

Ring!
Ring! Ring!

KYAH,
I'M NOT!

later...

I get it, okay! You're bigger, my back is killing me, and it's scorching out here! Just stop bouncing!

S-STUPID BOOBIES!

Dont you have somewhere to be?
Go **NOW**.

Hahaha... Thanks.
It's sweltering,
and I, um, got a
bit lost in thought...

Tch.

I'm sure you did. You've
perfected your little act,
haven't you? You filthy
little slut.

I bet they're not
even real. You should really
work on your face. Oh,
forget it— just cover it
with a bag

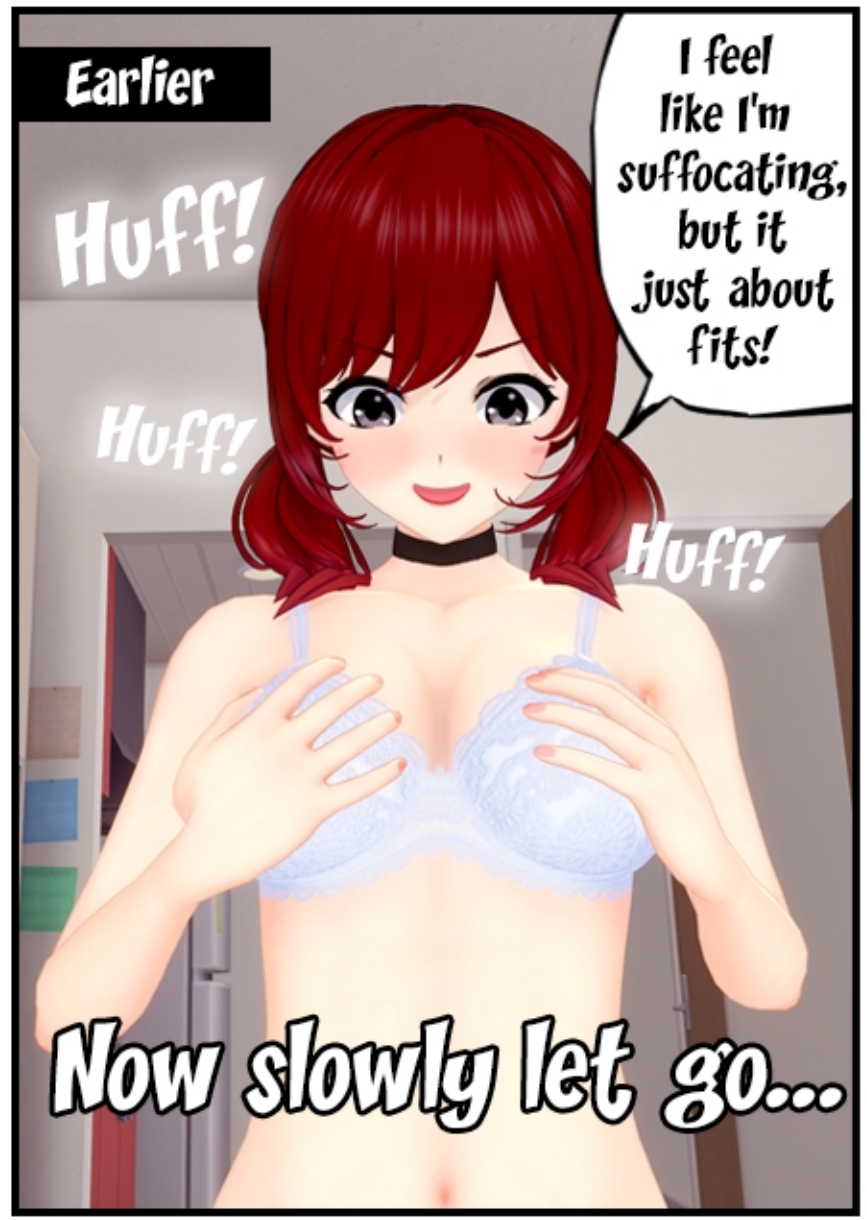

SHE WAS SO MEAN...

IT'S NOT MY FAULT I TRIED TO WEAR MY BRA...

Earlier

I feel like I'm suffocating, but it just about fits!

Huff!
Huff!
Huff!

Now slowly let go...

I guess one day without it is fine...

BOING BOING BOING BOING

*Is my face really that bad...
and will they sag? It's not
like they're going to be this
big for that long... and what
did she mean customers...!*

*D-Did she think
I was selling myself!?
Do I give off that
vibe? Ah... they're
rubbing...*

Perhaps a secret lover?

Not even close.

Ka-chik!

Hmm... Are you free this week?

For you? Anytime!
