

Welcome back... what's that?

Something special~

Enough. We don't have time to mess around.

Wait, time for what?

Festival prep obviously.

Prep...? Other than the clothes... there's nothing else to do, right?

Are you kidding? We've got makeup, hair, nails, and a beauty sleep to do!

Riku's correct. We need to sleep early so we prepare now.

BATH

TIME!

Ugh, but doing all this the day before... won't it just be ruined by morning?

Parts of it. But if we do it now, we'll know exactly what we want tomorrow.

I'm proud of you, you know...

Eh?! H-Huh?! W-Where did that come from...?

AH?

RUB!

H-How did you know...

We bumped into the doctor on our way back.

She told me everything. How it worked. How you tested it. How it ended.

...I don't like where this is going.

You lost the bet.

T-That's... Well.. Yeah...

Mei.. You won so we can do what you want to do... It's fine...

Don't be silly Leona. This is what I want to do. Besides... We can do that other stuff later.

AH... I SEE... B-BUT THERE'S NOT MUCH WE CAN DO...

I can think of a few things...

And now that you're hard... I can give you a little taste of what's coming~

Hold me Leona.
