

Wait... Did I eat my lollipop yet?

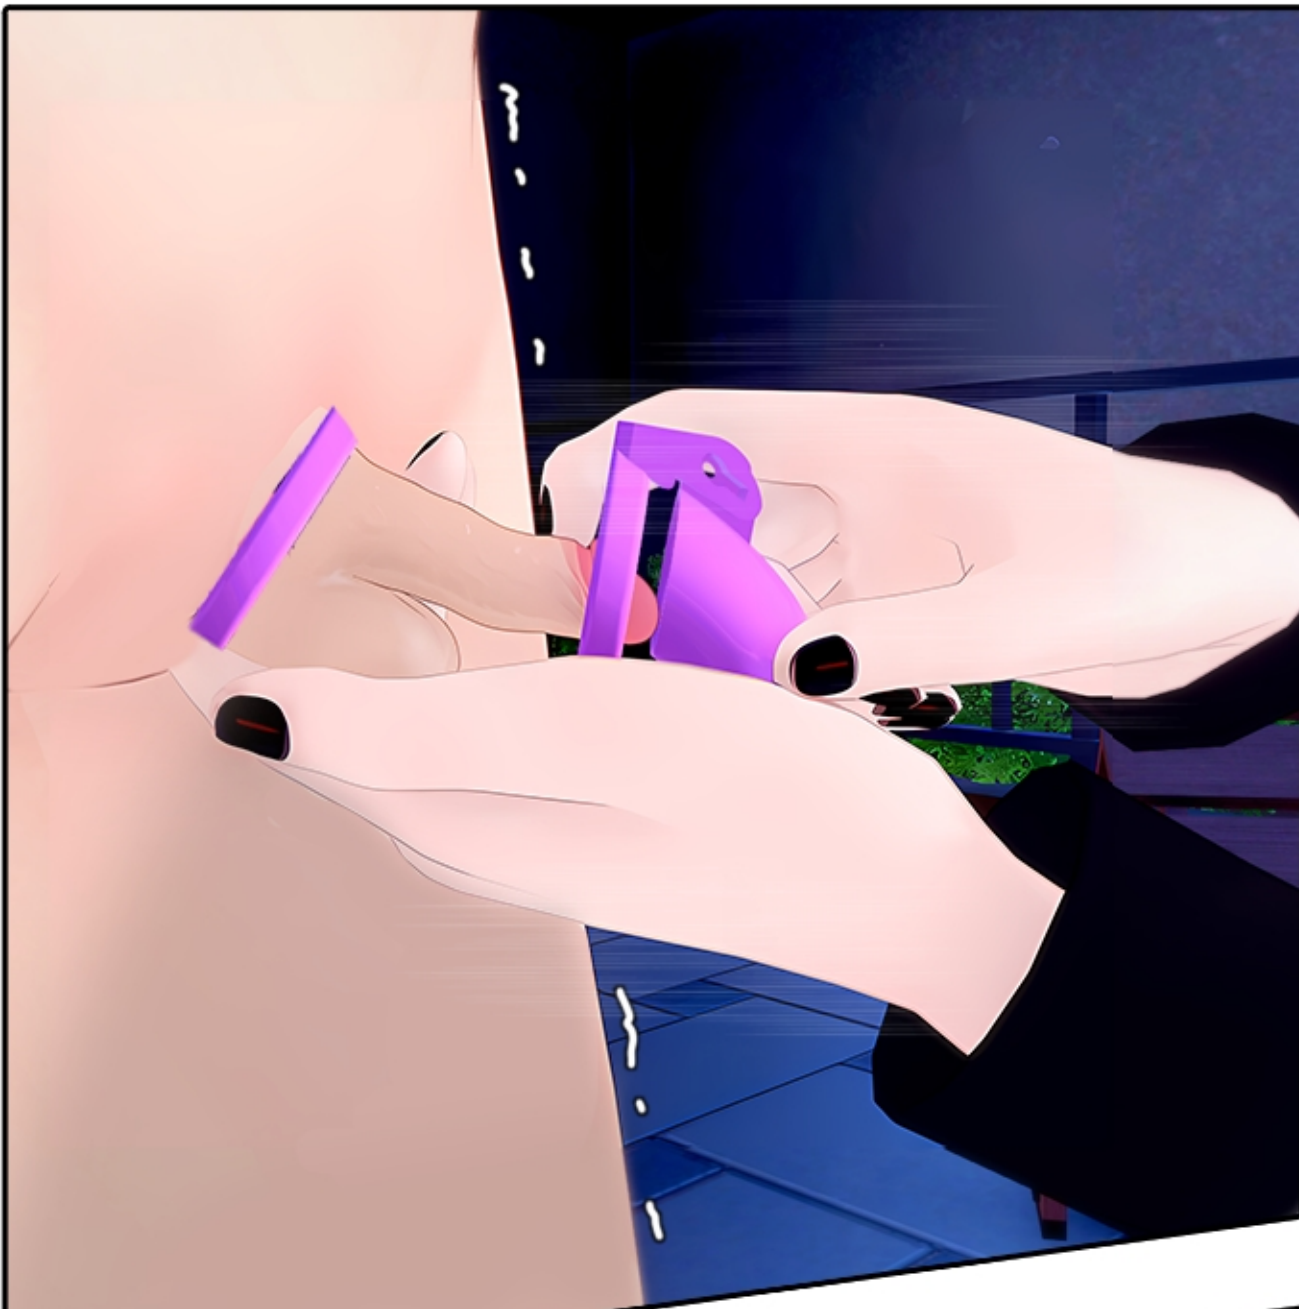

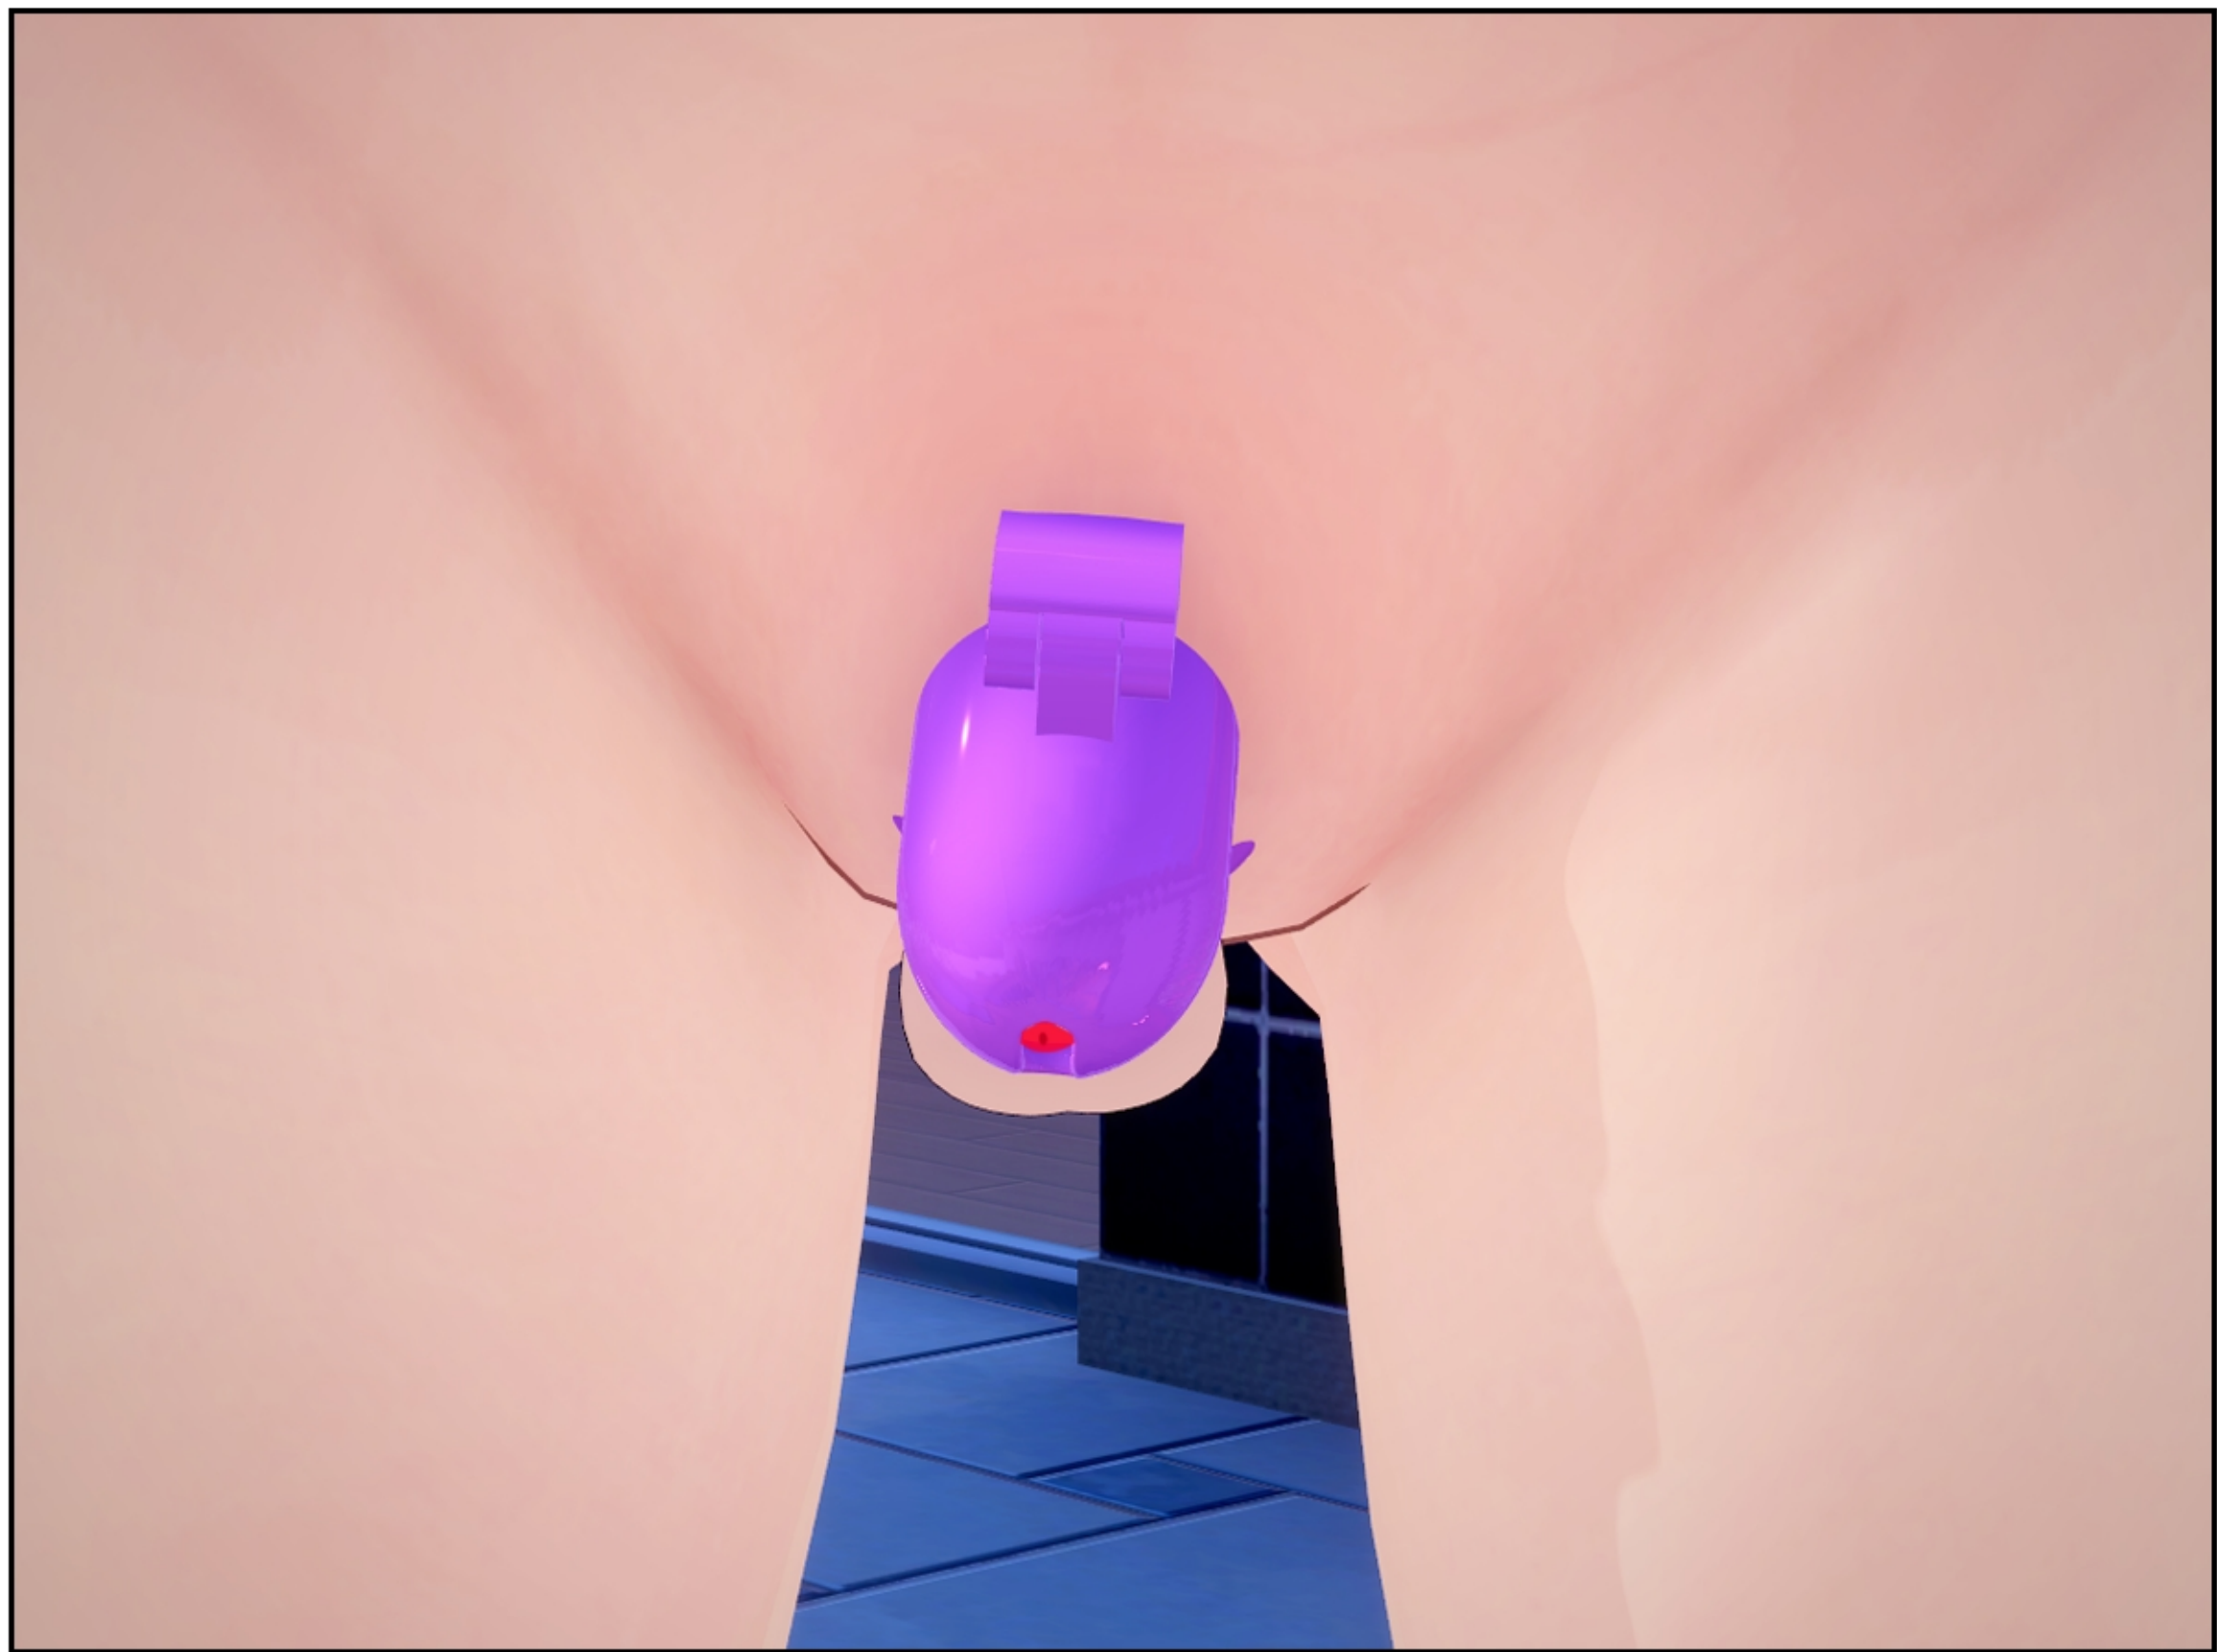

Grasp.

EEK!
G-COLD!

Ah...
I apologise. My circulation tends to be a bit... cold-blooded.

We really need to do something about Leonas's hair...

It's been poorly maintained, full of knots and split ends... I'm not sure I can fix it...

Why dont we take her to a Salon?

Hmm, that's a good idea. Let's go.

Salon...? Oh, like a barber. Yeah I guess I do need a haircut.

Salon

Welcome to
Red's Salon!
What can I do
for you today!

Red, Huh...
A fitting
name.

My **Girlfriend**
needs her hair
cleaned up.

S-She
called me her
Girlfriend?!

I can see that.
So any styles
you wanting?

I thought I
was getting
it cut...

Twin tails, but make
sure you don't cut her
hair too short. We wouldn't
want her to lose the
ability to let her hair
down.

Alright! Leave it to me. Please sit down **Leon.**

I'm going to grab some sunscreen with Riku. I'll be back in about 10 minutes.

So, Leon how long you been on the island?

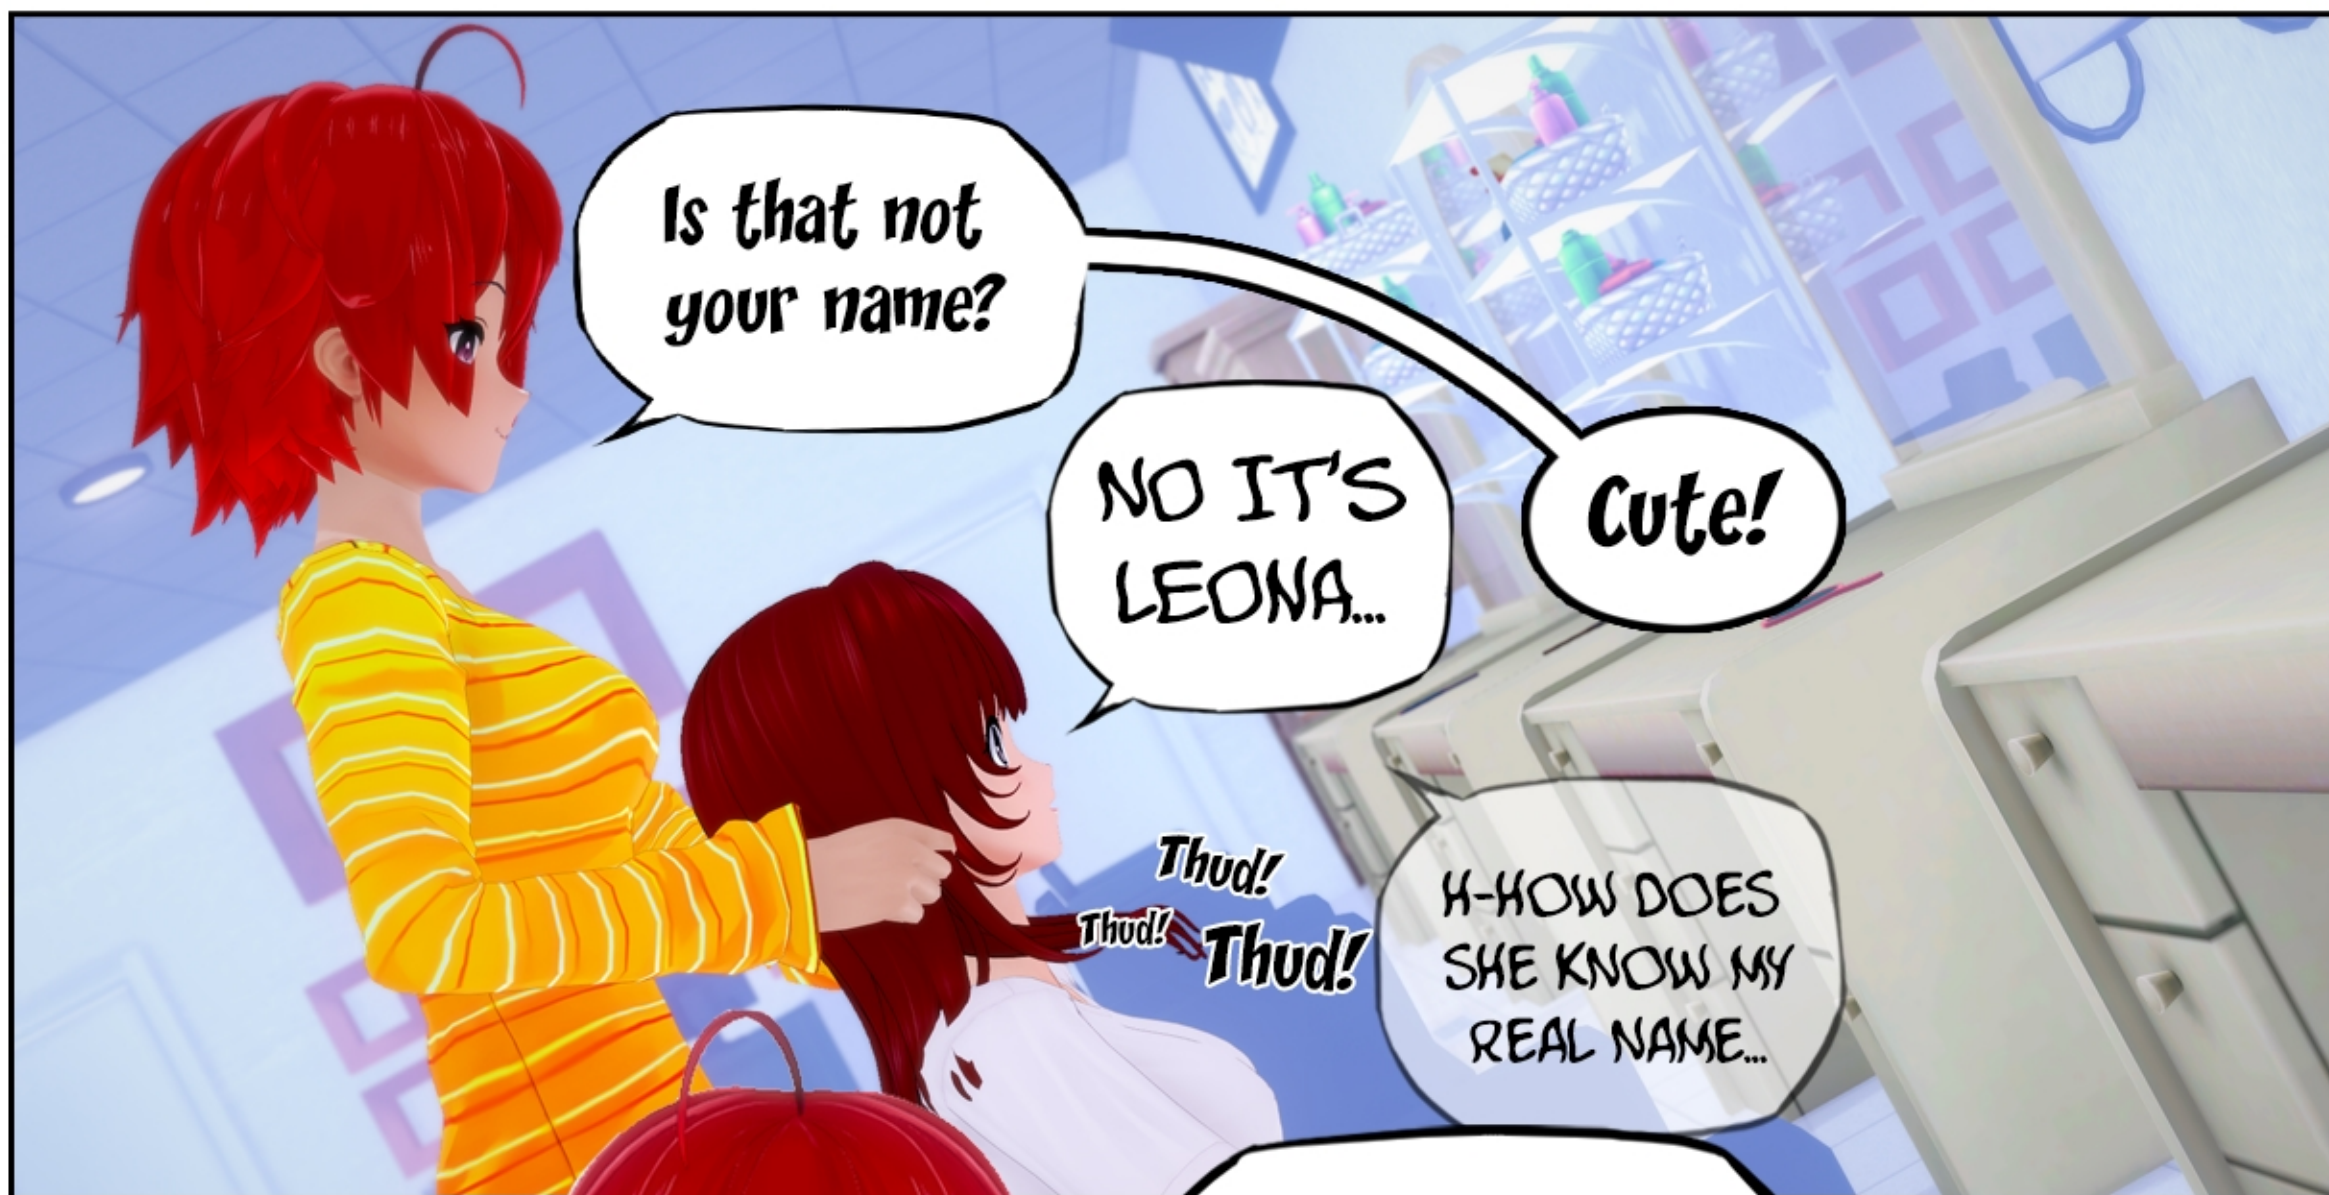

Not that long we just got here yesterday

Wait, what did you just call me?

I said Leon. Is that a problem?

Is that not your name?

NO IT'S LEONA...

Cute!

**Thud!
Thud!
Thud!**

H-HOW DOES SHE KNOW MY REAL NAME...

You've turned into quite the beauty! I had no idea you transitioned! How's your mom doing?

Huh? Do I know you?

Yep!

**I'm your
aunty, you
silly goose!**

**I remember when
you were just a little
kid, always dressing
up in my clothes. It
was adorable! Hehe.**

**Your mom
always dreamed of
having a daughter; I'm
sure she's over the
moon about you!**

**My aunty?
But she looks
so young**

**Woah, now that
I go a better look
those are definitely
D-Cups! And your
waist looks so slim—it
really highlights your
curves!**

**Do you workout?
Your legs look
fantastic too!**

T-Thanks...

Sometime later...

All set! Ya know those ribbons were once your mom's!

Whad do you think?

Woah.
