

Bell-kun, I have a quest for you.

We've heard about a new doorway on the first floor of the Dungeon.

A new doorway? On the first floor? That's rare...

Exactly! So, Bell-kun, will you take this quest?

**WAIT!**

Why are you giving us such a valuable quest!

Because you two are capable, of course. I trust BELL to handle it well.

I knew it! She's got a soft spot for Bell!

I just want to make sure Bell stays safe...

1st Floor

Hya!

STAB!

That's  
the last of  
them.

Hmm  
According  
to Eina-san the  
doorway should  
be...

There!

They're just statues—but don't let your guard down, Bell-sama.

**Bell**  
I've never seen a pink crystal before.

Bell-sama, crystals are always blue.

But this one is pink...

It's so warm...

Did you bump your head? That's just a wall... Are you okay?

↳ Lily is it supposed to glow!

Bell-sama, there is no **Crystal!**

We're in the **Dungeon!** If you keep messing around, you could get hurt!

↳ LILY HELP!

**Eh!**

**Where did you!**

**BELL!**

9th Floor

You sure you left it around here?

I did! It should be right around... here... Haha...

I... Is that the little Rookie?

**Little Rookie!**

DID I... I  
FAINT?  
IS LILY  
OKAY?

**Little Rookie**  
Are you okay?

Tione...?  
Tiona?  
W-What's  
going on?

Why  
is he  
naked...

Ah! You're  
okay that's  
great!

Bell... May  
I ask why you  
are... Well...  
Nude?

**Wha?**

Eh?

EH!

ANNNNNNN!

If he can run like that he must be fine.

Did you get a look at it? I thought it would've been small like a bunny!

8th Floor

**WAH! HOW?! DID?!**

**THIS HAPPEN!?!**

**Oh?**

**Bell...?  
Watch out!**

**AISHA?!**

**UH!**

**You know this isn't the best way to impress me right?**

**But, since you're offering, I guess I'll take a taste~**

**I... UH**

**Really, Bell? Fainting over a little tease?**

**You're lucky  
I've got some  
extra clothes!**

**Can't wait to see  
how you handle this  
when you wake up.**

**Sometime later...**

**Welcome  
back, Bell~**

**Don't worry,  
you're kinda  
dressed... sort  
of.**

**EH!**

T-THIS!?  
**AMAZONIAN**  
DRESS!?

WHY AM I  
WEARING  
THIS?!

You fainted,  
remember? I thought  
this would be... fun.  
Unless you'd prefer  
to go nude?

You owe  
me now,  
Bell-kun~

**NO!**
