Dont get

Hehe...
Isn't that

Looking
Good!

Slam!

Eh?

Get back
here!

Catch me if you can!

Get back here!

Dont think I'll let you go!

Dont think you can catch me little Leona!

It's not LITTLE!

I wan't talking about that but... It fits!

W-Well mine doesn't stink!

N-Nor does mine!
A-At least mine can sweat!

3 hours later...

Hahahaha!

Hahahaha!

A few seconds later...

Riku,
We need
to talk.

Yeah...

But...

I think
someones
calling me...

That day...
I thought I was
the one getting
the blowjob...

I-I'm
sorry... I...

I... I know you didn't
mean to force me.
But it feels wrong to
just let it go...

...and with the way
you are acting. I can
guess you agree?

As...
As a Futanari...
I tend to mix
up signals...

No, I can't put
it all on that...
I used to have a
bunch of friends,
you know...

Whenever any of
them started to care
about me, I just ended
up messing it all up.

All because
of this stupid
member...

So...
I decided.

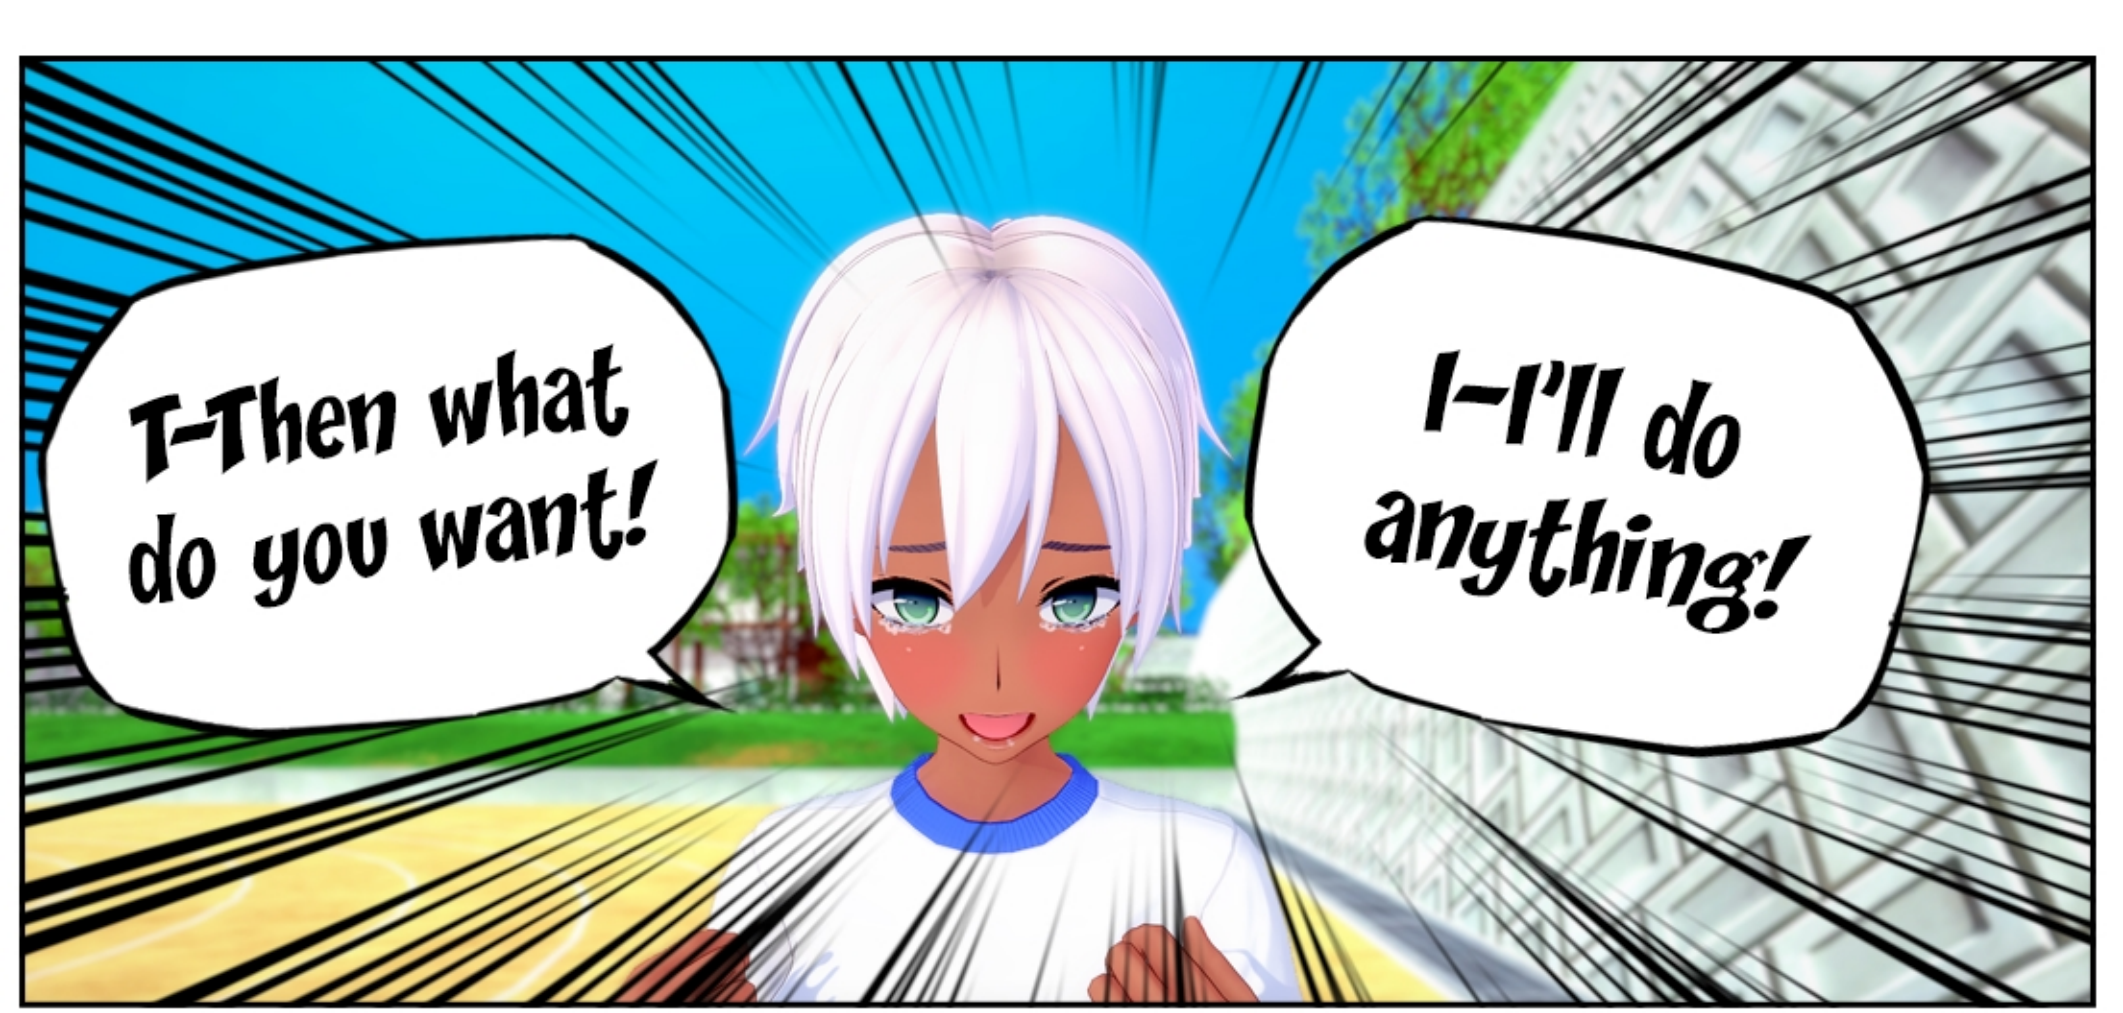

**I... I dont
deserve
to be a
futanari.**

**I'll make ammends
with all of them...
And you.**

**By
becoming a
regular girl.**

T-Then what do you want!

I-I'll do anything!

A BLOWJOB!

Eh?

Eh?!

**Dont "EH" me!
Y-You got to do it
so now let me do it!**

**Everyone
gets there
way but not
this time!**

Hahaha!
