Witness Protection

Flop...

Hm...

She cummed way to fast...

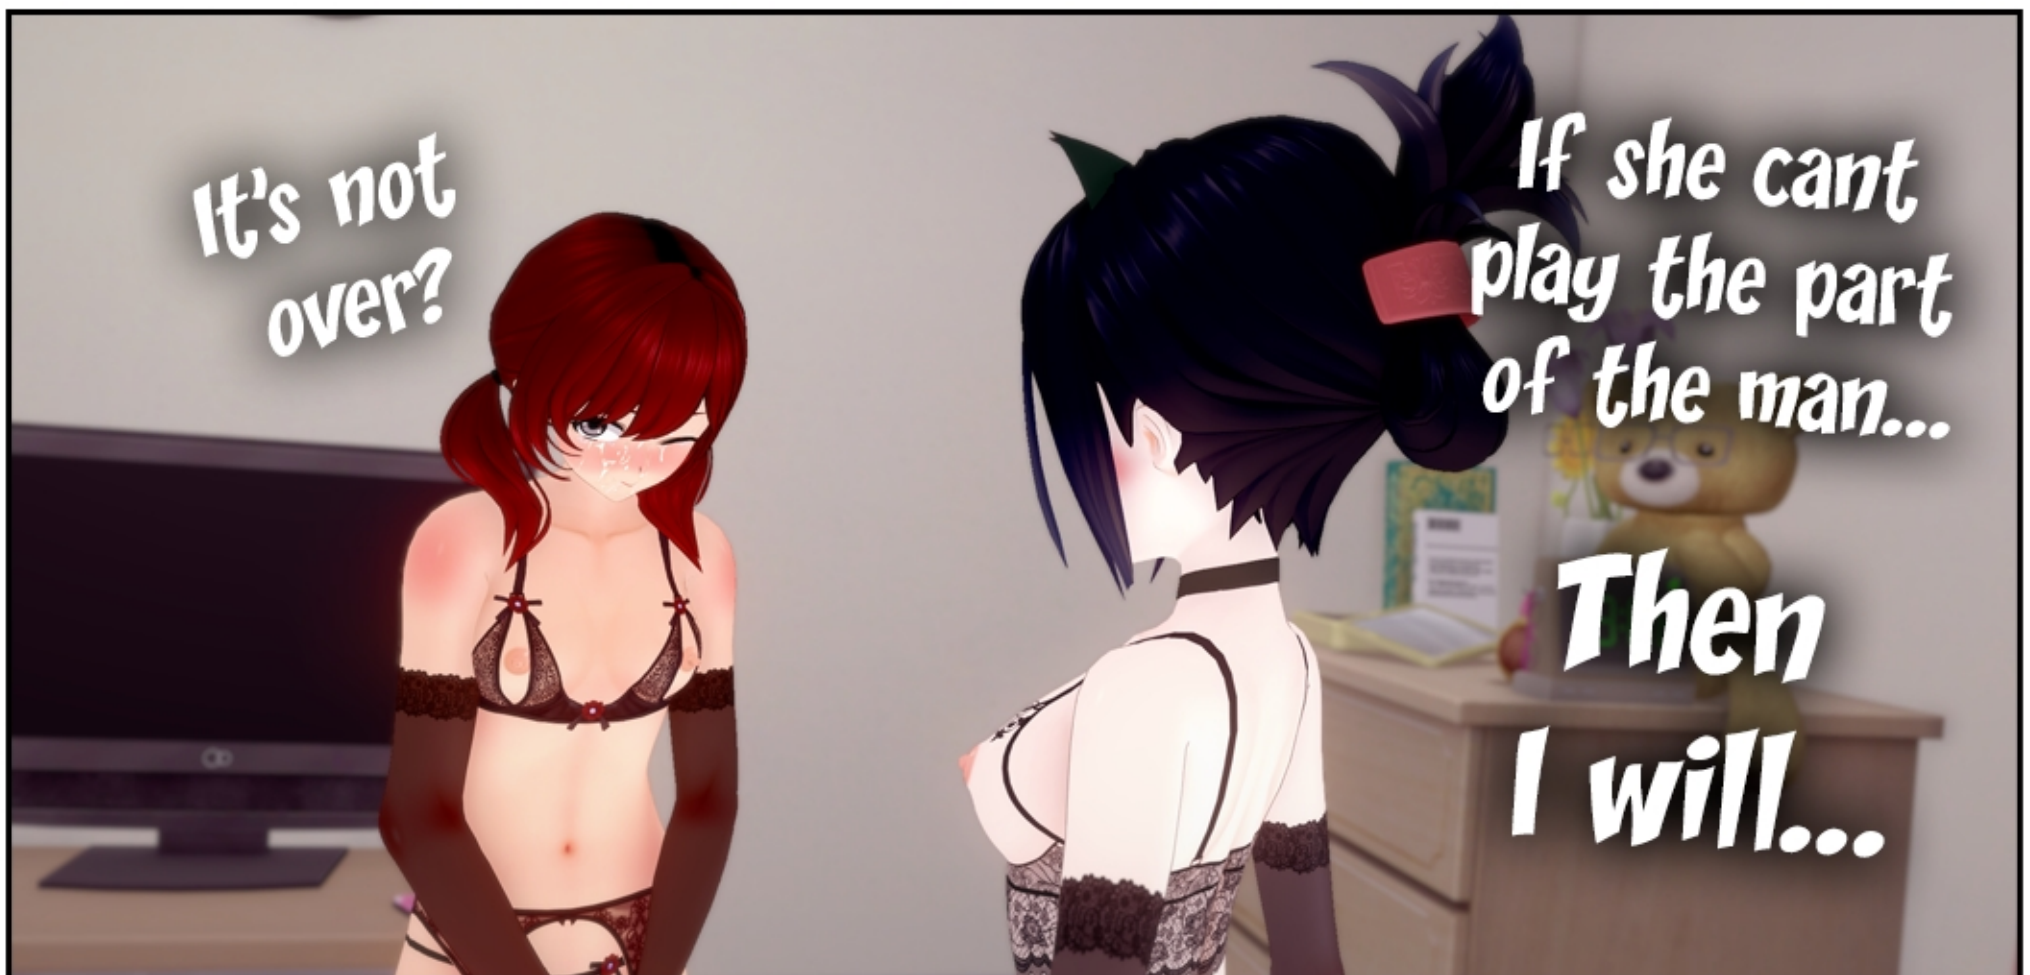

Time for your punishment.

I was planning to edge her...

But I cant do that now...

Or anything that involves that thing...

It's not over?

If she cant play the part of the man...

Then I will...

They get replaced.

Eh!?

**Is that
a dildo?!
It's massive!**

**Fixated
aren't you?**

**You really
cant take your
eyes off of it...
Expectant are
we?**

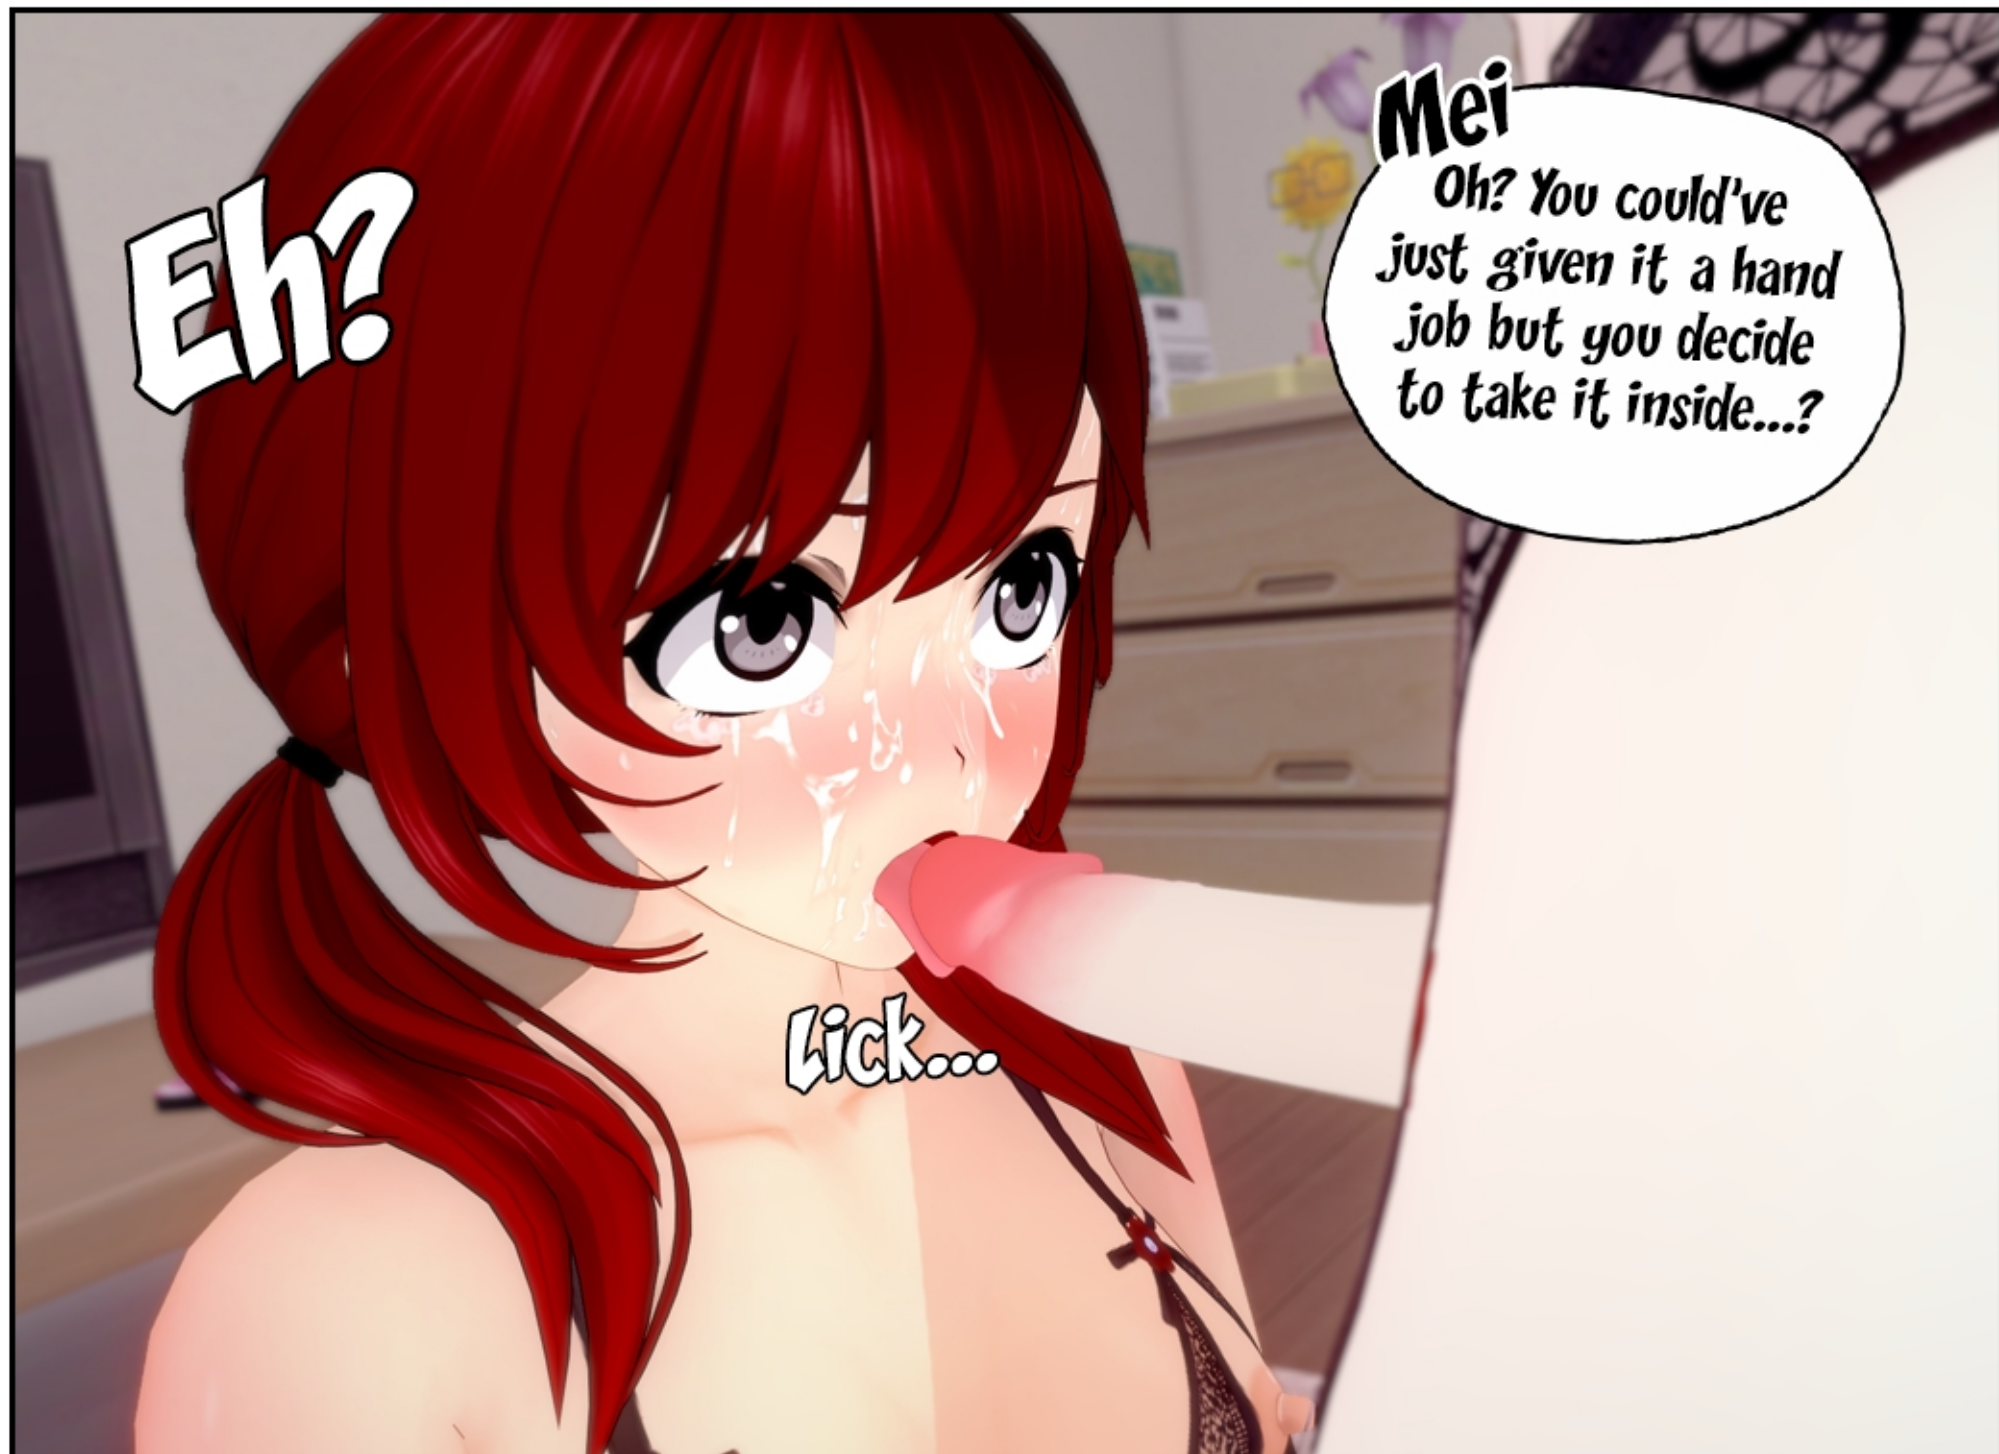

**I-I Uhh!
No... Ah...
Mistress...**

**W-What
are you
going to
use it for...
Mistress...**

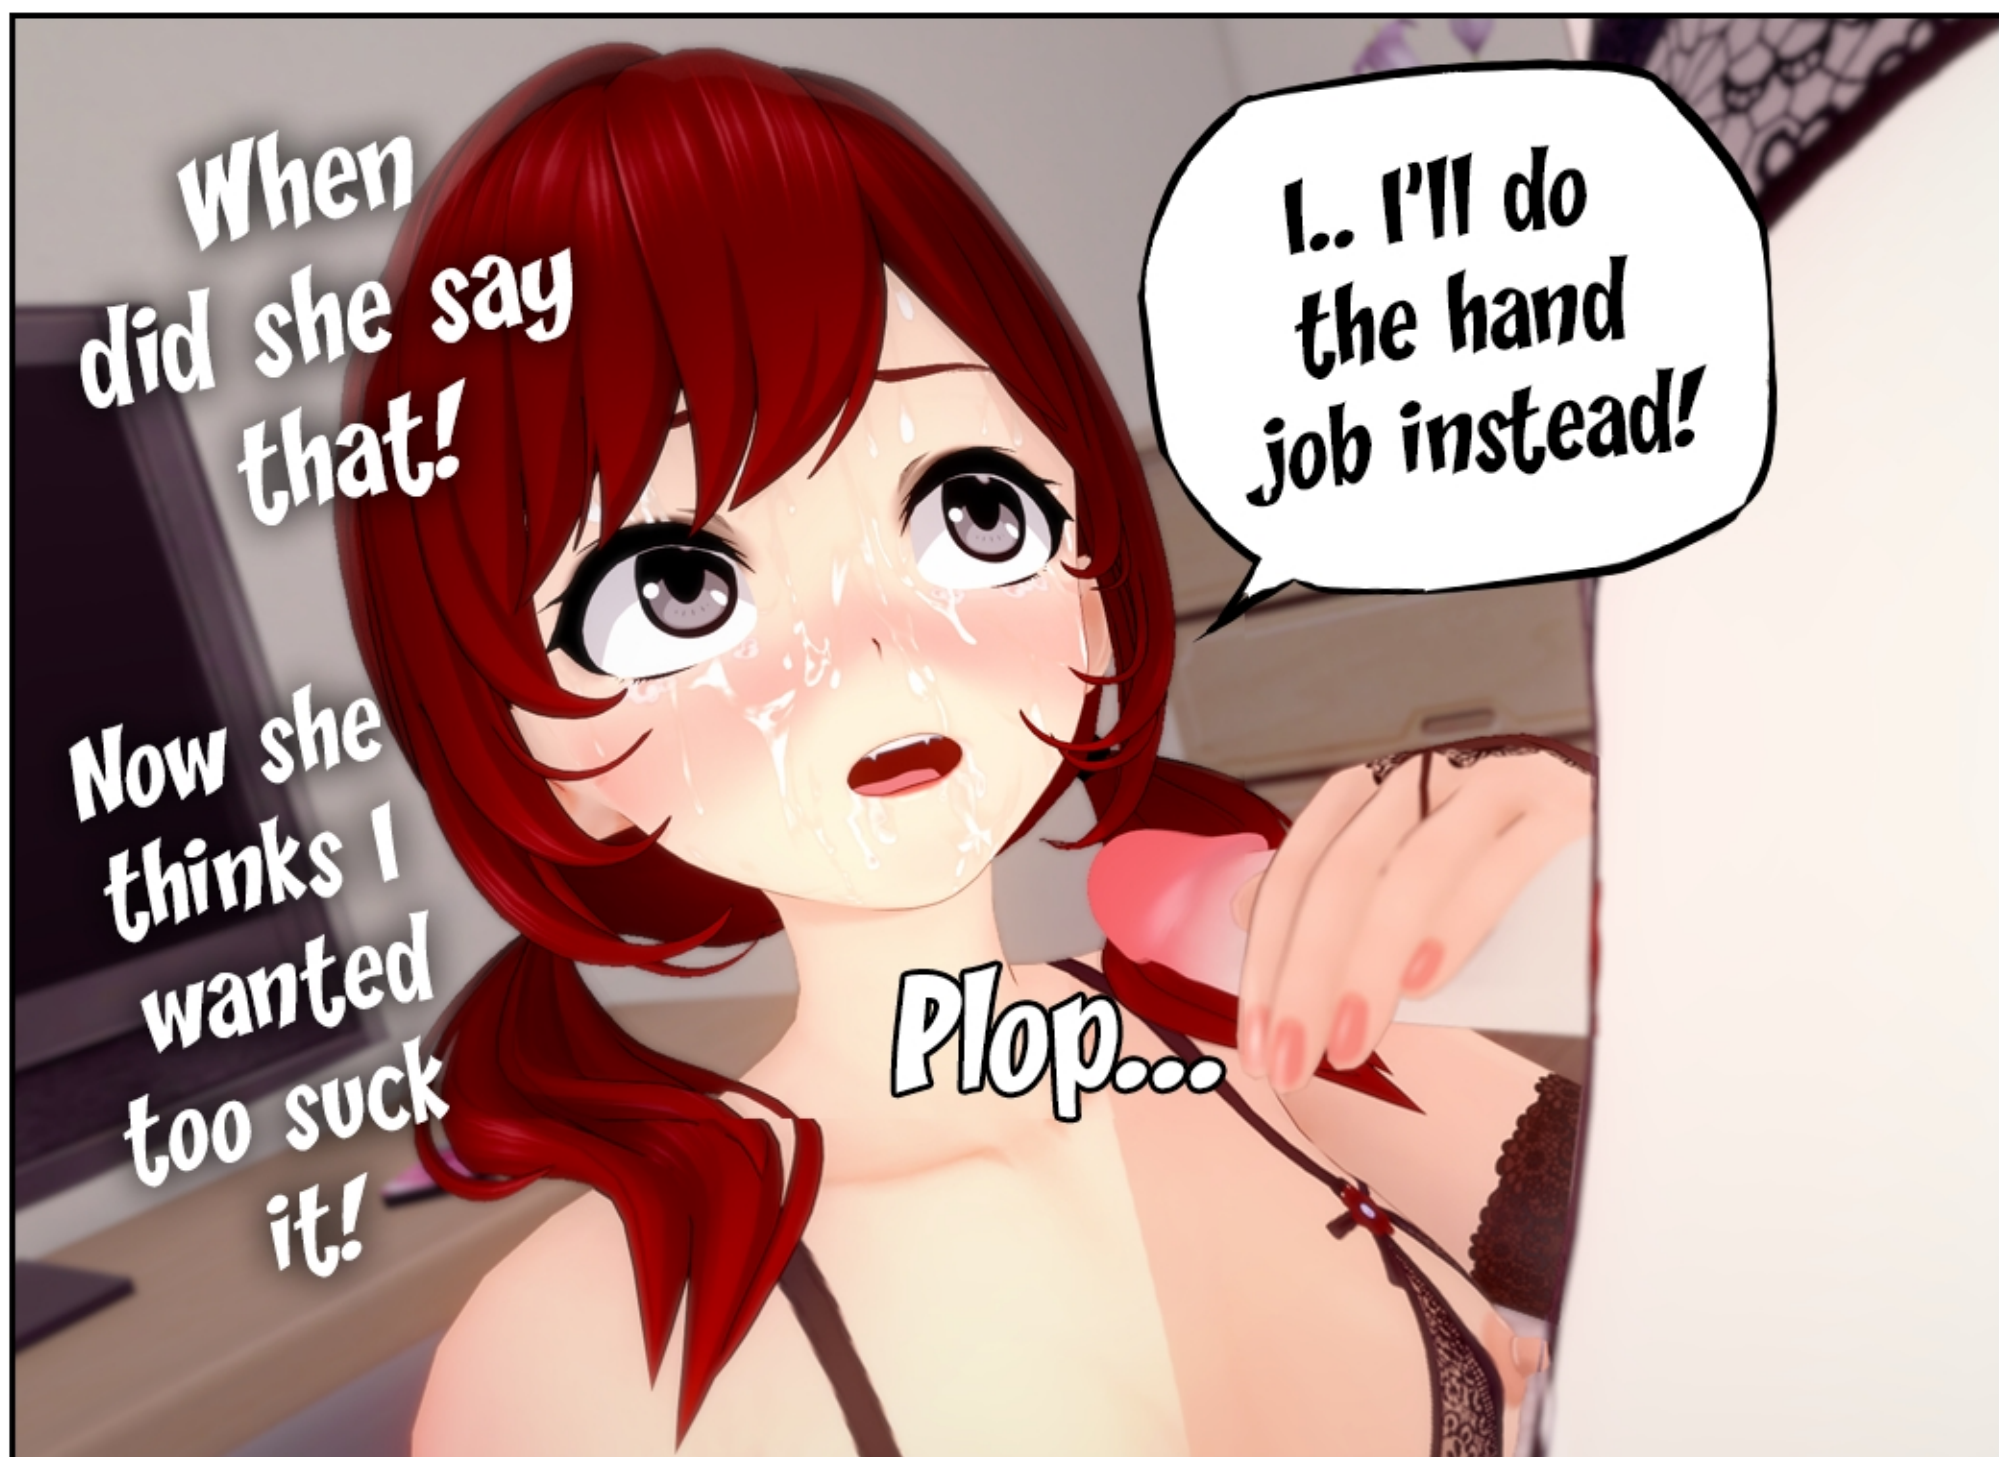

Eh?

Mei

Oh? You could've just given it a hand job but you decide to take it inside...?

Lick...

When did she say that!

Now she thinks I wanted to suck it!

I.. I'll do the hand job instead!

Plop...

Be honest Leona.

You were enthralled by it. Salivating over it. Your body wants it. So why deny it?

B-But!

I... I thought you wanted me to do it.

Mei
So... If I wanted it you would do it?

Yes...

I see...

*As your Mistress,
I'll tell you precisely
what you wanted*

*You wanted
to taste it.*

*Feel it as it
thrust down
your throat.
Lick it*

Suck it

*Take
it all.*

*You
crave it
dont you?*

*A cock
to dominate
you?*

*I...
dont...*

*I'm a
guy...*

But...

*Still
hesitant?*

*Look
at me.*
