Case: Missing Martinez

Gloria Martinez has come to Libra for help. Her son suddenly went missing, and in Hell Salem's Lot anything can happen. David gets nabbed and modified by cyber punks, a group of mad men modifying people's bodies and trying to turn them into weapons. David had wanted power but unaware of the price. Leonardo/David/Klaus/Harem

Miracle Cure: Lycanthropy

Watch's family was looking for a cure for their disabled daughter, they believed a miracle could save her, instead they made a deal with a twisted Alpha Lycanthrope. He agreed to turn her if he could claim Leonardo. Leonardo didn't think his family would sell him out but they did. He was turned, and he would have been the lycan's slave but then a god appeared and gave Leonardo new eyes. His sister made a deal with a god to set her brother free. Lycan

Miracle Cure: Titan's Power

Watch's family comes to Hell Salem's Lot to find a cure for their daughter. A Titan appears before them and offers them knowledge and power. Leonardo takes the power, but all

things come with a price, he's no longer human becoming a titan and gaining the power of glyphs. He has a hug target on his back as Titan blood is a powerful force, so Leonardo must survive being chased by demons, monsters, vampires and the like. Titan Leonardo/Klaus/Zed/Harem

Spliced: Sonic Monkey

Leonardo's parents wanted to save their disabled daughter, and a Hell Salem's Lot doctor said he could save her, by using splicing technology. The cost would put 10 generations into debt, but they made an offer to take Leonardo as a guinea pig. Watch is modified with the genes of a Super Sonic Monkey. Leonardo takes to the splice even gaining the powerful speed. Monkey Boy Leonardo/Harem

Spliced: Hypnobrai

Leonardo's parents are seeking a cure for their daughter's disability, a demonic doctor is willing to do it but for a price. Leonardo is taken and experimented being modified and made into a lamia, his eyes are made powerful and has advanced hypnotic abilities. Hypnosis Lamia Leonardo/Harem

Spliced Fangpire

Leonardo's parents wanted to find a cure for his sister, a price had to be paid and Leonardo and his sister are made into lamiae. A special species from hell known as Fangpire.

Leonardo has a unique poison that can infect anyone or anything and turn it into a snake. His sister was freed of her disability as her legs became a lamia/snake tail. Now Leonardo has to work in HSL to make money. Snake Leonardo/Harem

Spliced Anacondai

Leonardo's parents found a cure for his sister's disability, but there was a cost. Leonardo is essentially sold to be a guinea pig. The doctor's splice him with an Anacondai a snake of the depths of the abyss, it's a powerful creature super strong, super fast, and can even turn invisible. Leonardo was experimented on and made to be a monster. He was gonna be sold as a weapon. His sister had other plans, making a deal with a god to grant him special eyes. Using his powers he escapes but he's still being hunted Leonardo hoped Libra could protect him. Invisibility Lamia Leonardo/Klaus/Harem

Spliced Spiderbat

Watch's family brought their daughter to Hell Salem's Lot to find a cure for her disability, not understanding this place of "magic" was a dangerous one. Leonardo is taken and experimented on getting spliced with an abyss creature known as a Spiderbat, a six armed critter with bat wings and a pention for hypnosis. Four Armed Hybrid Leonardo/Harem

Spliced Cheetaro

In order to restore their daughter's legs they used their son as a guinea pig. A demonic doctor offered a guarantee they couldn't pass up. In the Abyss there were creatures like animals but very different, having evolved to survive the hell of the world they come from. A cheetaro was six legged cat beast that had lightning high speed and the ability to regenerate their cells. His sister got the cure but Leonardo's parents should have read the fine print. He kidnapped Leonardo who'd been spliced into a cat boy who can be shock happy. Just as he was about to be sold to a King of the abyss.
Cat Boy Leonard/Klaus/Zed/Harem

Spliced Fiend Kraken

Cybernetics, Gene Splicing, Hybridization in Hell Salem's Lot such things are normal. It's way the Watch family came to here to find a cure for their daughter's disability. They thought they could pay any price but the cost was their son. He was taken and modified made to be a mer boy. The doctor had no idea how Leonardo would adapt but he's the perfect specimen even being able to control and manipulate water.
Merman Leonardo/Zed/Klaus/Harem

Spliced Mist Wolf

In the abyss a dangerous predator known as the mist wolf exists, it's a creature that appears in a fog and devours

everything in it's wake. A mad scientist wanted to splice it with a human just to see what happens. Leonardo appears to be a prime specimen his cells mesh with the dna even being able to draw out the great powers inside. Werewolf
Leonardo/Harem

Spliced Air Rabbit

In the abyss there exists a deadly specie of rabbit, a wild predator that is said to even feast on vampires in large numbers. So a monster had the bright idea of splicing it with a human just to see what could be made. Leonardo was just the lucky guinea pig. Before he could be destroyed or sold he was found by Libra. Switcher Were Rabbit
Leonardo/Steven/Klaus/Harem

Spliced Inferno Stallion

In the abyss there exists a deadly species known as he Inferno Stallion, a flaming horse said to burn its enemies to ashes and crush prey beneath their hooves. So a mad demon scientist wants to see what splicing genes from that into a human to see what will happen. He gets his chance when the Watch family seeks to treat their daughter. The process works and restores her legs but what he wanted was Leonardo, his genetics were perfect for splicing. Before he can sell his creation. Leonardo escapes and is found by Libra and is taken

in for his care and protection. Centaur/Horse Rod
Leonardo/Klaus/Black/Zed/Zapp/Harem

Spliced Kaiju Cells

Leonardo wakes up strapped naked to a table, he's one of several humans captured and experimented on. Libra tries to find him but Leonardo is modified with Kaiju cells, he's stronger, faster, able to breath a powerful blast. Things escalate when Zapp makes Leonardo mad and he scales up.
Godzilla Leonardo/Harem

Spliced Mothra Cells

Leonardo has the power of the All Seeing Eyes of God, so he's a target they want either to take his eyes or see what's so special about him. They decide to splice his cells with creatures from the abyss and see if he survives. They use a moth from the depths a powerful creature that terrorized and ruled the skies. Moth Leonardo/Black/Klaus/Harem

PSI Watch

Leonardo was a psychic, he can move things with his mind, get premonitions, and even freeze things in time temporarily. He always blamed himself, he gained this gift while his sister could read auras. Then for whatever reason she gave up her eyes to give Leonardo a "gift". Psychic
Leonardo/William/Klaus/Harem

Witch Watch

Leonardo's family was a family of witches, apparently they pissed off a vampire back in the day and got cursed. His sister suffers from the curse, but his parents decided to seek supernatural ways of breaking the curse, even coming to Hell Salem's Lot to strengthen their powers. They make contact with...something offering them a deal. The only way to break the curse is to find the Vampire that cursed their family, so it offered the all seeing eyes to find the vampire. His sister gives up her sight to give her brother the power to hunt. Witch Leonardo/Klaus/Harem

Pumpkin Watch

Leonardo's family were Caster's who helped set up the barrier of Hell Salem's Lot. As a special fail safe to protect the barrier from outside attack and mystical hacking is blood line seals. So long as the bloodline lives or the key is passed to a willing soul the tether can't be altered or harmed. Leo's family is attacked and wiped out leaving him as the only survivor. Leonardo/Klaus/Zed/Black/Harem

Moon Watch

Leonardo's family is a member of the High Spiritualist Order. Their family keeps up the barrier. So they are targets of assassins to break down the pinnacles of the barriers. Leonardo is the survivor, and he's not gonna back down he's gonna fight. Leonardo/Black/Harem

Mercury Watch

Leonardo wasn't just "blessed" with the eyes of god. His sister knew her brother had a power. This monster wanted Leonardo's eyes to take that power so she sacrificed herself to save him. He didn't know what he was supposed to do with this power, but with the blessing of Mercury he wasn't a normal human. Bottom Leonardo/Klaus/Steven/Harem

Mars Watch

Leonardo is hunting the vampire who cursed his family, his sister is suffering from a blood curse that can only be broken once the vampire who cursed them dies. Their family had the blessing of God Mars, one of the divine blessings that threaten the Blood Breed. Using the teachings and the Eyes of the gods Leonardo goes to hunt the Vampire down, ending up joining Libra. Switcher Leonardo/Klaus/Zed/Harem

Jupiter Watch

While visiting Hell Salem's Lot, Leonardo's sister was taken by a vampire. He wanted her power, as their family was blessed by the gods. Jupiter bestows Leonardo with power so he can find the vampire who took his sister and save her. It's not gonna be easy, in Hell Salem's Lot there are many powers in play Leonardo isn't backing down. Top Leonardo/Klaus/Hummer/Harem

Venus Watch

While visiting Hell Salem's Lot to find a cure for his sister's disability, his family is attacked by monsters. He lost everything that day but a power inside him manifested. The God Venus gave him power to survive and get justice for his family that were dusted. His powers are even a threat to Vampires, he's not to be messed with. Switcher

White Tiger Hunter

Vampires are a grave threat to the world, their power and abilities are next level surpassing many monsters and demons. One of the few threats against them are the Beast Men, the fathers of lycanthropes. When Libra learns that Leonardo can see the aura of vampires, it's clear he needs a proper

bodyguard. They get a transfer from their Leo branch and Mercenary becomes Leonardo's bodyguard and works with him to hunt vamps. Switcher Leonardo/Mercenary/Harem

Trace the Soul

Shirou Emiya has become the target of demons and monsters because he has a strange power. He's able to trace the soul of objects, in a way he can talk to objects he touches, using this he's solved murders by asking the appliances and objects in the room who or what did the deed, but there's more to his power than just that, manifestation where he can manifest an object's form. Lot of demons/monsters either want him dead or want him to build an army. It's up to Libra to find him and protect him. Leonardo/Shirou/Harem

Crimson Eyes

Leonardo has been with Libra for awhile and he wants to help fight, or at the very least defend himself. He goes through a procedure to make his blood a weapon. Because of his blessing he manifests the Crimson Eye, holding offwnsiand defensive powers. Hypno Leonardo/Harem

Crimson Shell

His sister always called him the turtle knight. When Leonardo goes through the process to get a blood technique he can

manifest a powerful crimson Shell. He's a shielder type that can charge and smash. Bottom Leonardo/Harem

Demon Make Over

Zapp tricks Leonardo by giving him a coupon for a make over, to make himself more attractive and appealing.

Leonardo shouldn't have trusted him. He gets made over alright. He loses his dick, his balls made internal, he's got a pussy and now a cock tail. Zapp thinks this is hilarious and offers to pop Leonardo's cherry not a chance in hell. It's not all bad as a few guys show interest in him. C-Boy Cock Tail Leonardo/Harem

Succubus Tea

Zapp tries to prank the chief by switching out the normal tea with a blend of Succubus Tea, a strong aphrodisiac. The moron accidentally bought Incubus Tea, which guys aren't supposed to drink. Crimson Flames

Hisashi couldn't stand that his son was quirkless, so he brought his son to Hell Salem's Lot due to rumors of someone being able to grant or modify quirks. They found...someone/something that could make it happen, but a price had to be paid. Hisashi said he'd pay anything but the cost of giving Izuku a quirk was his own quirk. Izuku manifested crimson flames, flames that burned with the color of blood. Hisashi blames Izuku for it and goes down a dark path. Bottom Izuku/Harem

Right Hand of the Gods

Izuku's mother is so worried about her quirkless son. She decides to take him to Hell Salem's Lot a place where miracles are said to occur. They are faced with something otherworldly, and it demands a price. Inko pays it and Izuku is infused with the power of the Right Hand of the Gods. A divine quirk that puts a major target on Izuku's back. Four Arm Izuku/Leonardo/Harem

Left Hand of the Gods

Leonardo saw someone new receive a divine quirk, one that would very much help people. Izuku Midoriya was given the Left Hand of the Gods, gaining the power of stillness and peace. If Midoriya touches someone he can disable their quirk(s). With training he finds he can do so much more. Libra wants to use Izuku's power to stop Blood Breeds, monsters like AFO but who have drank the blood of their victims to gain powers. They are practically immortal, but one touch from Izuku nullifies everything, making them vulnerable to defeat. Izuku/Leonardo/Harem

Touch of the Gods

Izuku wished and wanted a quirk so badly. He hears of a place that grants wishes so he goes to Hell Salem's Lot, visiting his father over seas. A monstrous terror appears

before Izuku offering him power for a price. Izuku being young and desperate agrees and receives the Touch of the Gods a powerful quirk that would allow Izuku as many quirks as he so wished the catch? His body is a sponge if he touched anyone he drains their essence, strength, quirk, even their life force. With this quirk he can touch and reshape the quirks he's absorbed able to mesh and mend them and make them his own. The problem is his quirk is a constant, he can't touch anyone without draining them. Libra helps him but there may be no undoing what has been done.

Turtle Friends

Leo has the all seeing eyes of the gods, thanks to them he's able to catch the sight of turtle ninjas. Leonardo meets another Leonardo, and his brothers trained in ninjutsu. With Hell Salem's Lot going crazy they want to help from the shadows but Splinter felt it was too dangerous and with them getting caught on their first mission out. Watch feels bad, but thinks of a way they can work together.
