**Summary: Part 13 of [Delicious Seed](#). After getting her world so thoroughly rocked, Barbara decides to introduce Adam to her fellow batgirls, Cass Cain and Stephanie Brown. They have a Batgirl Reverse Gangbang with Adam.**

**-x-X-x-**

Adam stares. Three cowled heroines stare back at him.

When Starfire had told him she had a surprise for him and then asked him to go to this hotel by himself, Adam hadn't been entirely sure what to think. All he knew was that he trusted his beautiful buxom alien girlfriend implicitly. She had mentioned that he'd left an impression on a certain someone, so Adam had somewhat expected this to be a rendezvous with one of the heroines he'd already had sex with.

However, he hadn't expected it to be Batgirl... and *both* of her successors. Indeed, all three Batgirls, at least from what Adam is aware of, are arrayed in front of him. There's the red head that he'd already fucked senseless just the other day and then there's a blonde who's Batgirl costume is a bit more purple, and finally there's a third one who is wearing the full mask and therefore hiding her hair color under it.

All of them are staring at him with hunger in their eyes, though the blonde is least certain while the red haired Batgirl is definitely smiling the biggest.

"... If we're doing this, I need something to call you all by. I can't just call all three of you Batgirl, now can I?"

That gets a series of blinks from the trio of heroines... before the red head promptly pulls her mask off, finally revealing her true identity to him.

“Barbara.”

The blonde squawks, but before she can protest the third Batgirl does the same, pulling back her cowl to reveal a young Asian woman with raven hair.

“Cass.”

Her monotone voice is a bit interesting, especially juxtaposed with the way she’s staring at him like he’s God’s Gift to the Earth or something. They haven’t even had sex yet, but while her reverence is quieter than Barbara’s, it’s no less present!

Finally, the blonde just huffs and pulls her own mask off, blushing furiously as she does so.

“D-Didn’t know we were unmasking today... but you can call me Stephanie or Steph.”

Adam smiles and gives her a nod.

“You don’t have to worry. I’m not the type to spill secrets anyways, all things considered.”

Stephanie blushes harder but nods all the same. Meanwhile, Barbara lets out a growl of impatience, the oldest Batgirl stepping forward.

“Let’s get this party started, shall we?”

Adam gives her a distinct Look as she approaches, prompting Barbara to freeze up.

“Is that how you ask nicely?”

The red head blushes harder than Stephanie is at that, even as both Stephanie and Cass blink. Then, Barbara drops to her knees right then and there and begins to crawl forward.

“Please sir... please give me and my friends your big... fat... cock~”

Stephanie’s mouth is agape... but Cass just drops to her knees and copies Barbara, crawling forward as well with her eyes on his crotch like she’ll find gold if she strikes there.

“Y-You two... ugh, fuck it!”

With that, the last holdout joins her peers on the floor. Adam watches as all three crowd around him, kneeling in front of him and reaching for his pants together. He doesn’t bother stopping them from their quest to extract his cock from its confines... instead, he takes a moment to try and get a better measure of the three different Batgirls.

Barbara, obviously, has already had a taste of his dick and can’t get enough of it. Stephanie, meanwhile, seems to have heard stories from Barbara but isn’t sure what to believe. Finally there’s Cass... she looks like she knows exactly what to expect somehow, like she’s got this sixth sense allowing her to know that not only was Barbara telling the truth, but that she’ll have an excellent time if she just goes along with all of this and lets Adam fuck her silly.

... He won’t lie; all of their attitudes are pretty attractive to him. From Barbara being a submissive fuck toy, to Stephanie being uncertain but interested despite herself, to Cass being quiet yet overly eager. As they all lay eyes on his cock, only Stephanie chokes on her own spit though.

“H-Holy shit, you weren’t kidding about the size!”

Barbara scoffs, even as she nuzzles his dick.

“Of course I wasn’t. Now get in here and help me, both of you.”

Cass doesn't need to be told twice, leaning forward to nuzzle his length from the other side. Stephanie, meanwhile, only hesitates for a moment before joining them. Together, the three Batgirls make for quite the showing, each of them on their knees in their costumes, faces revealed as they begin to worship his cock with their mouths and tongues.

Adam groans, planting a hand on two of their heads as he tosses his head back in enjoyment. His cock quickly grows fully hard, even if it had already been halfway there from just the idea of a foursome with the three of them. He certainly had to admit... as far as surprises went, this was a good one.

Sucking and slurping noises fill the room as the trio of heroines goes to town on his dick. Barbara leads the way at first, her enthusiasm and experience giving her an edge on the others. Stephanie lags a bit behind, clearly wanting to participate but letting nerves get the better of her.

But Cass... Cass is like a machine, her own eagerness handling any would-be inexperience as she matches Barbara's energy at first... and then surpasses it until she's taking him in her mouth and bobbing up and down like she was born to it.

"F-Fuck..."

Barbara and Stephanie wind up pushed to other parts of his cock as Cass monopolizes the head of his member. Barbara eventually descends to his balls, lavishing them with attention and worshipping them with her mouth while Stephanie operates on the in between parts... parts that grow vanishingly smaller as Cass deep throats more and more of his member.

"Gagkh! Gagkh! Gagkh!"

Pulling back, Stephanie stares at her fellow Batgirl like she's never seen her before.

"S-Shit Cass... what the fuck has gotten into you?"

Pulling back from his nuts, Barbara chuckles throatily as she sits up and grabs Stephanie, pulling her around so they're facing each other.

"Nothing's gotten into her... yet. But she's certainly earning first go at this rate, so let's just... mmm~"

"Barbara wha-mmph!"

Barbara kisses Stephanie then, sharing the taste of his ball sweat with the squirming blonde. But the other Batgirl doesn't actually resist or protest... in fact, Adam suspects that Stephanie is a bit bisexual, maybe even leaning towards girls from the way she all but melts into Barbara's impromptu makeout session.

No skin off of his back really... it's incredibly hot watching the two Batgirls makeout on their knees in front of him while the third Batgirl blows him like there's no tomorrow. Seriously, Cass' technique is straight up out of this world and it's not long before Adam lets out a heartfelt groan and shudders.

"Fuck... here it comes!"

Cass, to her credit, takes him and his load like a champ. She hollows out her cheeks and swallows continuously, all while staring up into Adam's eyes the entire time. She gulps down his seed, drinking it until there's nothing left and doesn't spill a single drop.

Even if Barbara hadn't already said it, Adam thinks he agrees with her now... Cass has definitely earned 'first go'. As such, when she pulls back off of his cock with a pop, he smiles at her and nods his head towards the bed.

The quiet Batgirl turns and crawls to the bed with efficiency, moving up onto it and presenting herself on all fours. At the same time, she reaches under herself and reveals a hidden zipper, pulling it down to open the crotch of her costume and expose her puffy, slippery pussy lips to his eyes.

This wasn't like when he'd fucked Barbara... their costumes were the real deal, not made for being torn off of them like some paper mâché or something. That

said, Adam is almost reverent as he grabs Cass by her hips, his fingers digging into her Batgirl costume as he places his cockhead against her slit... and slams into her from behind.

The most taciturn of the three Batgirls lets out a wanton moan at that, the sound probably the loudest he's heard from her since they all got started. Her body responds positively to his big fat dick buried inside of her cunt, her back arching and her pussy walls flexing along his length.

In fact, after a moment Adam is pretty sure that Cass is flexing her insides purposefully and consciously, in complete control of them as they squeeze down on his dick.

Without further ado, he fucks her hard and fast just like she seems to want, pounding away at her pussy and entering her deeply again and again. She really gets vocal then, crying out and moaning and mewling all the while. So much so that Stephanie actually pulls away from her lip lock with Barbara to look over with wide eyes even as Barbara is playing with her.

"Cass..."

"I told you that you'd both enjoy this... she's just embracing the fun. Adam is really something else... something *special*."

Barbara's words come as she kisses lightly along Stephanie's neck, making the blonde Batgirl whimper in response. Adam, meanwhile, is singularly focused on the matter at hand. He doesn't hold back with Cass, able to tell somehow that she would be upset with him if he did. She wants this... she wants him, every last inch of him. So that's what Adam gives her.

Until finally, he can hold back no longer. With a loud groan, he unloads inside of Cass again, this time filling her up down below. His second orgasm takes a bit out of him, causing him to lean over her for a moment to recover... but Adam knows he's not done yet.

So does Cass, because her rhythmically clenching pussy walls don't let him go until she's made sure he's not going to soften up. She squeezes and grips down on his dick until he's throbbing and rock hard again, and only then does she wordlessly release him.

At which point Adam promptly turns to Stephanie and Barbara... and pauses at the sight of them. Barbara has her fellow Batgirl splayed out on top of her and is leg locking her in place. Stephanie moans as Barbara plays with her tits through her costume, both of their pussies on full display and stacked atop one another with the crotches of their outfits removed.

Well... with such an invitation, Adam certainly isn't going to pass up the opportunity. Giving Stephanie a reassuring smile, he moves over to the two and kneels down, placing his cockhead against her pussy lips.

"W-Wait... how is it even going to f-fit?!"

Adam pauses at Stephanie's worried question, but before he can tell her it'll be fine, Barbara scoffs.

"Tch, just fuck me instead. Let her see how well it 'fits'~"

Well... fair enough. Chuckling, Adam repositions his cock while Stephanie whines but doesn't try to take back her concern. He slams home into Barbara a moment later, beginning to fuck the red haired Batgirl even as she continues her molestation of her blonde counterpart.

Trapped between them while they fuck, Stephanie can only pout a little bit, in between moaning and mewling over Barbara's ministrations. Until eventually...

"F-Fuck! Fine! Fuck me too! Please just fuck me already, I don't care if it'll fit or not! Give it to me, even if it splits me open!"

As expected, Stephanie breaks. Snorting in amusement, Adam pulls out of Barbara... and pushes into Stephanie. The blonde Batgirl squeals as she's

stretched to the brink by his sizable cock... but nothing tears. She's more elastic (and wet) than she'd realized.

Thrusting a few times in and out of her, he eventually pulls back and fucks Barbara too. From then on out, Adam alternates between the two Batgirls, fucking one and then the other as Stephanie groans and squeals and Barbara moans and laughs breathlessly. The blonde definitely gets it the hardest, what with Barbara continually tweaking her nipples through her costume and everything.

Adam makes them both cum a few times around his cock apiece before he finally finds himself reaching the point of no return. At which point, he pulls out at the last second with a decision on his mind... and proceeds to cover the two Batgirls, costumes and all, in his spunk. He makes sure to hit their faces a fair amount too of course, but by the time he's done, Stephanie's bat symbol in particular is very much defiled.

Grinning down at the 'artwork' he's made out of the pair as he rises to his feet, Adam chuckles for a moment... only to groan in surprise when Cass suddenly appears out of nowhere and takes his messy cock back in her mouth to suck it clean.

"Ah... that's a good girl."

The Asian Batgirl bobs up and down on his cock a bit more aggressively at that and Adam smiles, placing a hand atop her head and carding his fingers through her raven black hair.

Yes... this was a very fun surprise indeed~
