

Reverse!

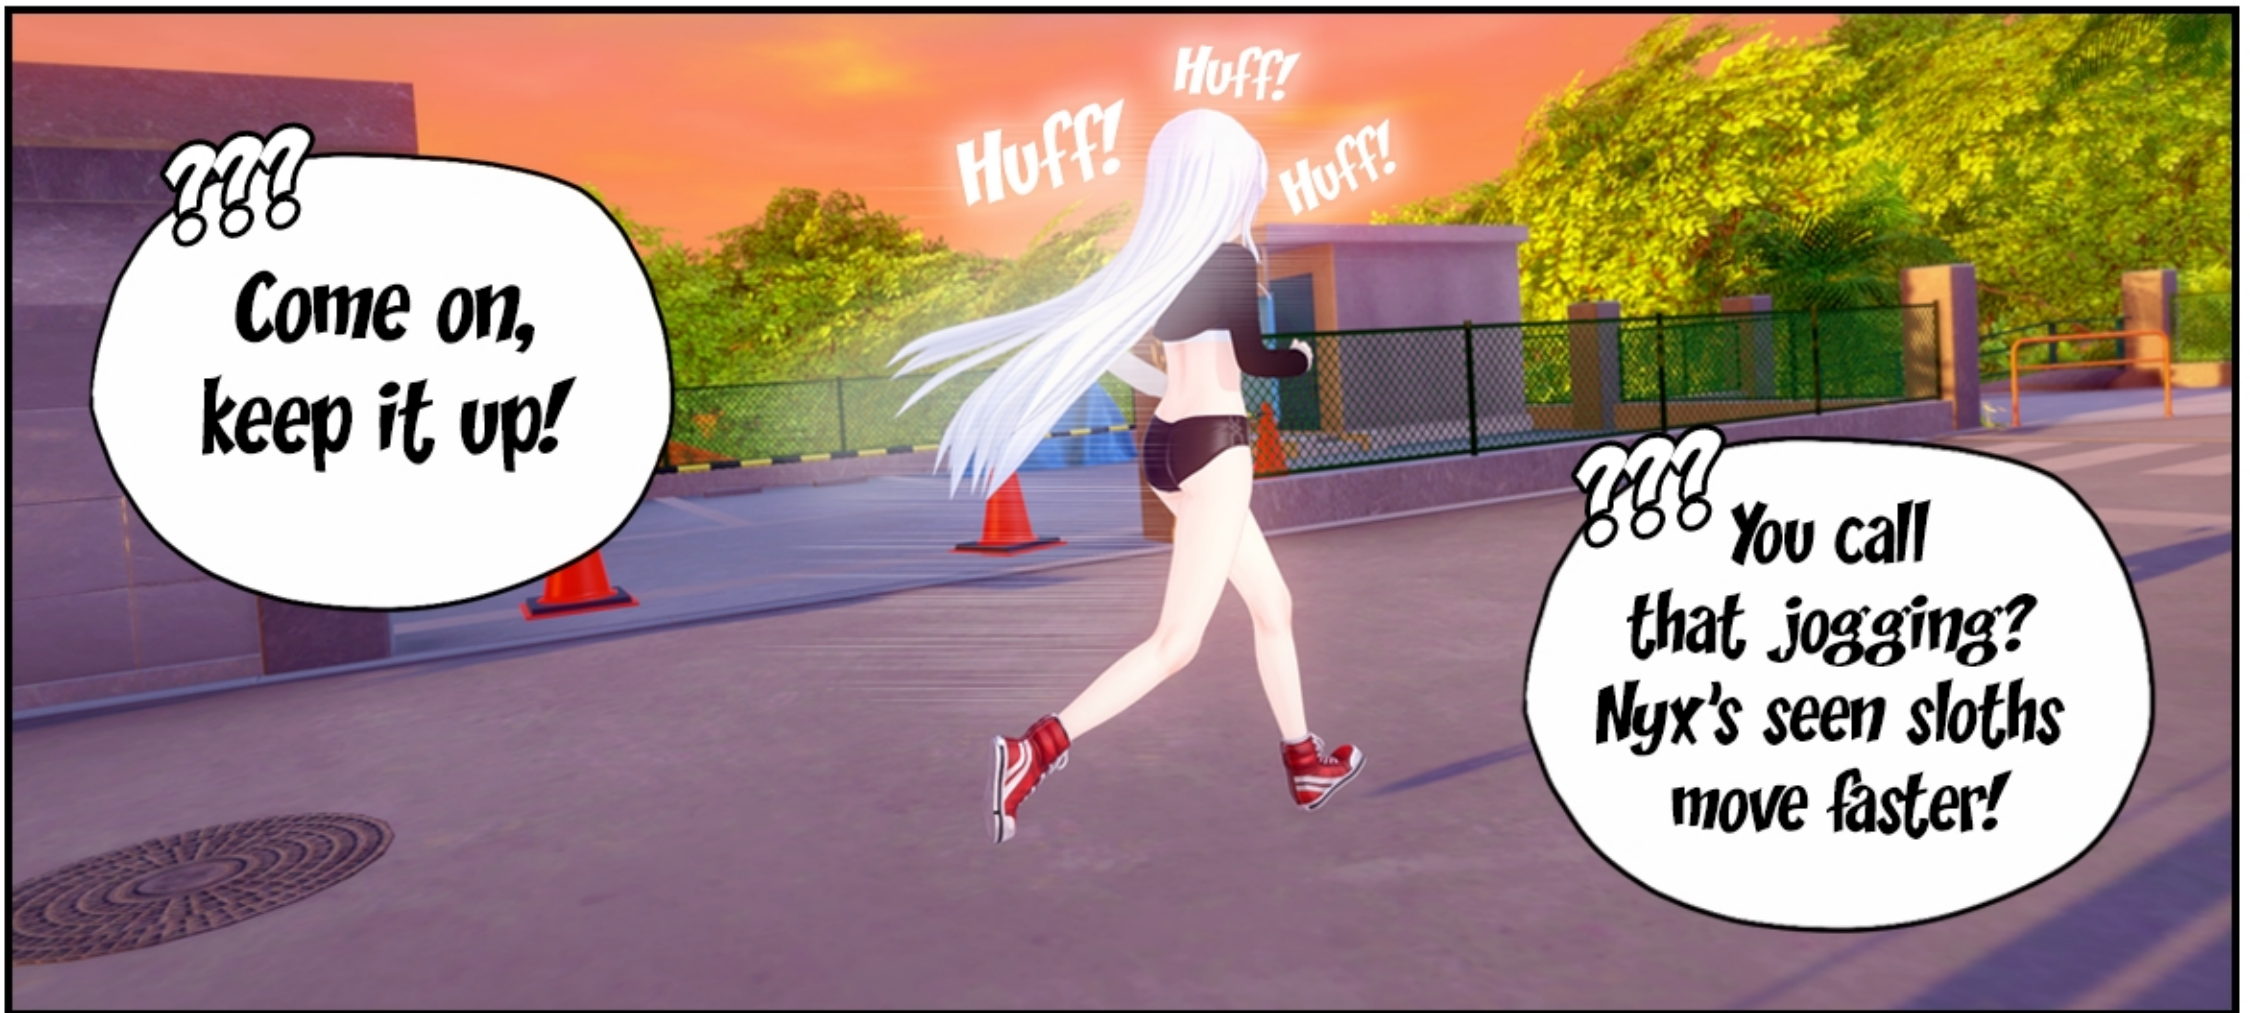

RUINUS

6 Months Later...

Huff! Huff! Huff!

???
Is that as fast as you can go? Pathetic!

???
Come on, keep it up!

Huff! Huff! Huff!

???
You call that jogging? Nyx's seen sloths move faster!

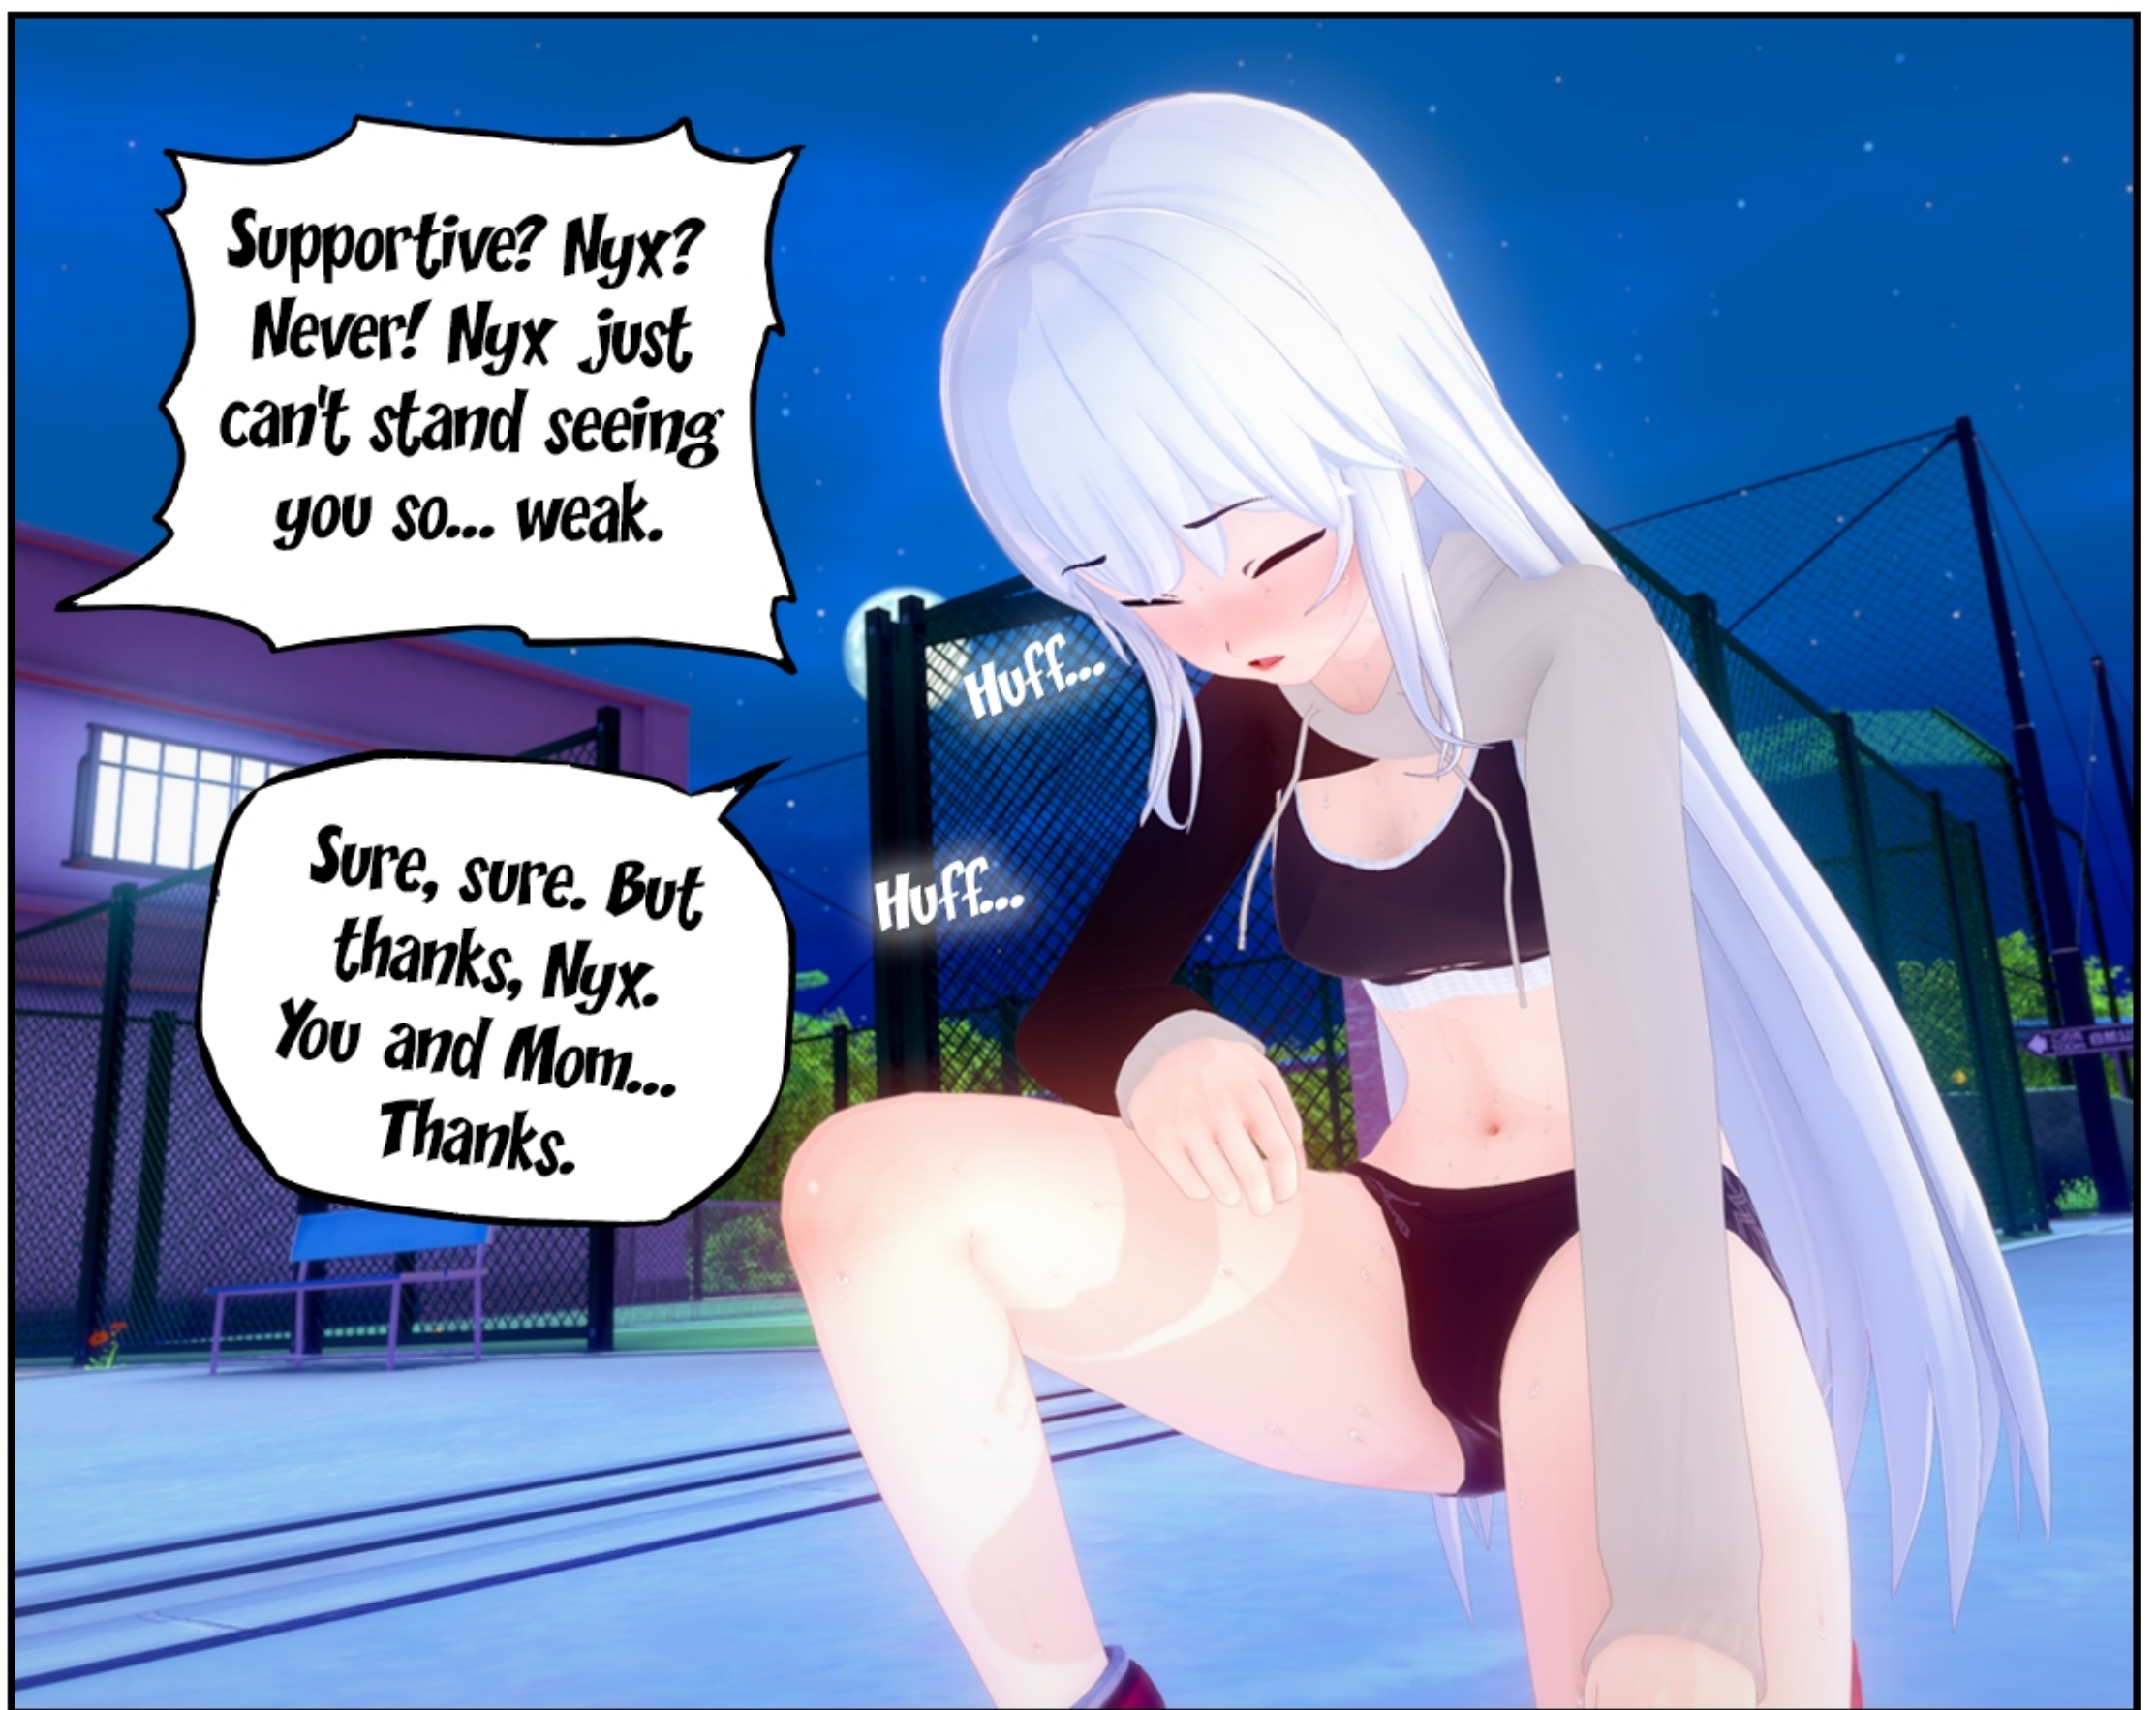

Nyx
Giving up already? Hahaha, loser!

Nyx
I knew you didn't have it in you!

Huff! Huff!

You know, for a demon, you're pretty supportive.

Huff!

**Supportive? Nyx?
Never! Nyx just
can't stand seeing
you so... weak.**

**Sure, sure. But
thanks, Nyx.
You and Mom...
Thanks.**

Huff...

Huff...

**D-Don't get used
to it or anything!
I-It's not like Nyx
cares or anything.**

**But you were
quite annoying... No
cookies for the rest
of the week!**

Huff...

WAH?!

**It's been
6 Months...**

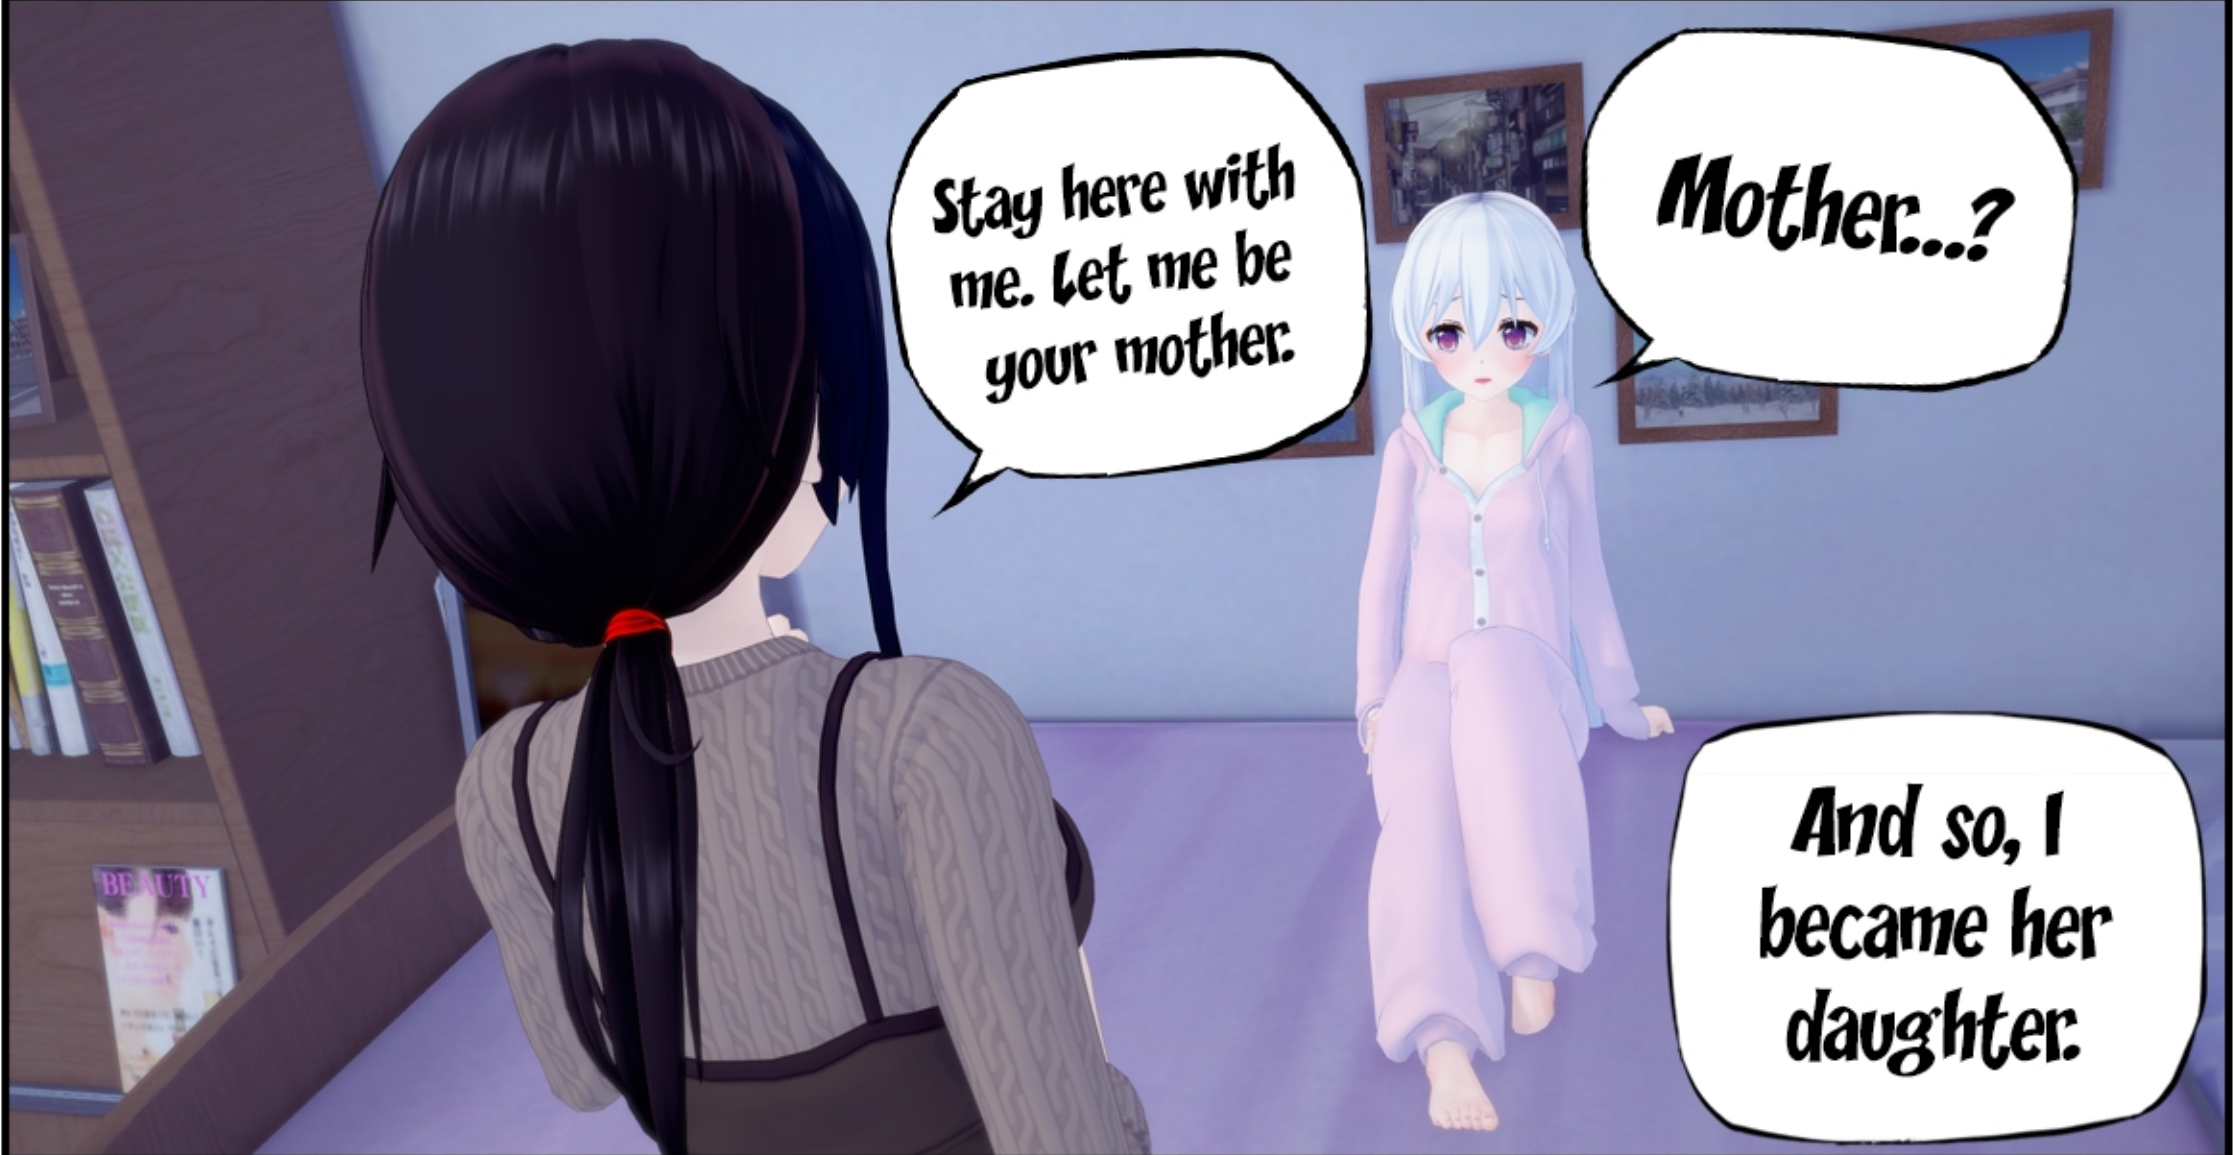

**Since
that day.**

When I woke up in a strange room, I found myself comforted by an equally unfamiliar woman. Yet, as her eyes met mine, a floodgate opened within me. Unable to restrain myself, I broke down, releasing everything that had happened to me...

Then, a terrifying thought crossed my mind—what if she was like them? But then she said...

Stay here with me. Let me be your mother.

Mother...?

And so, I became her daughter.

Being treated with love felt strange to me. I never had parents; I was adopted by my uncle when I was young, and he was... a rough man. But now, I started to heal. However...

Aw! Look at how adorable my daughter is, holding my hand!

I was consumed by the constant fear of being found, seen, and taken against my will, I turned to mother and asked...

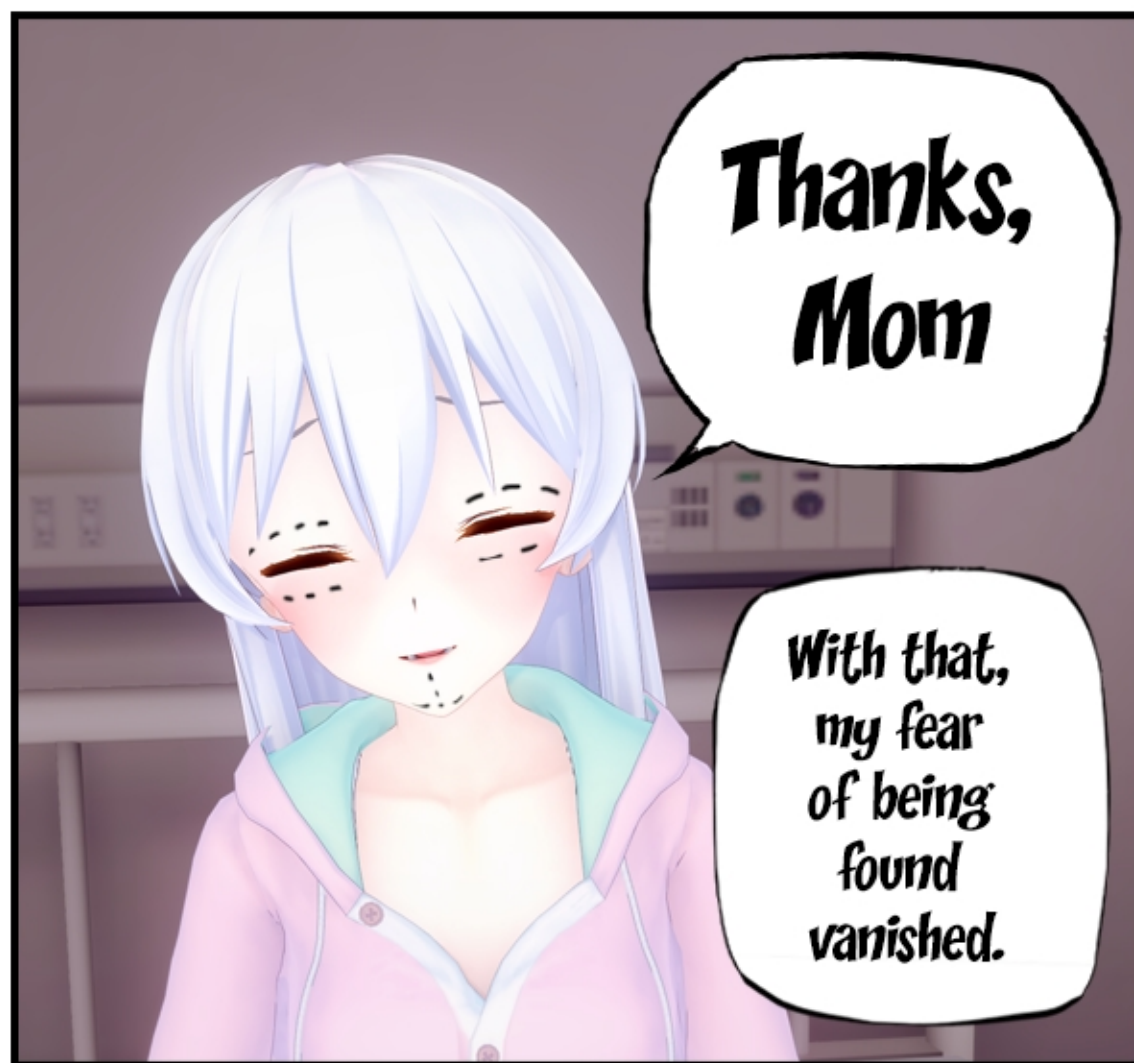

M-Mom, can I get plastic surgery?

Alice... You're perfect just the way you are.

Alice... I'll be waiting right here. If you get scared just call me okay?

Realizing my reasons, she eventually agreed to let me have it.

Thanks, Mom

With that, my fear of being found vanished.

Present Day...

Hey Alice!
Stop ignoring me the great Nyx!

Oh, you're back?
Sorry, I was lost in thought,

Alright. We should head back; Mom might get worried if we're late for dinner

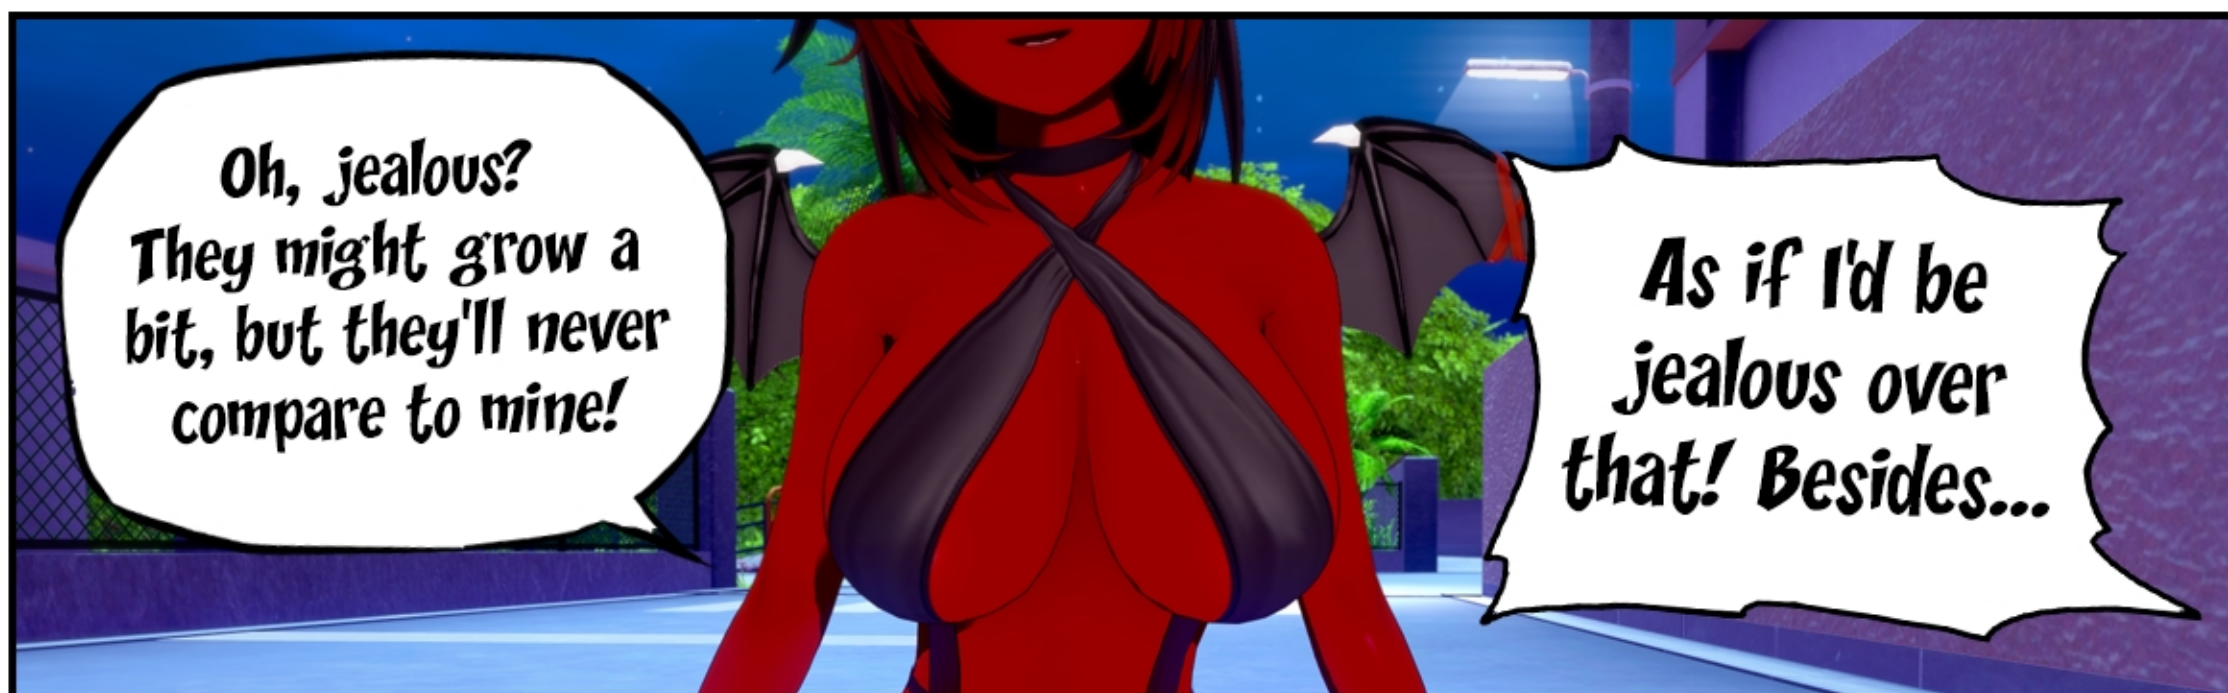

Food, glorious food, oh so divine, Satisfy my hunger, make it all mine Tehe!

Wobble
Wobble

They've started to get bigger, haven't they...

Even though I'm still a guy down there, it seems like this body is developing into that of a woman's.

Oh, jealous? They might grow a bit, but they'll never compare to mine!

As if I'd be jealous over that! Besides...

Race
you home!

D-DONT
LEAVE NYX!

Nyx, like me, was adopted
by mother and has had a
colourful past... So we made
a promise to each other:
we would get **Revenge**
on those who wronged us.
