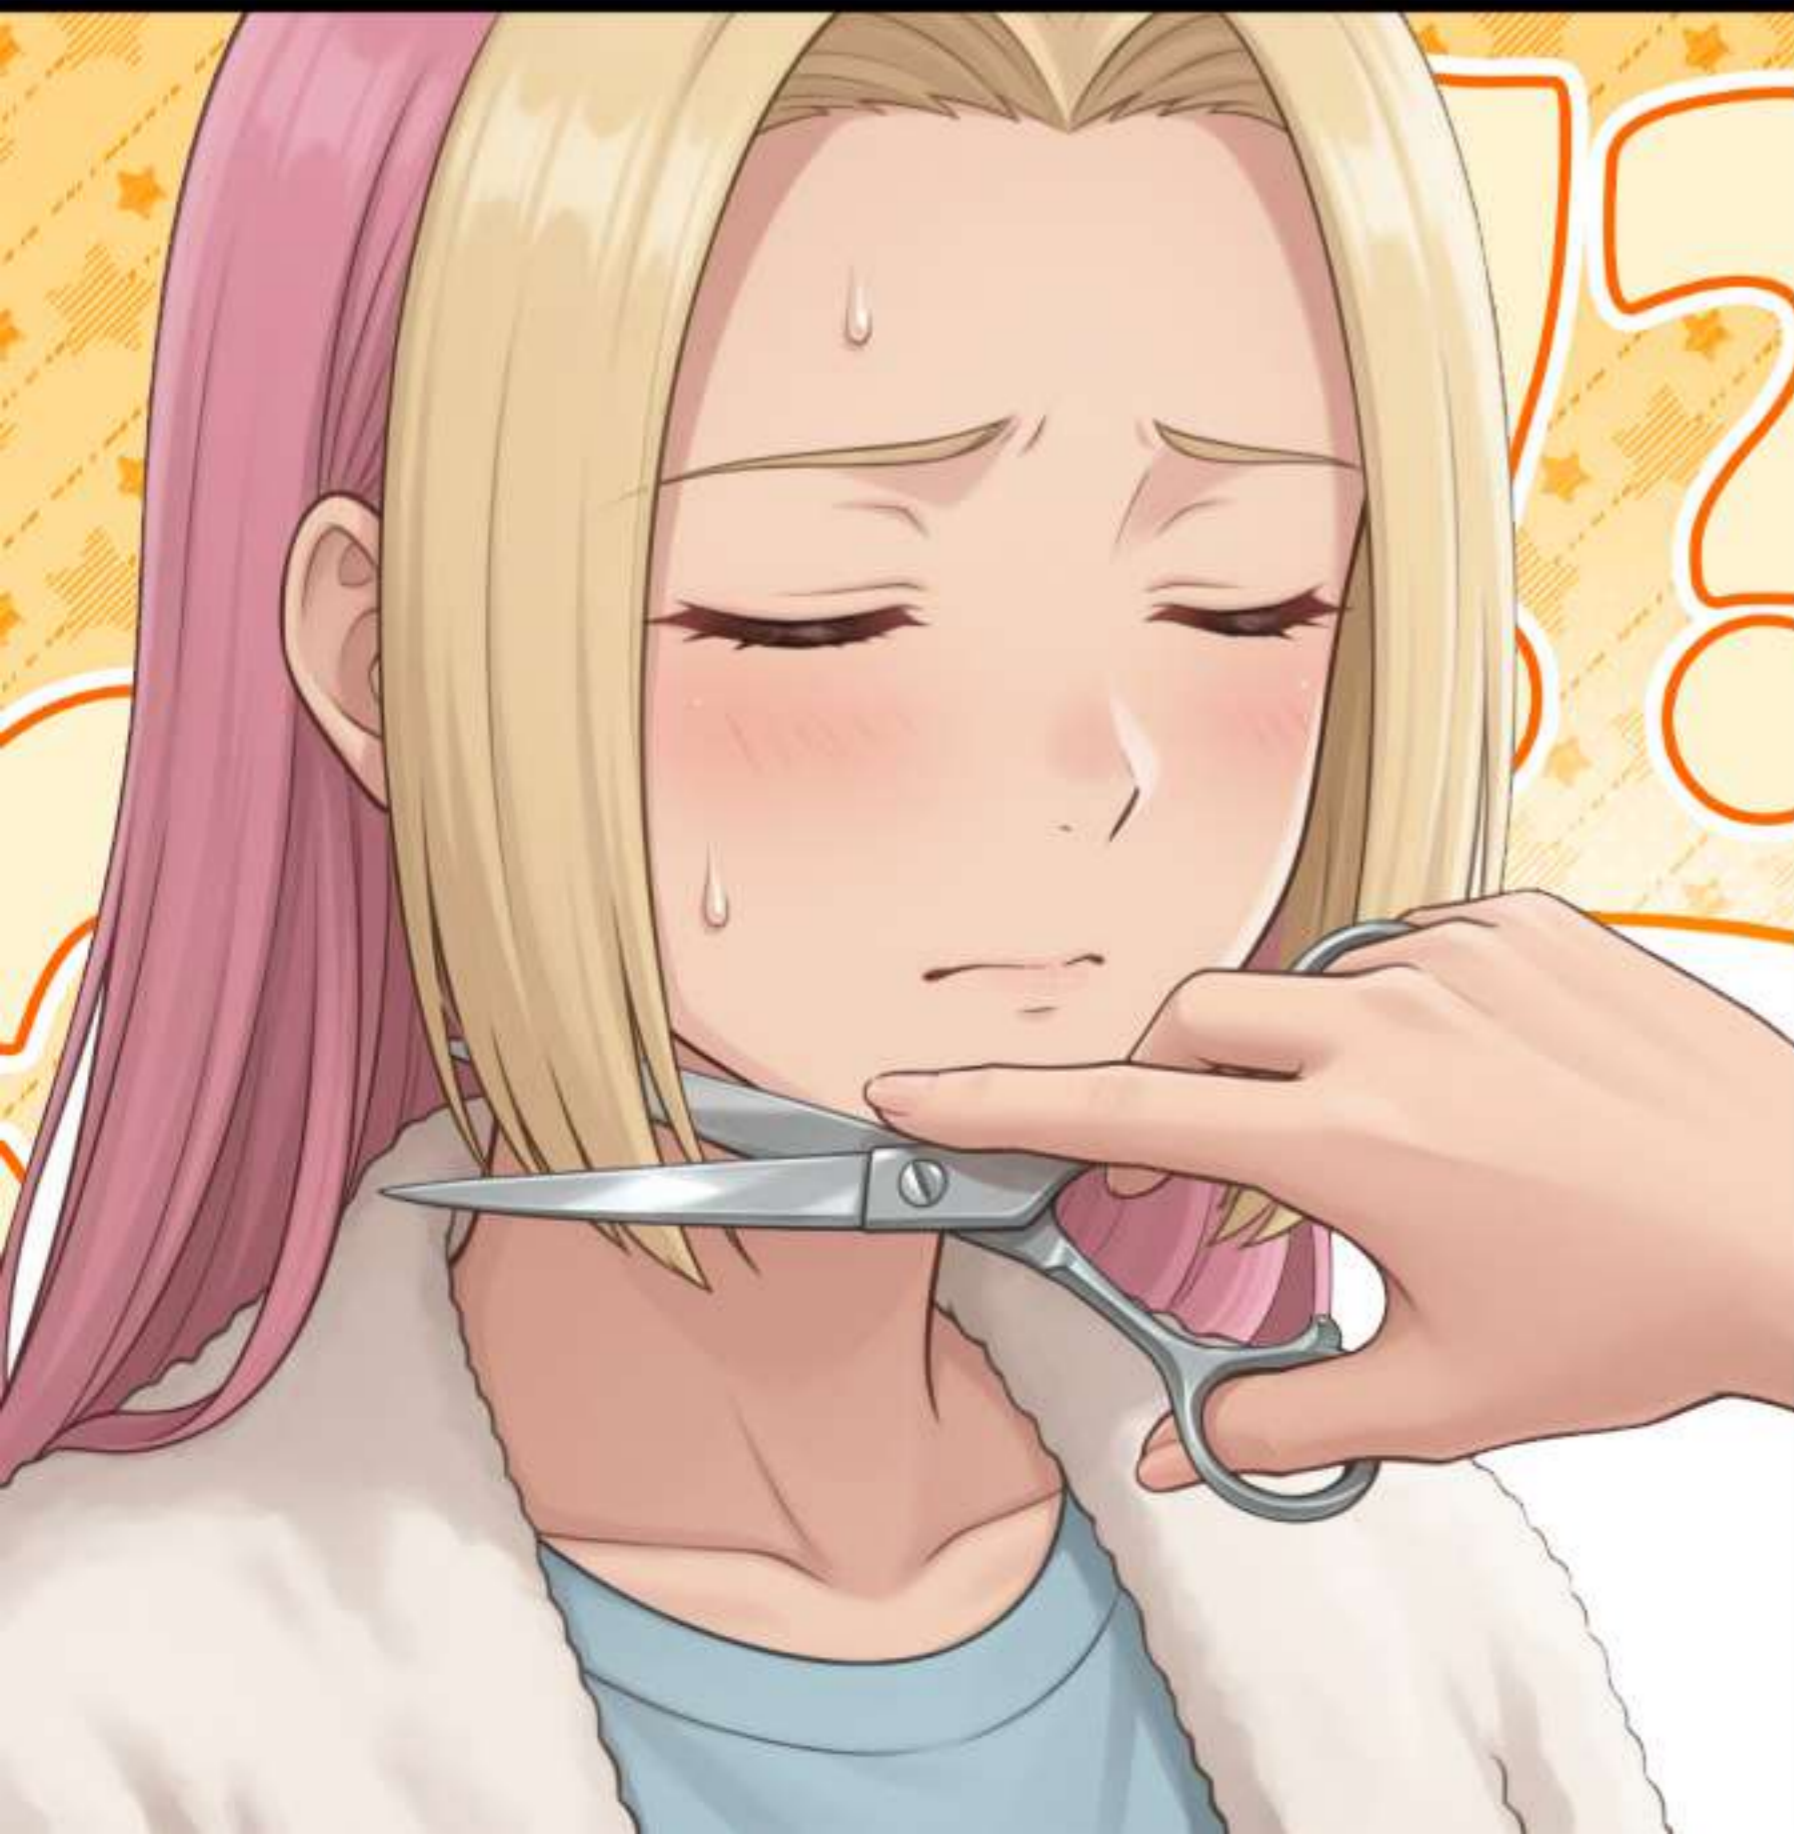

Just a little trim. Relax~

W-wait... you're not-

See? I told you you're mean!

Mean? I'm just grooming my pet to look exactly the way I want~

Ahhh—honey...

Mmm...
that feels
really nice...

You
always melt
when I touch
your hair~

Ahhh...
it feels sooo good
when she takes care
of my hair like
this...

You're really
enjoying this,
aren't you?~

Mhm...
honey,
I am...

Your hair's going to be perfectly straight when I'm done.

You're going to look adorable~

Mhm... yes, honey...

Okay,
you can open
your eyes
now~

So?
I did a great
job, right?

P-pink...?
Honey...?

Wasn't
the long
hair...

And
the hime cut
already girly
enough...?

But pink suits you
so well~

You look
so cute...
and kinda sexy
like this~

H-honey...
you're
embarrassing
me...

I'll style it
more discreetly
for work
tomorrow,
okay?

But today...
I'm going to
enjoy my girly
boy with pink
hair~

H-honey,
what am I
supposed to do
with my hair
for work...

Just keep
it discreet,
please?

Hmmmm,
I know exactly
what would look
perfect on you!

Don't worry...
uniform first,
then I'll take
good care of
your hair

Hey...
honey...
this isn't gonna
look too cute,
right...?

You
can't escape
it, everything
looks cute on
you, hehe

But
don't worry,
it'll go perfectly
with your
uniform

It's a
proper office
hairstyle

Hey, Felix!

H-Hi, Dudu...

Pff haha, man, what did you do to your hair?

Let me guess, your girlfriend again?

Y-Yeah... hehe...

She's kinda into doing weird stuff with my hair

She gave you bangs first, and now she's dyed it pink...

At this rate, she's gonna make you wear girl clothes next!

Hey, Felix!

H-Hi,
Eduard...

Pff haha,
man, what did
you do to your
hair?

Let me guess,
your girlfriend
again?

Y-Yeah...
hehe...

She's kinda into
doing weird stuff
with my hair

She gave you
bangs first,
and now she's
dyed it pink...

At this rate,
she's gonna
make you wear
girl clothes
next!

Y-yeah,
I'll be careful
not to let it
get that far,
hehe...
