This is the armor of legend
Impenetrable to only the most divine blades.

And now it is within our
heroes' grasp!

So...what do we do now?

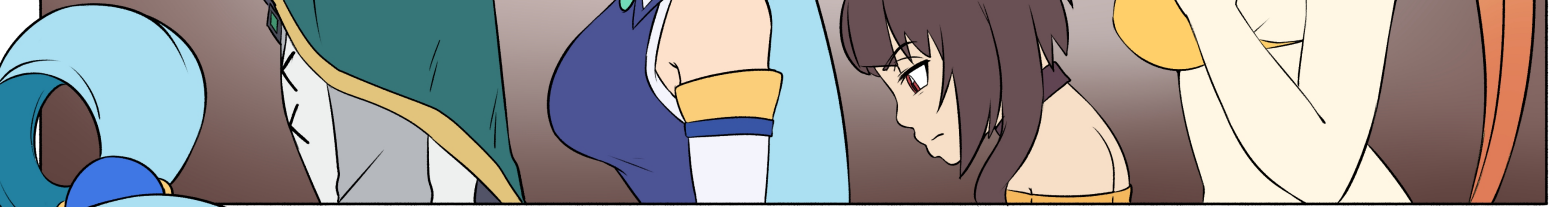

But with it, comes a terrible curse...

DO NOT TOUCH
ITEMS MIGHT BE CURSED

later that evening...

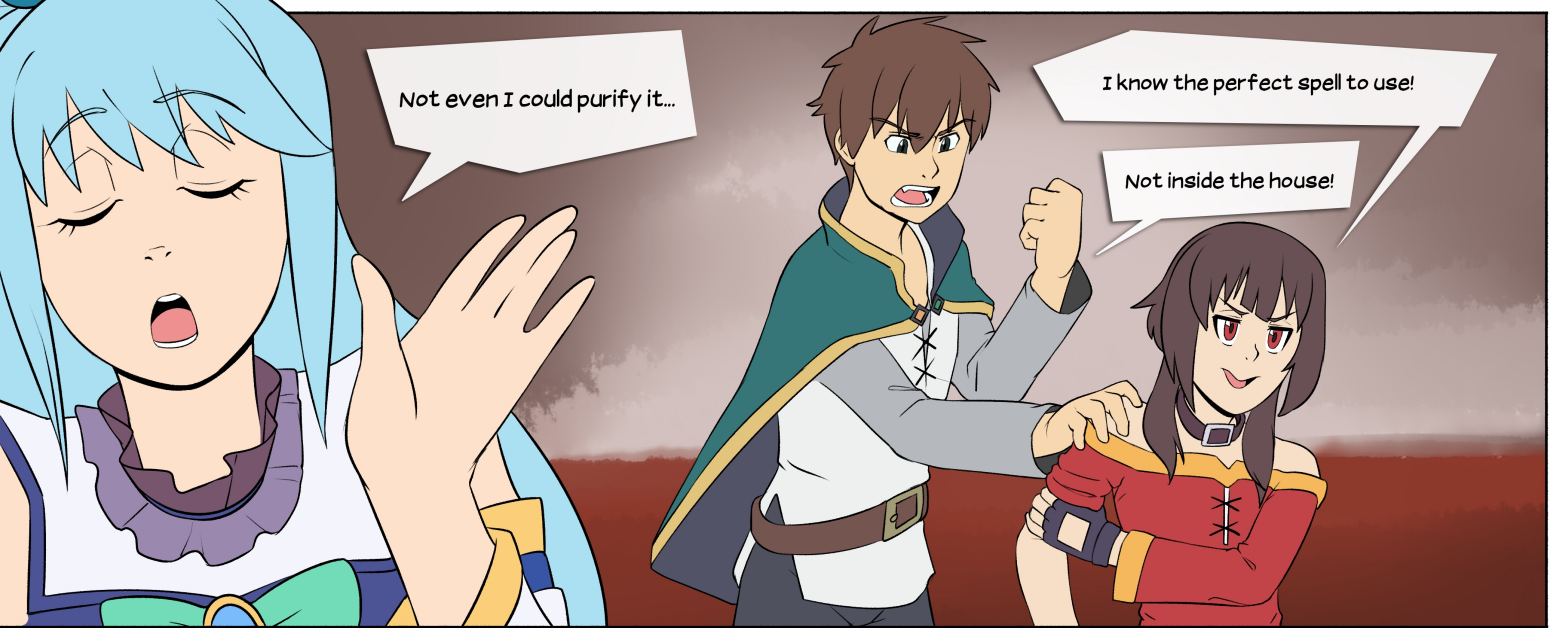

Finally...we're home...

Not even I could purify it...

I know the perfect spell to use!

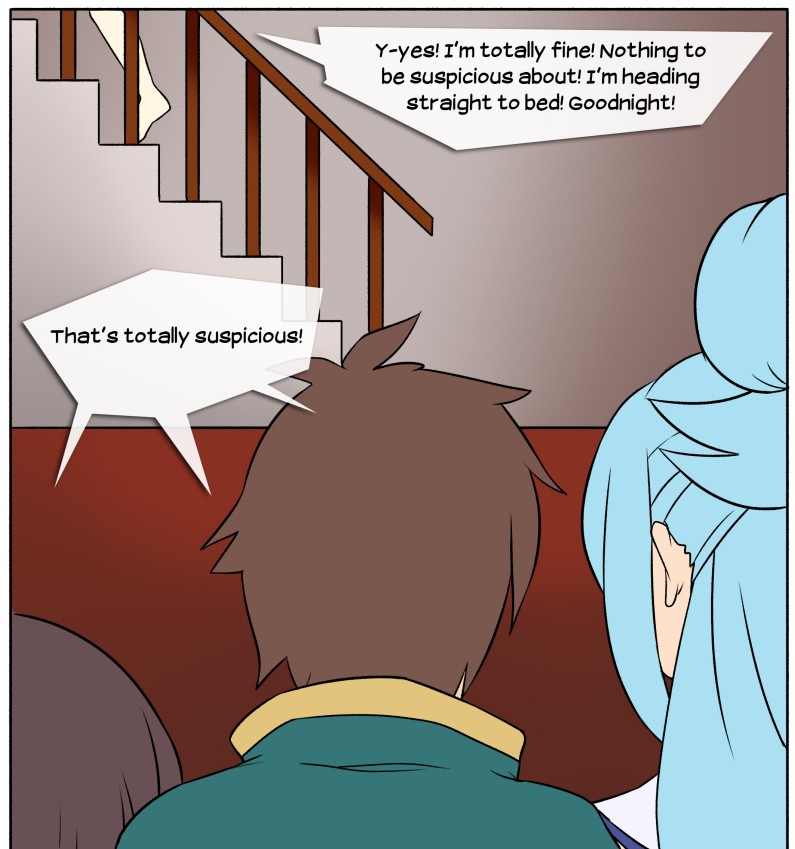

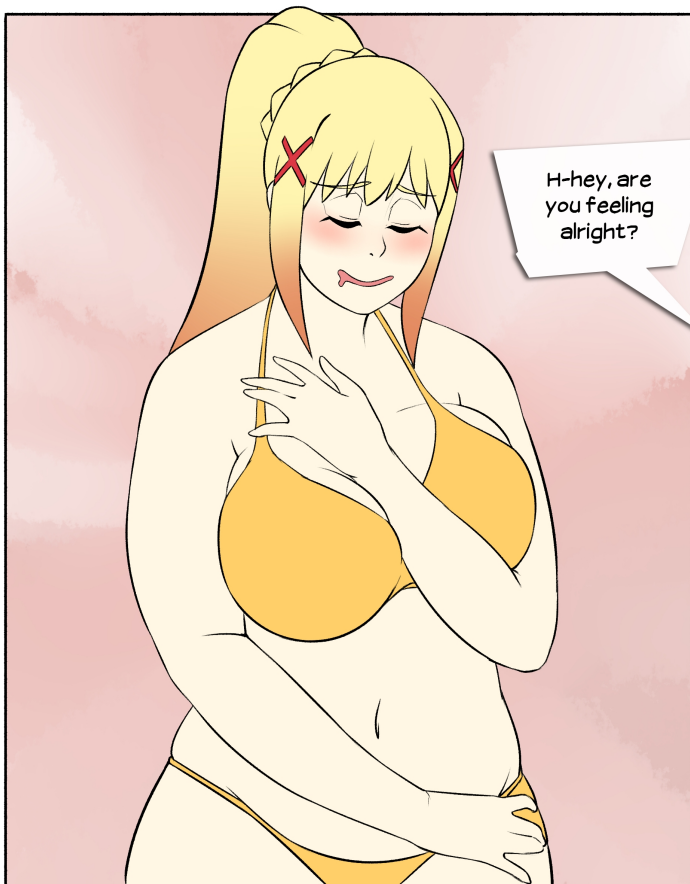

Not inside the house!

H-hey, are you feeling alright?

Y-yes! I'm totally fine! Nothing to be suspicious about! I'm heading straight to bed! Goodnight!

That's totally suspicious!

This is too amazing...-
cursed with unlimited
stamina and defence...

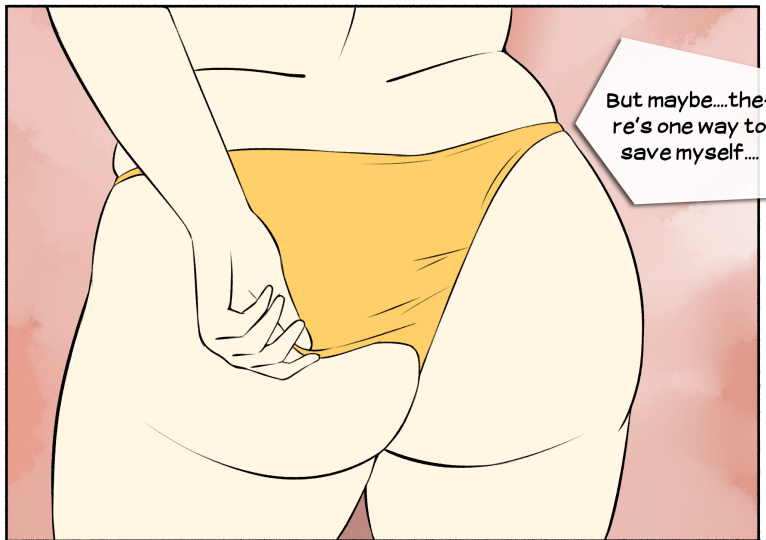

Its so tight! It's
trying to swallow my
body with fat to pro-
tect me from my own
lewd thoughts!

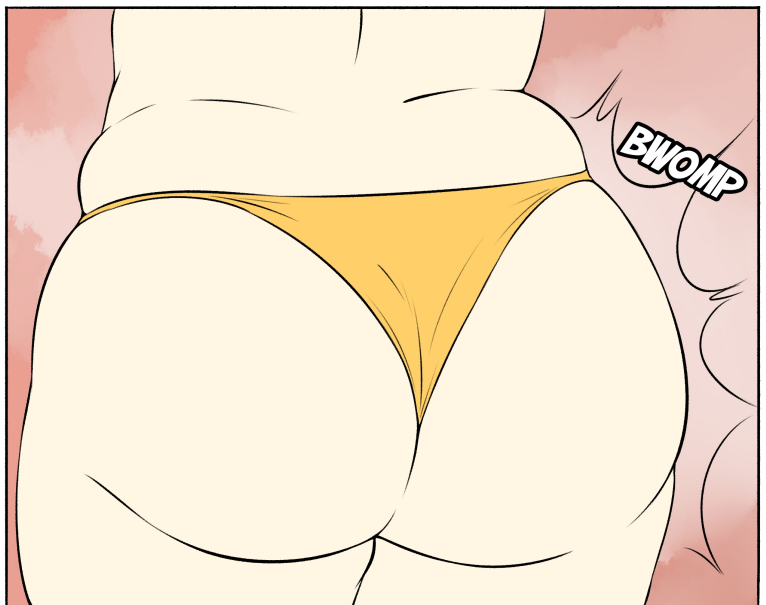

FWOMP

I'm going to be swa-
llowed up in fatness if
I don't stop acting so
shamefully...

But maybe...there's
one way to save myself...

BWOMP

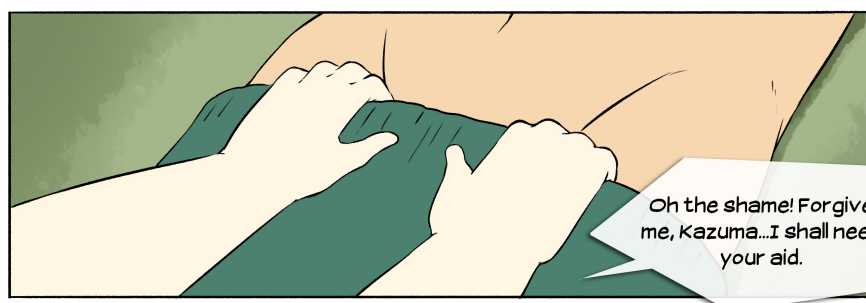

K-kazuma! H-hey! Are you awake?

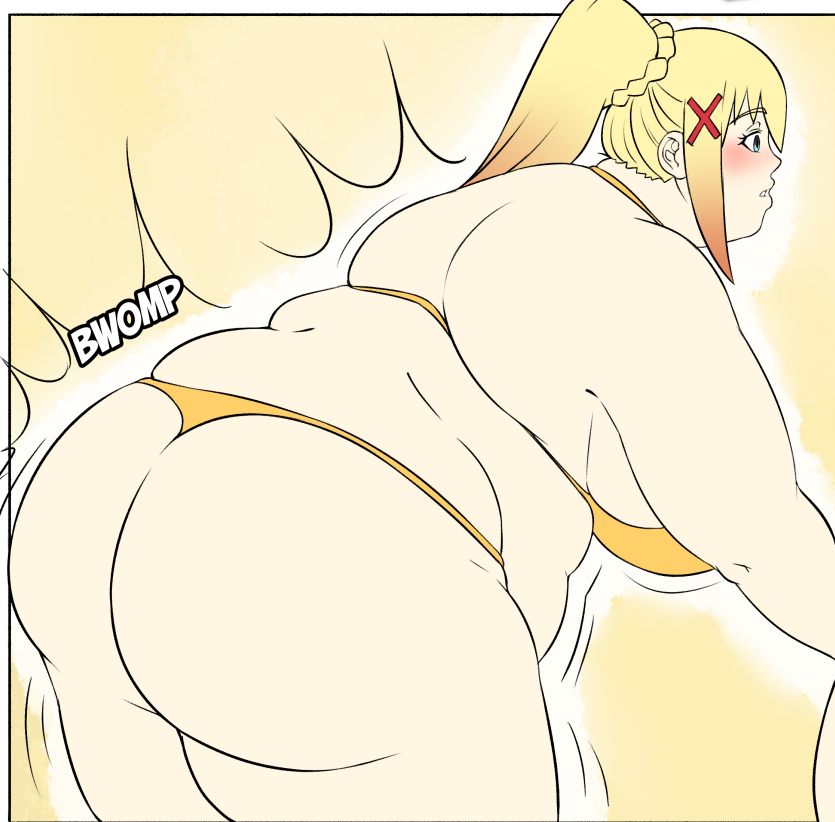

Oh...he's still asleep...

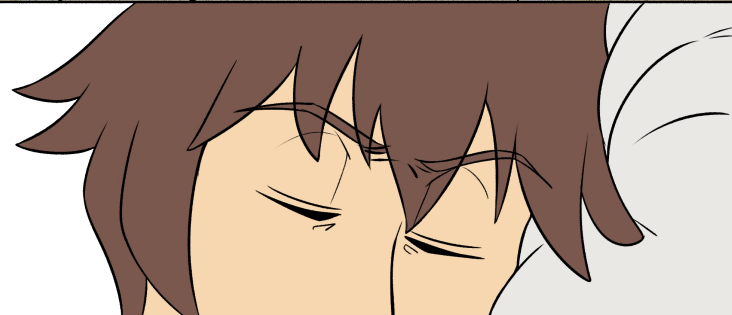

Only a holy blade can free me of this curse...

Oh the shame! Forgive me, Kazuma...I shall need your aid.

S-stop! H-he's going to wake up...

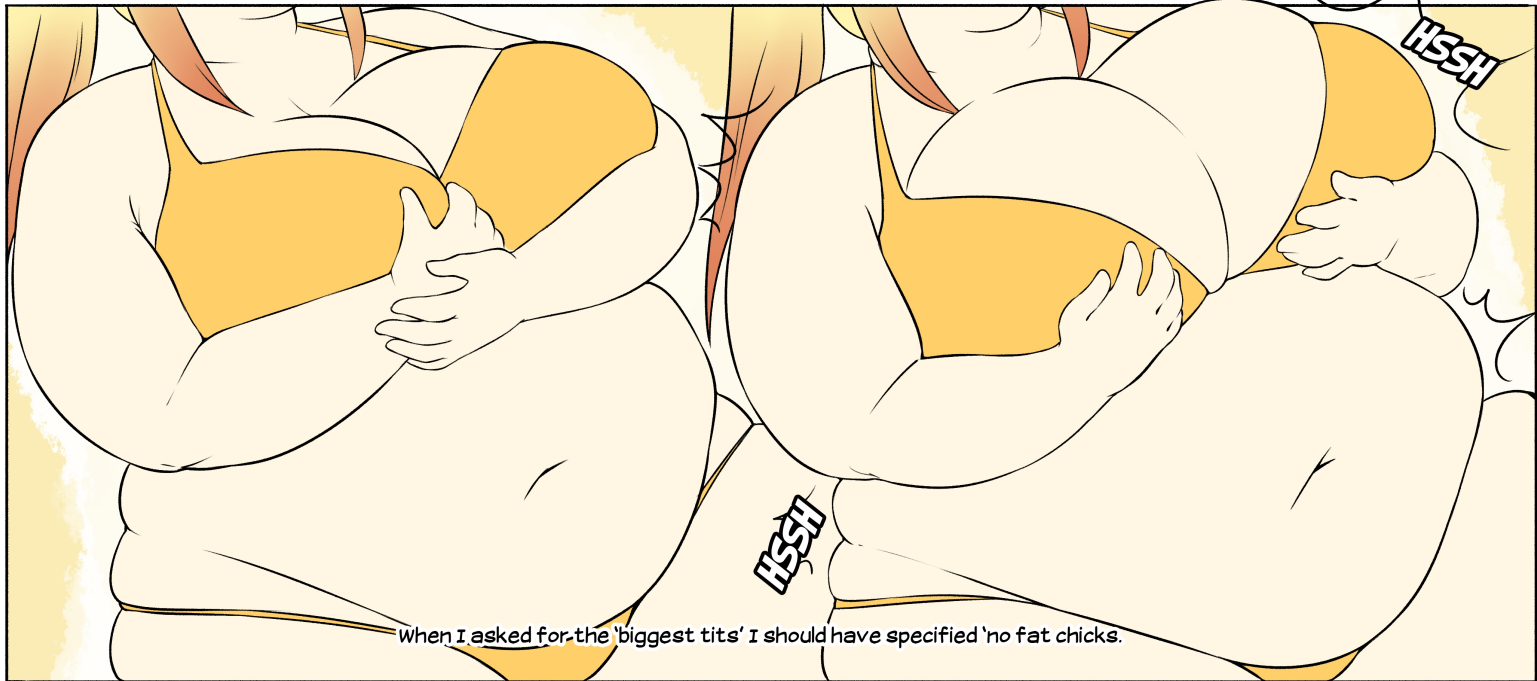

I finally get to have a sexy succubus dream and they send me another weirdo!

CREAK

When I asked for the 'biggest tits' I should have specified 'no fat chicks.'

H-hey! I can see you're awake! I can see your holy sword showing!

Ah, busted...

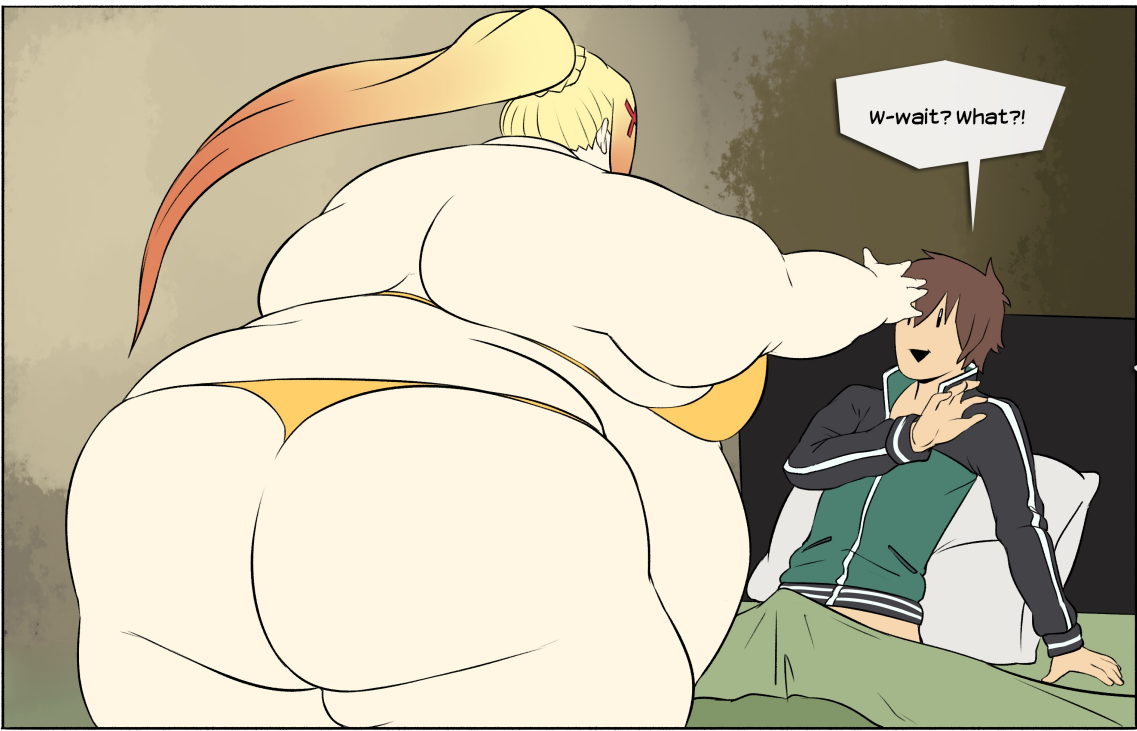

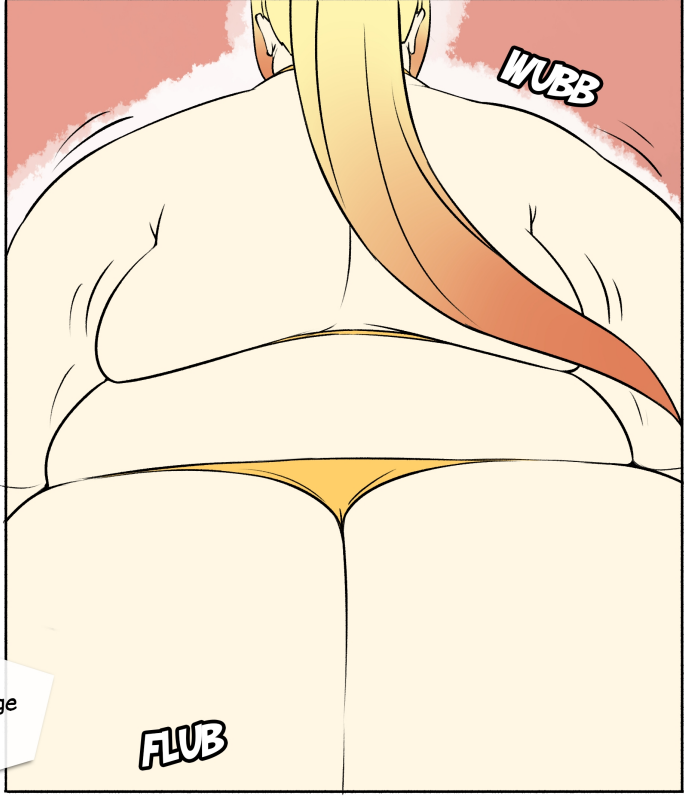

So she's into weird role play huh? Alright, I'll bite.

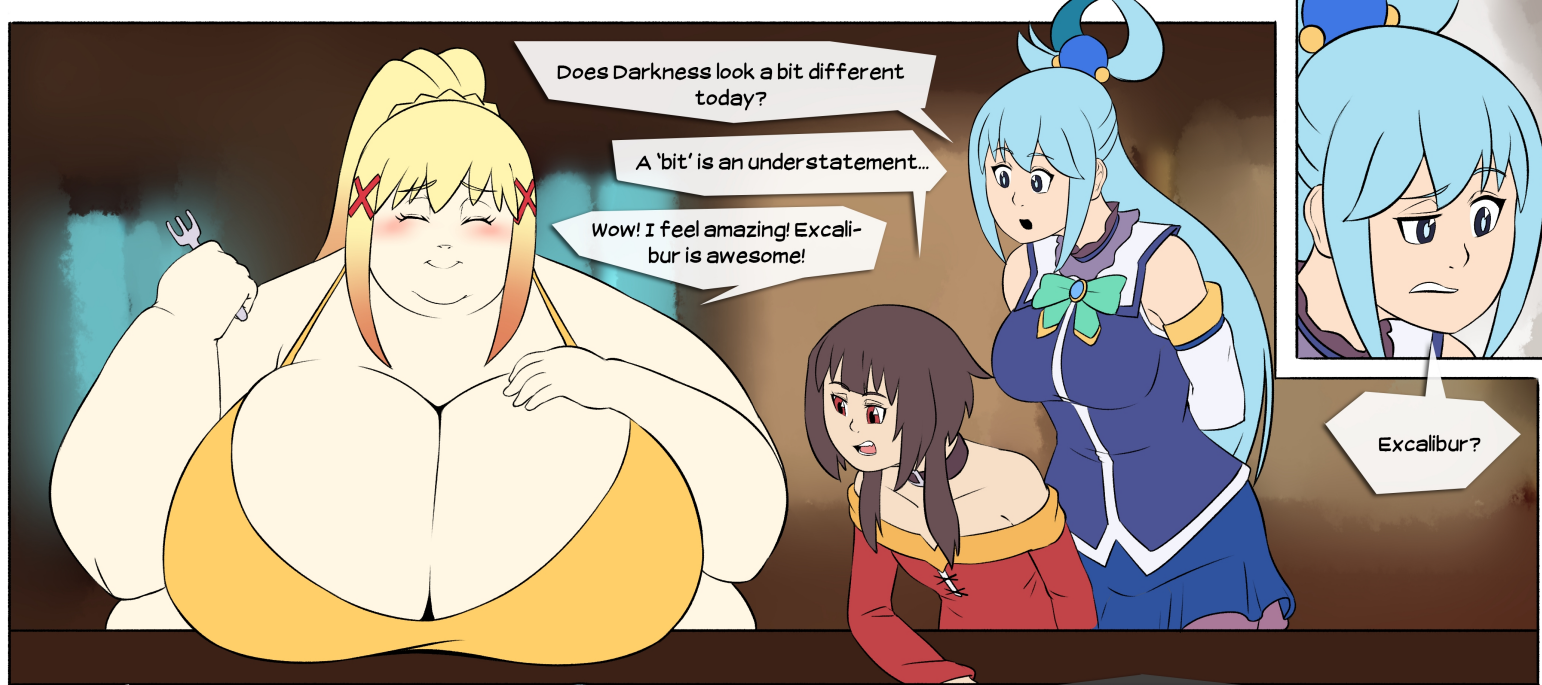

So, you wish to claim my sword? Let us see if you are worthy of its power...

Pwees forgive me mashuta! I'm too embarrassed

Oh, did you change your mind?

Does Darkness look a bit different today?

A 'bit' is an understatement...

Wow! I feel amazing! Excalibur is awesome!

Excalibur?

Darkness, you're huge!

Yep, you've gotten REAAA-LLLY fat!

I-I'm not heavy...I-it's just this armor...

You can't even see the armor anymore!

SLAM

FLOPP

MY FOOD!

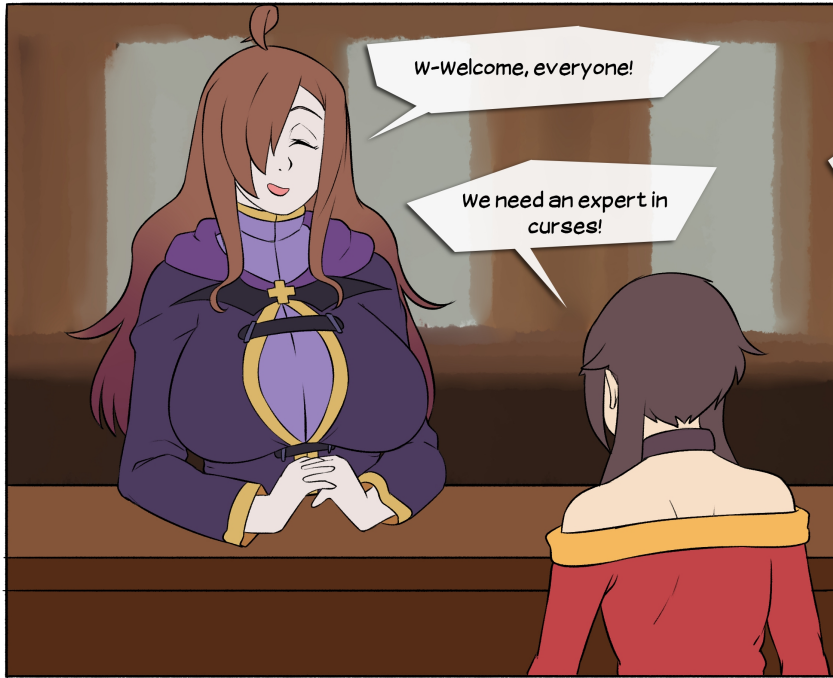

That's it! No one makes me spill alcohol and gets away with it!

You pour alcohol over your cereal?!

SWAP

W-what are you going to do...

W-Welcome, everyone!

We need an expert in curses!

Ugh, I hate this dress...

It's the only thing you have that still fits...

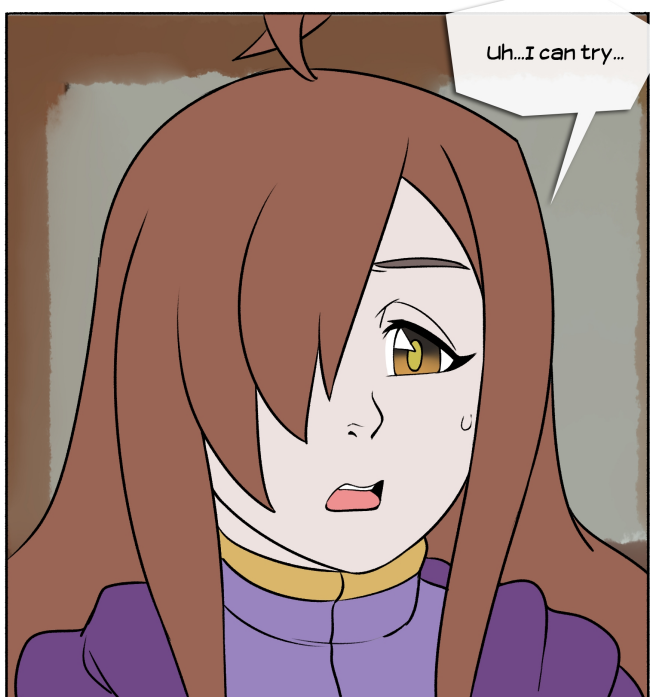

Can you fix it?

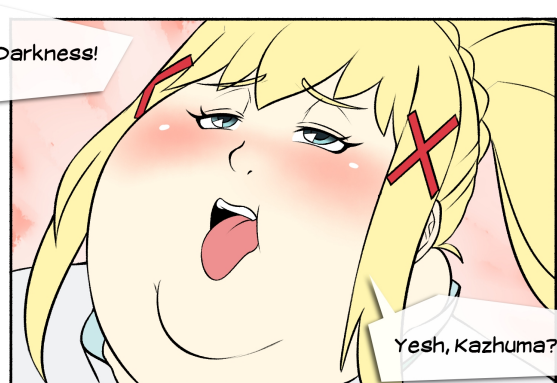

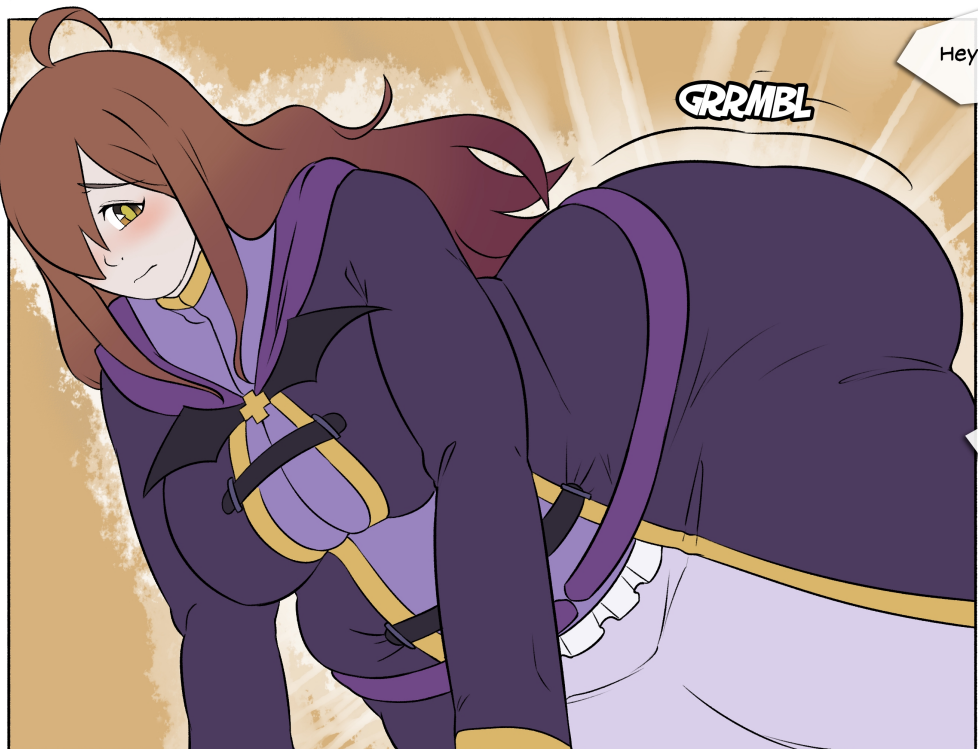

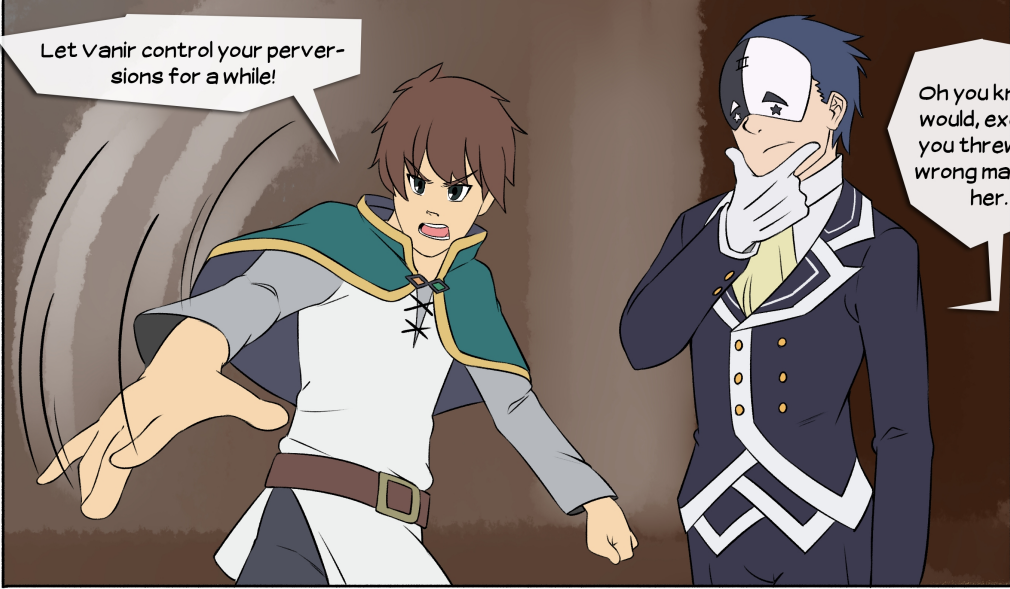

W-why am I so faaaaat-tt?

Ah! Much better! I hate it when things rub together.

Uh...I can try...

Let Vanir control your perversions for a while!

Oh you know I would, except you threw the wrong mask at her.

EH?!

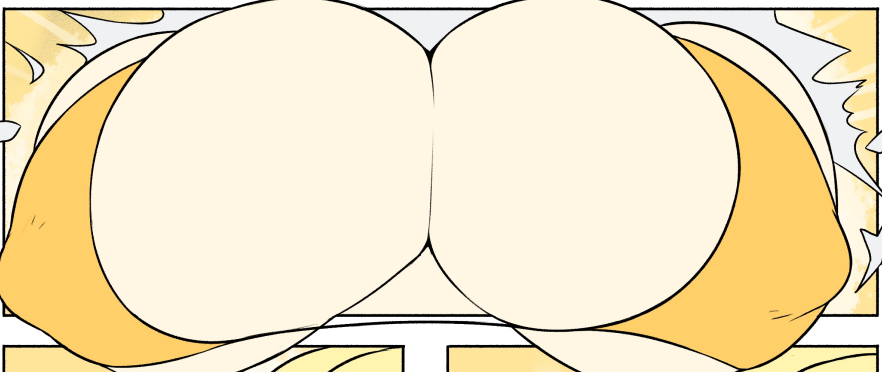

I do believe that is the 'Mask of the Minotaur Bride'. They use them to transform human girls into mates.

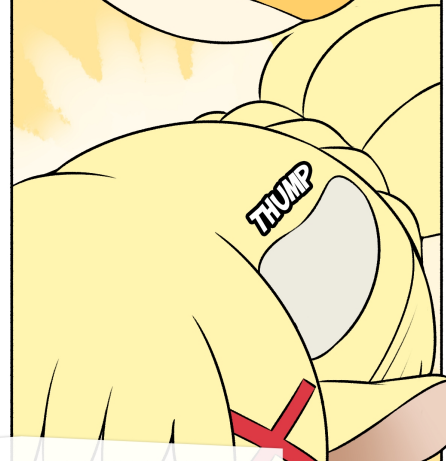

WHY WOULD YOU EVEN HAVE THAT?!

SHRRIP

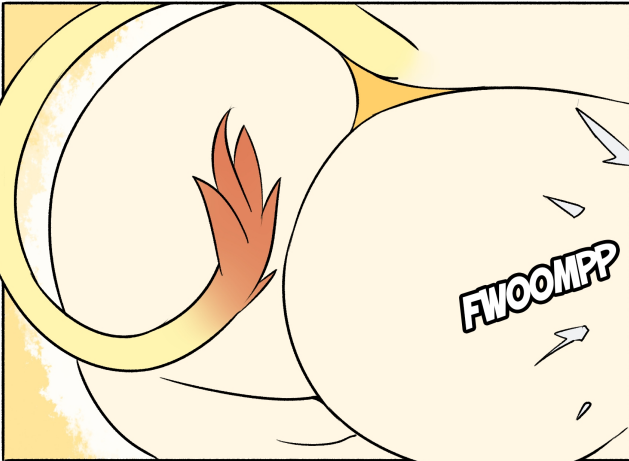

CRACKLE

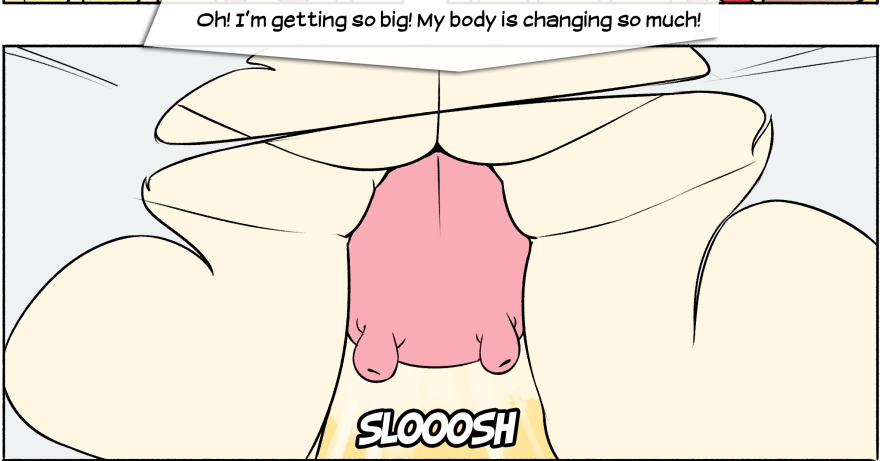

AHAHAH! It's one of our best sellers!

THUMP

FWOOMP

Oh! I'm getting so big! My body is changing so much!

SLOOOSH

This blubbery body...is no longer fit to be called human...

GRRRRRGLE

I-I've become shomfing kwazzzyyyy!!!

SSSSLOOOOSH

Something is building up inside me! I-it's! It's coming oooooutt!
