

A 3D rendered scene of a nude woman with long, wavy brown hair standing in a bedroom. She is positioned in the center-left of the frame, looking towards the viewer with a slight smile. The room features a large, shaggy red carpet, two wooden nightstands with drawers in the background, and a white dresser with drawers in the foreground on the right. A speech bubble with a pink border and a tail pointing to the woman's head contains the text "DON'T LOOK LIKE THAT." in a hand-drawn, black, uppercase font.
