Perhaps, I can
help with that.

Eh?

This is troubling.
He's regaining his
muscles. I must
expedite my plan.

D-DONT

Ara? It's not like I haven't seen every inch of you before...

Eh?

Hmm?
No cage today?

I'm sure sweet little Mei would adore seeing you wearing that device on your date.

Lilith
That way, his little friend won't regain its size before I can prepare the fix.

Device?

Eh? Ah?!

B-By device I surely mean a... Well... **A!** Corset! **Y-Yes.** Every girl wears a corset... Device... on their first date!

I heard about it, but not directly from you. You tend to be pretty vocal, and sometimes your thoughts slip out without you realizing it...

A corset... Didn't I wear that for the competition... Wait! How do you know about the date?

Huh...
I guess?

I guess the cats out of the bag.

Um, yeah, I have a date with Mei... And I could really use your help.

My Leona... So gullible.

Of course! I'm happy to help.

I... I dont really know what to wear...

Hmmm...

Ara? Last time you tried to shave you nicked your beautiful body. There's no need to blush. It's not like I'm naked. Though if that would help...

NO! It's fine...

Lilith
Get used to the handles my dear...

T-This style again?

Makeup!
