PART 20

AHHHHHH

URGHHH

An aerial photograph of a desert landscape. In the center, a muscular woman wearing a blue bikini is lying on her back inside a circular sand pit she has dug. The pit is surrounded by a raised rim of sand. The desert floor is sandy with scattered small rocks and several spiky, white desert plants. Long shadows are cast across the sand, indicating a low sun position. A speech bubble is overlaid on the image, pointing towards the woman.
