

I-Is that Bell...?

Good morning, Lili! Thanks for bringing back my gear yesterday. Sorry for making you worry, and... thank you.

Bell?! W-Why do you look like a Girl-!?

Hestia GIRLANDIAN WARRIOR!? HAHA YES HE DOES!

Eeek! I forgot to tell her to keep quiet!

Girlandian Warrior?

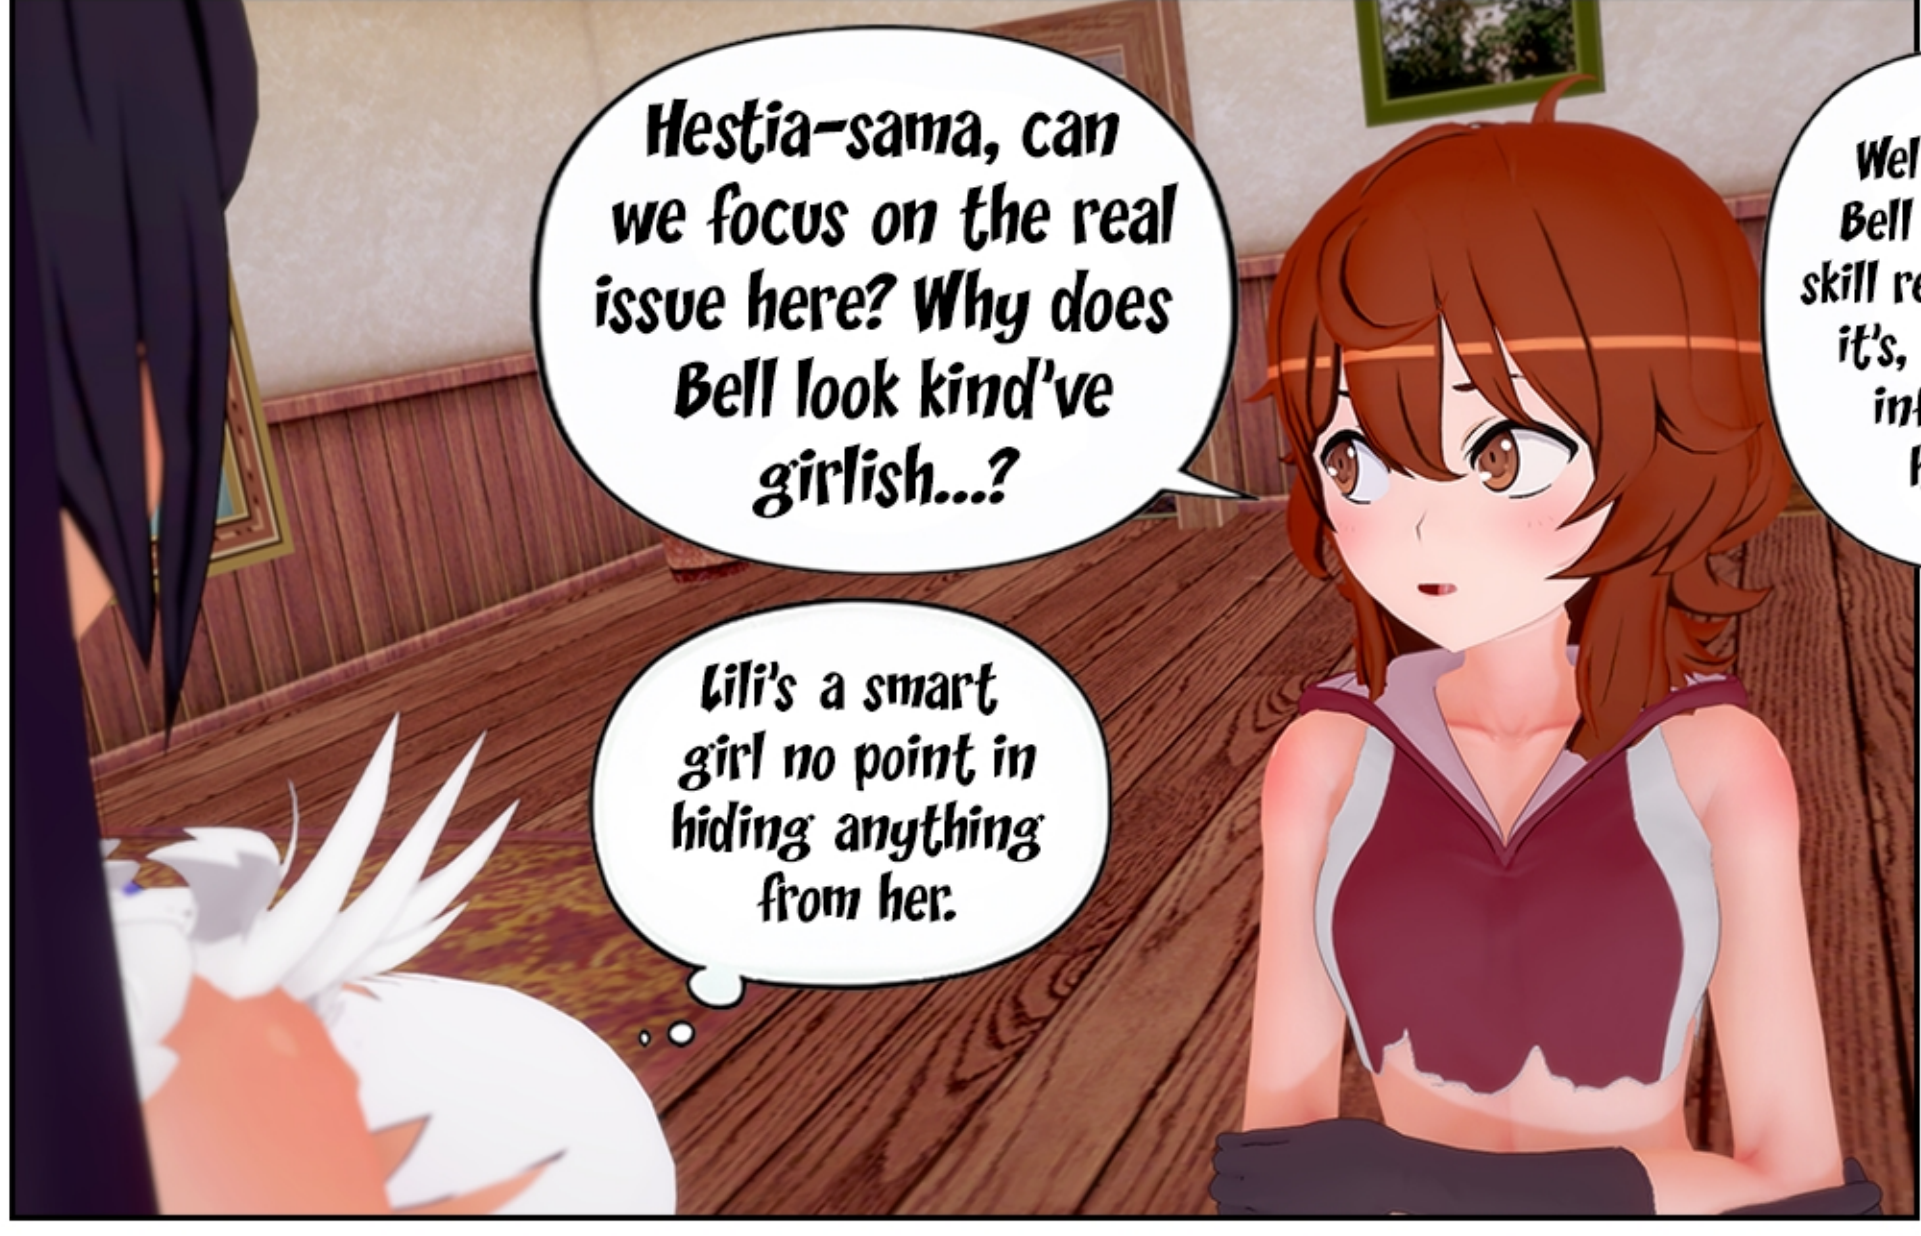

SHHHH!

We'll be right back bell... We need to... uh... discuss... Breasts!

Hestia-sama W-why is bell-UGH?!

later...

Alright, I think I understand the situation now. This skill of Bell's... If we can find a way to control it, we might be able to stop it from going too far.

Yeah, you're right... Wait, control it? What do you mean, control it?

Think about it, Hestia-sama. If we can stop the skill from progressing further but keep some of the changes... Bell wouldn't go around bewitching every woman in Orario. No new rivals for you, right?

Wha—?!
No new R-Rivals?!

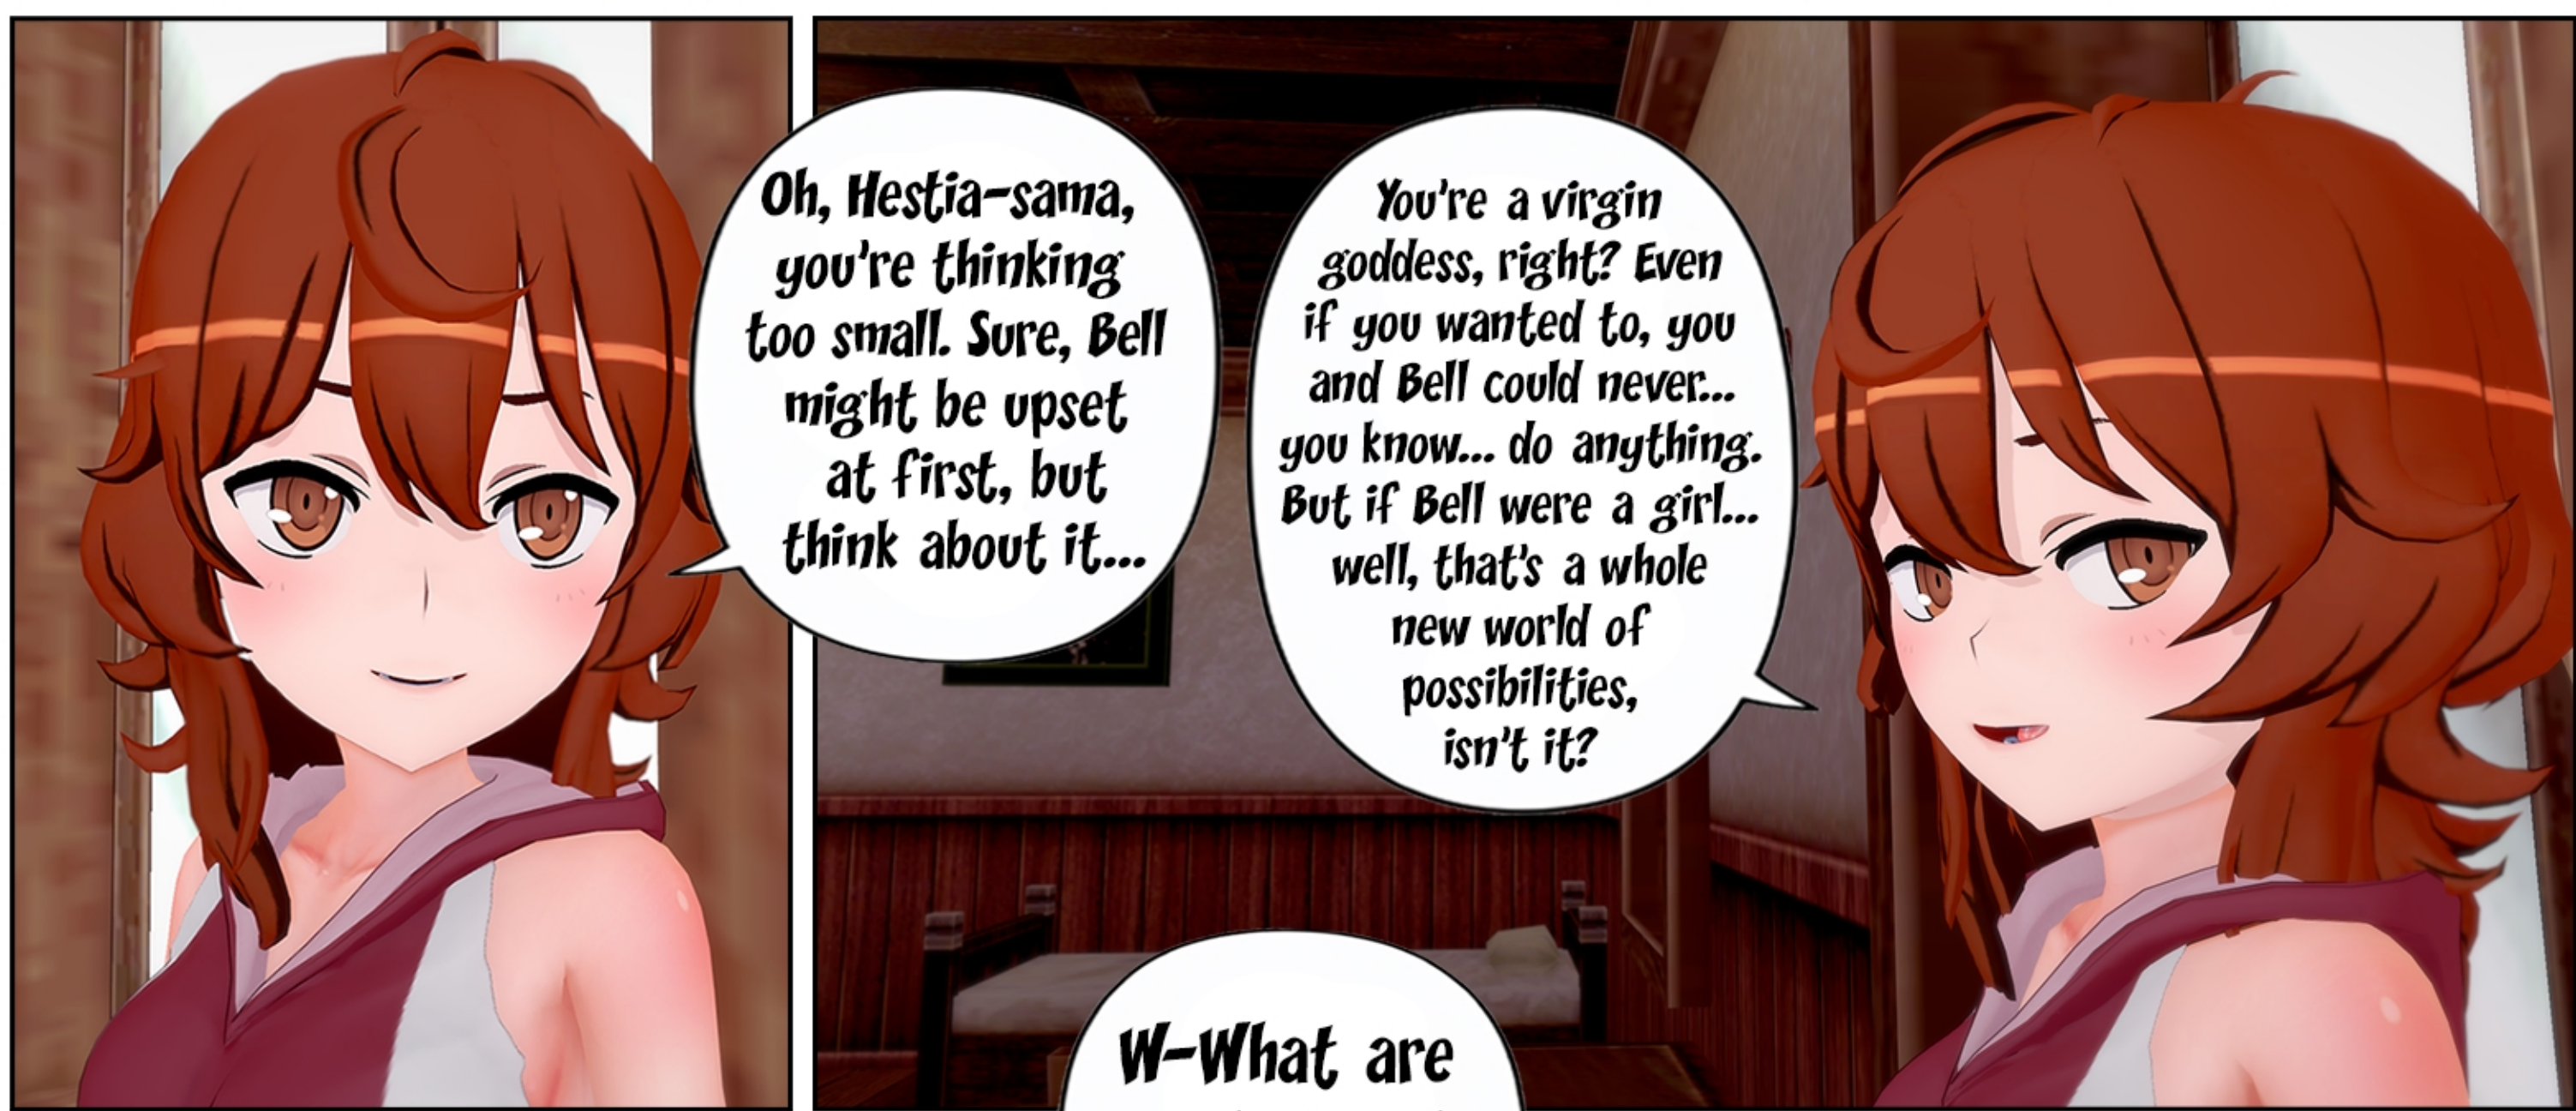

Of course. This is strictly for... strategic purposes. Nothing else.

R-Right, right! Strategic purposes! Totally not because I'm worried about rivals or anything...!

That was easier than I thought... Huh?

But... Bell... If we lose control and he fully becomes a woman, he'll be so upset. I can't do that to him...

Oh, Hestia-sama, you're thinking too small. Sure, Bell might be upset at first, but think about it...

You're a virgin goddess, right? Even if you wanted to, you and Bell could never... you know... do anything. But if Bell were a girl... well, that's a whole new world of possibilities, isn't it?

W-What are you trying to say Lili-EH?

Girls can do it too you know?

Meanwhile...

Tione...? Tiona?
What are they
doing here?

Hmm... I hope he's
not gone to the
dungeon yet. It'd
be a pain to
track him down...

Are you
sure he'll
be able
to help?

The last time we met, I was... nude... I'll just hide for now...

Perfect Timing Bell!

Gave up on running...

Huh... You're looking a little different today, Bell

Yeah! There's something about you... You almost look hmm softer? Kinda... cute?

Softer?

That and...
you're actually
wearing clothes
this time.

Wah?!

Hehe... Seeing
you naked was fun
and all, Bell... but
this new outfit really
suits you! You should
show off that cute
belly more~

Eek?!

I-if that's all
I'm going to go...

Ah! Right,
we actually
came here for
something
else!

Ais has
been acting kinda
weird since she came
here last night. We
were wondering
if you know where
she might be?

If you do
could you
go check on
her for us?
She always
perks up
with you.

Now that I think
about it, she did
seem a little
off yesterday...

Hmm... I think
I might know
where she is.

Ahh..

Ahhh
Bell~

Fwap!
Fwap!
