*Hehe...  
By now,*

*you  
must be in  
a trance.*

.....

*From now on,  
you'll be the  
married woman  
in the story.*

*You will  
deeply  
immerse  
yourself in  
the story I  
tell you,*

*as if it's  
your own  
experience.*

Haha...  
Thank you...

No

Now you know what kind of man he is.

And so the once harmonious couple was reduced to nothing more than a pair of perverts obsessed with cheating on each other.

And they never slept together again.
