Stories

Digi-tama Renamon

Tomoro's e-pulse is strange, it surges and spawns a digimon. Renamon appears glorious and fabulous. The two need to bond especially when his brother's e-pulse is stolen. Renamon is a bit unique as far as digimon go, sneaking into Tomoro's bed. Tomoro/Renamon/Harem

Digi-tama Impmon

Tomoro's e-pulse is strange, it surges and spawns a digimon. He's a sassy little guy, enjoying the taste of his e-pulse. He was willing to do whatever to get it. Impmon is unique able to do magic and works to spin magic, much like Tomoro. Tomoro/Impmon/Harem

Become My Digimon BlackGaogamon

Tomoro doesn't want BlackGaogamon to disappear so with a nod from Gekkomon. He takes on the sapotama and feeding it

with his special epulse. Kyo has done enough and with BlackGaogamon's help he can do more work.

Tomoro/Gekkomon/BlackGaogamon/Harem

Become My Digimon Commandramon

When Sone I captured he dropped his sapotama, and in the ruckus no one noticed. Tomoro takes on the responsibility of feeding Commandramon and they work together, no more shady jobs. They plan to free Sone when they can.

Tomoro/Gekkomon/Commandramon/Sone/Harem

Become My Digimon Petermon

Petermon takes interest in Tomoro, when given the chance he dumps the pirates and joins Tomoro's team. They resonate well, the piper and the drummer. He helps Tomoro out going forward and awaken his feelings and desires.

Tomoro/Petermon/Raito/Harem

His Crest is Love

Asuka worried about his brother Tomoro seemed cut off from people even disconnecting from himself. He decides to send Tomoro to summer camp to try and help him make some friends have some fun make a connection. It happens, as Tomoro meets someone who doesn't see him as a glitch, but as someone amazing. Tai/Tomoro/Biyomon/Harem

His Crest Is Purity

Tomoro always hated the digital age always telling him what

to do and what to be. So when Asuka mentioned a summer camp he was excited to go. There he meets guys who look at him and let him be himself. Switcher

Love Leader

Tomoro is the "weird" kid at school he doesn't engage, and feels disconnected with things. All that changes when he bumps into Takeru. Things change again when a strange device bursts from the computer lab. He's got a digivice and a digimon partner waiting for him.

Tomoro/Hawkmon/Takeru/Harem

Knowledge Leader

Tomoro has felt off, when he was younger he was treated like a glitch or a problem. He kept his distance creating armor around himself to protect him. When he gets dragged into the mess by the digimon emperor he's not sure what to do, but he can't just ignore this right?

Tomoro/Davis/Willis/Armadillomon/Harem

Friendship Leader

Tomoro thought something was up when a strange device came to him from the computer lab. He remained disconnected until he was pulled into the digital world with some brat acting like the emperor. He finds the digi egg of friendship and unleashes his partner digimon Renamon.

Tomoro joins the team but things are a mess they need a leader. Tomoro/Renammon/Takeru/Harem

### Courage Leader

Davis and Tomoro didn't see eye to eye. Ever since he was nice to Kari one time and Davis thought he was "moving in on his girl" boy is he barking up the wrong tree. He shows Davis how he dances to the beat of his own drummer.

Tomoro/Davis/Takeru/Gekkomon/Harem

### Reliable Leader

Tomoro used to feel disconnected, he kept himself to not rely on anyone else. So imagine his shock when he's pulled into the fight with the digimon emperor. He has a partner and teammate who rely on him. Tomoro/Impmon/Takeru/Harem

### Crest of Jubilation

After the digidestined sacrificed their crests to heal the effects of the dark masters new crests were manifested Kindness, Jubilation, and other strong powers of emotion and feelings that should lead to the brighter future. Returning the crests also reactivated the digi-metals. Tomoro didn't expect to be called to the digital world, but he goes and ends up finding his partner. Dondokomon is a newly revived digimon but the digidestined can't seem to trust him, given their history as this little guy is Etemon/MetalEtemon reborn.

Tomoro/Etemon/MetalEtemon/Harem

## Crest of Creation

The Digimon Emperor is trying to enslave and rule the digital world. His strange power makes it impossible for digimon to evolve and fight back. Tomoro is the next chosen child, and he bears the crest of Creation. They need him to help forge and create the digimetals so they can fight back. He doesn't think he can help but Tai believes in him. Tomoro can forge digi-metals, he can hear the rythme of the soul and use it to forge new digi armor. Though to resonate with someone he needs a taste of their E-Pulse, through intimate contact.

Tomoro/Tai/Yamato/Izzy/Joe/Davis/Takeru/Willis/Harem

## Big Brother Tai

A terrible accident caused Tomoro to lose his family and he was raised by his big brother. When he was young, another incident occurred where Daemon attacked them. He killed his brother, but no one believed him. He's adopted by the Kamiya's and Tai acts as his big brother. Asuka isn't gone, his soul was dragged into the digital world and he was reborn as a digimon. Tai does his best to be a big brother, and even as Tomoro shuts down and disconnects he's always there.

Tomoro/Tai/(Asuka) Leomon/Harem

## Crest of Destruction

Tomoro already felt like an outsider, technology messes up around him. As it happens he bares the crest of destruction.

When he comes to the digital world he's able to manifest his tag and crest which helps him control his powers. His Partner BlackGatomon exists to protect him and they have a special power the others don't. Cody doesn't trust Tomoro, how can they trust someone with the power of destruction. Davis doesn't believe Tomoro's a bad person.

Tomoro/BlackGatomon/Davis/Ken/Harem

Crest of Protection

Tomoro is the next digidestined along With Davis, Willis, etc. The digimon Emperor isn't the only threat, as someone laid the grown work for him. D-Reaper a mysterious force who wears a mask, and he commands strange constructs that don't feel like digimon at all. It seems after the digidestined healed the world, he came and attacked the sovereign killing them to create chaos in the digital world. This caused a new power to be born the Crest of Protection carried with it.

### Crest of Adoration

After the digidestined sacrificed their crests to save the world the Sovereign got to work fixing and repairing the damages. A

new enemy attacks trying to kill the sovereign but the devas intercept. The devas are slain but their sacrifice allowed the Sovereign to seal this evil away. This seal was weakening due to the effects of the control spires. Tomoro is chosen to be a new digidestined but he's not super gung ho about it given his history. Little did he know he's exactly where he needed to be. He inherits Caturamon the dog deva along with the crest of Adoration. Labramon is very loyal and wishes to help stop the seal from breaking.

Tomoro/Labramon(Seasarmon/Caturamon/Erlangmon)/Davis/Takeru/Harem

### Crest of Action

Tomoro is brought to the digital world thanks to his unique power. He gains the crest of Action and the digimetal of action. Combining the two he's able to transform into a bee themed hero with a handy ability. His partner FanBeemon is his biggest supporter, and he works on dealing with the mystery of his missing brother.

### Crest of Intuition

Tomoro is called to the digital world to help battle a new enemy. He thought it was just the Digimon Emperor, but something else lurks in the depths of the digital world something that slaughtered the devas. He gets Sunarizamon the reincarnation of Sandiramon. With the crest he can restore the Deva's power and battle against the threat, but after fighting with one of the D-Reaper agents he realizes it's someone he knows. Two Dicks

Tomoro/Davis/Takeru/Ken/Harem

### Crest of Migration

Tomoro has a very strong soul, so when he's summoned to battle the digimon emperor or something darker he gets the Crest of Migration and the Horse Deva as his partner. When Tomoro touched the egg it was supercharges with his energy allowing the egg to be reborn and Indramon revived. The crest and Tomoro's soul allow him to make digital gates at any time and anywhere. Switcher Tomoro/Indramon/Harem

### Crest of Illusion

The world is imbalanced, the Sovereign had to create new crests with greater power to prepare for the next threat. A new

enemy has made a move trying to dominate the digital world. Tomoro is one of the new digidestined and he gains the crest and digimetal of illusion. His partner is Renamon a fierce and loyal fighter. If he combines the crest and digimetal he can gain a magical armor that lets him fight, with other benefits.  
Knot Tomoro/Renamon/Davis/Takeru/Ken/Harem

### Digital Soul - Renamon

Tomoro has the power to fuse with digimon, he doesn't know why he has this power, but apparently his brother was keeping a secret. He fuses with his partner Renamon but he can fuse other digimon as well. It can be addicting for other digimon.  
Fox Boy Tomoro/Renamon/Harem

### Digital Soul – Gekkomon

### This Hand Glows With An Awesome Power

Asuka said no human can win against a digimon, Tomoro isn't normal. His E-pulse is very unique he can actually use it offensively. With this E-Pulse Blast he can actually fight and defend himself against digimon. It's a handy ability one sought after by others. Tomoro/Harem

### I Don't Want To Be A Tamer

Asuka was a digimon tamer he was handling missions and wild ones slipping across the veil. It got him in a coma, Tomoro was so pissed then he sees a girl being a tamer like it's a game. He ends up getting a digimon partner, to find a way to revive his brother. Tomoro/Gekkomon/Takato/Harem Impmon's Partner

Tomoro plays to the beat of his own drum. He let Impmon do what he wants but when he's targeted he steps in as a proper tamer. Not only is he a good card player he has a special trick to recharge digimon. Tomoro/Impmon/Takato/Henry/Harem Leomon's Tamer

Asuka started a job at HYPNOS. He was working so much Tomoro felt alone. He started playing digimon to have something to do but he began to enjoy it. He was even able to duel the digimon queen into a stalemate. He becomes a tamer and his partner is Leomon. Tomoro/Leomon/Takato/Harem

Champion Tamer

Asuka was working for HYPNOS and he discovered something far more dangerous. The D-Reaper took him and used him as a core to begin workin on its evolution and the consumption of both digital and human worlds. No one told Tomoro anything but his only solace was the card game his brother loved so much. It helped Tomoro feel close to him

even with him gone, he disconnected with much else. When the diginomes grant his wish he becomes a tamer and gets a champion partner. Dorulumon! Rika won't be walking all over him. Tomoro/Dorulumon/Takato/Henry/Harem

### Ultimate Tamer
