

# Smoking Hypnosis 2

Dr. stein

*How strange...*

*Normally someone starts showing symptoms as soon as they enter the station,*

*but her eyes are still sharp.*

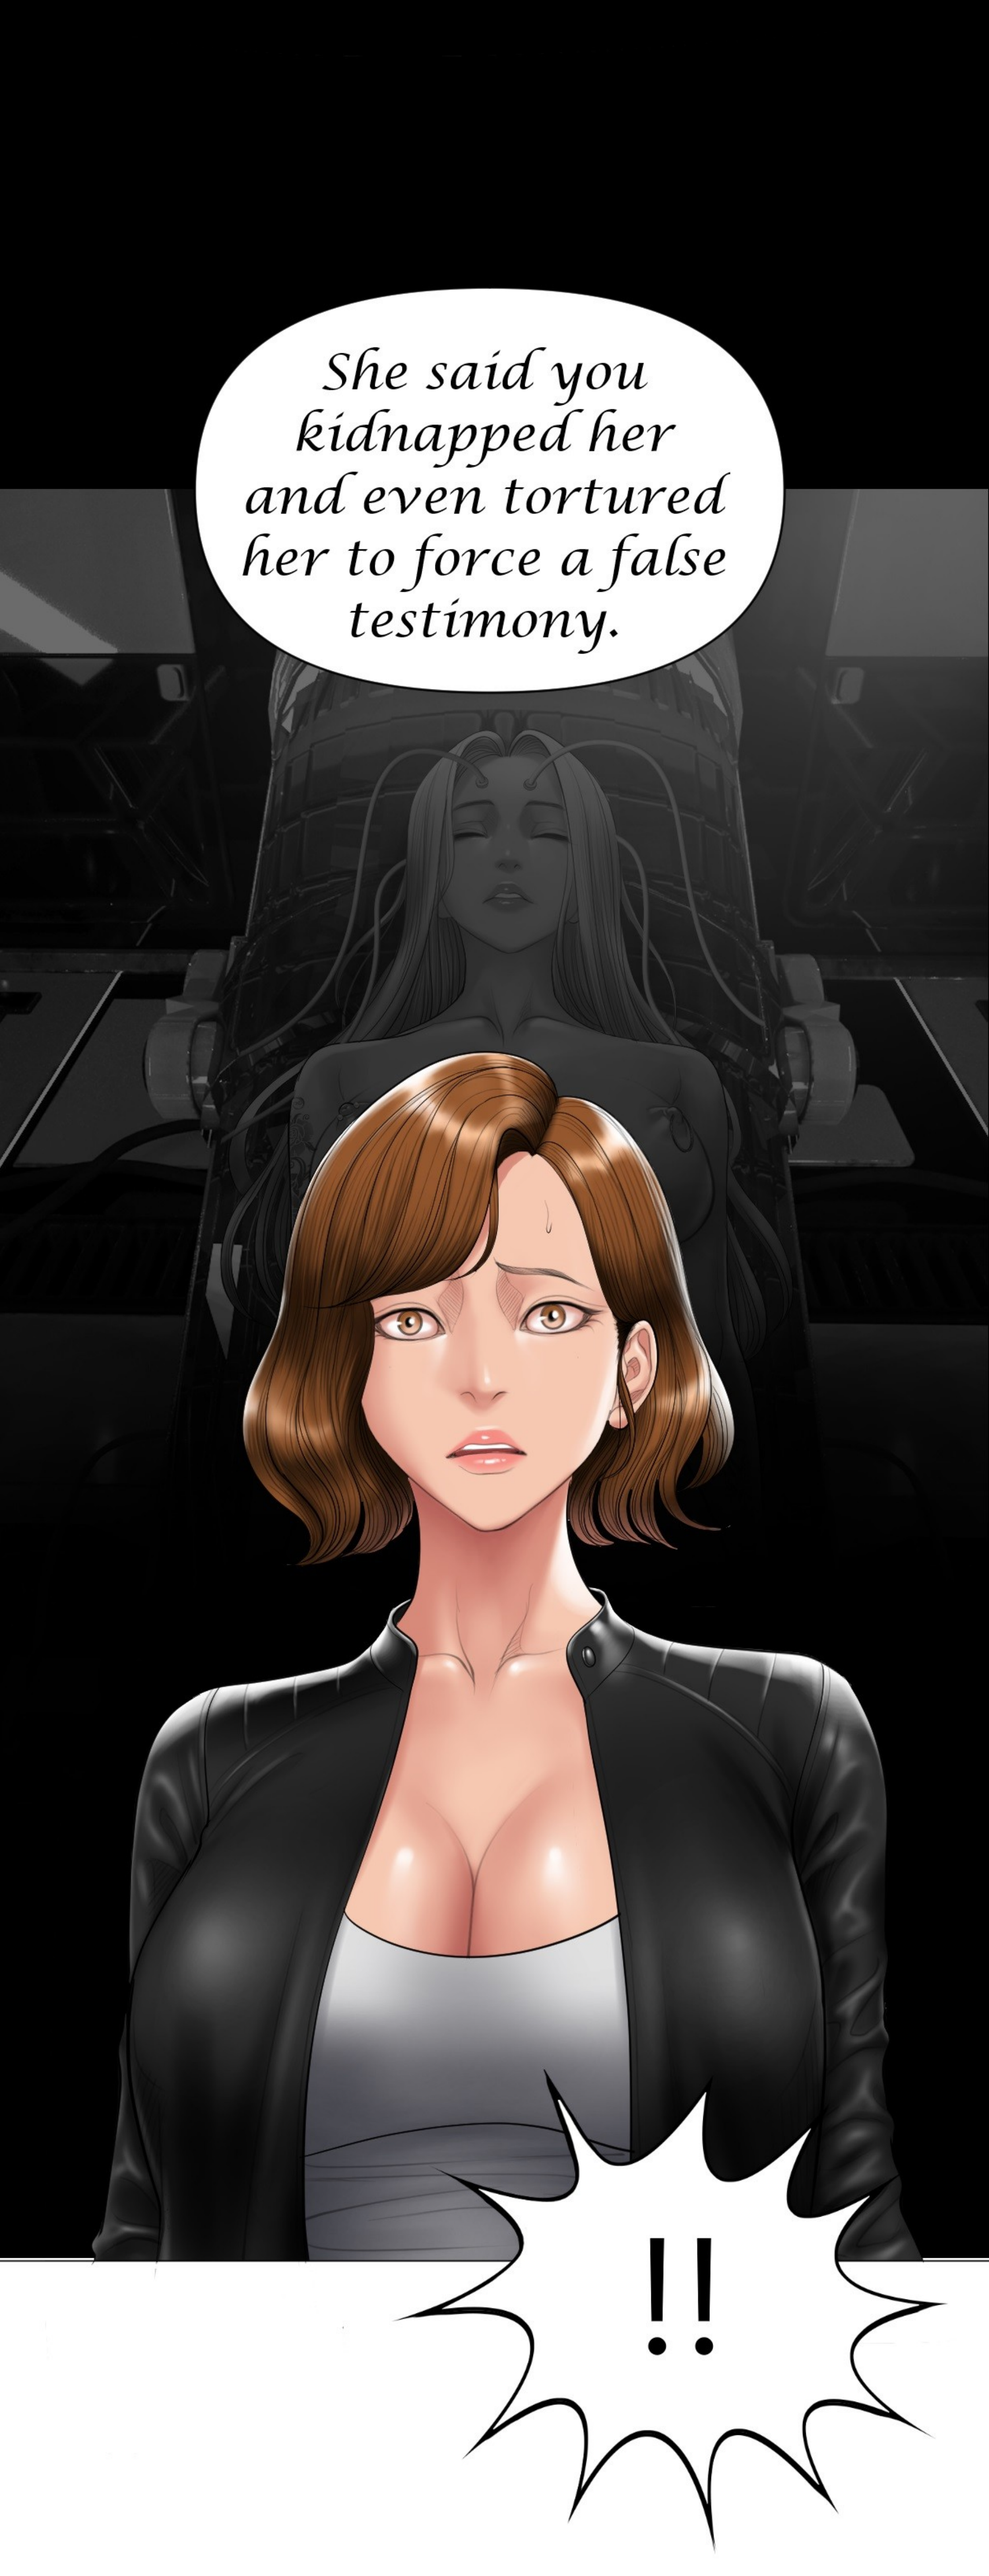

...May I go now?

*No.*

*I can't just let a major criminal suspect*

*walk out of the station so easily.*

*And now that Mia's testimony has been overturned, there's no justification to keep Alex and Rin in custody.*

D-Don't tell me...

you released those bastards?!

CLICK

!

.....

Lieutenant.

*You tortured a girl and framed innocent people.*

.....

*I'm placin' you under emergency arrest*

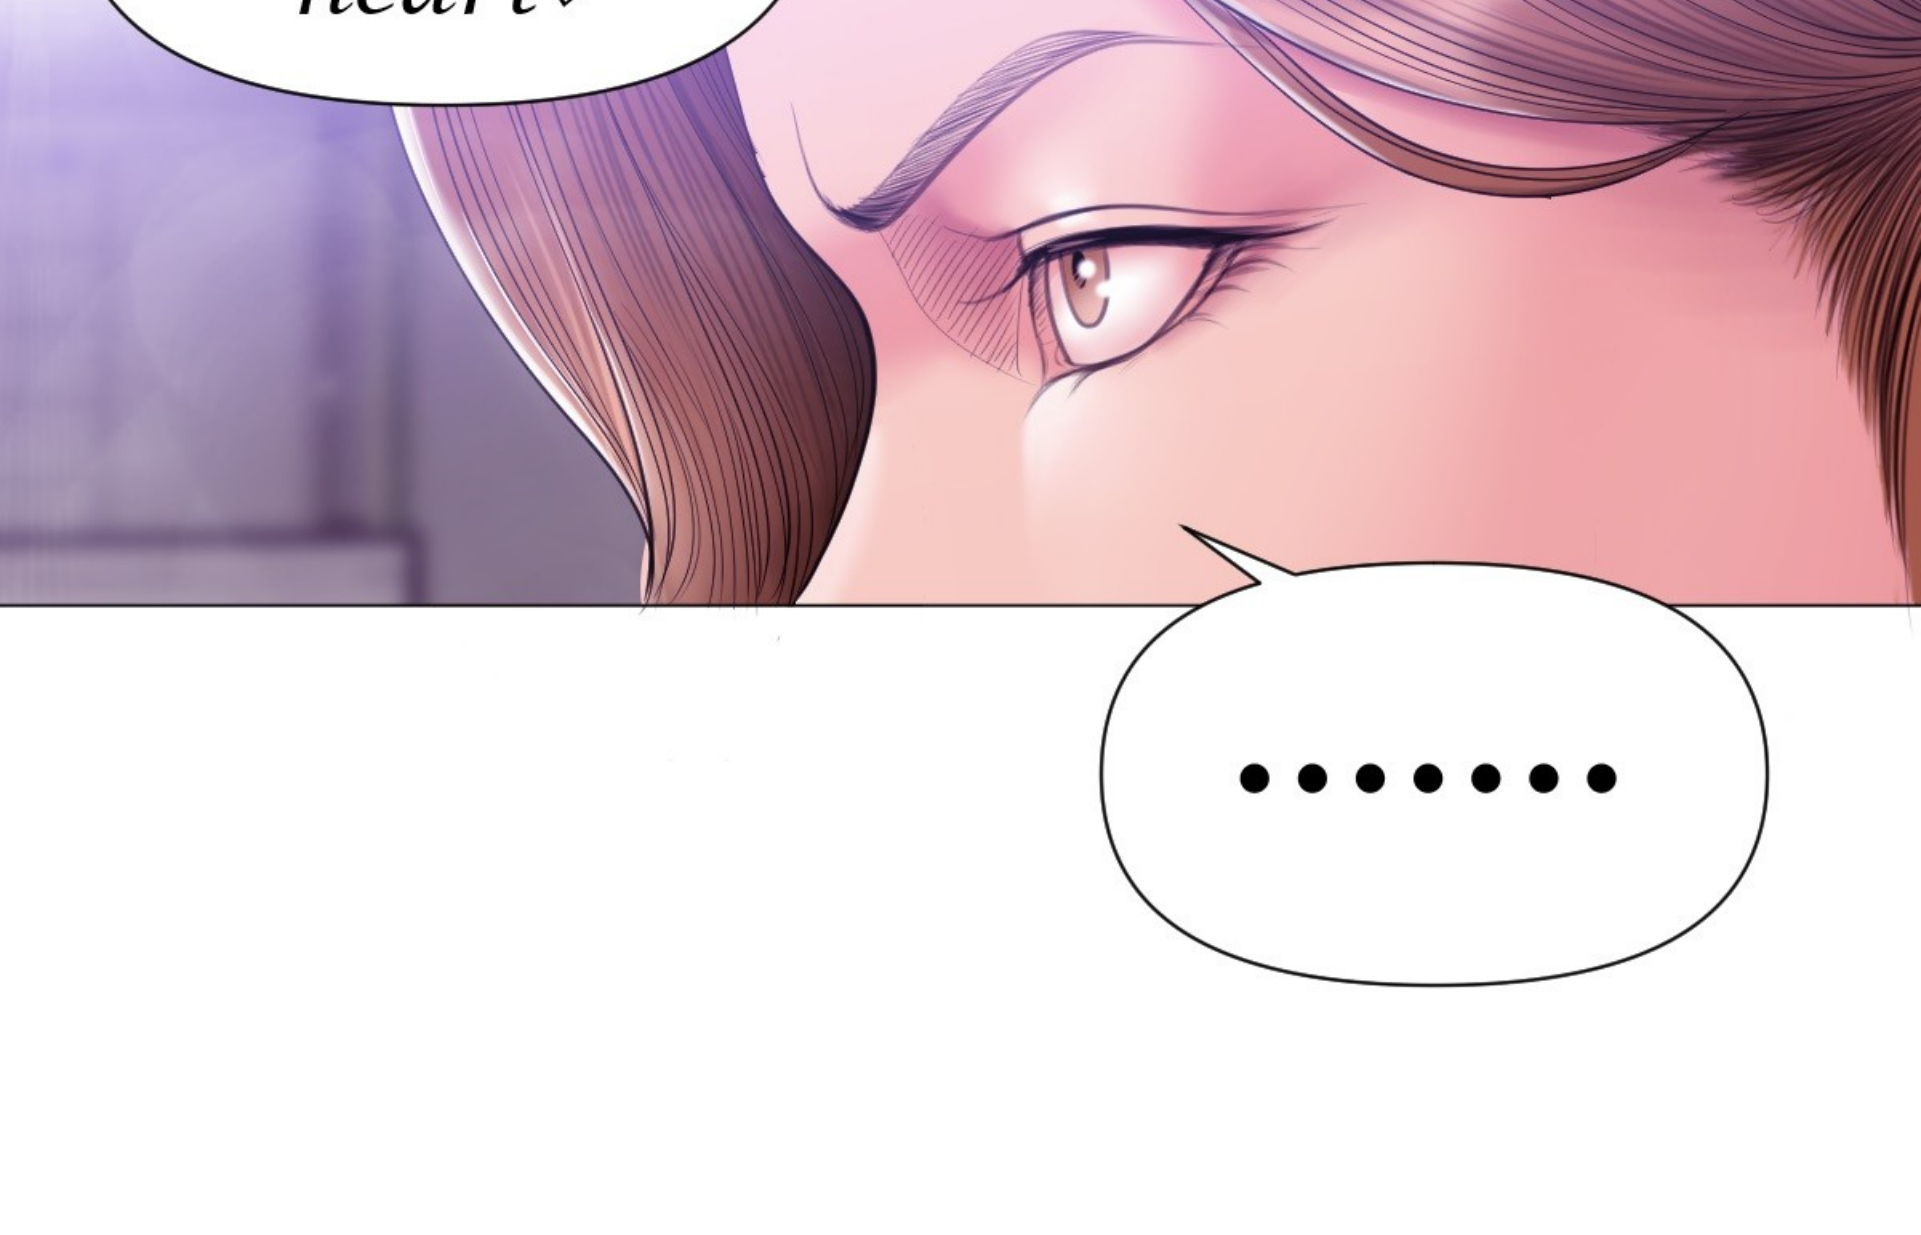

*for assault and abuse of authority.*

*Just come quietly, senpai.*

*Once you've had some "re-education"...*

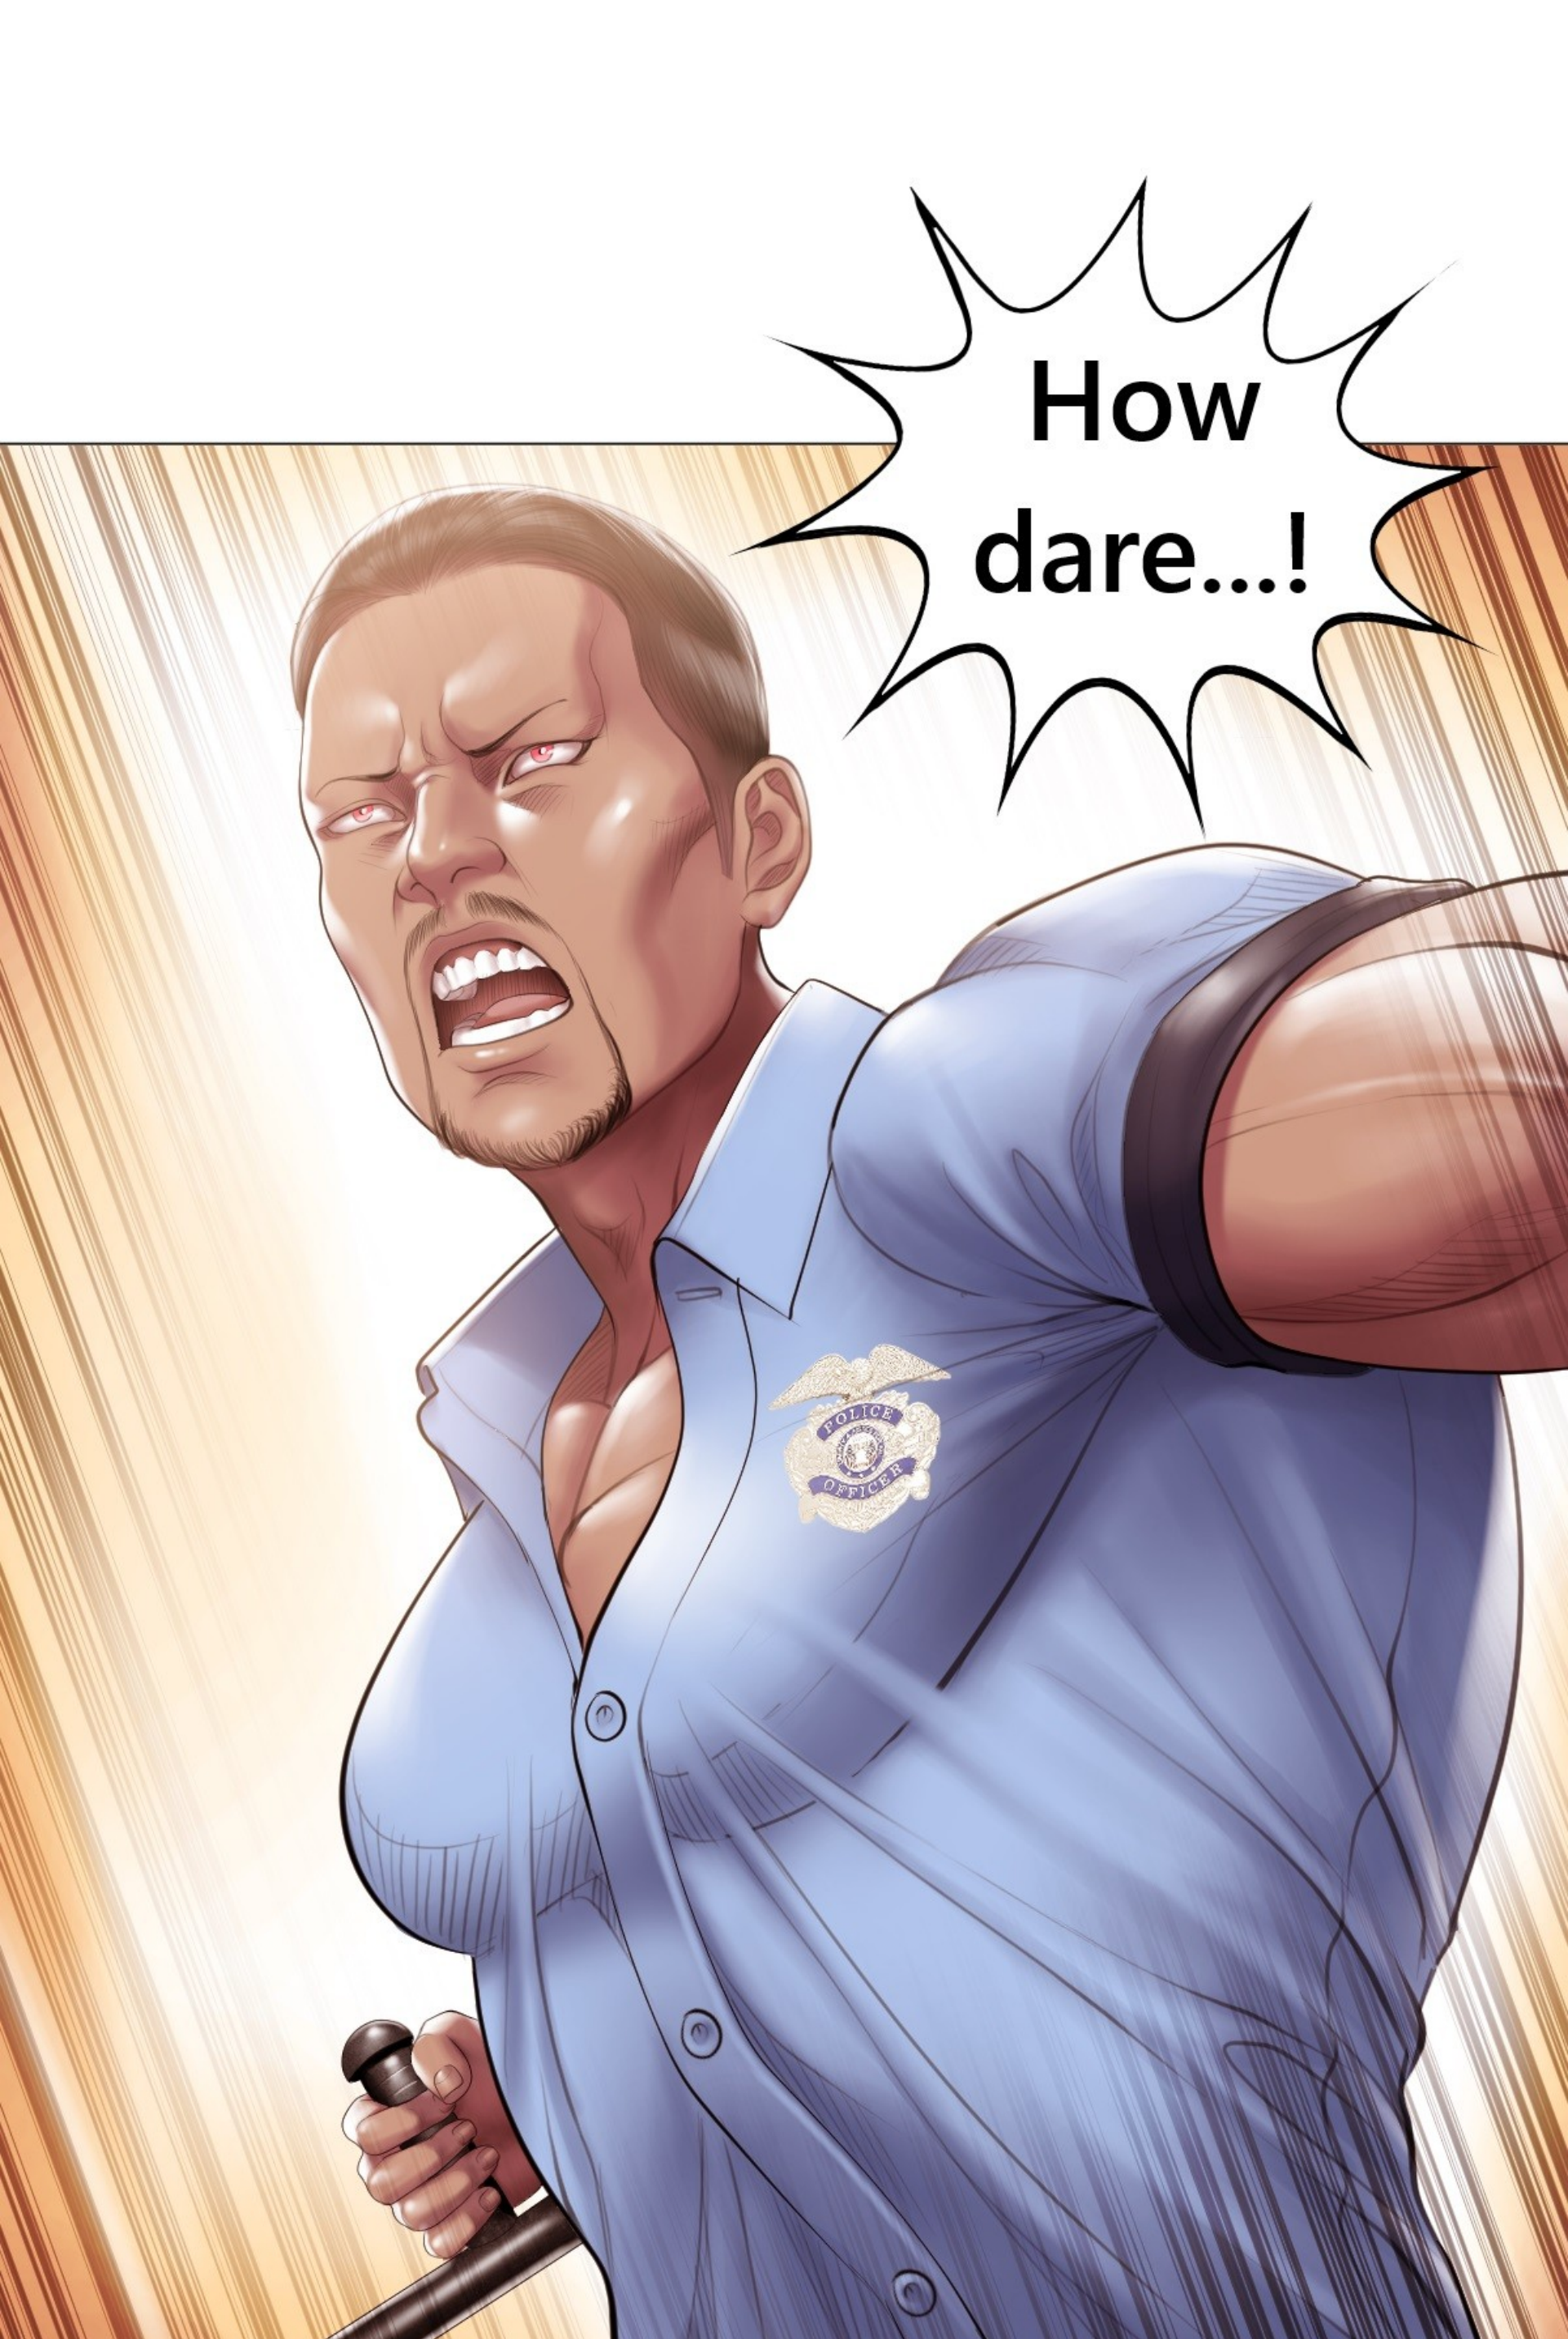

*you'll have a change of heart♡*

.....
