

Ah-Hem!

I.. I need  
to start  
packing so...

Oh, about that!  
Mei texted me  
saying she's got  
you covered!

Covered?  
What does  
she mean  
by that?

It means  
what it  
means!

That's  
helpful...

All she needs  
is your bountiful  
measurements

**Strip!**

CANT YOU  
MEASURE IT  
OVER MY  
CLOTHES...

**I can try but If I  
get them wrong  
Mei will kill me...**

**And your boobs  
might jiggle like  
crazy...**

**She's definitely  
going to be weird  
about it...**

**Still quite shy...  
Hmm, I know! How  
about I strip as well!  
Then you wont be  
as shy!**

Eh?

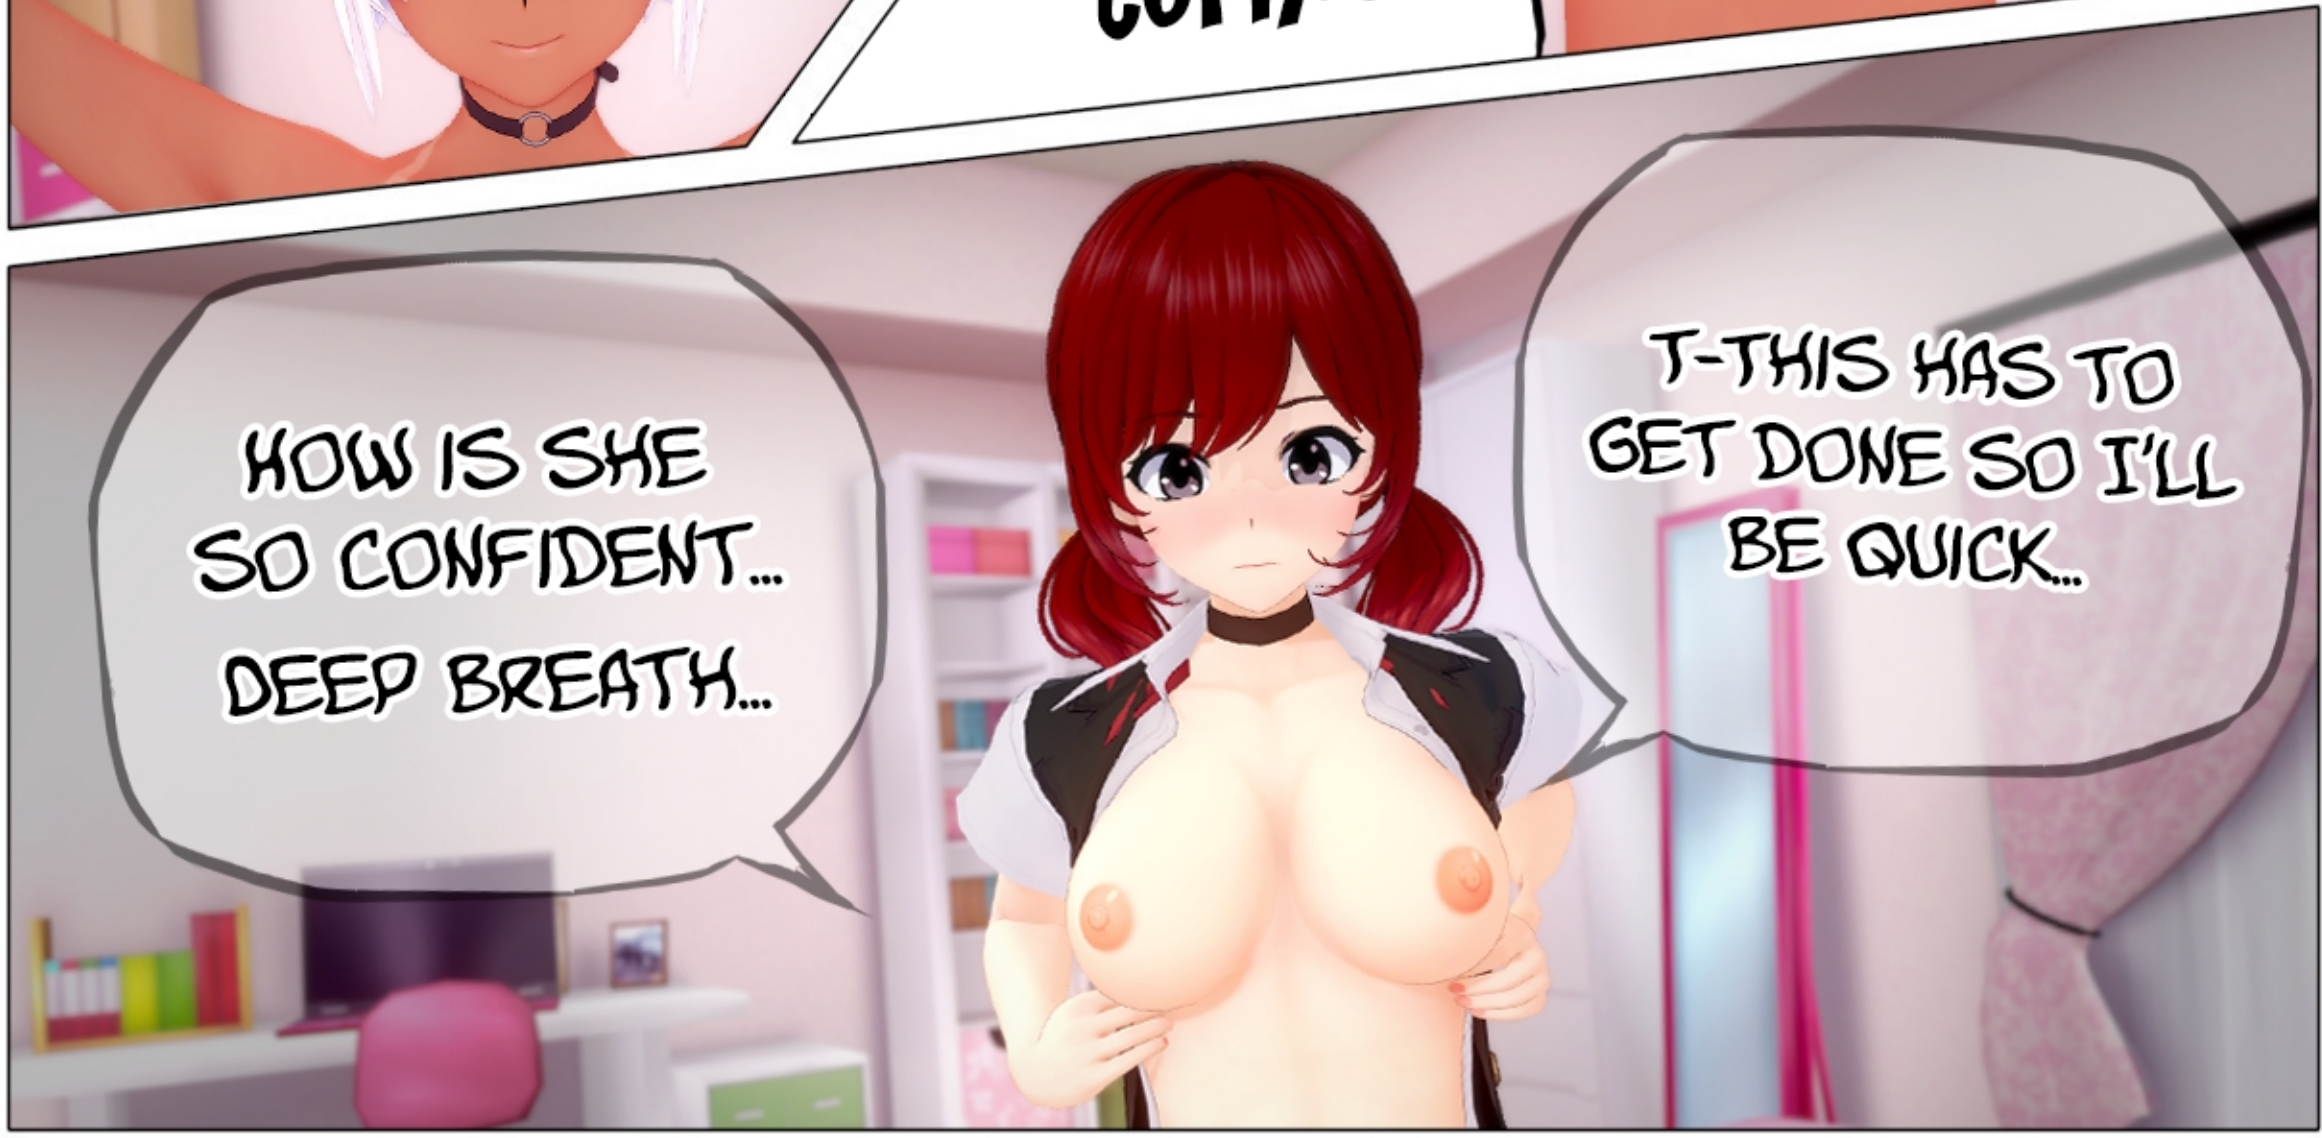

Gulp!

B  
O  
O  
B  
S

Your  
turn~

HOW IS SHE  
SO CONFIDENT...  
DEEP BREATH...

T-THIS HAS TO  
GET DONE SO I'LL  
BE QUICK...

Is this okay?

Woah!  
Those are some juicy melons!  
Come here~

She wont tease me if I act normal...

Ah...oo

Hmm

**You know, like  
bumps, lumps or  
weird sensations?**

**D-DO I  
NEED TO  
GO TO THE  
HOSPITAL?!**

**Ah, Eh... No? Dont  
worry I can check  
for you. I'm used  
to checking.**

**You know how  
to do something...  
Wow...**

**Hey! That was  
uncalled for.  
I know stuff...  
I think...**

**I was just gonna  
do a quick check,  
but now I'm gonna do  
a super thorough one!**

**Come  
here~**

**Meanwhile...**

**D-Cup...  
Hmm, That's  
quite the  
increase...**

**1 New Text Message!**

**I'd like the  
order for Leona  
to be adjusted  
to D-Cup.**

**Right away  
Ma'am!**

**The upper floor  
still operates as  
a mature store  
correct?**

**That's correct Ma'am  
Is there something  
you want me to  
procure?**

**Indeed.**

**I'd like another  
chastity device  
something more  
long term.**

**Long term...  
Hmm, would you  
prefer a cage or  
belt?**

Meanwhile...

I guess  
it's time I  
tell them.

Ring!

Ring!

Ka-chik!

Hello?

T-THIS IS  
AGENT LILITH...  
H-HE'S DEAD!

A fake body, charred beyond  
recognition, will easily put an  
end to the government's pursuit.  
They'll have no reason to look for  
someone they believe is dead,

But the client... He won't  
be so easily convinced. He's  
probably already realised  
I've been eliminating them  
one by one...

That's  
a shame..  
We were  
so close.

***But I don't need to worry  
about them for long, as  
my other client will soon  
be rising to power.***
