

**Good girl.**

**You will address me solely as Mistress, understood?**

**Did you think I'd simply allow you to have your way with me?**

**That's right, you'll have to earn it.**

**Let's start with something simple shall we?**

**Y-YES... MISTRESS...**

**N-NO...**

**WHY DID SHE SUDDENLY HIT ME...**

**W-Wait! I think I've heard of this!**

**Roleplay!**

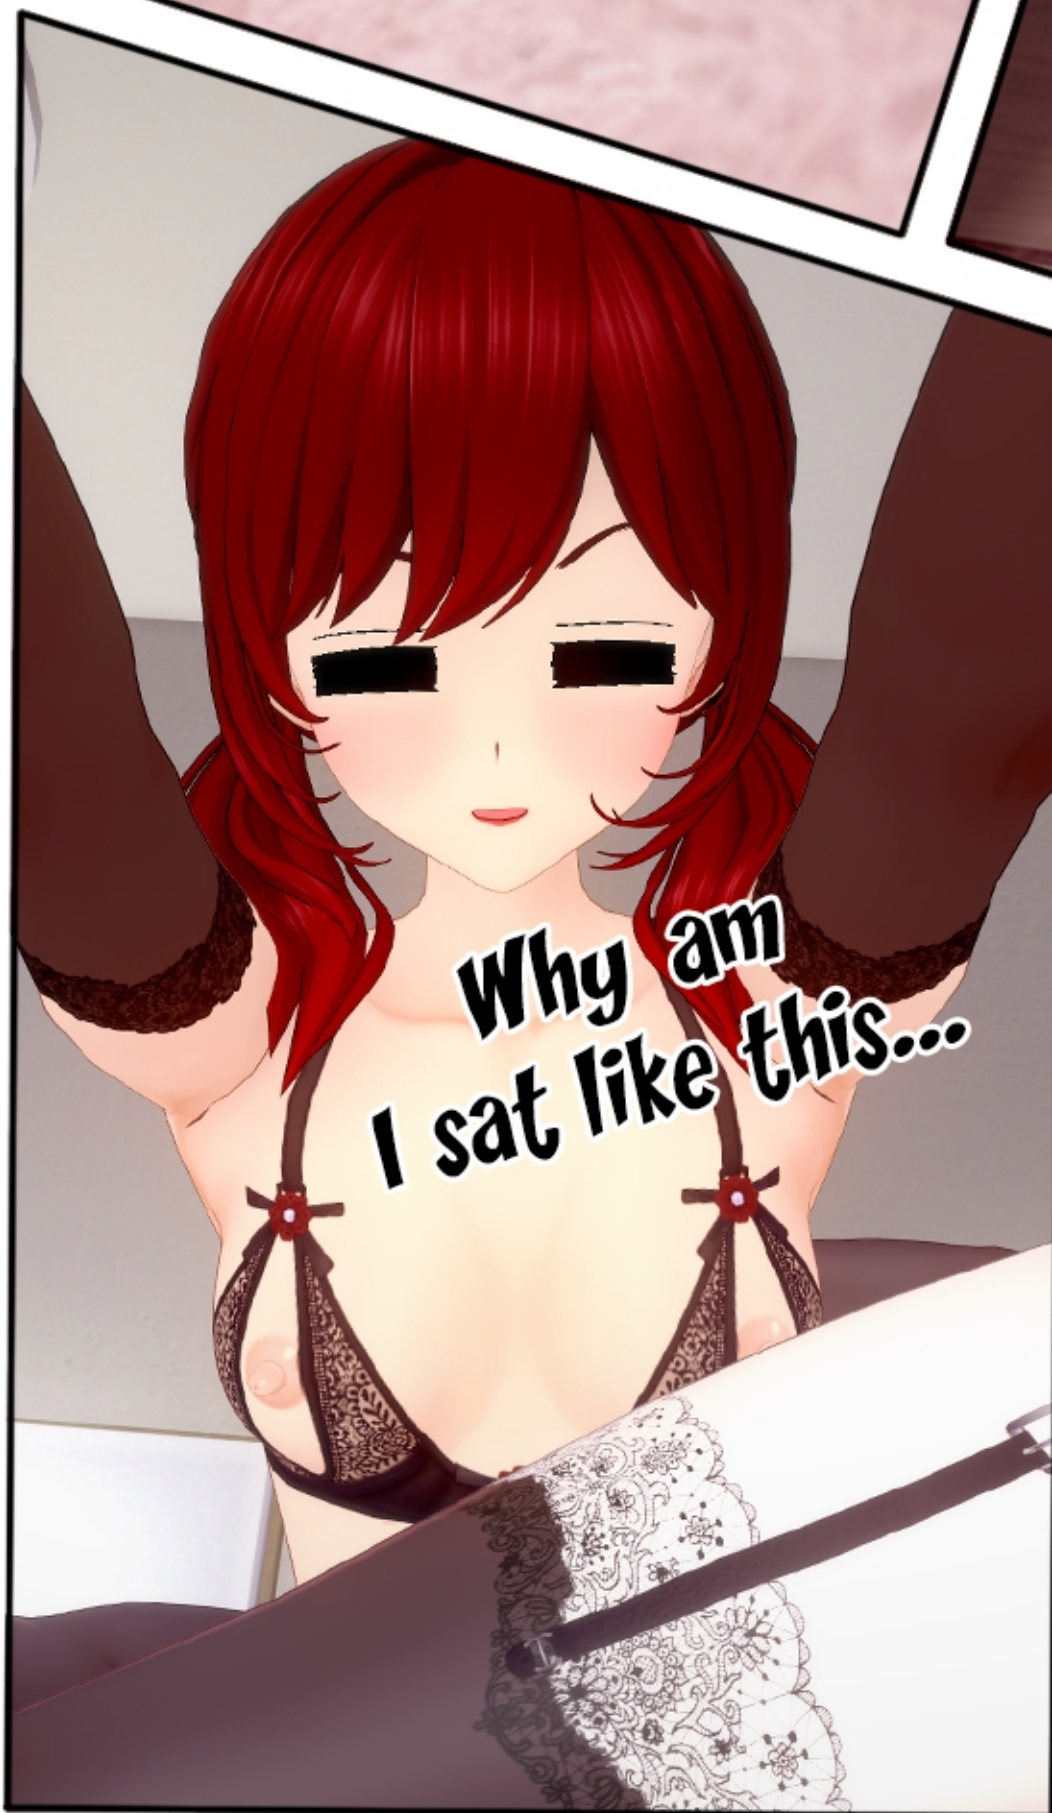

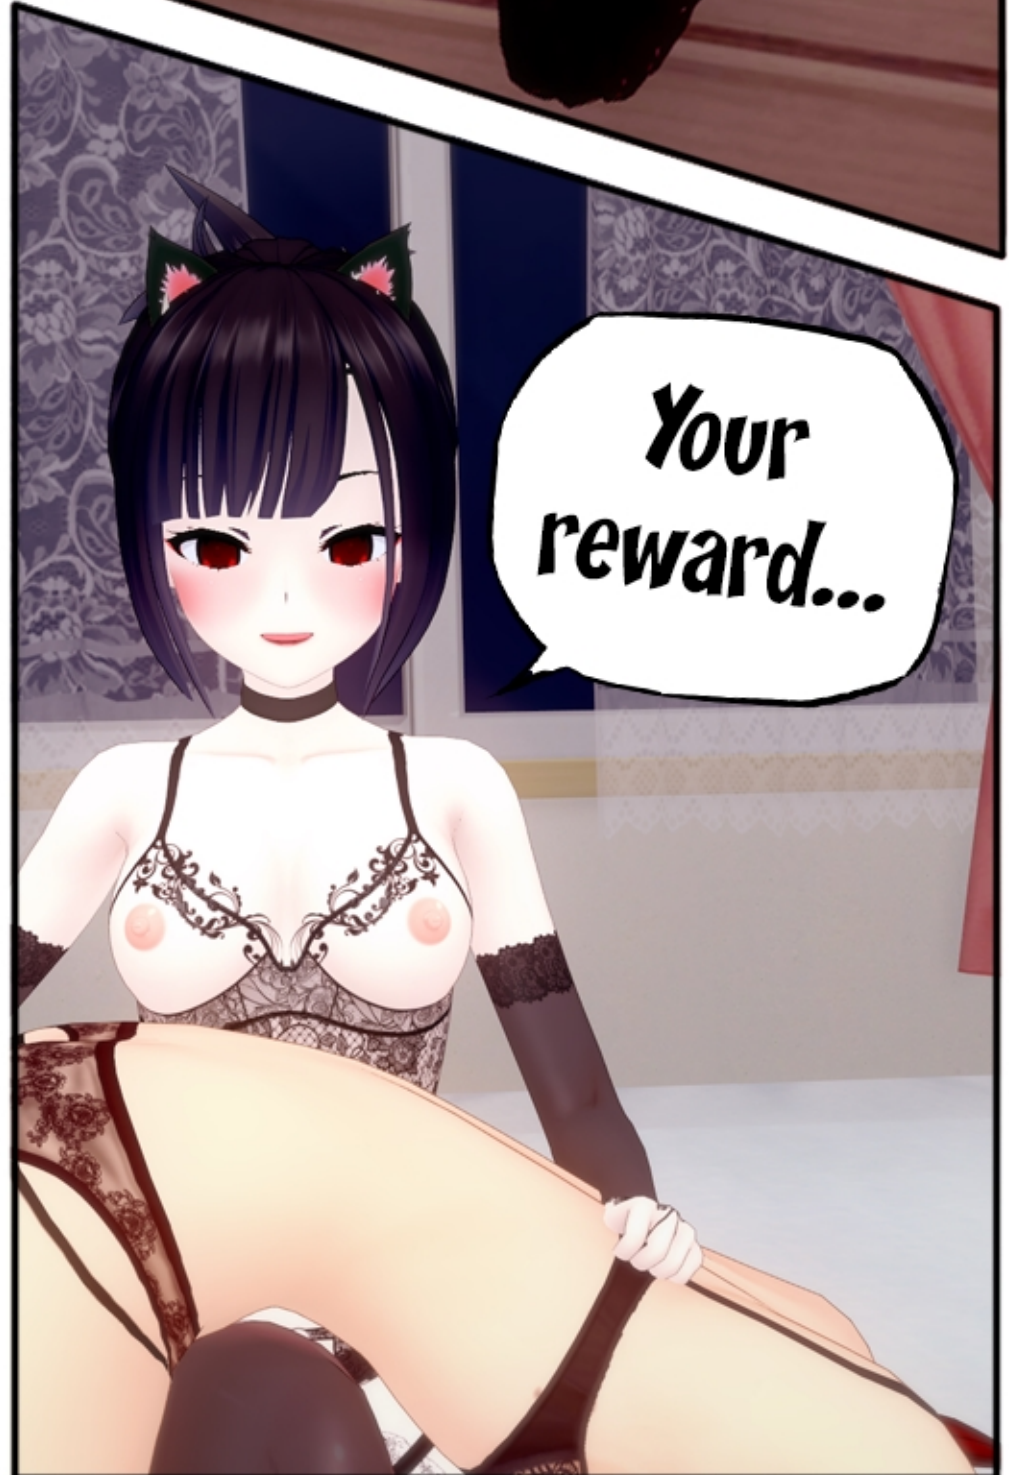

**Eh...?**

**Wah...?**

**Why am I sat like this...**

**Your reward...**

for failing to heed  
my demands and  
neglecting to  
address me as  
Mistress.

Or perhaps  
I should call it  
punishment  
instead

EHH?  
P-Punish?!  
but I!

Ara?  
Are you  
getting  
hard?

N-NO...

Slap!

HNGH!

Go ahead. Cum.  
But be warned.  
You'll be punished  
for that as well~

Her thighs!

Throb! Throb!

Slap!

Feel so!

AH!

**HNGH!**

**Spluuuurt!**

**Splash!**

**Ahk!**
