

Say... Wanna play with me instead?

C-CANT GET IT OUT!

Um...

...did you forget the lube?

L-LUBE?

Just sit tight.
I'll get it out.
Though, you
should've really
used lube.

UHG, THIS
I-IS SO
EMBARRASSING.

Mhm...

On three kay?

1..

PLOP!

3!

W-WHY DID YOU GO AT 1?!

Sorry... That's how my mother would deal with splinters. Kind've lessens the pain ya know?

Huh...? That's it no weird remarks... Nothing?

Haha... Don't worry I'll get a few out tomorrow... I'm just beat.

CRAP! M-MY PENIS SHE HASN'T SEEN IT YET! THE DILDO'S ONE THING BUT... I'D RATHER SHE NOT KNOW THAT YET...

DAMMIT... WHY DID I HAVE TO TALK FOR..

Actually, well... can we talk for a bit?

Ahh... look at the time...
W-We should head to...

Why does she look so sad?
Did something happen to her?

S-Sure, we can talk.

I went out with this babe today...
She's quite fast so I was expecting to get some...
Ya know?

W-What is this talk? A-And at least wait for me to get dressed before you start...

But... I had some trouble sealing the deal...

Trouble...? What does that mean?

You have more experience with it so... Any solutions?

Uhh, experience with what?

Being limp, flaccid, droopy, frail... ya know?

EXCUSE ME!
I AM NOT EXPERIENCED IN THAT!

Sure... But why does it happen?

Why are you asking me... Well, in my case it's medicine.

Eh? You make your cock limp on purpose? Kinky...

IT'S A SIDE EFFECT! I don't want it like that.

Y-You wanting a limp dick aside... W-Why is it happening to me!

Karma.

...I'm gonna kill her.

Hm... What were you doing just before...?

She went down on me.

I don't really enjoy that part...

My jaw says otherwise...

I should've known this was her just showing off...

I prefer a blowjob over that.

Oh... You meant that.

Is that why she went limp...?

Could it be that Riku is not comfortable with her female side? That can't be right? She's done stuff that says otherwise...

Riku... Would you ever LET A GUY... have... ya know?

Ah... N-No... I'd never. Haha...

Actually, not never... Only if they're like you. More a girl than guy.

I see.. I'm gonna kill her.

I don't think you have to worry about it. You were just a bit nervous.

Yeah I guess, but I've been nervous before. Why now?

Well... You're not as used to the girl pleasures...

That... makes sense! W-Well... I can't have that happen again...

I guess I should experiment with that side with you guys.. Hmm, where to begin...

**Ah! I know!
Why not give
me a Paizuri!**

Eh?
