

THE MAGIC COLLAR

A transformation mind control story by JohnManTD

Chapter 7 - Bonus Chapter

The following takes place after Fran and Matt had setup Karma's OnlyFans, which is what occurs at the start of Chapter 8. This is just a side story.

It had been a theory, a wild shot in the dark when Matt was setting up the "Karma" OnlyFans page. Alongside the standard subscription tier and the donation system for the livestreams, he had added a ludicrously expensive, almost comically premium option: The Private Session. For a flat fee of one thousand dollars, a fan could purchase fifteen minutes of Karma's undivided attention in a private, one-on-one text message chat. During that time, they could talk to her, get to know her, and, most importantly, make personal transformation requests that she would fulfill just for them, sending pictures and videos as proof.

They never actually expected anyone to take them up on it. It was more of a marketing gimmick, a way to make the lower donation tiers seem reasonable by comparison. But on their second full day of operation, as they were basking in the glow of another successful, five-figure livestream, the notification pinged.

OnlyFans notification: You have a new purchase! "The Private Session" - \$1,000.00

Matt and Fran had stared at the screen in stunned silence. A thousand dollars. For fifteen minutes of texting. The reality of their new business venture, its sheer, unbelievable profitability, hit them with the force of a physical blow. There was no time to waste. The user, SuperTransformFan, was waiting.

Matt looked at Fran, who was still wearing the collar, her body reverted to its normal state after the stream. "Well," he said, a slow, predatory grin spreading across his face. "Looks like Karma has a private appointment. Time to get to work."

He commanded Fran's head to morph into the familiar, adorable Karma persona, her hair a cascade of vibrant purple. She was wearing a simple, comfortable tank top and shorts. Matt sat beside her on the couch, his own phone in hand, ready to feed her the commands that would bring a stranger's deepest fantasies to life, one text at a time. Fran, her mind still imbued with the commanded love for this whole enterprise, picked up her phone, her fingers hovering over the keyboard, a thrill of anticipation running through her.

Heeeey there, SuperTransformFan! 😊 It's me, Karma. I hear you wanted a little private time with me? You're my first ever thousand-dollar man, you know. That makes you extra special.

Karma

omg hi

i cant believe this is real

Sent

Believe it, sweetie. For the next 15 minutes, I'm all yours. You're the director, I'm your star. So, what's my motivation for this scene? What fantasy are we bringing to life tonight?

Don't be shy now.

Karma

im kinda nervous lol

i just... i love what you do. the transformations are amazing. i've never seen anything like it.

Sent

Aw, that's sweet. No need to be nervous with me. I don't bite... unless you want me to. 😊 Here, let me help break the ice a little.

See? Just a girl, ready to play. So, what's it going to be? You've got a blank canvas here. You can change anything you want.

ok... wow. you're so pretty.

um, ok. for my first request... can you... age up a little? maybe to someone in their late 30s?

Sent

Ooh, starting with a classic. A woman with a little more... experience, huh? Are you into slightly older women, sweetie? It's okay, you can tell me.

Karma

im 38 myself actually. so it's more... my age range. i guess i like women who look like they know what they want.

Sent

I respect that. A man who knows what he likes! Okay, one mature, confident woman, coming right up. Give me a sec... whoa, okay, here it comes... that's a weird tingle...

Okay, the change is hitting. It feels... different. Like my skin is settling, gaining a kind of... confidence? My thoughts feel a little sharper, more focused. And my face... it feels like it's firming up, the lines changing from cute to... elegant, I guess? It's a really interesting sensation. One sec...

How's that? Do I look like I know what I want now?

Karma

that's incredible. you look amazing. so... sophisticated.

the tech you're using is just insane. how does the filter even do that? the lighting, the subtle mother body, the skin texture...

Sent

Shhh, sweetie. Don't question the magic. Just enjoy the ride.

😏 It's more fun if you just pretend it's real, isn't it?

Karma

yeah... yeah you're right. ok.

can you... can you make your hair blonde? like a classy, honey blonde.

Sent

A classic choice for a classic woman. You got it.

Here we go... feelin' the tingle again, starting at my roots... it's like a warm wave washing over my scalp... and poof!

Blonde and beautiful, just for you. Getting warmer? Feeling a little bolder yet? You've got the keys to the kingdom here, you know. Don't be afraid to ask for what you really want.

Karma

ok... ok yeah.

i want you to get thicker. not fat, but... curvy. powerful. like a goddess. a thick body, small waist, big hips, strong thighs.

Now we're talking! I love a man who appreciates some curves.

Hold on, this is a bigger change... oh wow... okay, I can feel it everywhere. It's like my whole body is inflating, but with soft, firm flesh. My hips are pushing outwards, my thighs are swelling up... they're pressing against each other now, it feels amazing. And my ass... oh my god, it's getting so round and heavy! It's like I'm blooming. I feel so... fertile. So powerful. This is... this is a good one.

How's this for a goddess body? Is this what you had in mind?

Karma

YES. oh my god yes. that's perfect. you look incredible.

ok. let's step it up...

grow your tits. make them huge. to match the rest of you.

Sent

Hehe, I was waiting for that one 😊

You want the full package, don't you?

Alright, brace yourself. The magic is flowing...

Karma

it's starting in my chest... that familiar, delicious ache... they're pushing out, stretching the fabric of my top... oh, this is a big one... they're getting so heavy, so fast... feels like I'm filling up with warm honey...

Are these big enough for you, sweetie? Or should we keep going?

Karma

HOLY FUCK. More. I need more. Your nipples. Make them... bigger. Like, wide and dark. Like a nursing mom

Sent

Mmm, a mommy fetish? I can see it. You want a mature, thick, blonde mommy with huge tits and big, suckable nipples to take care of you? Say no more...

They're so... sensitive now. Aching. I feel like they should be in someone's mouth. Is that what you're thinking about?

Karma

FUCKKKKK. YES. Mommy. God, yes.

Hehe, I thought so. Just so you know, my sweet boy, you're down to your last five minutes.

Karma

Oh god. Okay. Five minutes. No time to waste. I... I have one more request. It's a weird one.

Sent

Sweetie, after the things I've seen and done on my livestreams, there's no such thing as 'weird' anymore. There's only 'expensive' And you've already paid the price of admission. Hit me with your best shot. Don't leave me hanging now. 😏

Karma

Turn yourself into an inflatable sex doll. Completely.

Skin, hair, everything. Shiny vinyl.

Sent

Well now. I honestly did not see that one coming... but your wish is my command. Get ready for something unique handsome 😏

Whoa. Okay. This is... profoundly weird. I feel... hollow. Light. My skin is so slick and shiny, it feels like I'm wrapped in a balloon. When I move, I can hear myself squeaking. And I can't change my expression at all! I'm stuck looking like this! It's like my entire body is just a shell. A very, very shiny shell.

Well? What do you think of the finished product? Am I everything you dreamed of?

Karma

Fran let out a shaky breath, the doll-like form melting away, her normal skin and proportions returning with a rush of warmth and sensation that felt like coming back to life. She looked at the phone, then at Matt. He gave her a slow, impressed nod. A thousand dollars. For fifteen minutes of being someone's perfect, private toy. The lines were blurring, the money was flowing, and the world of "Karma" was proving to be more strange, more intimate, and more profitable than they could have ever imagined.
