

What's taking her so long?

W-Why dont you try more on? How about that white one!

As long as you do as well~

Dont look...
Dont look...
Dont look...

Already seen...

Me as well...
But... Uhh
I'm not sure...

Oh? Even if I let you choose anything for me to wear...?

Hehe...

Fine...

Leona
I really want to see Mei in white...

Mei
She'll probably go lewd... So let me reciprocate. Hehehe....

Leona's Choice!

Mei

T-This... Isn't
that lewd...
But the one
I chose for
her... is...

Y-You chose quite
a normal outfit for me...
Though I dont look that
good in brighter
colours.

Blush
Y-You look
good in
everything!

Mei's Choice!

Leona

There's barely any fabric covering it!
She's going to see!

W-Wha!?
What is this...

It's a.. Um...
An excotic bikini? Yes that!

Sometime later...

Leona

That was exhausting...
But, I... kinda enjoyed it...

Thank you
for having
us.

I want it all.
Especially, "that"
now that you
have our sizes.

Ensure it
arrives
later today.

Understood
Ma'am.

Thank you
for shopping
with us.

I wonder
if Riku comes
here it kind of
smells like her.

Later that day...

Today was a lot of fun!

Leona
It was a bit embarrassing, but... seeing Mei happy made it all worthwhile!

Yeah, it was...

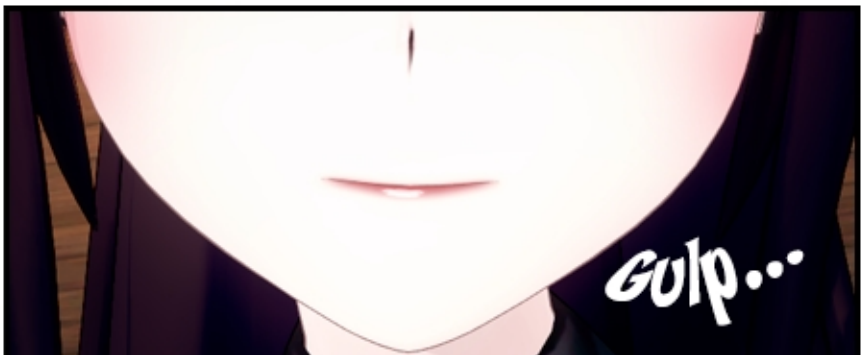

Leona
Is she upset?

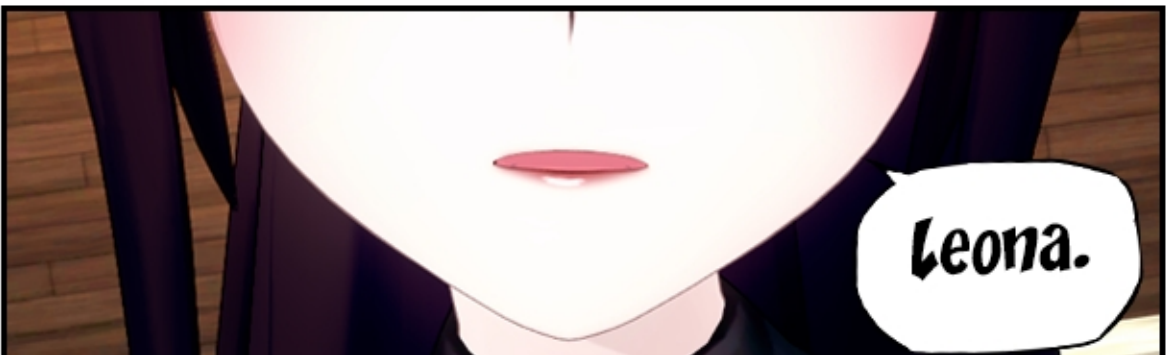

Leona
Is it my fault...? Or is it because the dates over?

Leona
This is awkward... I dont know what to say to her... Should I ask her to go out again?

Leona
Gah! Just say something already Leon!

Gulp...

Leona.

Would you care to spend the night at my **place**?

Leona
Wha?
Is she asking me too? Dont get ahead of yourself Leon! She might just want me stay over like I did before...

Grip!

Leona
T-Then I'll go-!
Wait, Lilith got angry at me before...

I... I'd love too Mei but I cant.

Leona
I dont want to make Lilith angry again. Sorry, Mei...

I see...
