

That's it...

Mei
Deeper...

Huk!

It's getting hard to breathe...

GK!

Mei
Is that all you can take?

That simply wont do. Now will it Leona?

Let me show you how it's done.

PULL!

I-It's too big, I cant!

HUK!

GLUCK!

GLUCK!

Calm down~

See? I knew you could take it all...
Now let's see how long you can stay like this for~

Cant breathe!
TOO BIG!

I'm going too...

fai...

GASP!

Breathe~

And again~

GUCK!
GUCK!

Hehehe...
How does it feel,
my dear? To have
your very breath
at my command?

Every gasp,
every sigh,
all because
of me.

Do you
like it~

30 Minutes later...

**GLUCK
GLUCK**

Harden...

**Oh? Has
it finally
woken up?**

So how about...

I reward my cute masochist~

masochist?

Meanwhile...

**That lady
was so mean!
She kept me
there for ages...**

**How do I even get
back home now?
My phone's dead,
and the trains have
all stopped...**

**Ah, wait a second!
Mei lives right around
the corner. She won't
mind if I stay the
night.... Hopefully!**
