

THE BEAUTIFUL NIGHT

It was indeed a tranquil night as there was a little drop of rain in the evening. The wind blew in gently and smoothly through the opened window of a so adorned room Nick Wilde was. Apparently, Nick was seen feeling so cheerfully, and the cause of his happiness wasn't more than the visitation her friend, Judy Hopps would be paying him regarding an invitation he sent to her over a video game he would love to play with her.

Nick, thinking about a secret plan he had concerning the way he would be romantically engage and seduce Judy once she arrives, a beautiful smile crept at the corner of his lips on the sofa he was, relaxing while sipping his drinks. He truly had some feelings for Judy, but yet, he needed a surest way to immensely confess that for her.

Some minutes after, Nick heard the door's bell ring out. And therefore, he could hear someone coming to the door.

The cryptic, wooden, door opened with a small creak, and instantly, Nick's face lit up, brightly more than ever as he saw the person who had just entered. Judy!

"Hey, Judy. What's up?" Nick started joyfully as he got up to welcome Judy who afterwards walked further to have her seat on the sofa.

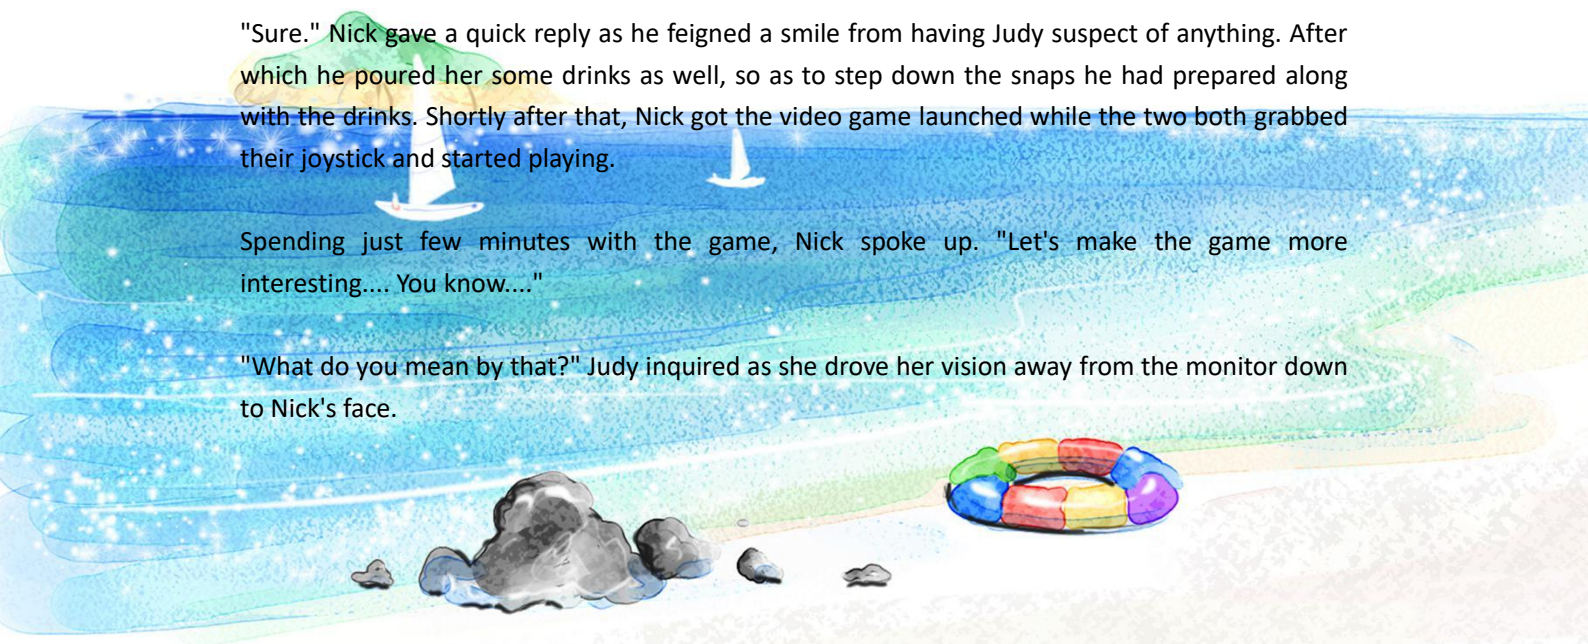

"I'm okay though, but would become so happy once I defeat your fucking ass during the game!" Judy responded as she smirked at Nick. But then, Nick, having been seen Judy's sexy and curvy body that was revealing out, he seriously got lost into the thought of having a sexual relationship, a serious commitment, and a lifelong love affair that conceivably could lead to marrying his friend. It was entirely a delicious thought and a fantasy he enjoyed, so extent that his imagination also enclosed the thought of masturbating over his friend's face and tits right away.

"Nick! What the hell! Pour me some drinks and let's get to the game at once. I can't just wait to hit you hard!" Judy stated to snap Nick out of his thoughts.

"Sure." Nick gave a quick reply as he feigned a smile from having Judy suspect of anything. After which he poured her some drinks as well, so as to step down the snaps he had prepared along with the drinks. Shortly after that, Nick got the video game launched while the two both grabbed their joystick and started playing.

Spending just few minutes with the game, Nick spoke up. "Let's make the game more interesting.... You know...."

"What do you mean by that?" Judy inquired as she drove her vision away from the monitor down to Nick's face.

"You see.....the winner gets a deep kiss from the loser, that would surely give more pleasure while playing the game, right?" Nick demanded with a grin while Judy stared curiously at him, but eventually gave a light chuckle. Somehow, Nick seemed getting out his way to succeed with his plan.

"You this dumb fox! I would rather go for your dick than having my lips meeting with yours." Judy blurted, but later realized what she had just uttered, hence, she felt quite embarrassed. Though, she was already having it in her head, the fantasy of giving Nick a nice head - blow job - and swallow his cum.

"Wow! Come on, I don't think that should be a joke, you are damn serious about it, right?" Nick asked and immediately added: "Please, say yes, and see how I am going to fondle hard your breasts, suck on your nipples, lick and tongue-finger your pussy," inside of him.

"Fuck you! I have nothing to do with your cock, okay?"

When Nick heard that, he moved closer to her.

"You're a dirty girl, aren't you?" He whispered into her ear.

While Judy had her face downward awkwardly, she imagined having the chance to display what exactly a dirty girl is for Nick as her inner-self whispered to her. "Reach out for his cock and suck him dry, by that, he wouldn't be able to insult you anymore, rather respect for you always."

"God! Yes. So, could you fuck me hard if I'm such a dirty girl..." She eyed him hard while taking some sort of courage.

"And would you also do anything for my cock if you have the chance?" Nick stared beautifully at Judy's face.

As Judy could clearly see lust already encircled Nick's facial expression, she decided to tease her more.

"Yes, of course. I might just brutally fuck you till you have no breath left in you. I wouldn't just mind having your dick hitting me hard at the back of my throat!" She replied while looking at him lustfully as well.

"Do mean that you would get down on your knees and suck the biggest cock underneath me?" Nick quite marveled as he laughed out. "Okay. Fine. Let's continue with the game and see whose lips would be crushed on."

"Sure. I should proof it for you that I am your boss, master!"

The two friend got back to the game, and played for some minutes where Nick happened to be

the winner as he applied some hidden techniques over the game.

"Wow! Damn it! I am crushing down on your lips. God, how do I start? Oh, yes! I am only going to devour you." Nick said excitedly, but not yet making any move.

"Hey! You can make love to me, Nick. I need to feel you inside me. I need to get laid. Make love to your friend. Make me cum like a bitch. Stick your big prick deep in my wet pussy. Then, after you make love to me, I want you to fuck me, Nick. Fuck me. Fuck your friend. I need to cum from you fucking me, Nick." Judy made a loud thought, but quickly made an innocent face.

"You know....it would be my sexual pleasure to give you sexual pleasure." Nick continued with a dirty laugh. "I would love nothing more than to make you my woman. I would love nothing more than to make you my sexy bitch, bitch." He said and then, added: "I would love nothing more than to make you my dirty, incestuous whore." He simultaneously gave Judy's ass some light and gently touch.

Judy remained silent as he bit her lower lip, and then, they started to kiss passionately while rubbing their body against themselves. They were so sexually engrossed and aroused with the kissing, so extremely that Nick was already hard and also taking off his clothes without giving up on Judy's lips. Judy continuously moaning as Nick was already kissing her ear, down to her neck, and just as he was about to take control of her breasts, she flinched him away.

The two couldn't tell exactly what stopped them, but they were able to control themselves while heavily catching back their breath.

"Have it." Nick reached out for Judy's drink and gave it to her while picking up his own as well as they both gulped everything inside their cup down their throat.

THE END
