

Hey, It's **Lilith**. I got your message about Leon.

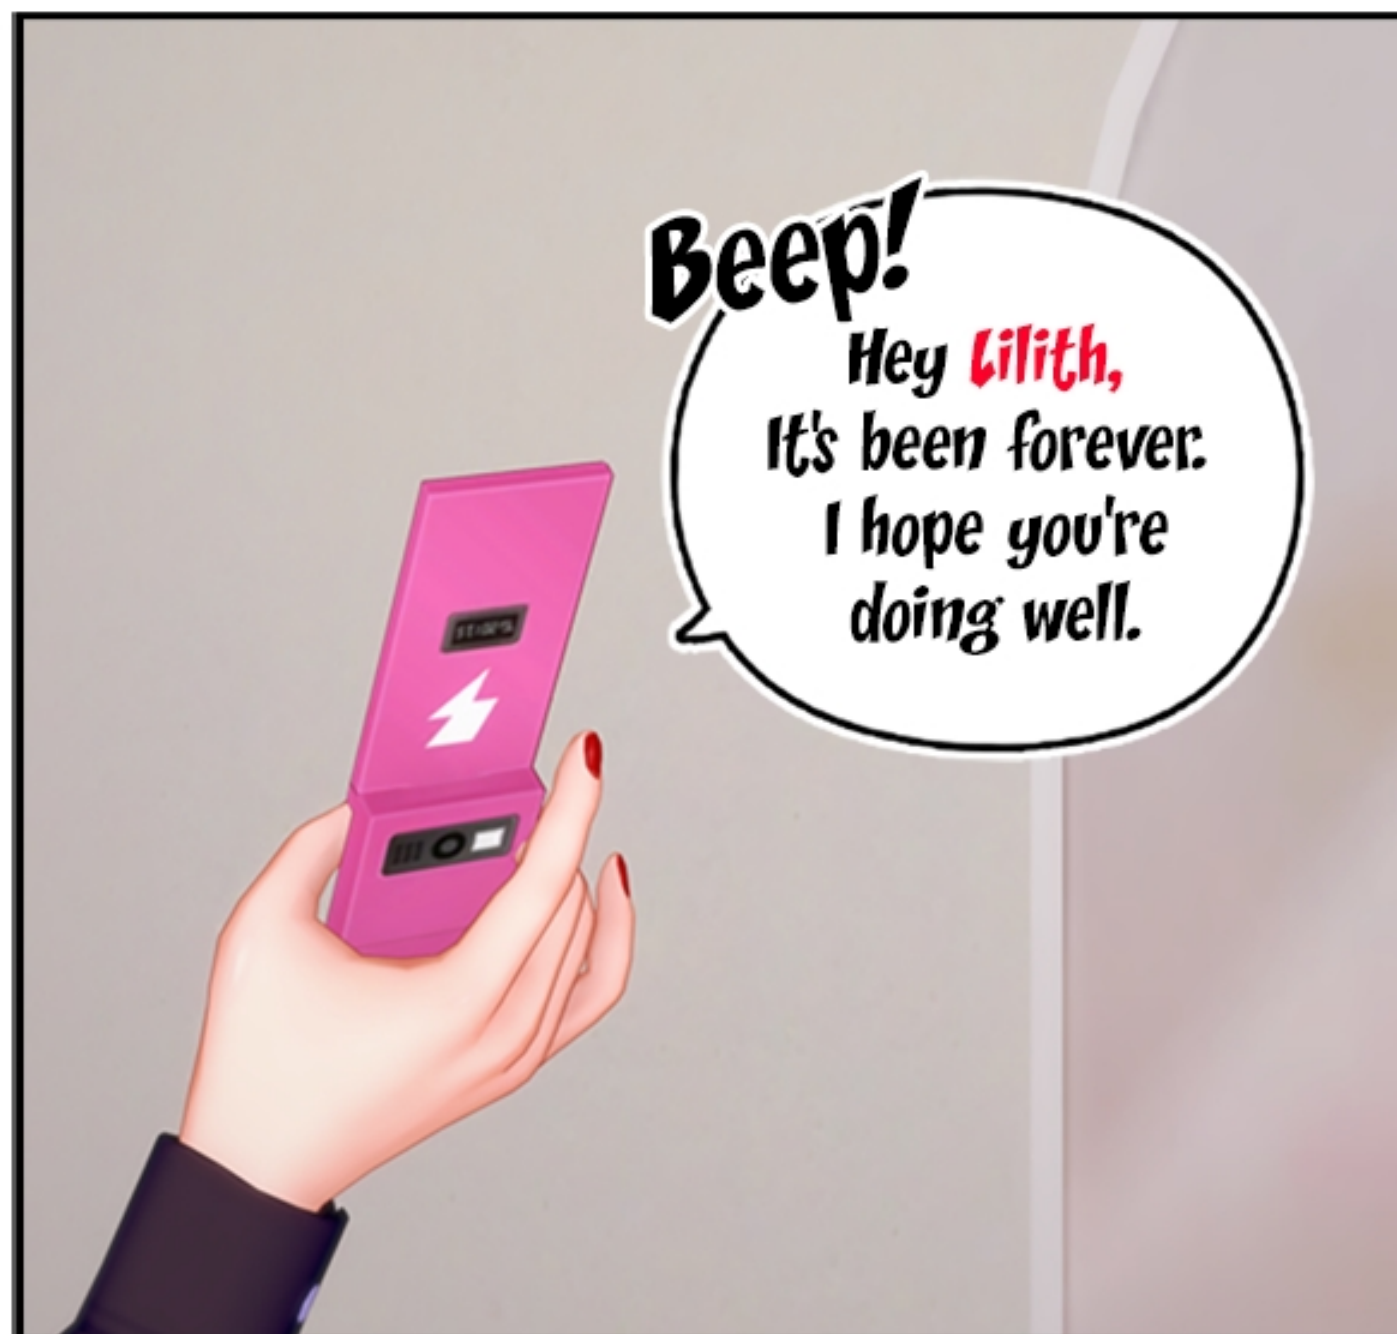

Lilith! Boy am I glad to hear your voice! So... You up for it?

Of course. **Witness Protection** is mere childs play. Now about Leon...

**Flip!**  
1 New  
Voicemail.

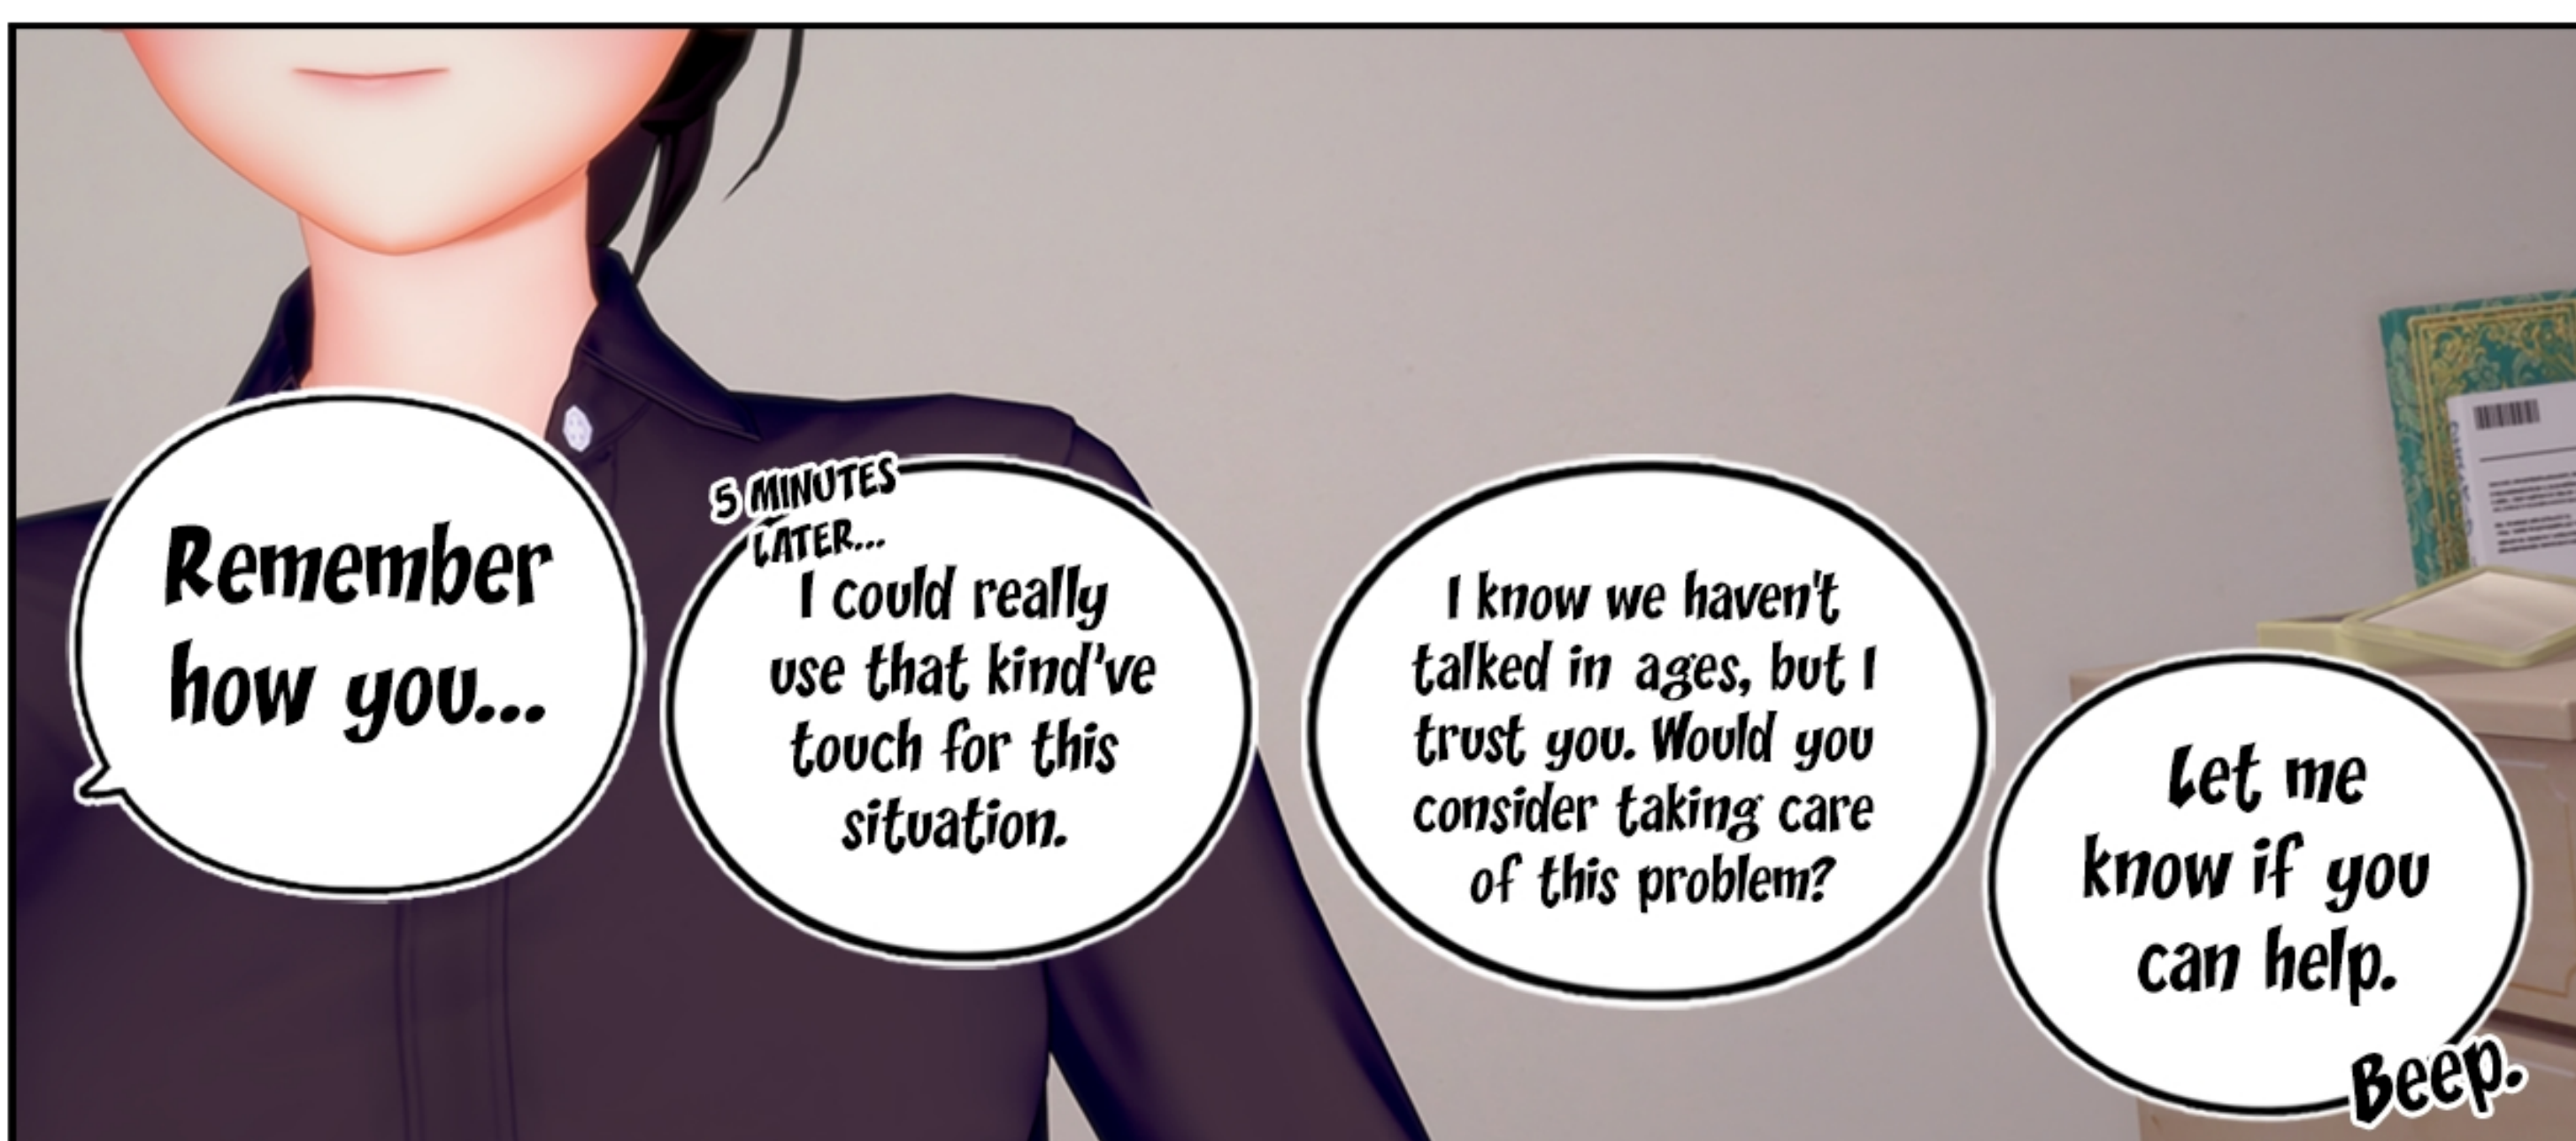

**Beep!**  
Hey **Lilith**,  
It's been forever.  
I hope you're  
doing well.

Listen,  
I've got a bit  
of a situation  
here.

A **VERY** delicate  
situation that  
requires your  
expertise.

And your ability  
to keep quiet,  
if you catch my  
drift...

Remember  
how you...

5 MINUTES  
LATER...  
I could really  
use that kind've  
touch for this  
situation.

I know we haven't  
talked in ages, but I  
trust you. Would you  
consider taking care  
of this problem?

Let me  
know if you  
can help.  
**Beep.**

1 Week Later.

30 minutes later...

Huff!

Huff!

Huff!

Gah!

THAT WAS NOT MY STOP!

I'm so late...

Ka-chik!  
Hello?

Bzz!

Um...

Hello...?

Uh, is this Lilith's place?

It's me Leon.

Hello? Can you hear me...?

Did you say Leon?

Leon  
She Sounds HOT.

Oh, it's  
delightful to  
finally meet  
you, Leon.

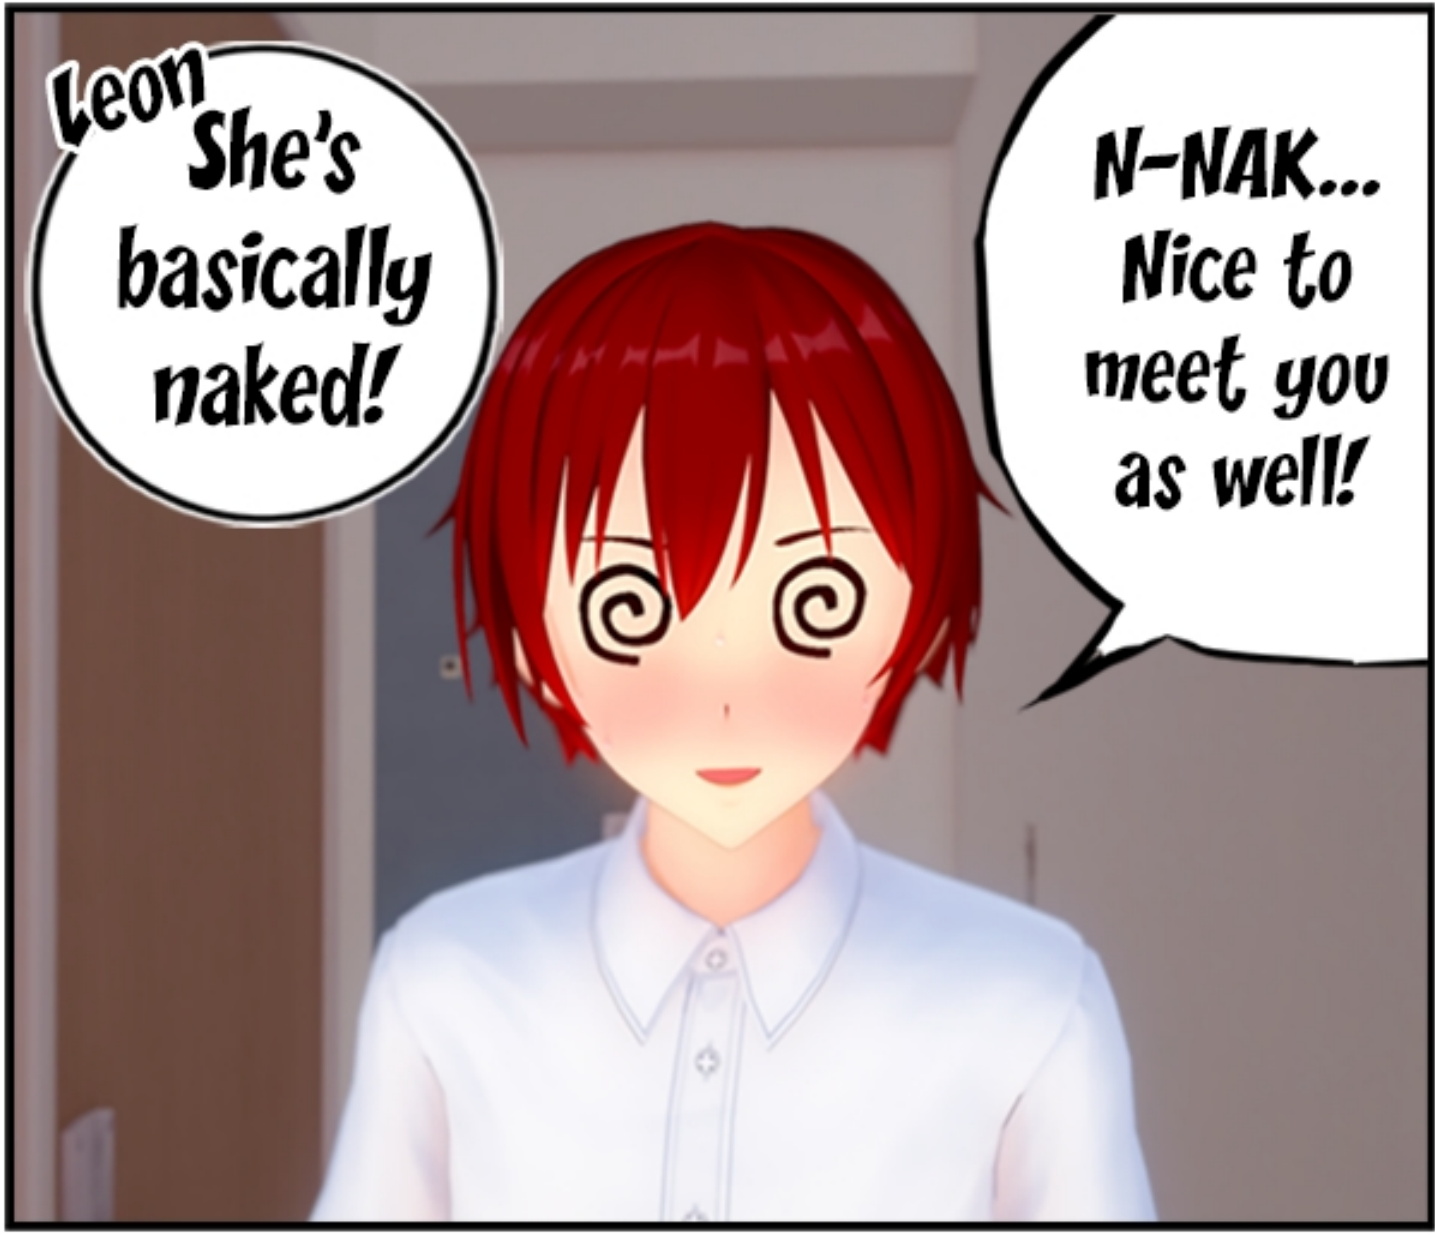

I'm Lilith.  
I'll be the one  
taking care of  
you from now on.

Leon  
She's  
**HOT!**

Leon  
She's like  
**SUPER HOT!**

5 Minutes later...

One bed?  
Where am  
I going to  
sleep?

With  
me. I hope  
that's not  
a problem.

Lilith

Let's see how  
gullible he is.

Eh?

Unless it is  
a problem?  
I'm sure a young  
handsome boy  
like yourself...

...wouldn't want  
to share a bed  
with a more mature  
woman like me.

Leon

I can see  
them!

It's FINE!

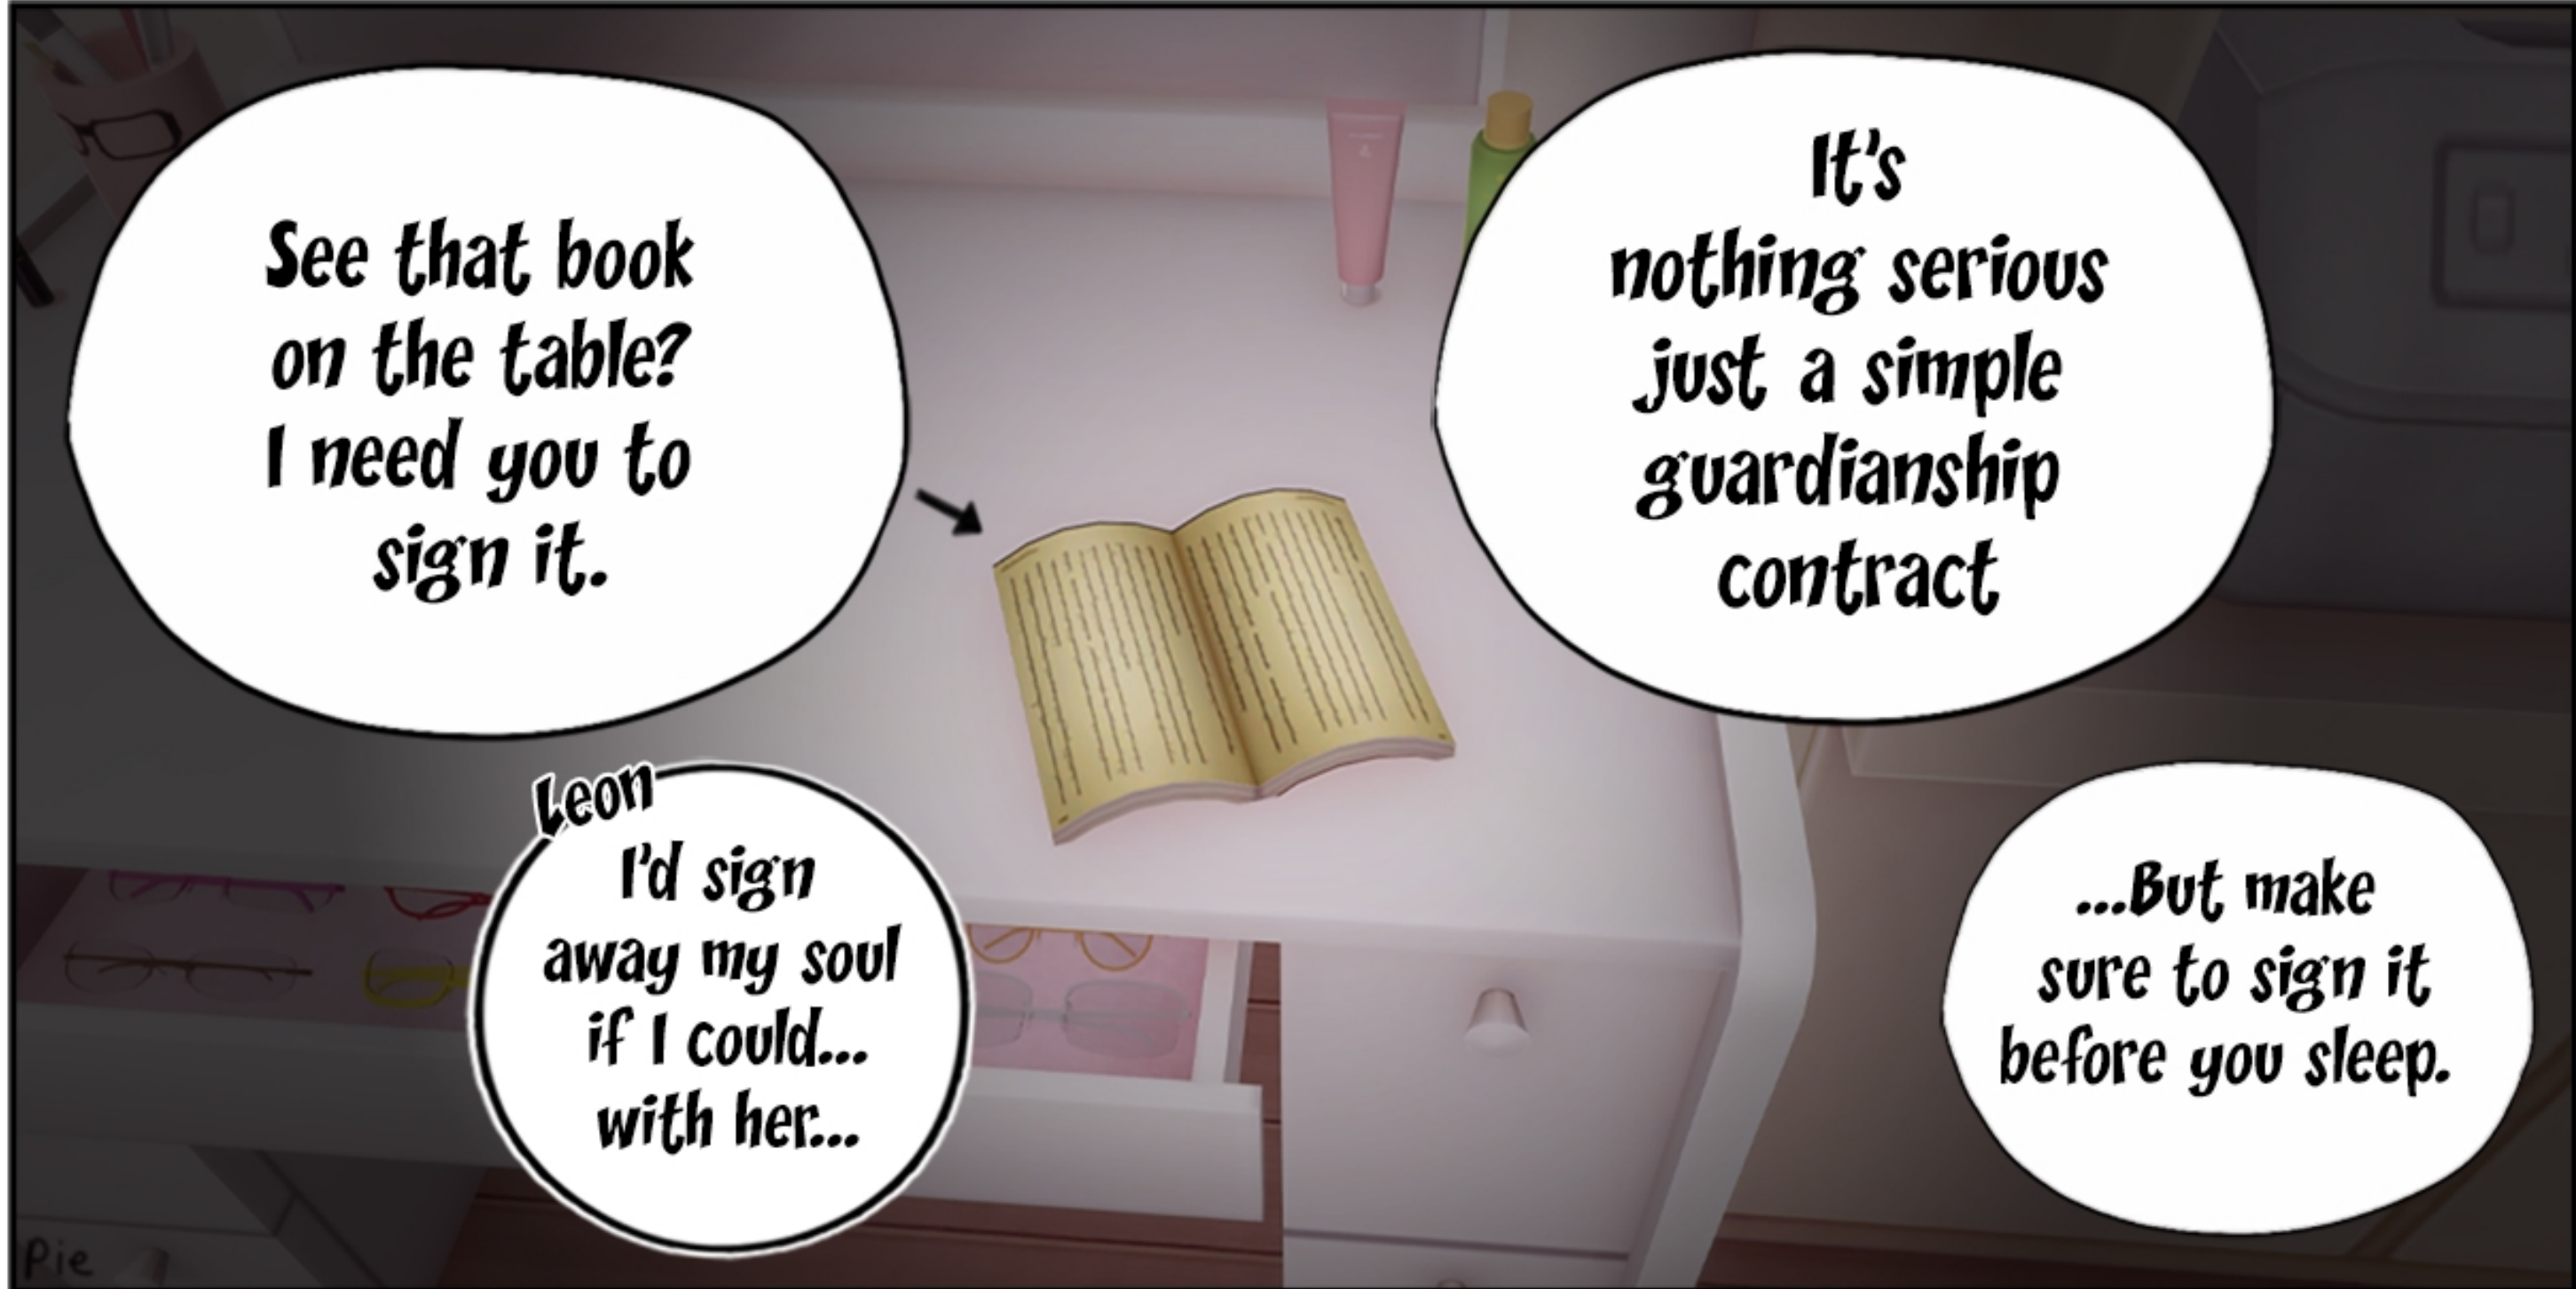

*Dont worry handsome. It will only be for tonight.*

**Lilith**  
*Hehehe... So innocent.*

**Leon**  
*She called me handsome!*

*I know we've just met. but i am quite busy, so please listen up.*

*See that book on the table? I need you to sign it.*

*It's nothing serious just a simple guardianship contract*

**Leon**  
*I'd sign away my soul if I could... with her...*

*...But make sure to sign it before you sleep.*

**Leon**  
*I'll sign them quickly so I can talk to her more!*

*Sure I'll sign it right now.*

**Lilith**  
*This is going to be easy.*

*Good boy.*

later that night...

She's been gone out for awhile...

She probably won't be back until tomorrow.

So a little stress relief won't hurt!

5 minutes later...

This isn't working...

Porn Addict

Dammit... Without porn I can't...

No! Don't think like that, Leon. A man will always find a way!

Dark times...

Call for desperate measures.

A few seconds later...

Maybe this wasn't such a great idea...

If I get caught like this...

In her lingerie...

I wish I could see her in them...

Ah... It doesn't matter She's so hot!

Fwap!

Fwap!

Fwap!

Fwap!

Fwap!

Fwap!

Ah!

Ah!

Ah!

Ah!

Fwap!

Fwap!

Ah! Lilith I'm going to....!

Leon.

**CUM!**

What are you doing.

**W-WITH?!**

**I-I CAN EXPLAIN!**

*Splurt!*

**I-I CANT?!  
H-HOW DO I?!**

*Gulp!*

**Wah?**

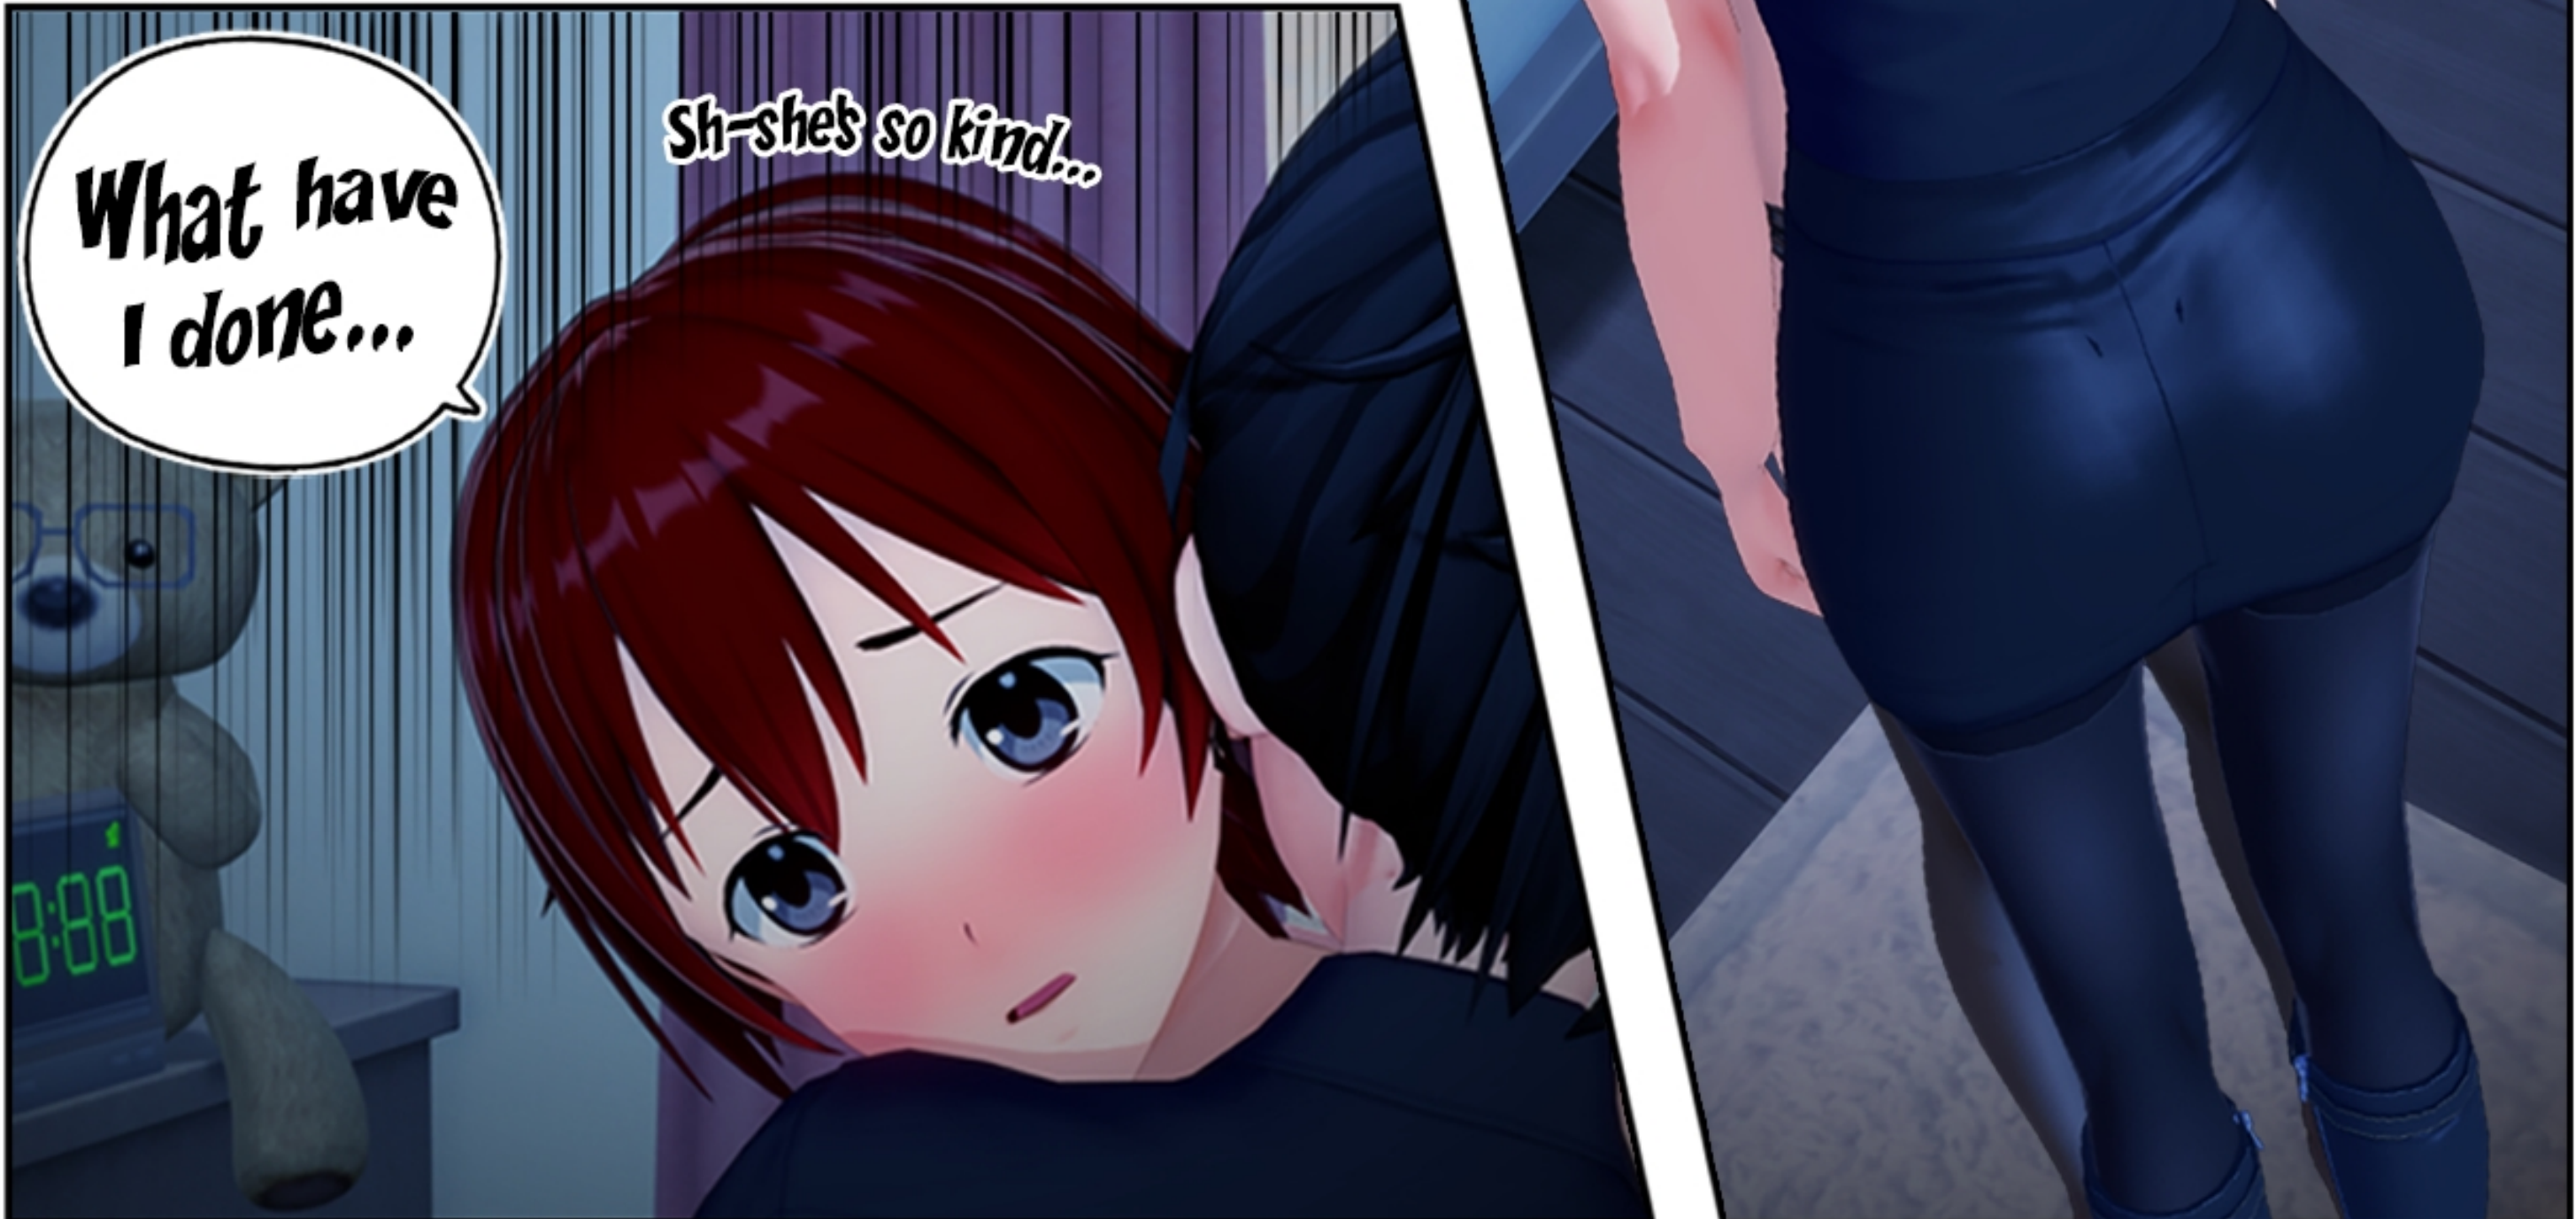

It's okay,  
I'm not mad.

**B-BUT?!**

Just  
breathe

\*Sniffle\*

What have  
I done...

Sh-she's so kind...

Mad? Ha...  
I've never  
been more  
**EXCITED.**

*\*Sniffle\**

*Waahh!*

*Ouhh!*

The next day...

I feel horrible.

Good morning.

Gulp! I can't face her...

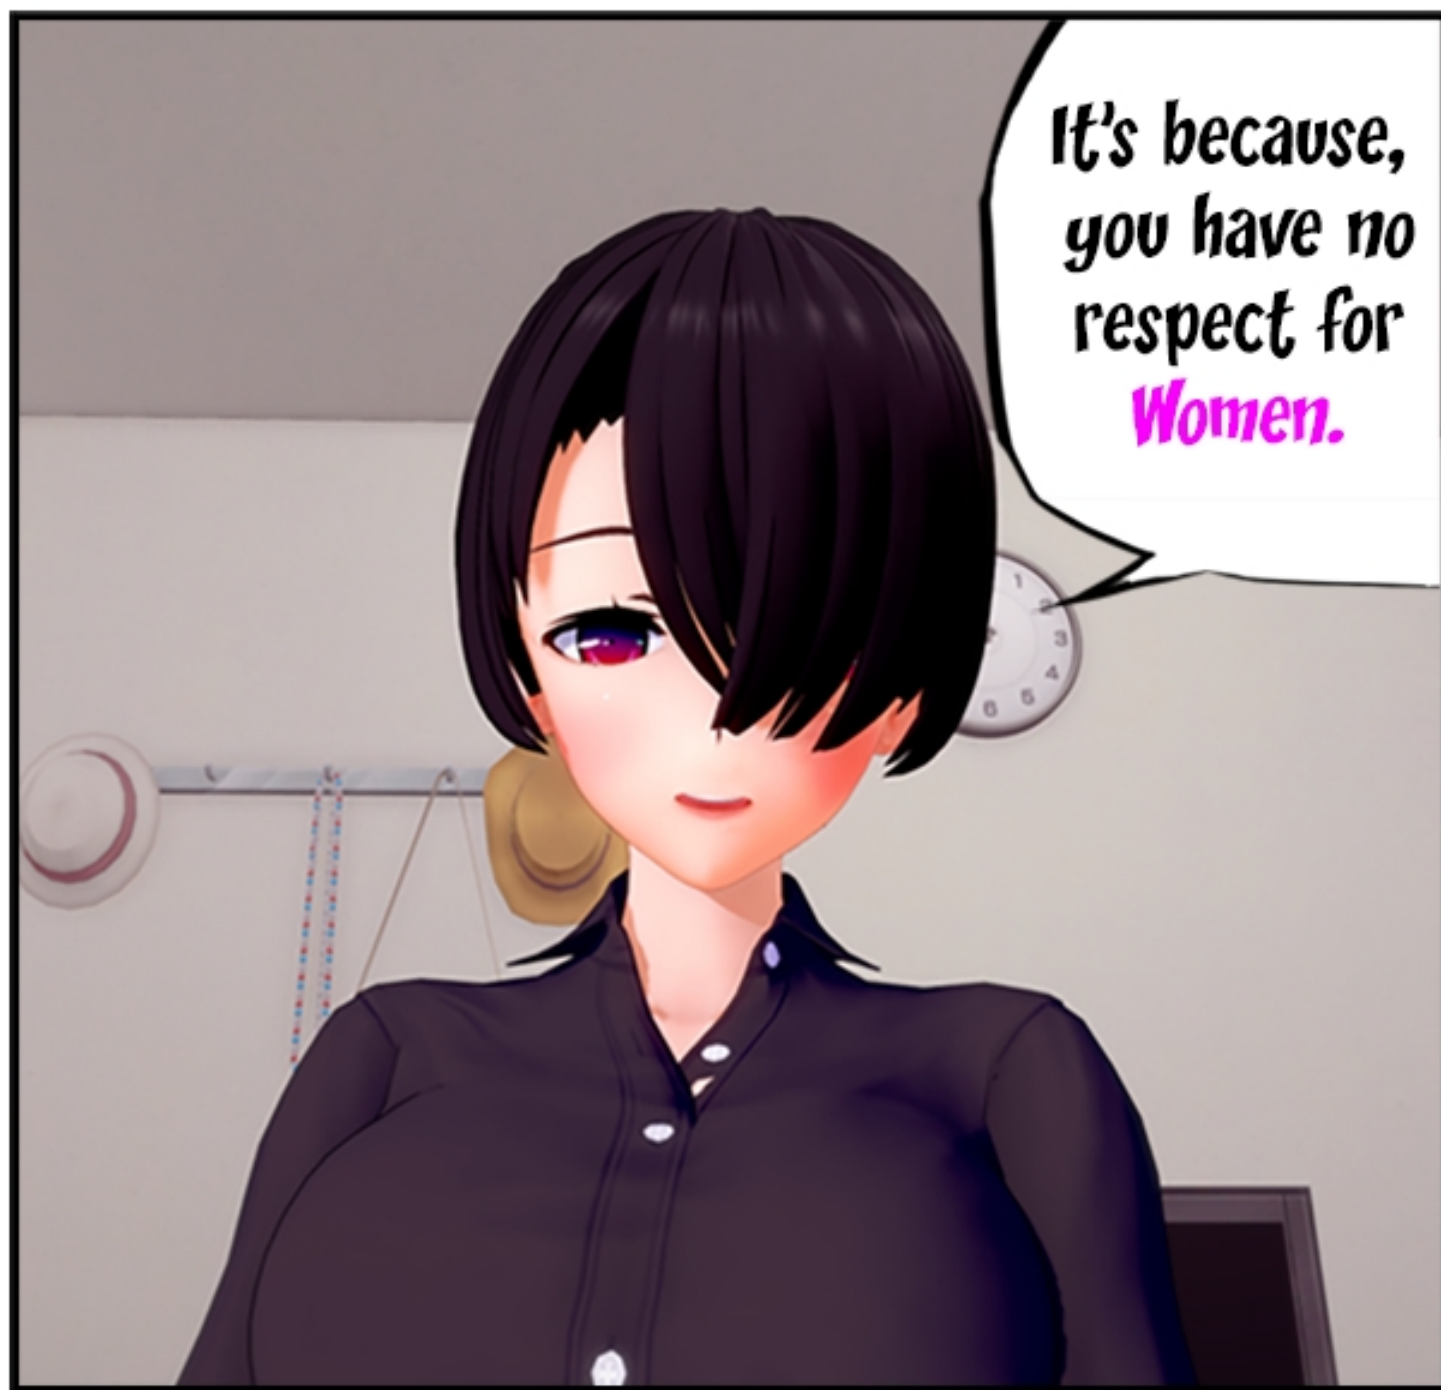

G... G-Good morning...

What a wimp.

...Do you know why you wore my lingerie?

Too fap...

N-No...

It's because, you have no respect for **Women.**

The first thing you did when we met was **leer** at me.

How could I not...

Then the first moment you were left unsupervised, you **invaded** my privacy.

I know you are young but that kind of behaviour is **Disgusting.**

I... I was pent up...

I-I know it's disgusting...

**B-But I do respect women!**

**ENOUGH!**  
I don't need excuses!

Then  
Why did you soil  
my clothing with  
your filth.

l... l...

Do not  
**LIE**  
to me.

And that will  
begin with you  
learning to  
respect **Women!**

I am your  
**Guardian.**  
Thus, I will  
reform you!

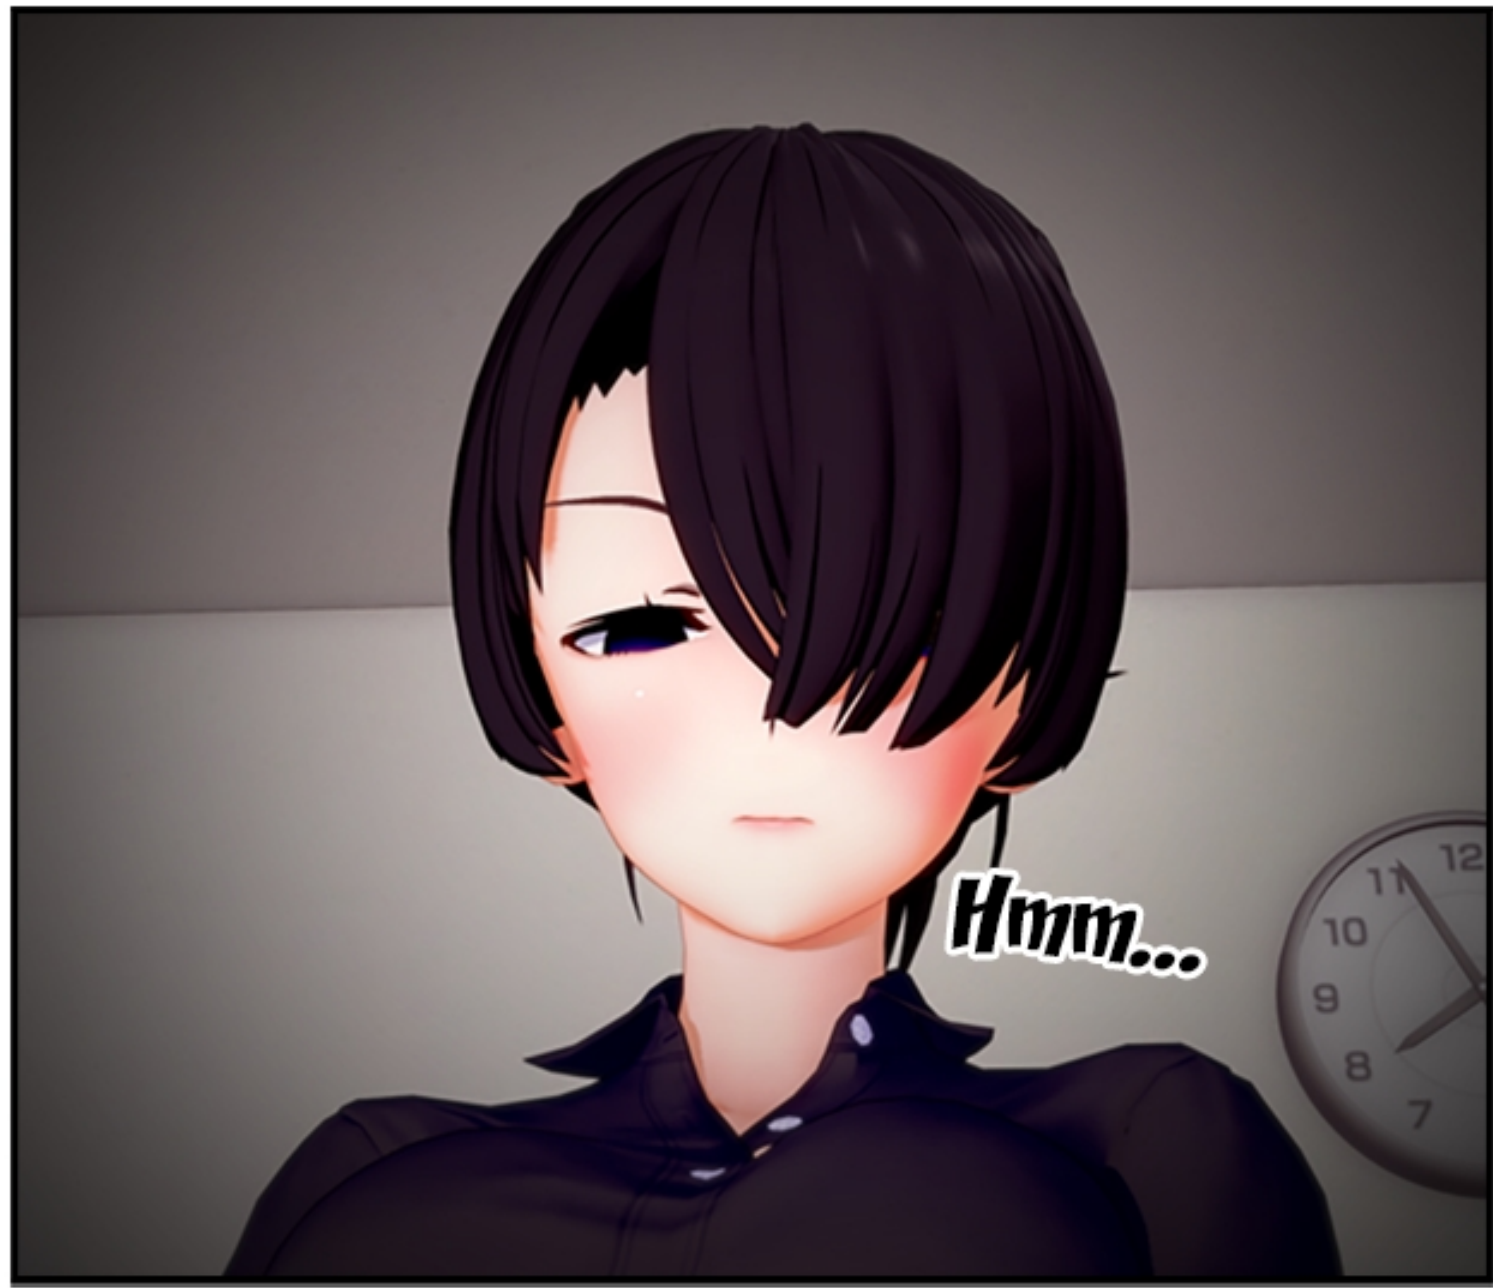

That's it...  
Only one  
thing left...

Do you  
understand?

Y-Yes...

I didn't mean  
to make her  
angry...

Or I could  
just send  
you back.

Hmm...

Eh!

**P-Please anything but that!**

**I-If she sent me back they'd know everything!**

**Then will you listen to my every command?**

**Lilith**

**He's mine.**

**Yes!**

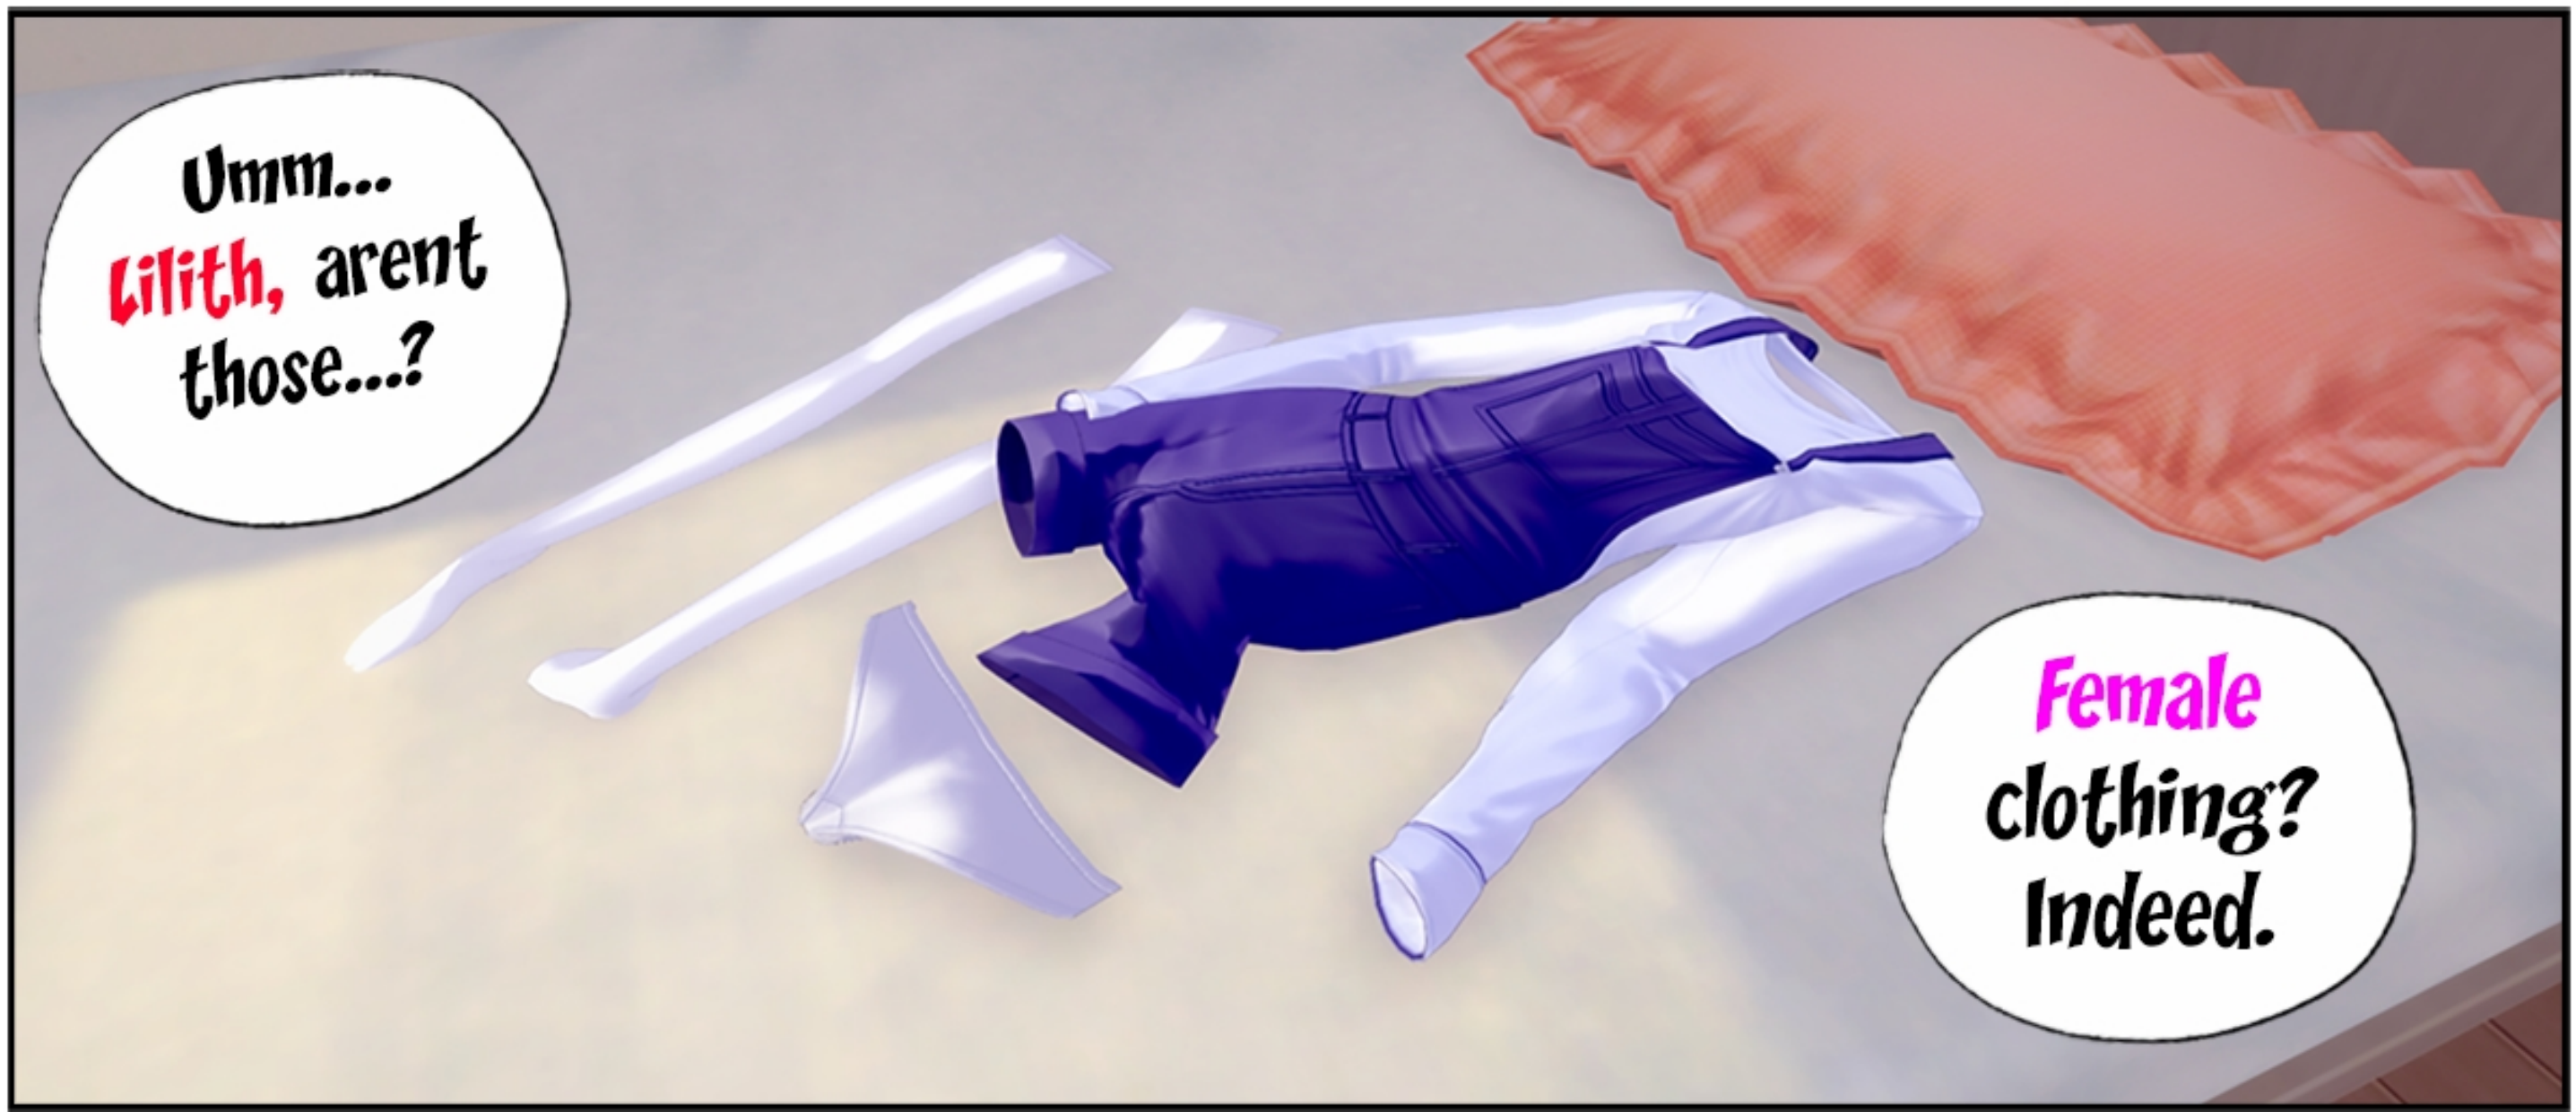

**Then let's begin with your outfit.**

**Eh?**

**Eh?**

**Eh?**

A few minutes later...

I'M ACTUALLY WEARING PANTIES THIS FEELS SO WRONG...

I-I'M NOT...

MISS LILITH... CAN YOU EXPLAIN WHY...

Cute~

Come. We have an appointment.

S-SHE'S MAKING ME GO OUT IN THIS GETUP!?

No, I 100% meant niece. Your new persona is Leona, my niece—a Female.

It's actually quite straightforward. I don't understand why you're having trouble with it.

Y-You can't be serious!?

Is that why she made me wear P-PANTIES?!

Do not raise your voice with me young lady.

This is for your own protection. They're looking for Leon, a boy, not Leona, a girl.

I look nothing like a girl though! People will make fun of me!

Quiet!

Leona, I...  
I'm sorry for shouting,  
but you need to understand  
that the people after you are  
dangerous. This is the only  
way to keep you safe.

And don't worry...  
I'll make sure you look  
like a girl. No one  
will know.

A-ARE YOU  
SURE THIS  
IS THE ONLY  
WAY?

Sadly,  
it is.

FINE...

I knew you'd  
understand.

What an idiot.  
I barely had to convince  
him. Hehehe... It's not like  
the client cares about his  
gender just that I  
handle him.

What better way to learn  
to respect women than  
to become one yourself?

To think I'd manage to secure such a high purity of FEM-X... Now all that's left is to administer it to him. I'll handle that in my office at the college.

The thought is getting me... Hm where is the restroom.

I'm sure we'll have a lot of fun Leona...
