Story and  
art by  
Mr Phoenyxx

Sapphire had finished fixing all of the captives, leaving all of them sexier than ever before.

And most of them were  
a little bit smarter too,  
though not all of them  
ended up that way.

Either way, she let them all go free and then moved to another lab to re-examine the entire process from start to finish.

Which has inspired her to create a new, and hopefully improved, chamber to restore her figure.

WELL,  
I GUESS  
THERE IS NOTHING  
LEFT NOW BUT TO  
GIVE IT A  
TRY.

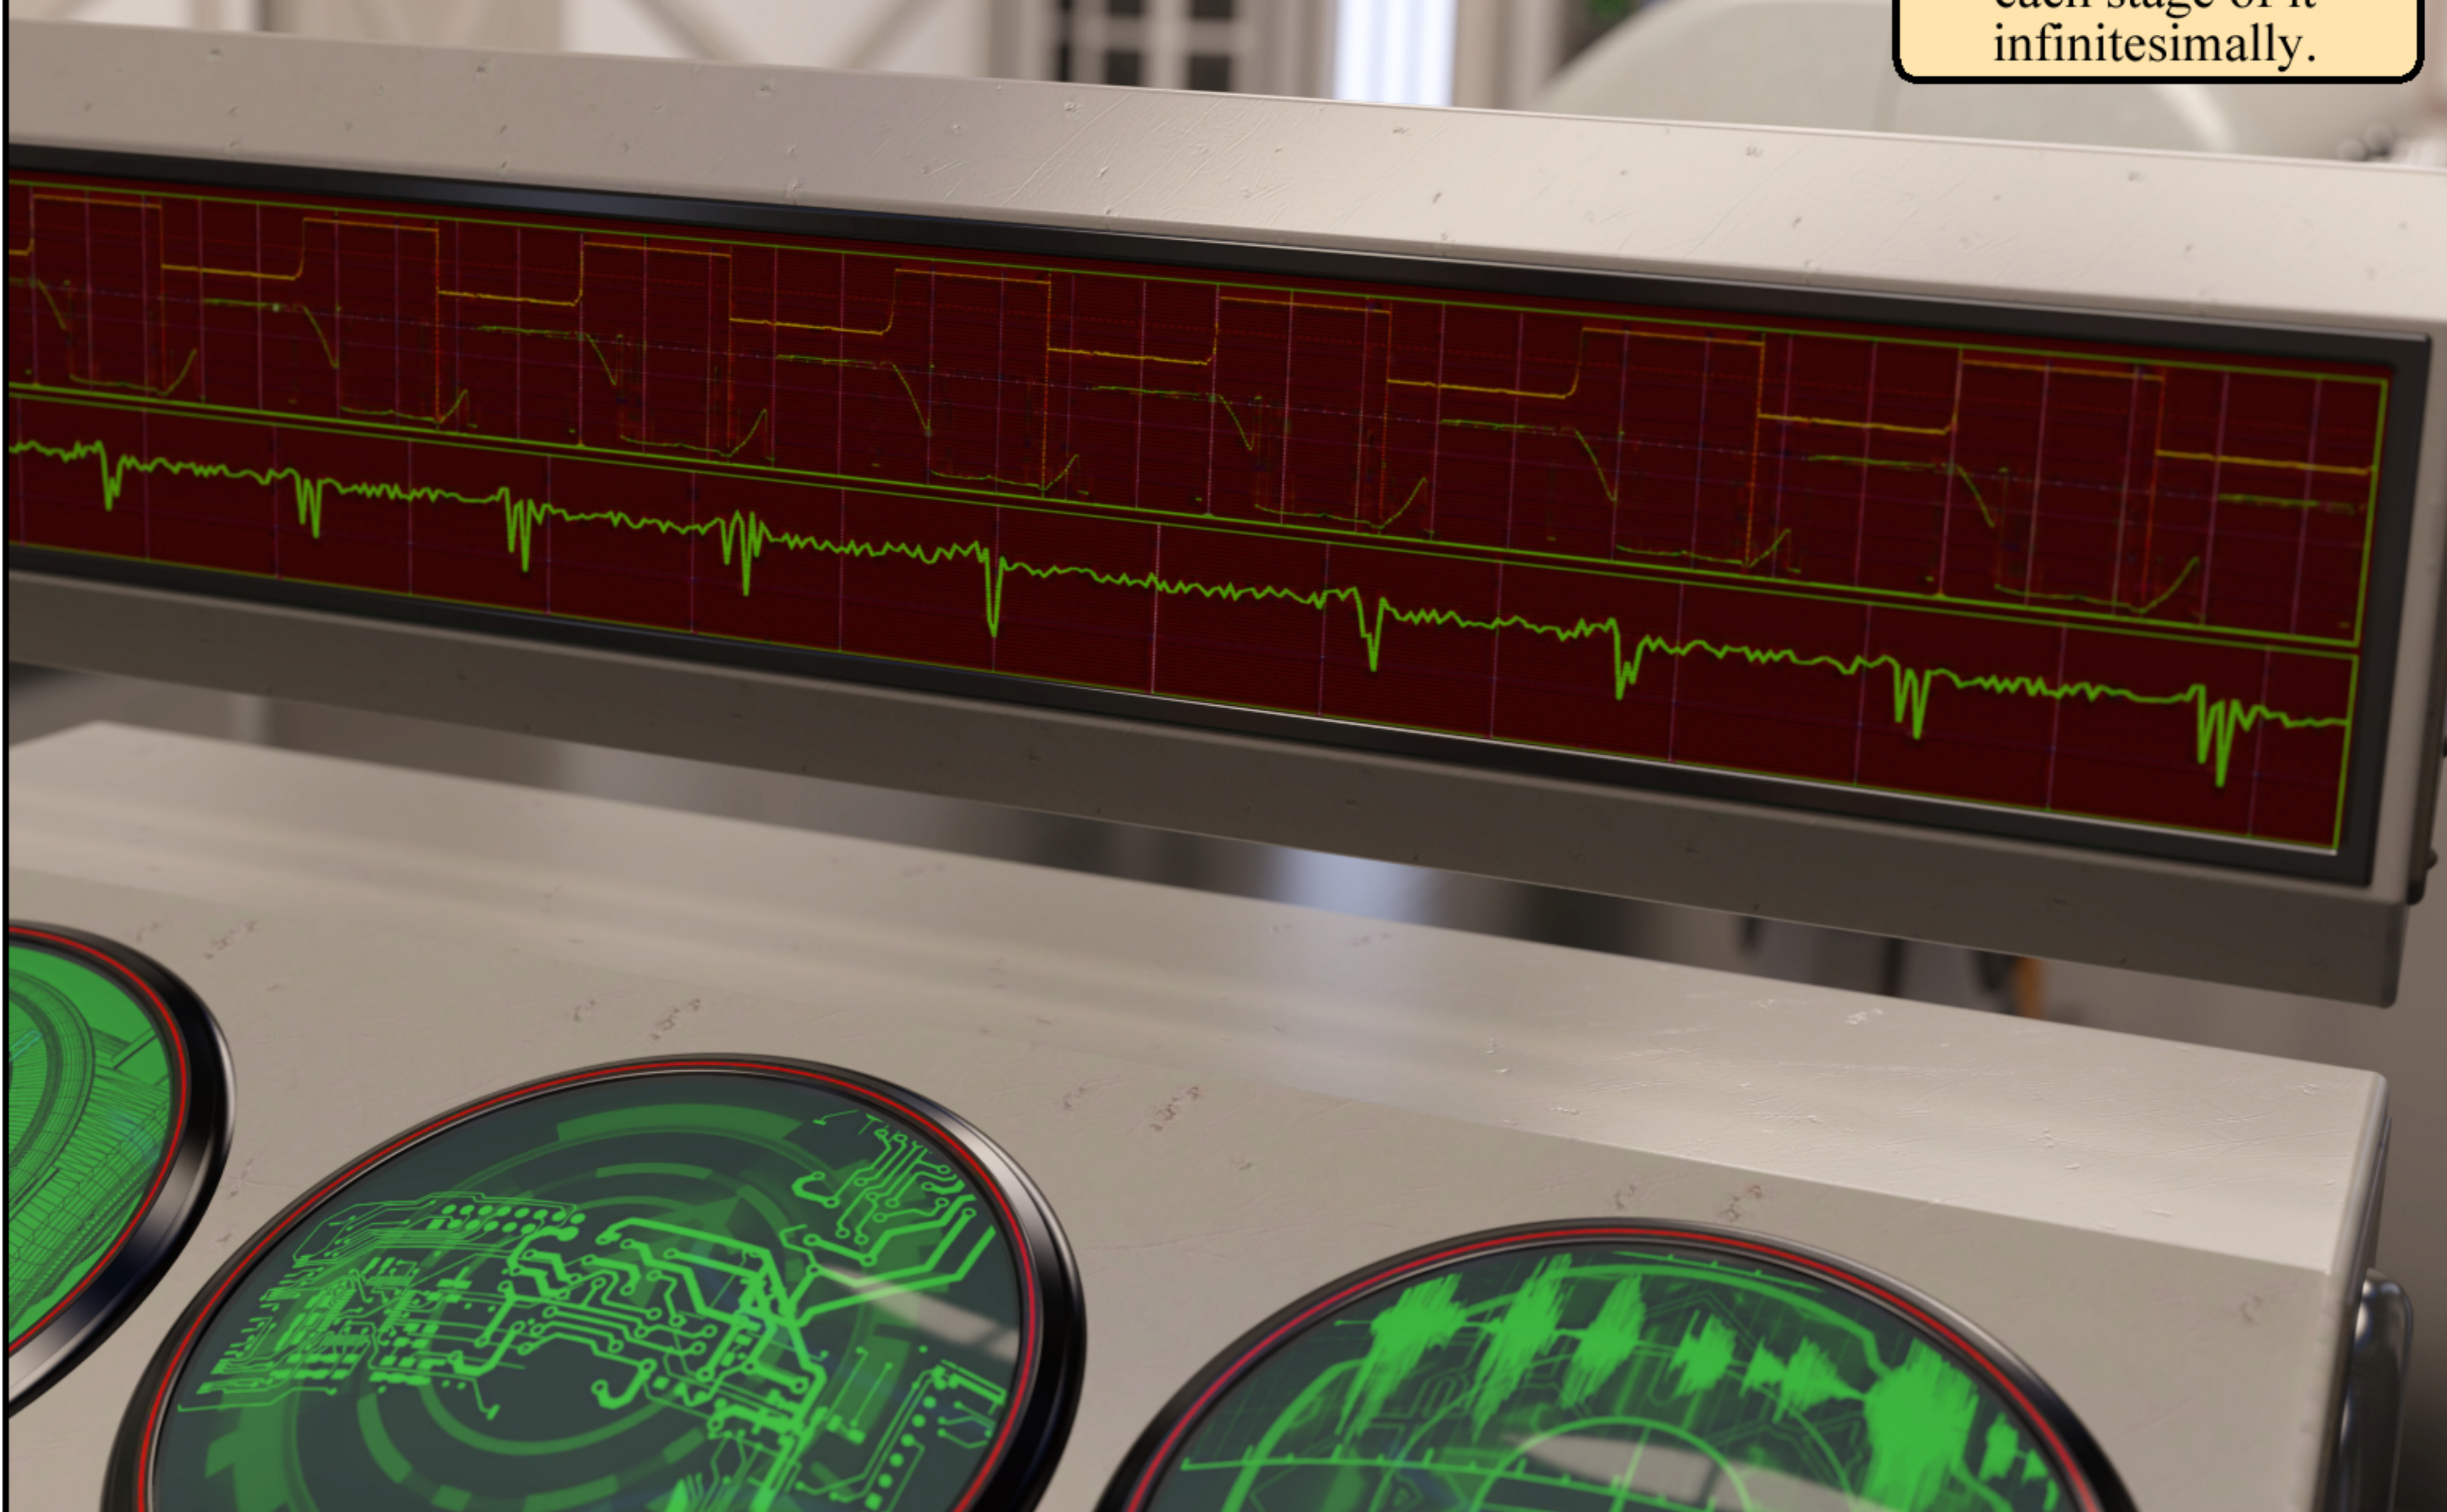

The final set of commands were rapidly typed into the system. Sapphire moved at blinding speed that was almost not human.

Her speed was enabled by her astounding intellect, which was far beyond any two or three of the victims (even Dr. Stealz).

And she used it to make refinements to each phase of the process, improving each stage of it infinitesimally.

But she hoped that those tiny changes would add up to a major enhancement over all.

I REALLY HOPE THIS WORKS.

BECAUSE  
I AM GETTING  
REALLY FUCKING  
TIRED OF PEOPLE  
TAKING MY  
TITTIES  
AWAY.

Refining the process  
had also given  
Sapphire some time to  
think other things over.

She knew that she had been a little jealous of Lana's insane figure, and she had truly enjoyed being obscenely sexy.

Sapphire had also thoroughly enjoyed being a ditzy nympho, but she suspected that some of her experiences in the game had affected her thinking in that regard.

And that was assuming that her brain hadn't just flat out been messed up by some of those events.

But now she had experienced being ridiculously smart and did not want to lose that.

WHHHIIRRR!

Click!

She still wanted the lewd body of a sex doll and the opportunity to enjoy unbelievable sex.

**WHHHIIRRR!**

**Click!**

However, she was no longer willing to have it at the expense of her intelligence.

Especially since that  
brilliance was making  
all of this possible,  
whereas before she was  
doing things at random.

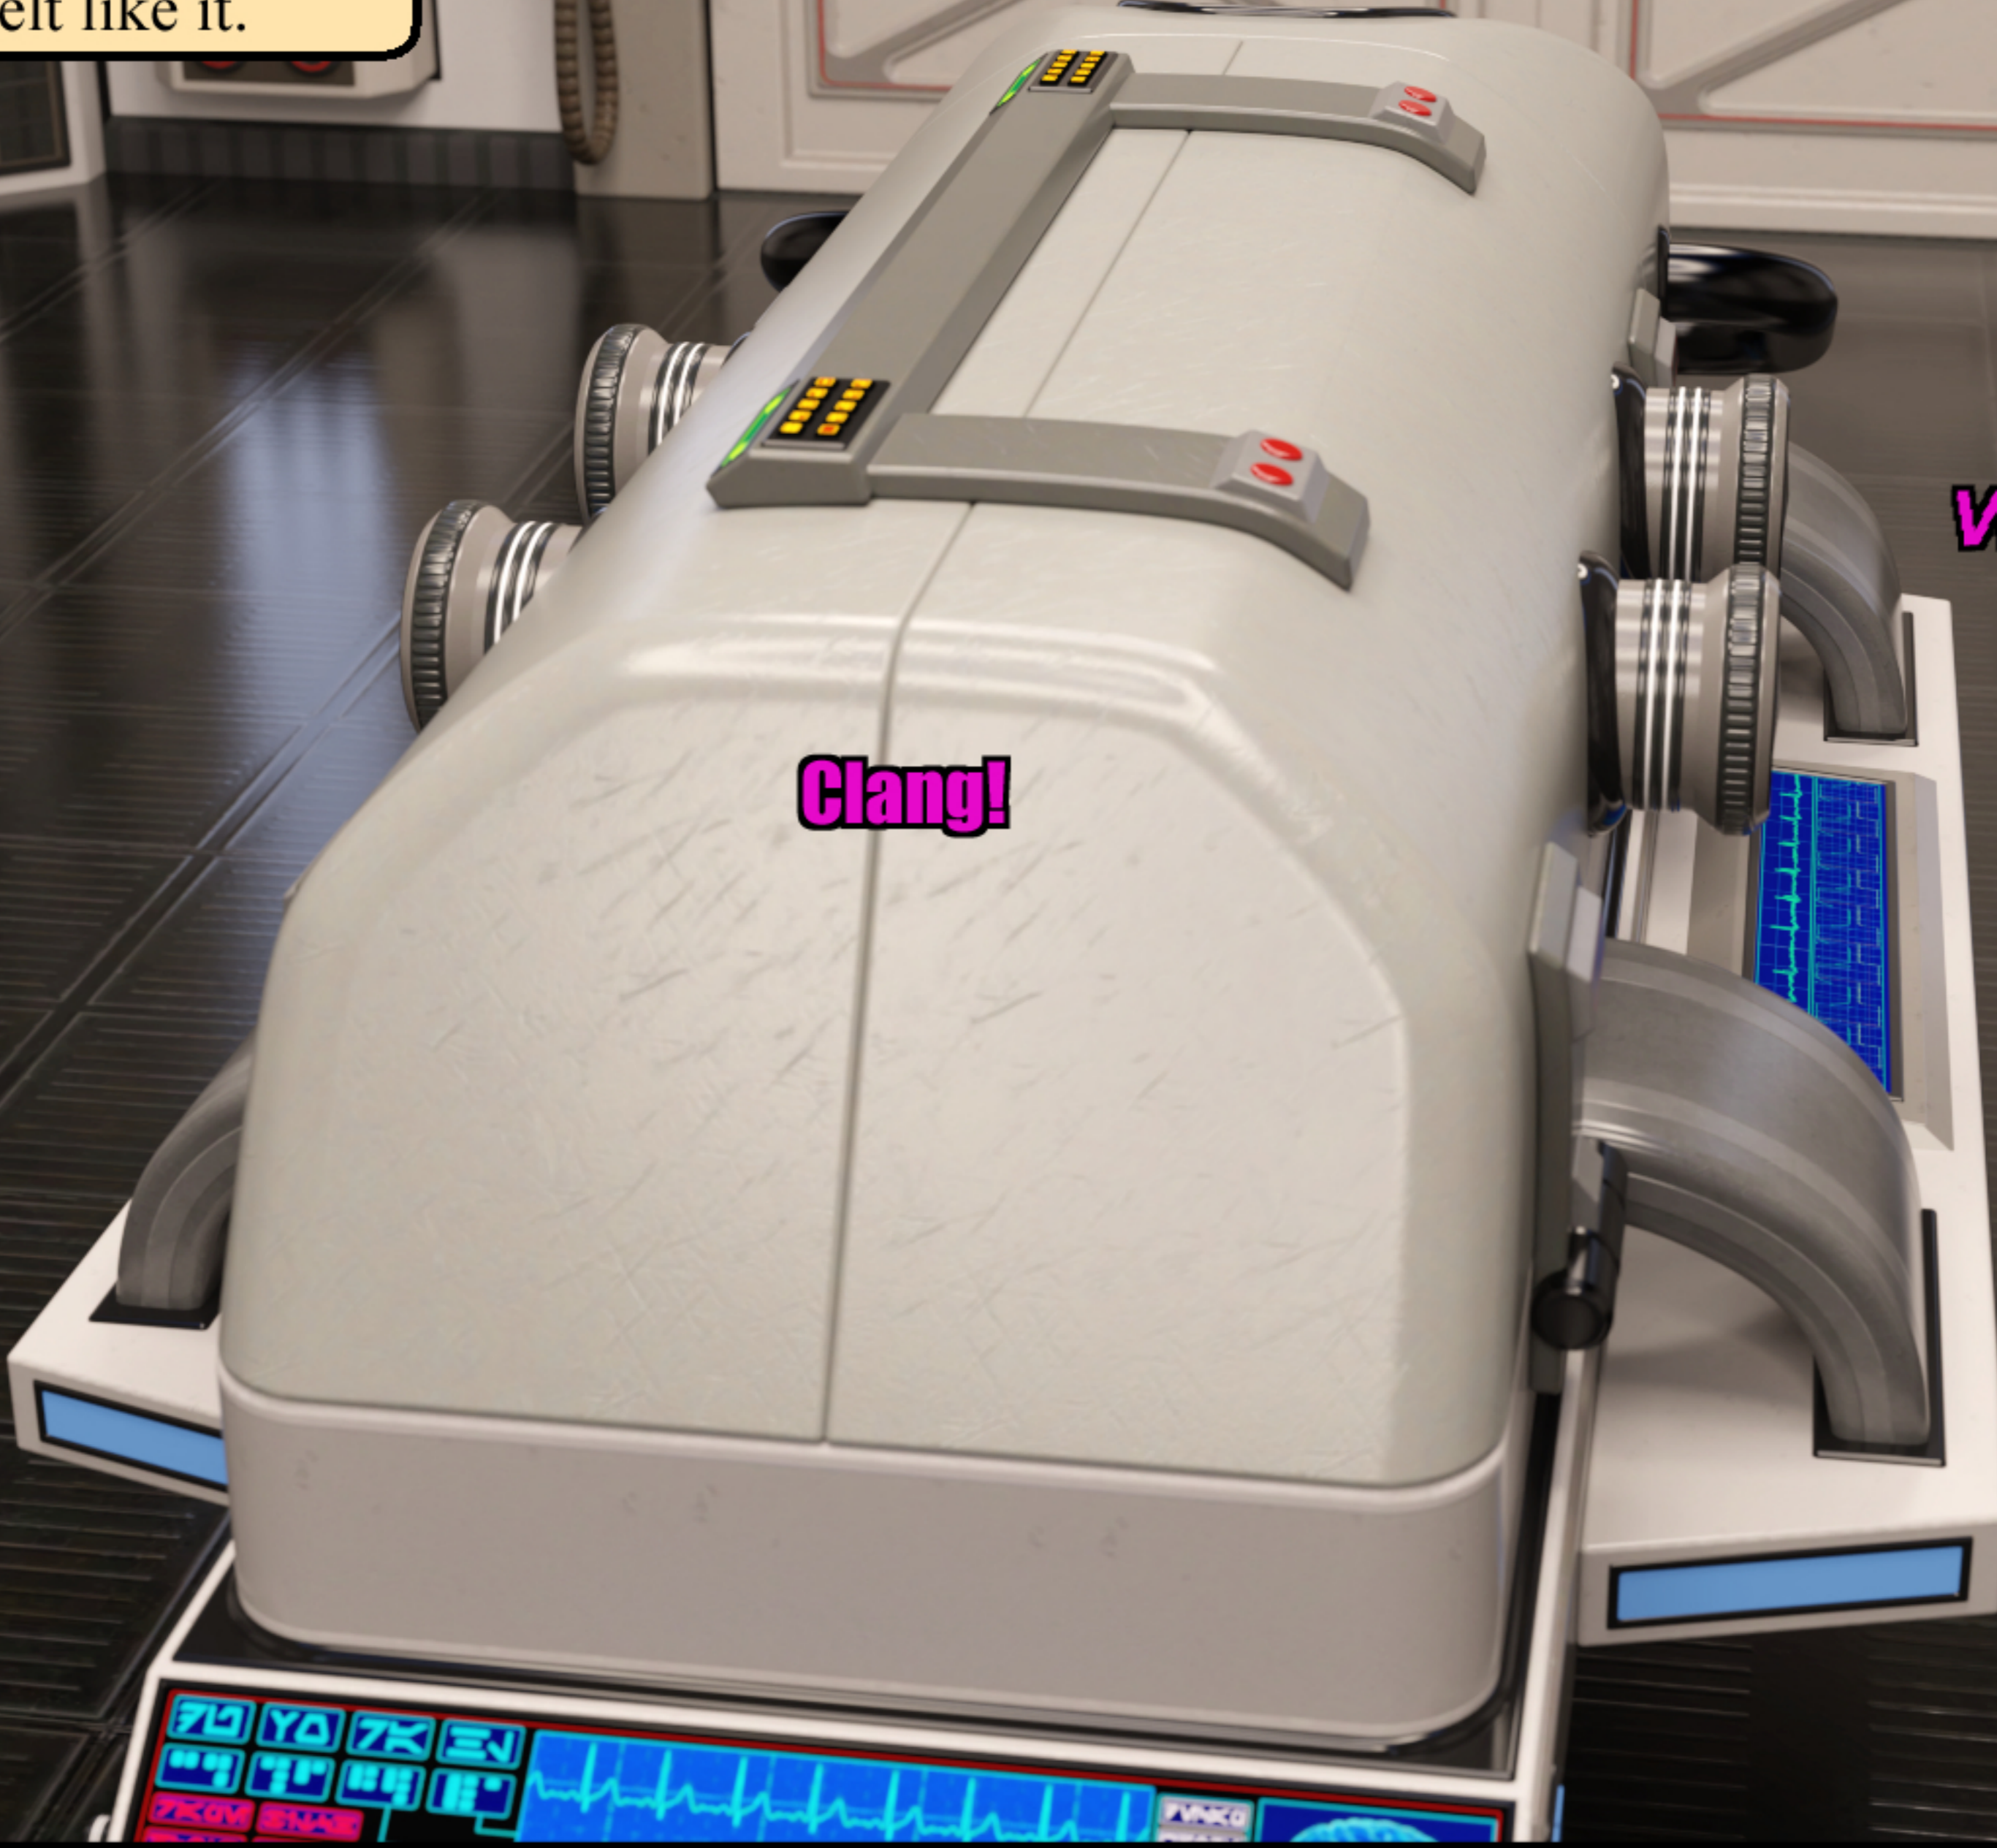

Now she wanted to perfect Dr. Stealz's process so that she could be as sexy or as smart as she pleased whenever she felt like it.

**WHHHIIRRR!**

**WHHHIIRRR!**

**Clang!**

So Sapphire had watched carefully and taken notes as the entire crew had improved the process.

**THHRRRUUMMM!**

Her body was bathed in morphogenic light from the layers of runes she had inscribed on the machine as it powered up.

**VAH-WOOOSSSHHH!**

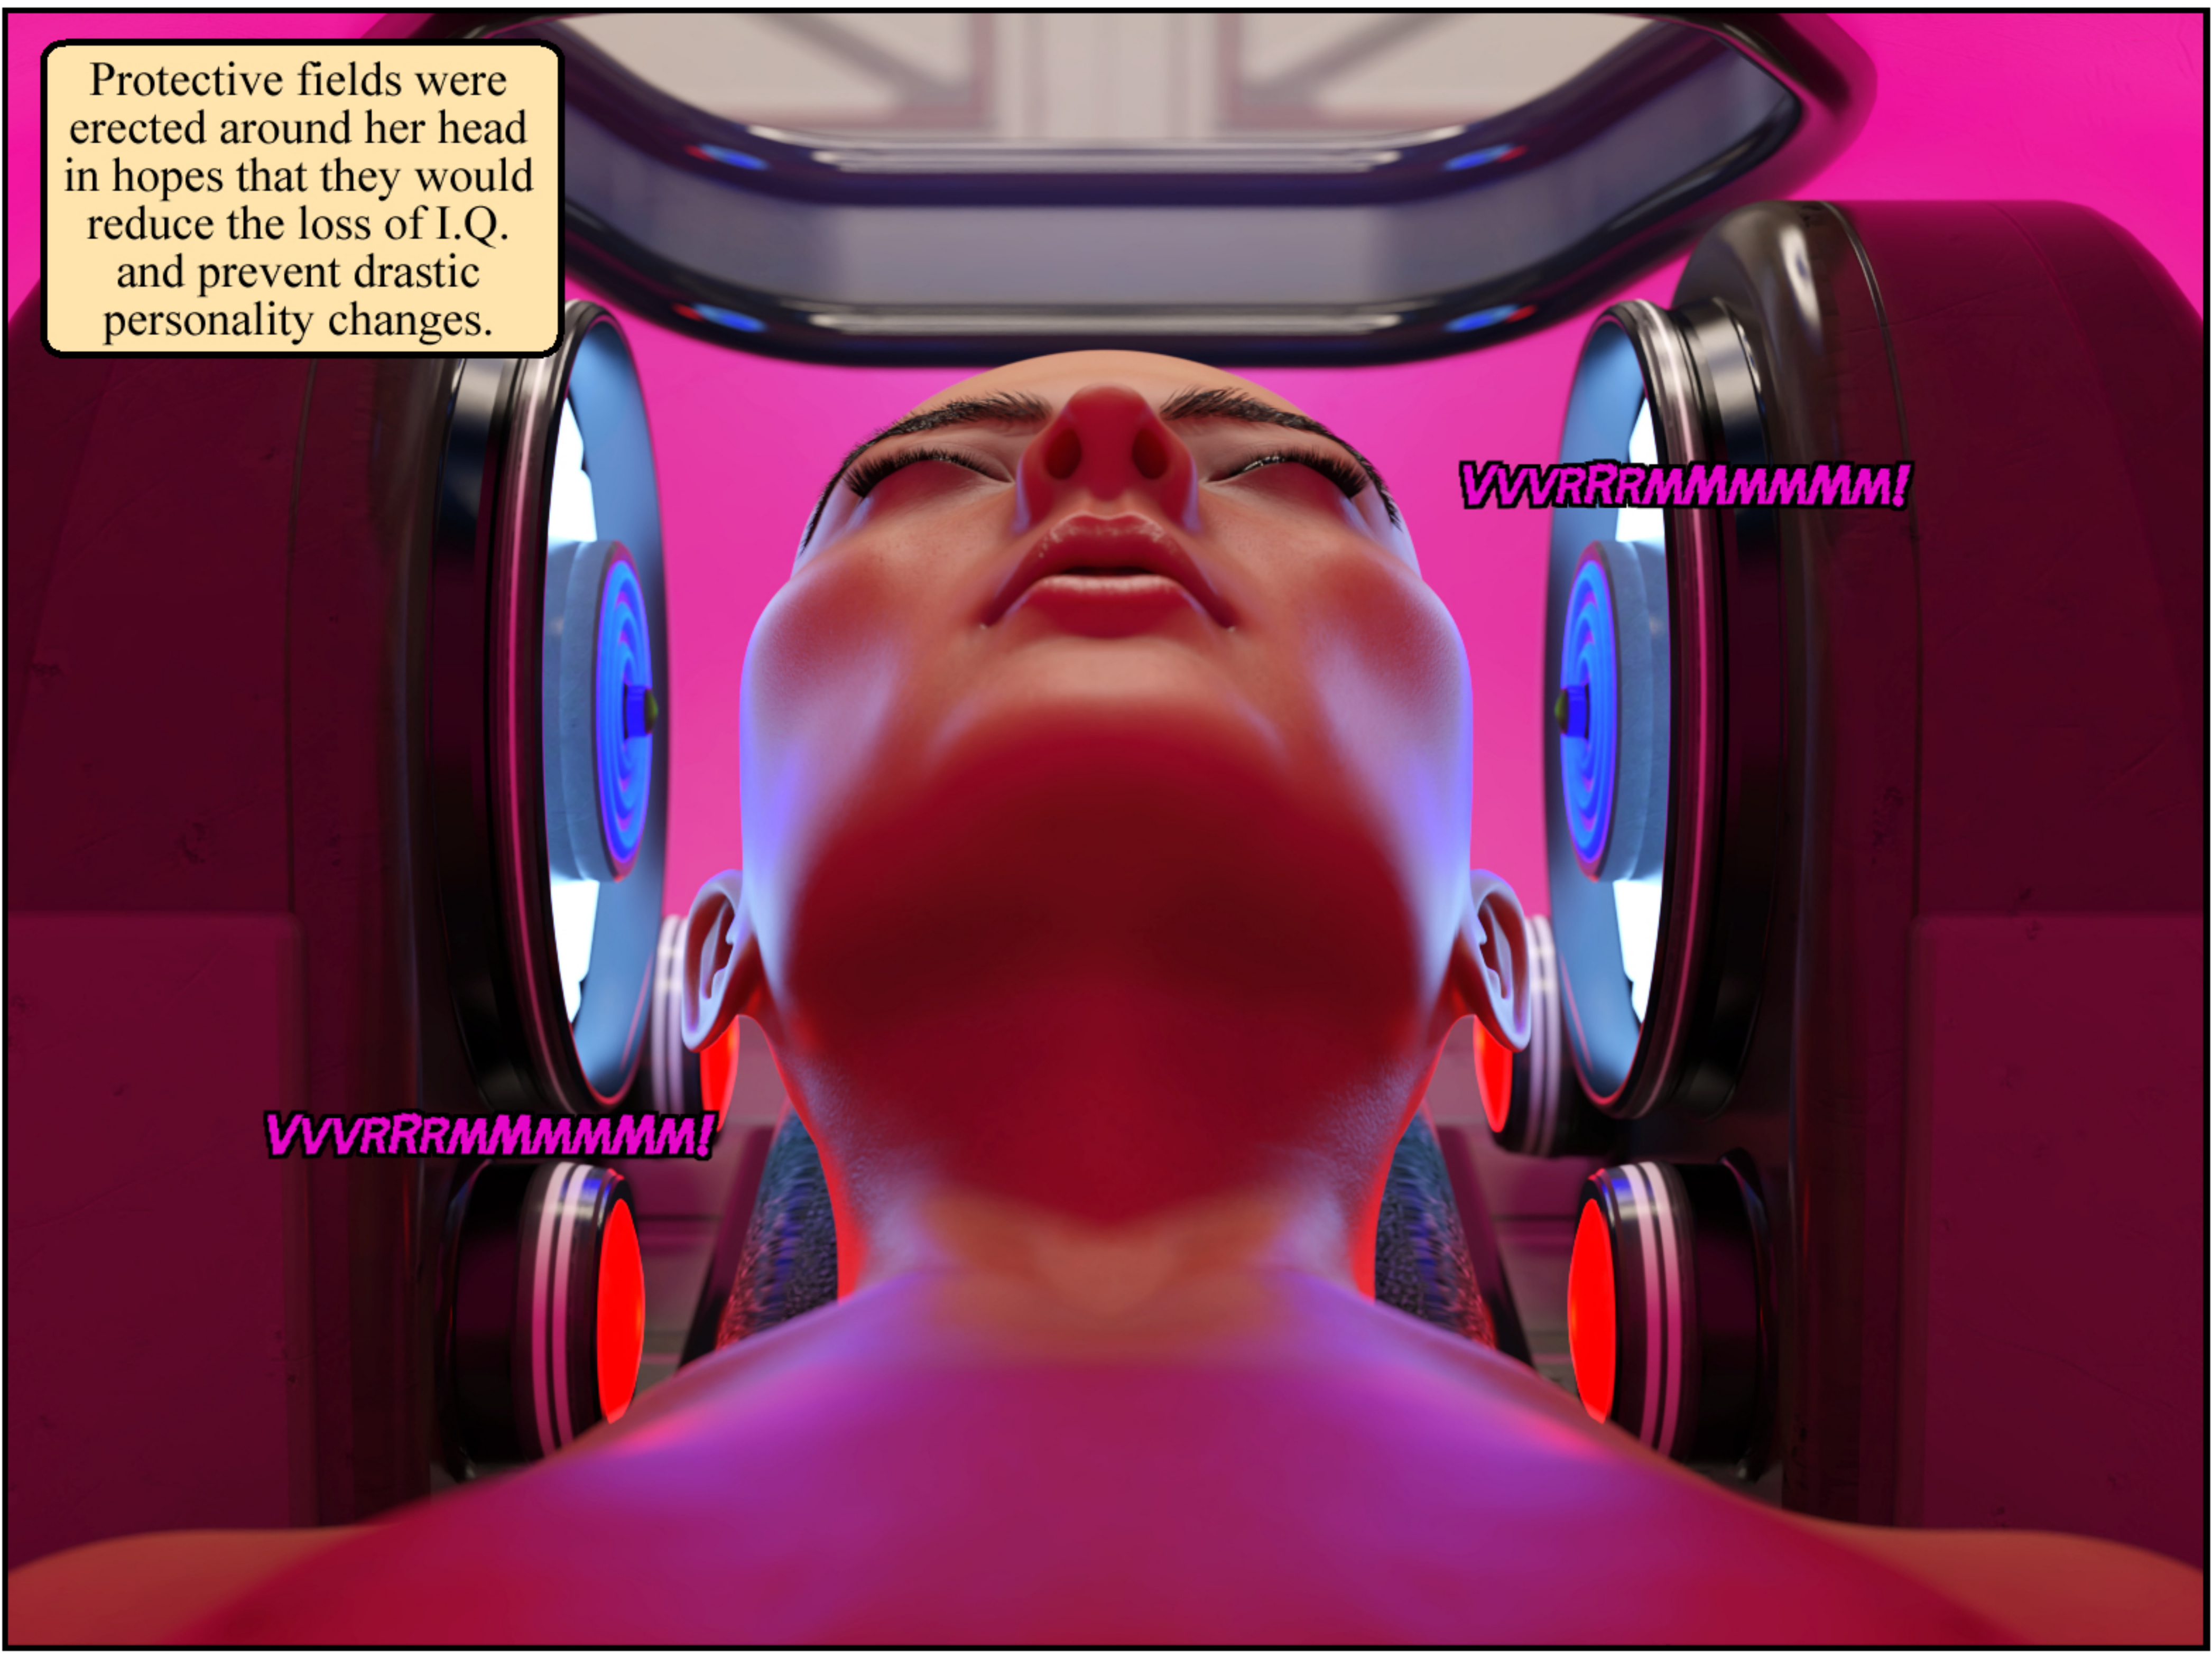

**VAH-WOOOSSSHHH!**

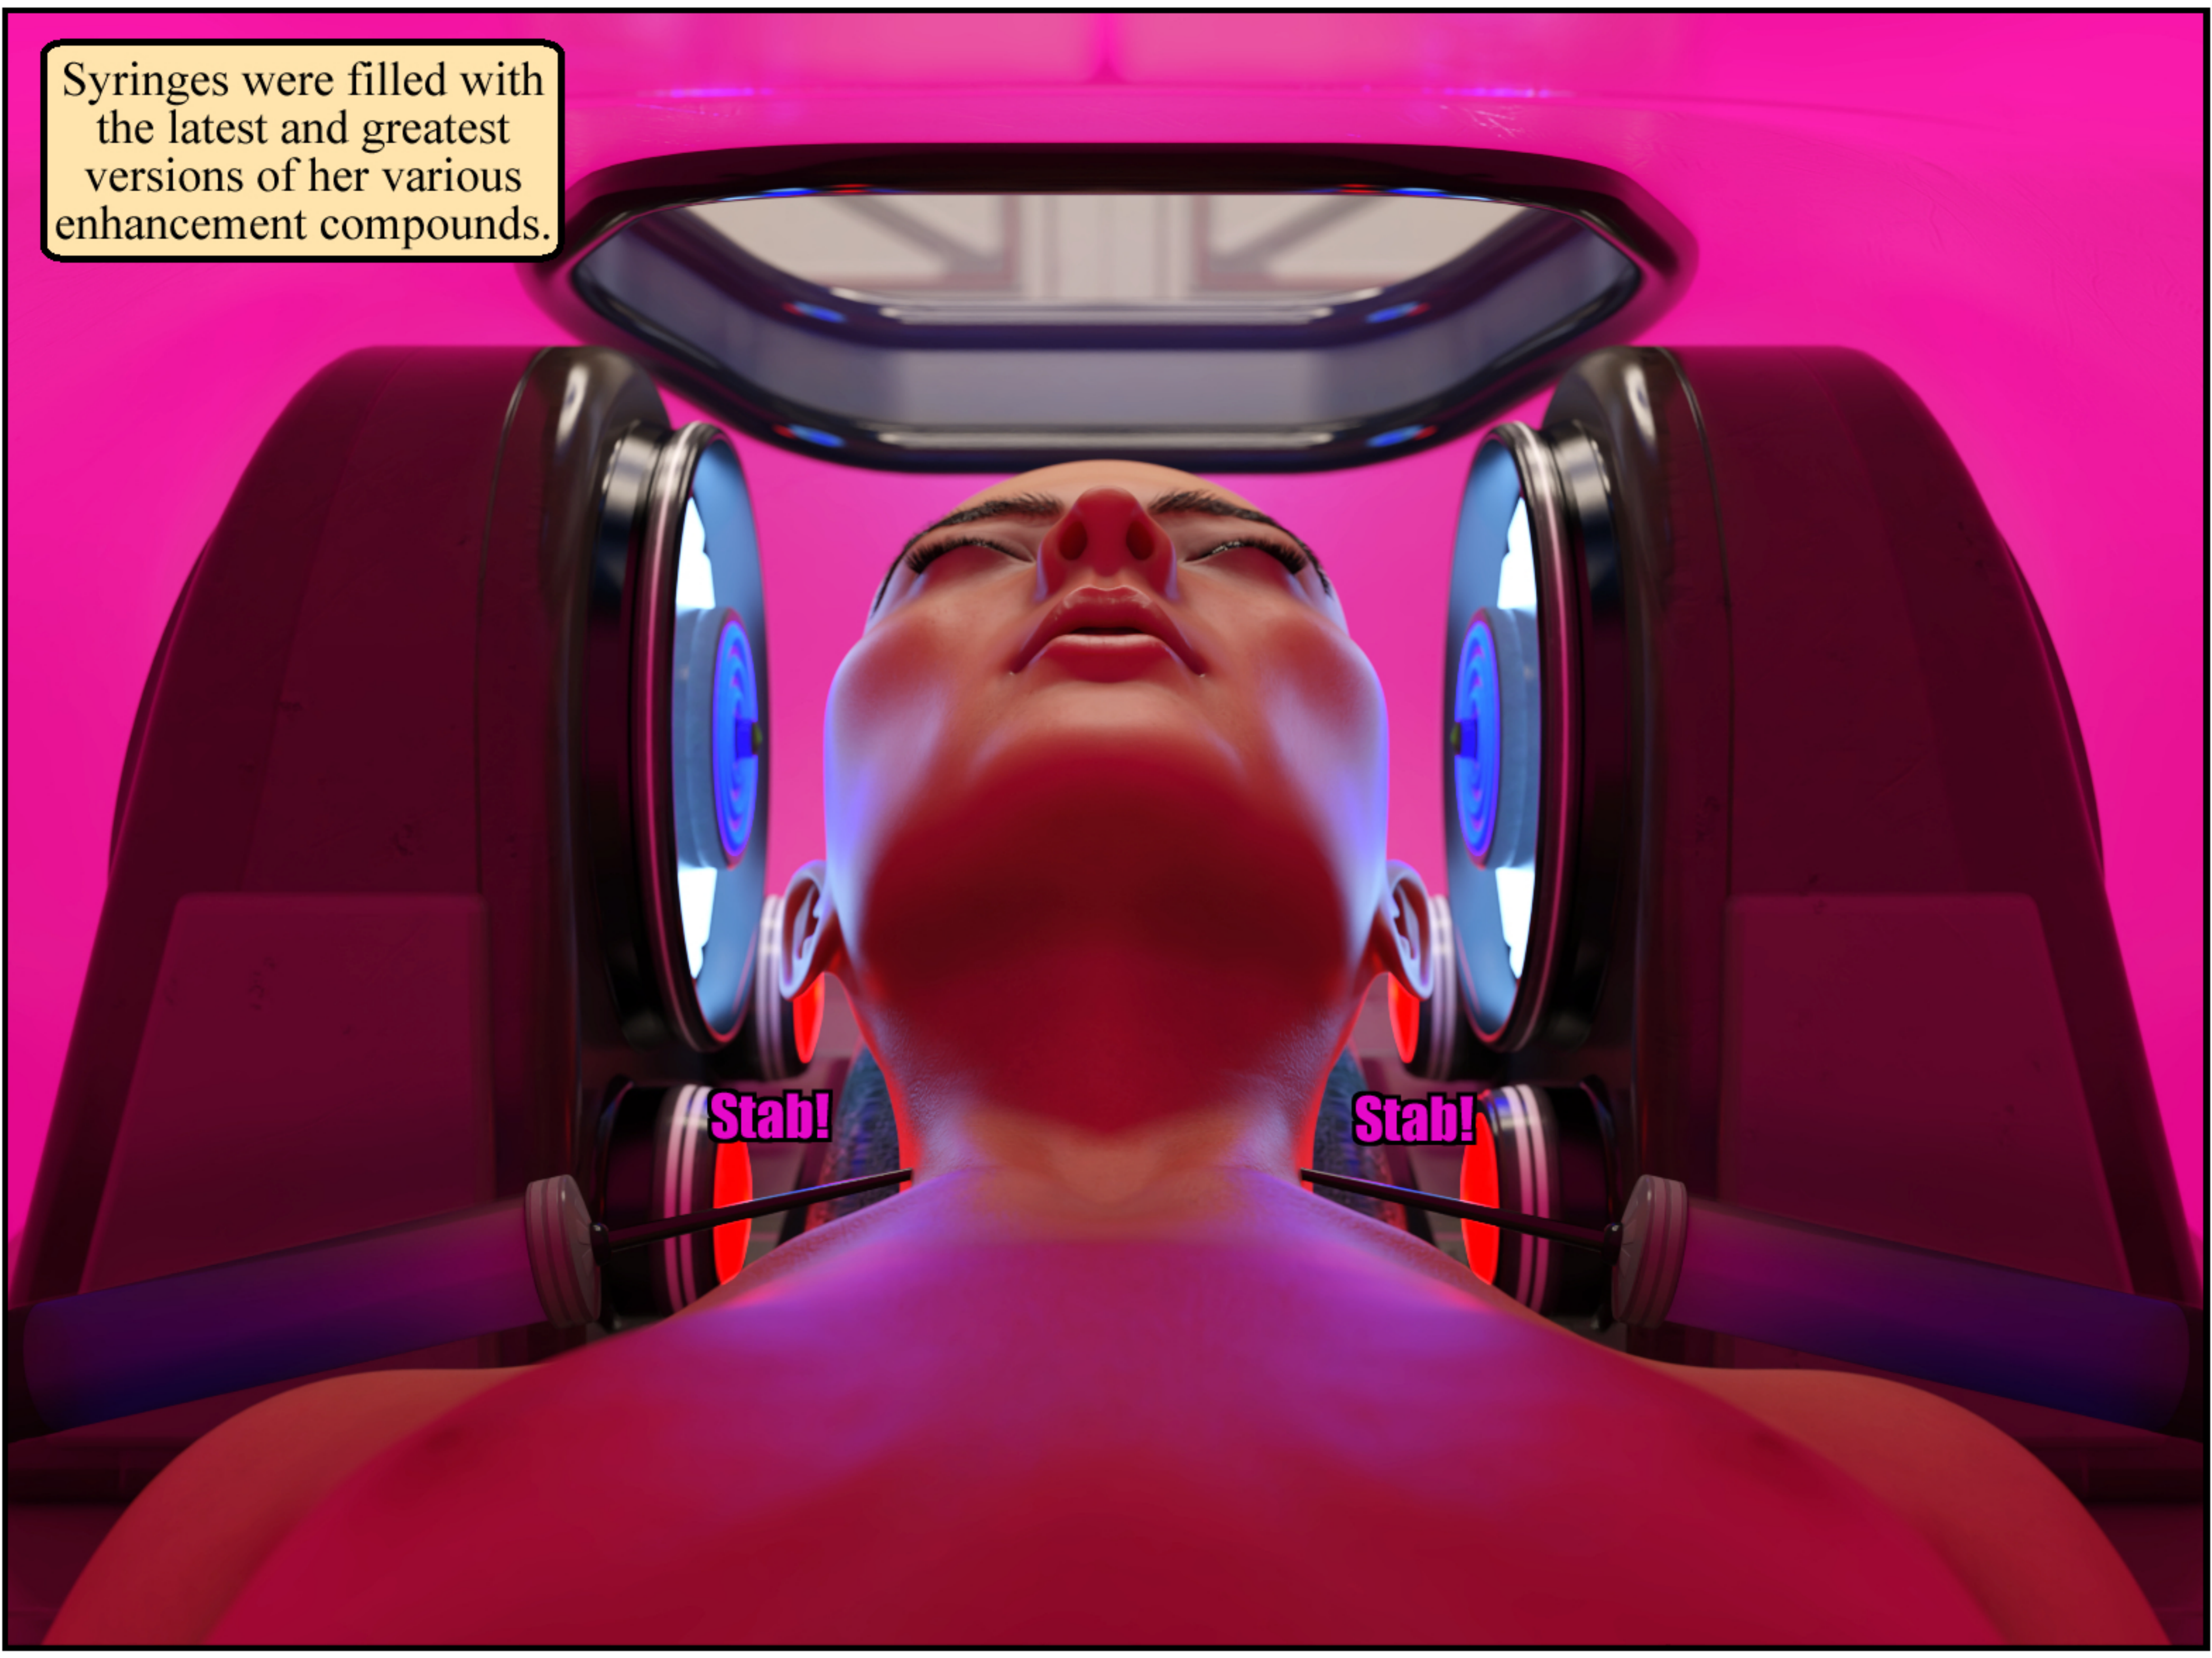

Protective fields were erected around her head in hopes that they would reduce the loss of I.Q. and prevent drastic personality changes.

**VVVRRRRMMMMMM!**

**VVVRRRRMMMMMM!**

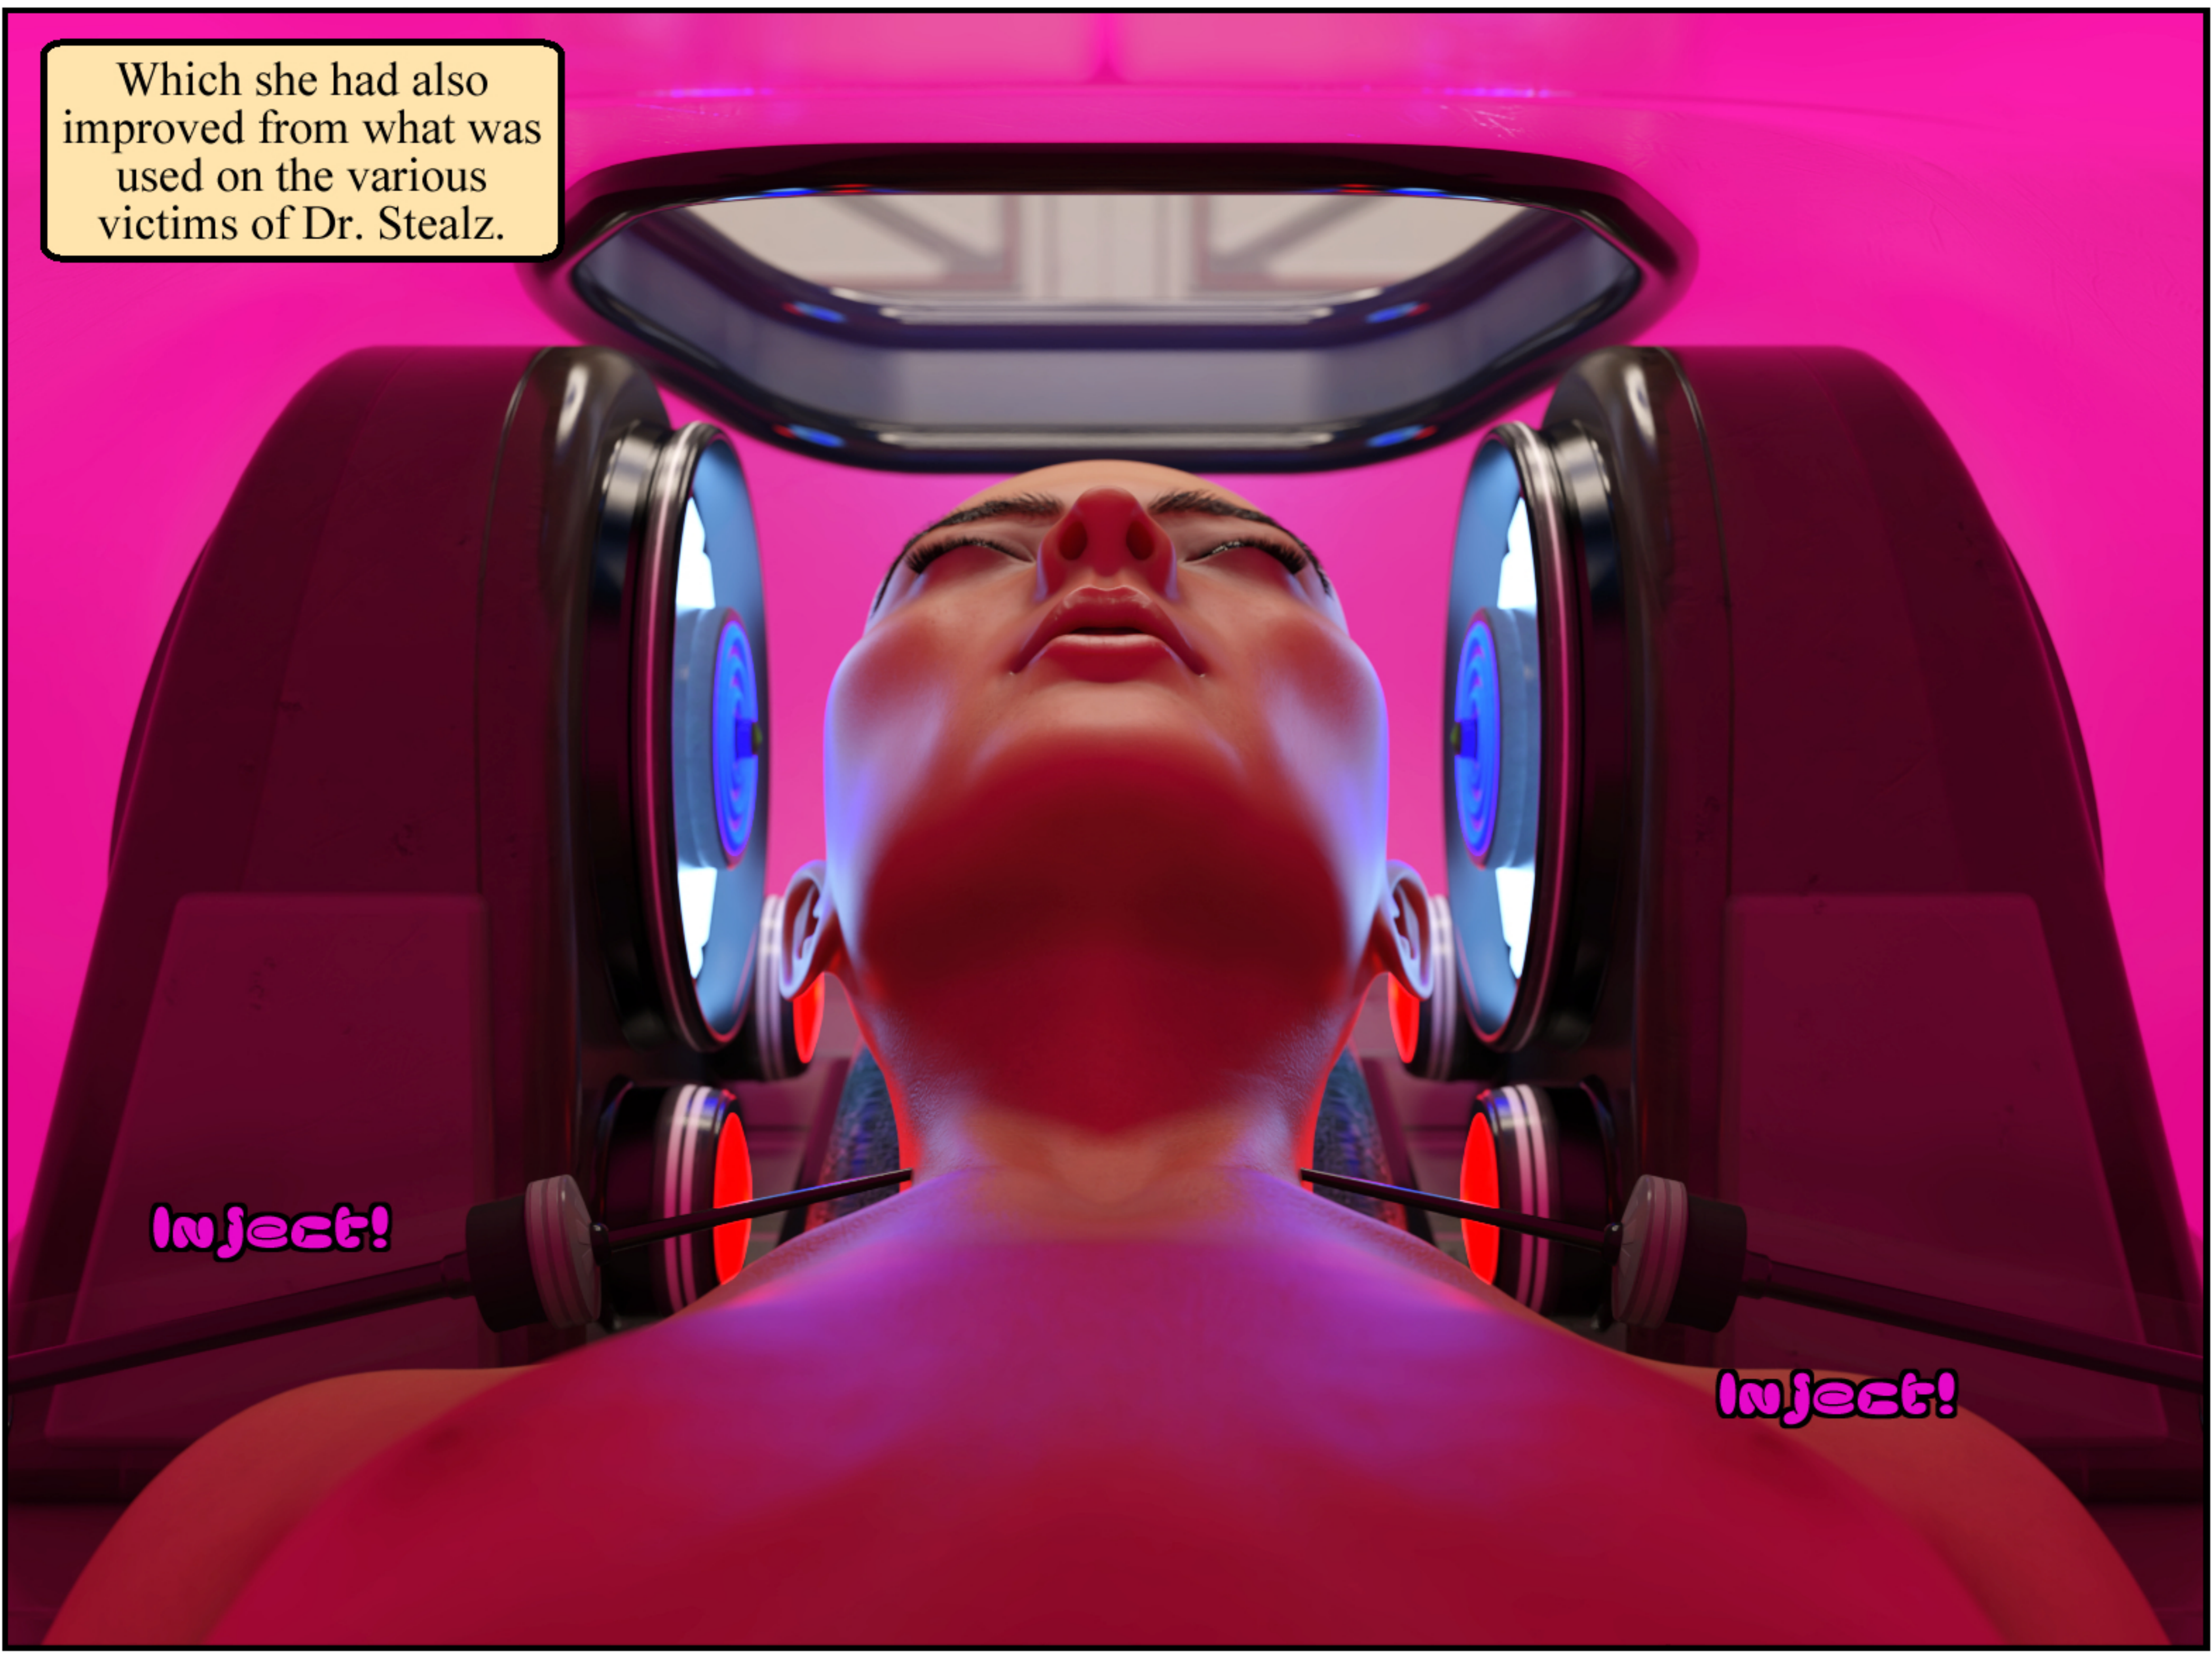

Syringes were filled with the latest and greatest versions of her various enhancement compounds.

**Stab!**

**Stab!**

Which she had also improved from what was used on the various victims of Dr. Stealz.

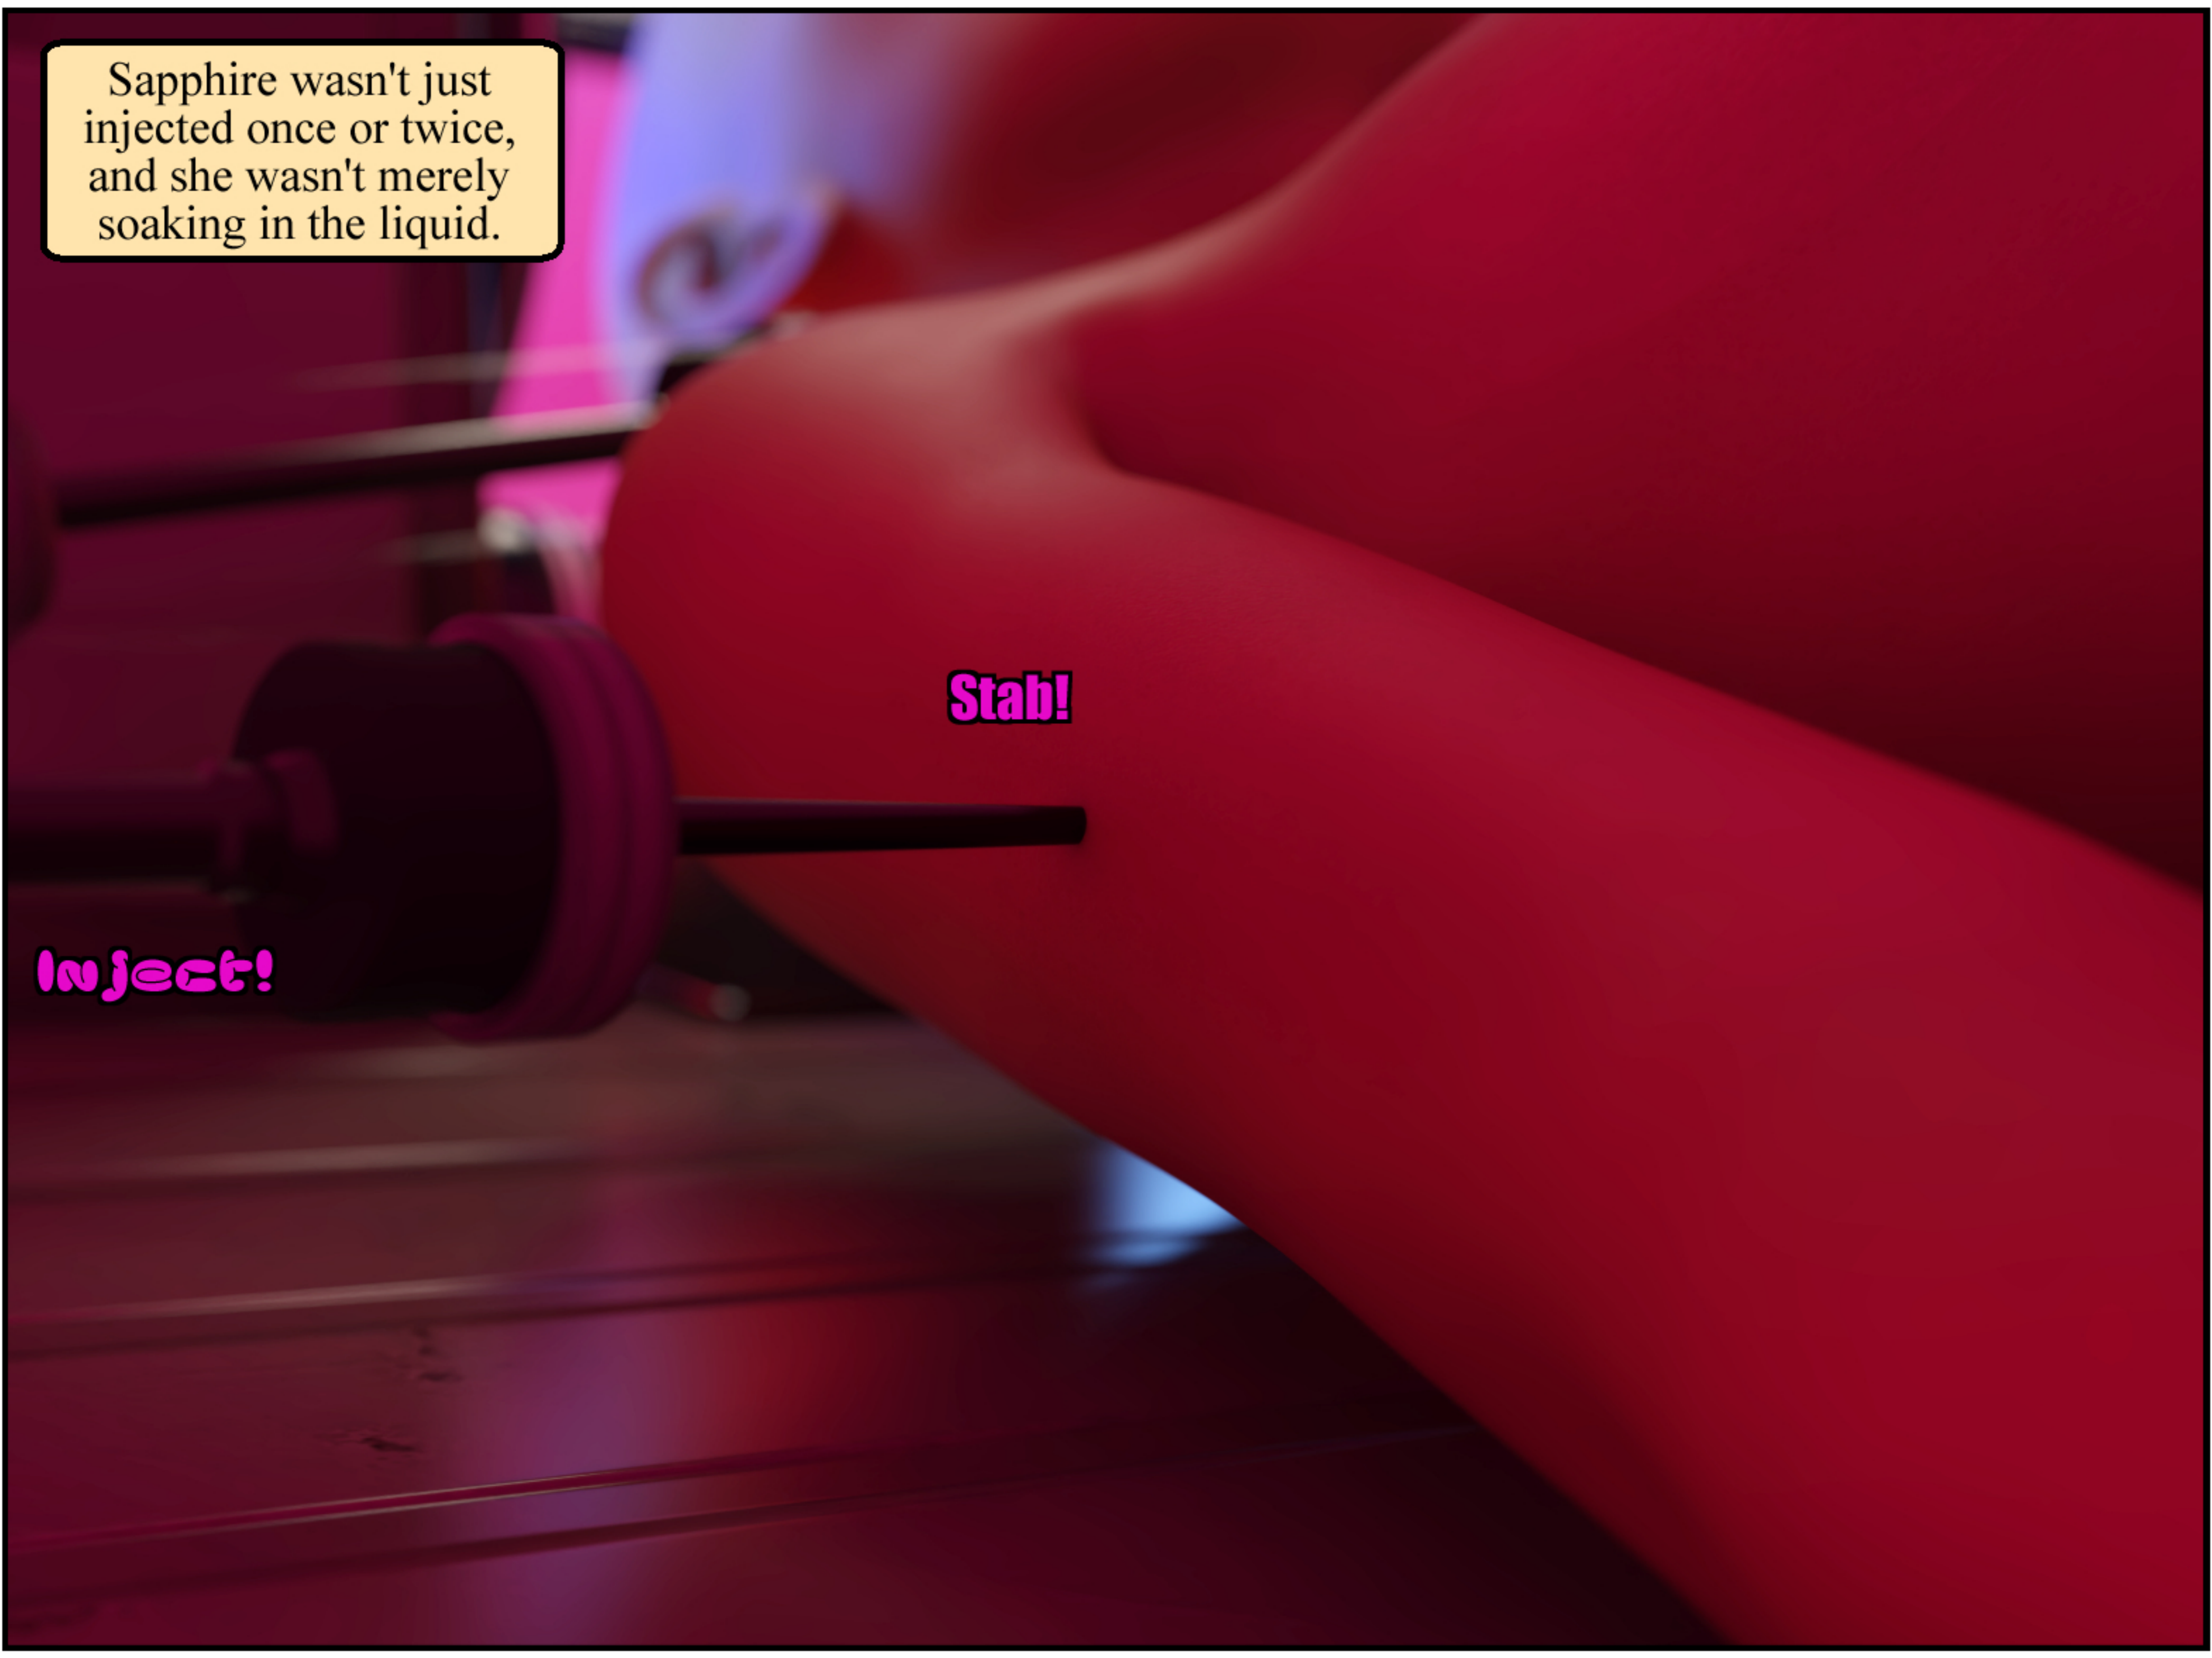

**Inject!**

**Inject!**

Sapphire wasn't just injected once or twice, and she wasn't merely soaking in the liquid.

**Stab!**

**Inject!**

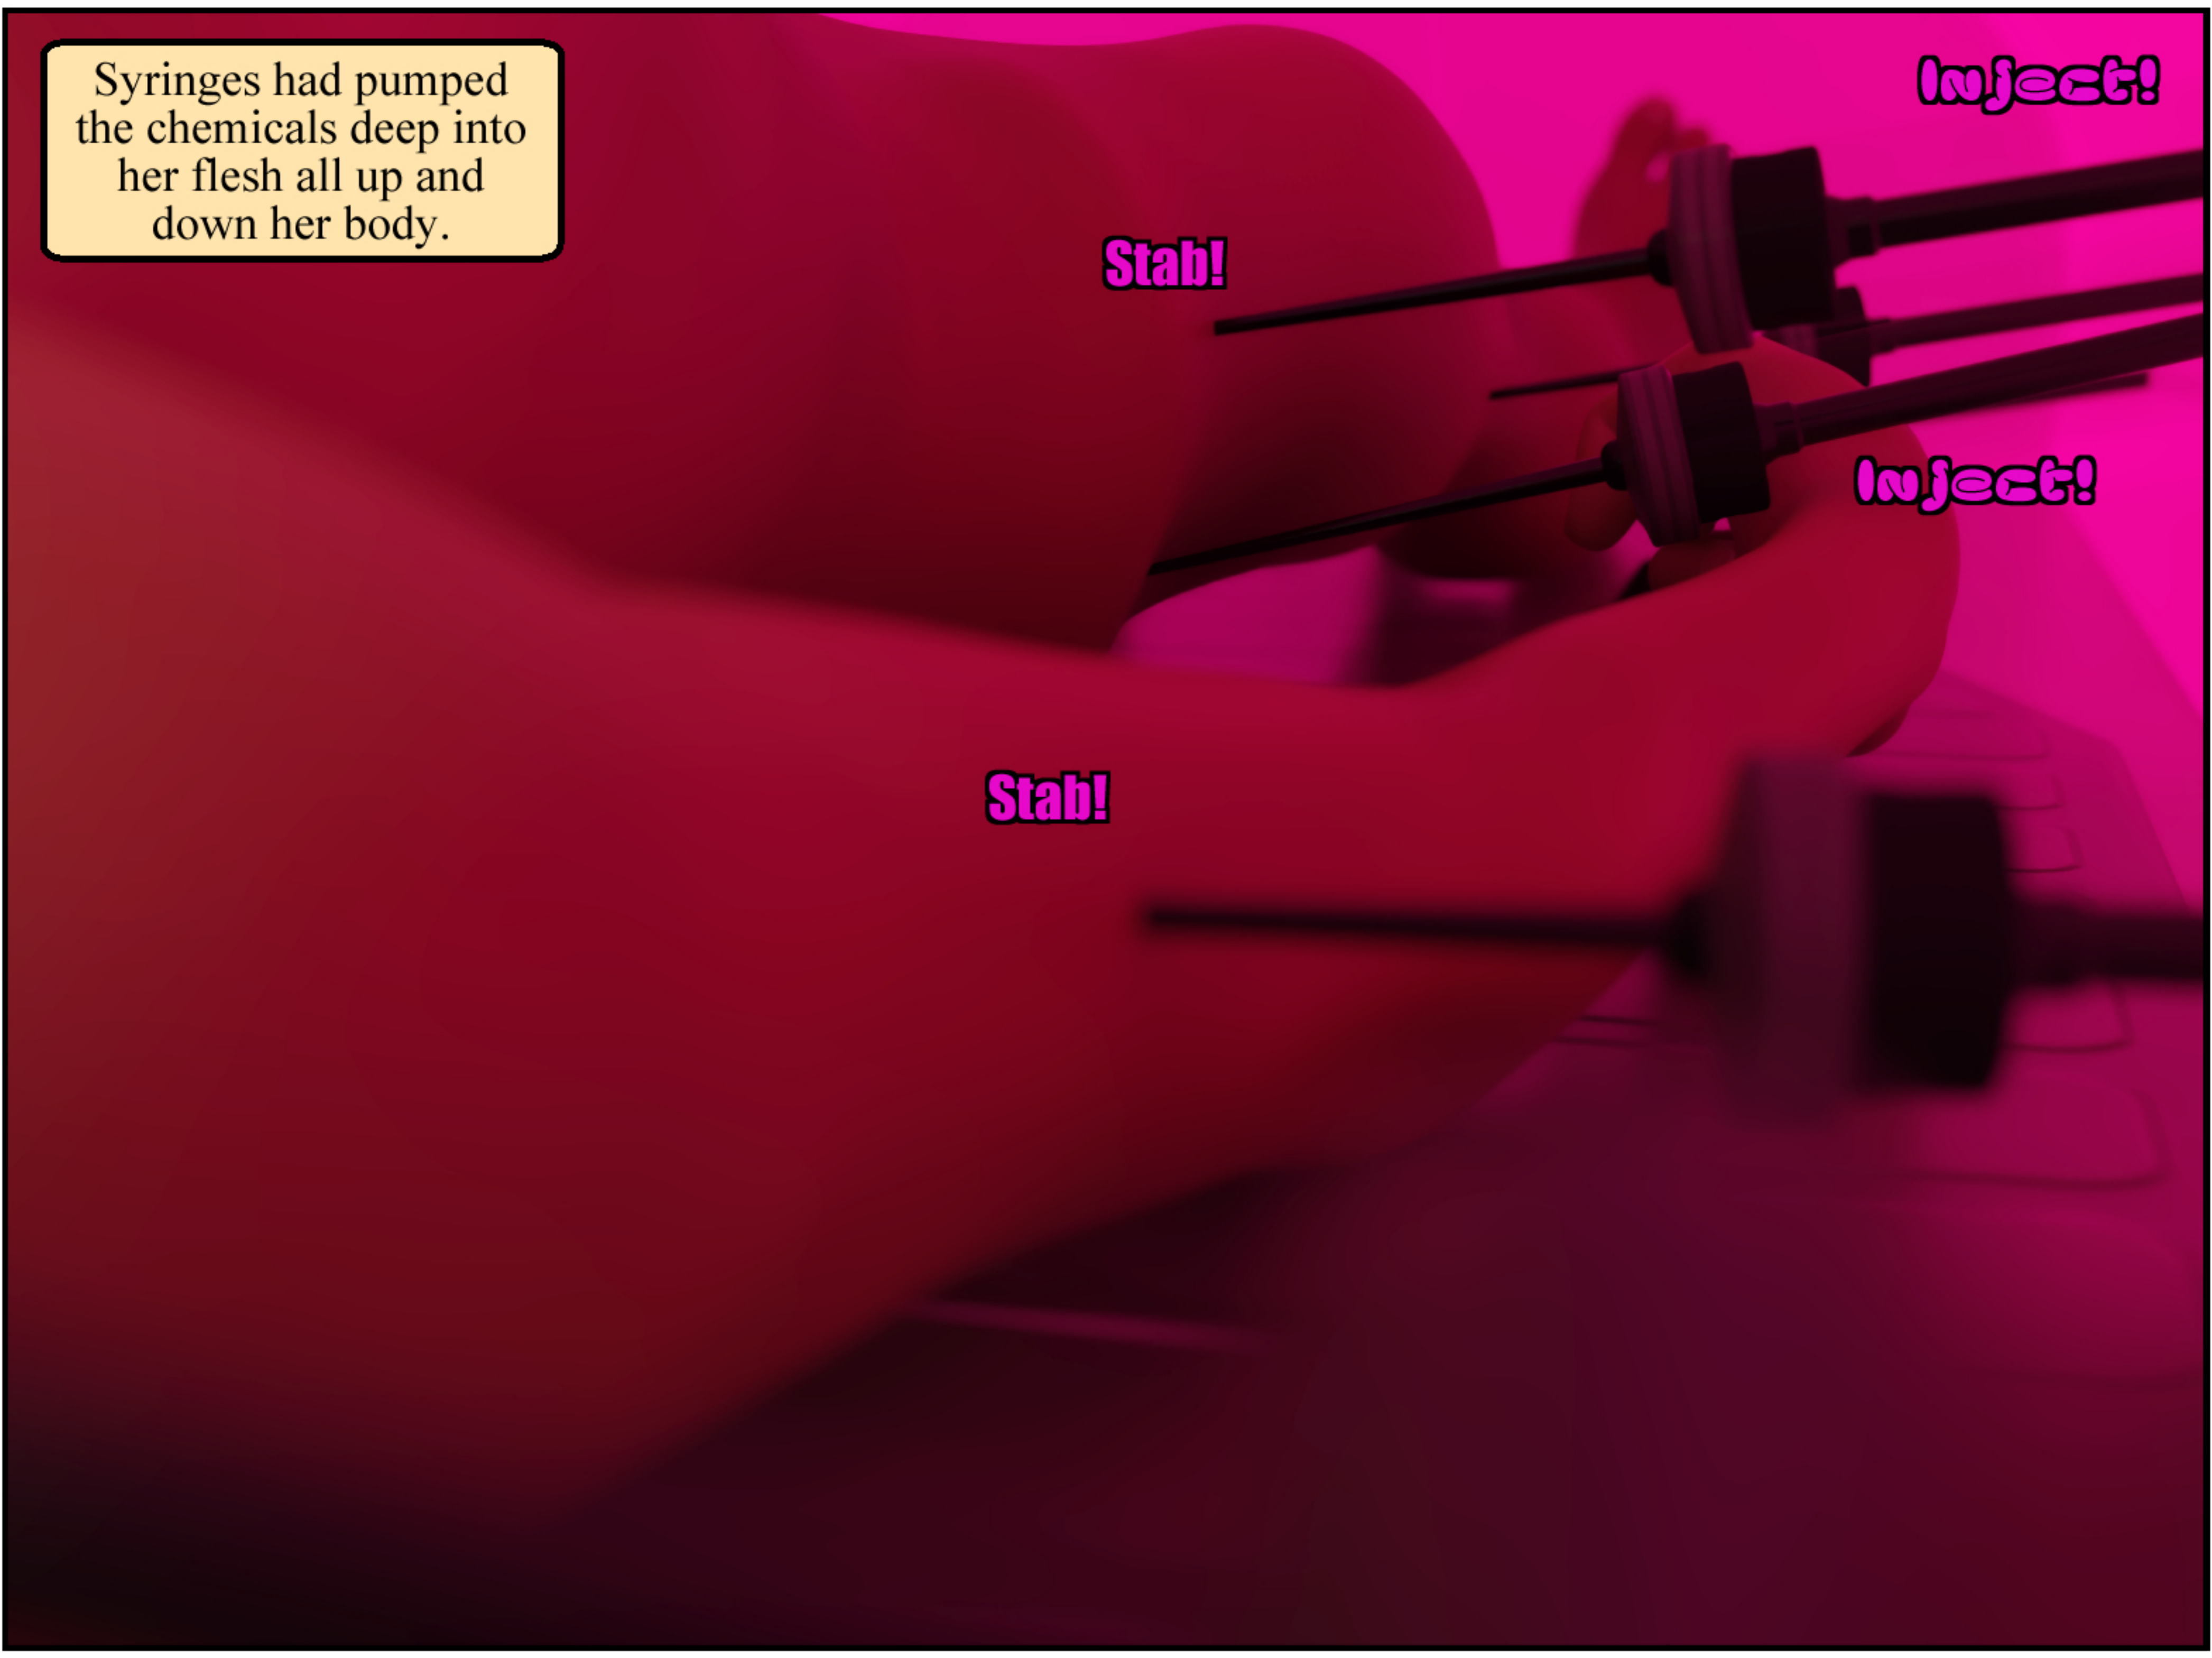

Syringes had pumped  
the chemicals deep into  
her flesh all up and  
down her body.

**Inject!**

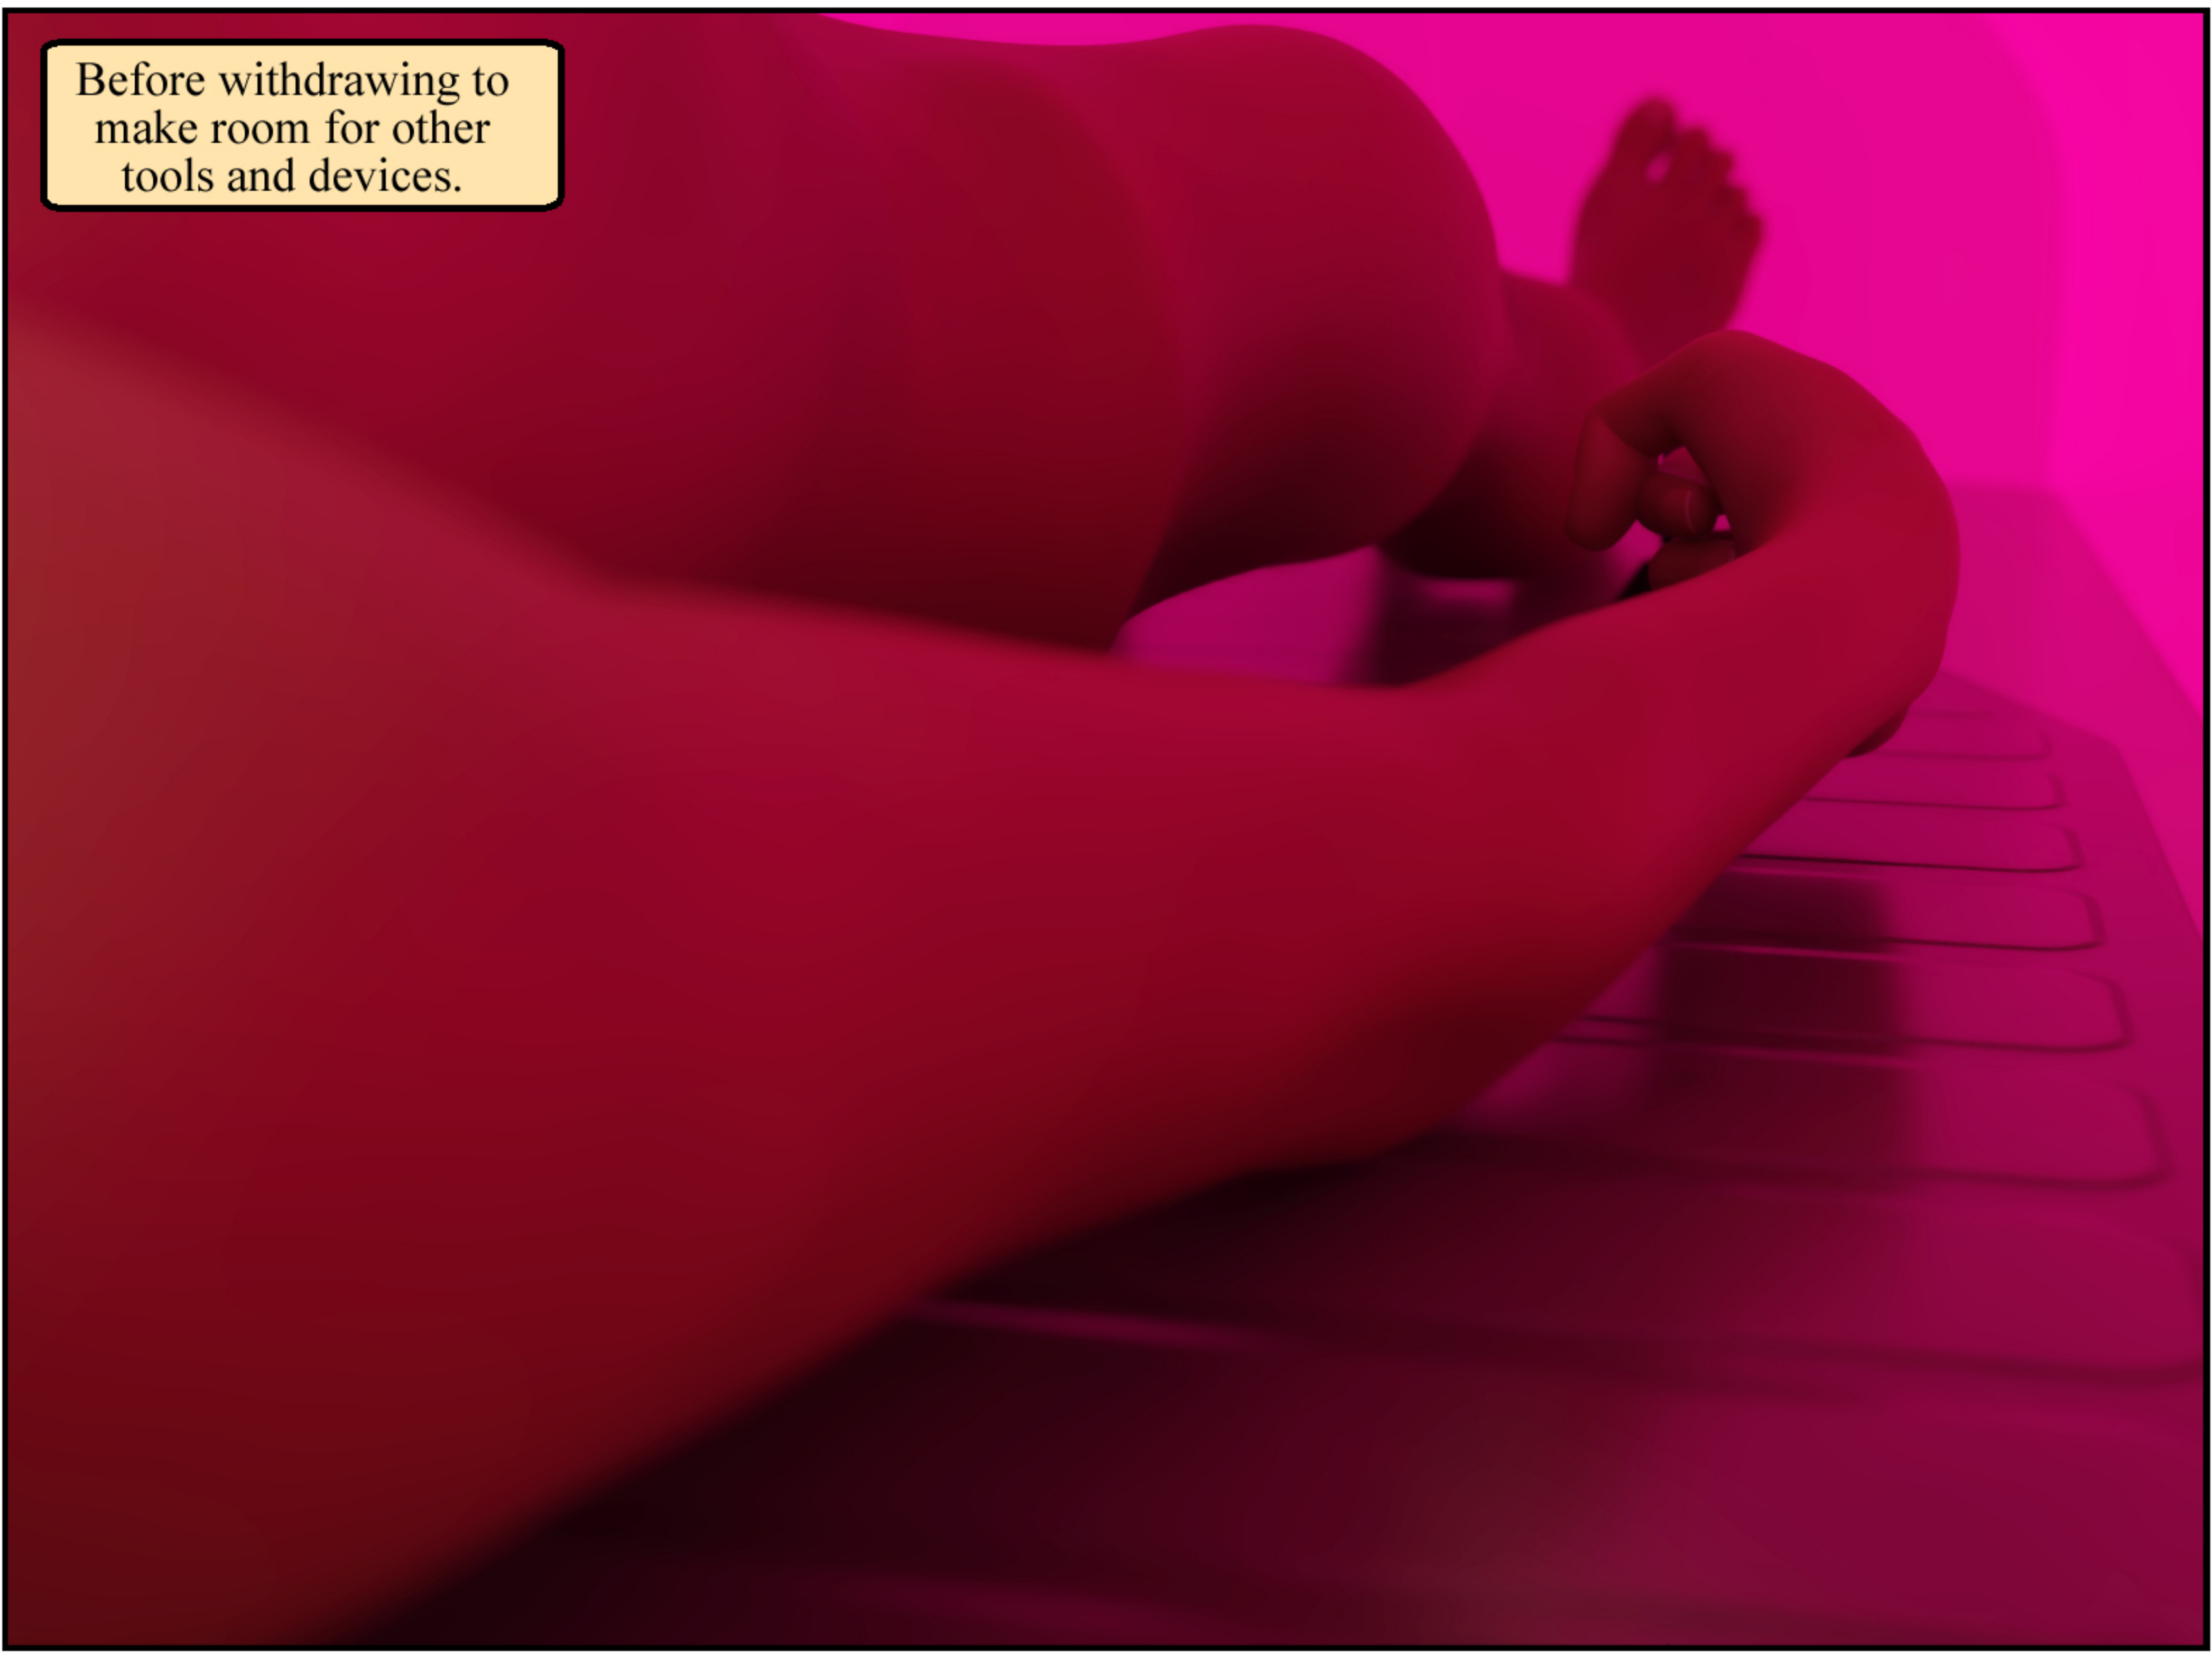

**Stab!**

**Inject!**

**Stab!**

Before withdrawing to  
make room for other  
tools and devices.

Things that would make  
the process a little less  
boring and significantly  
more pleasureable.

**WHHHIIIRRR!**

After all, this was a sexual transformation. It only seemed reasonable that erotic stimulation might augment it.

**Bump!**

Plus, Sapphire could really use the release right now and pleasuring herself wasn't doing anything for her.

**Schlurp!**

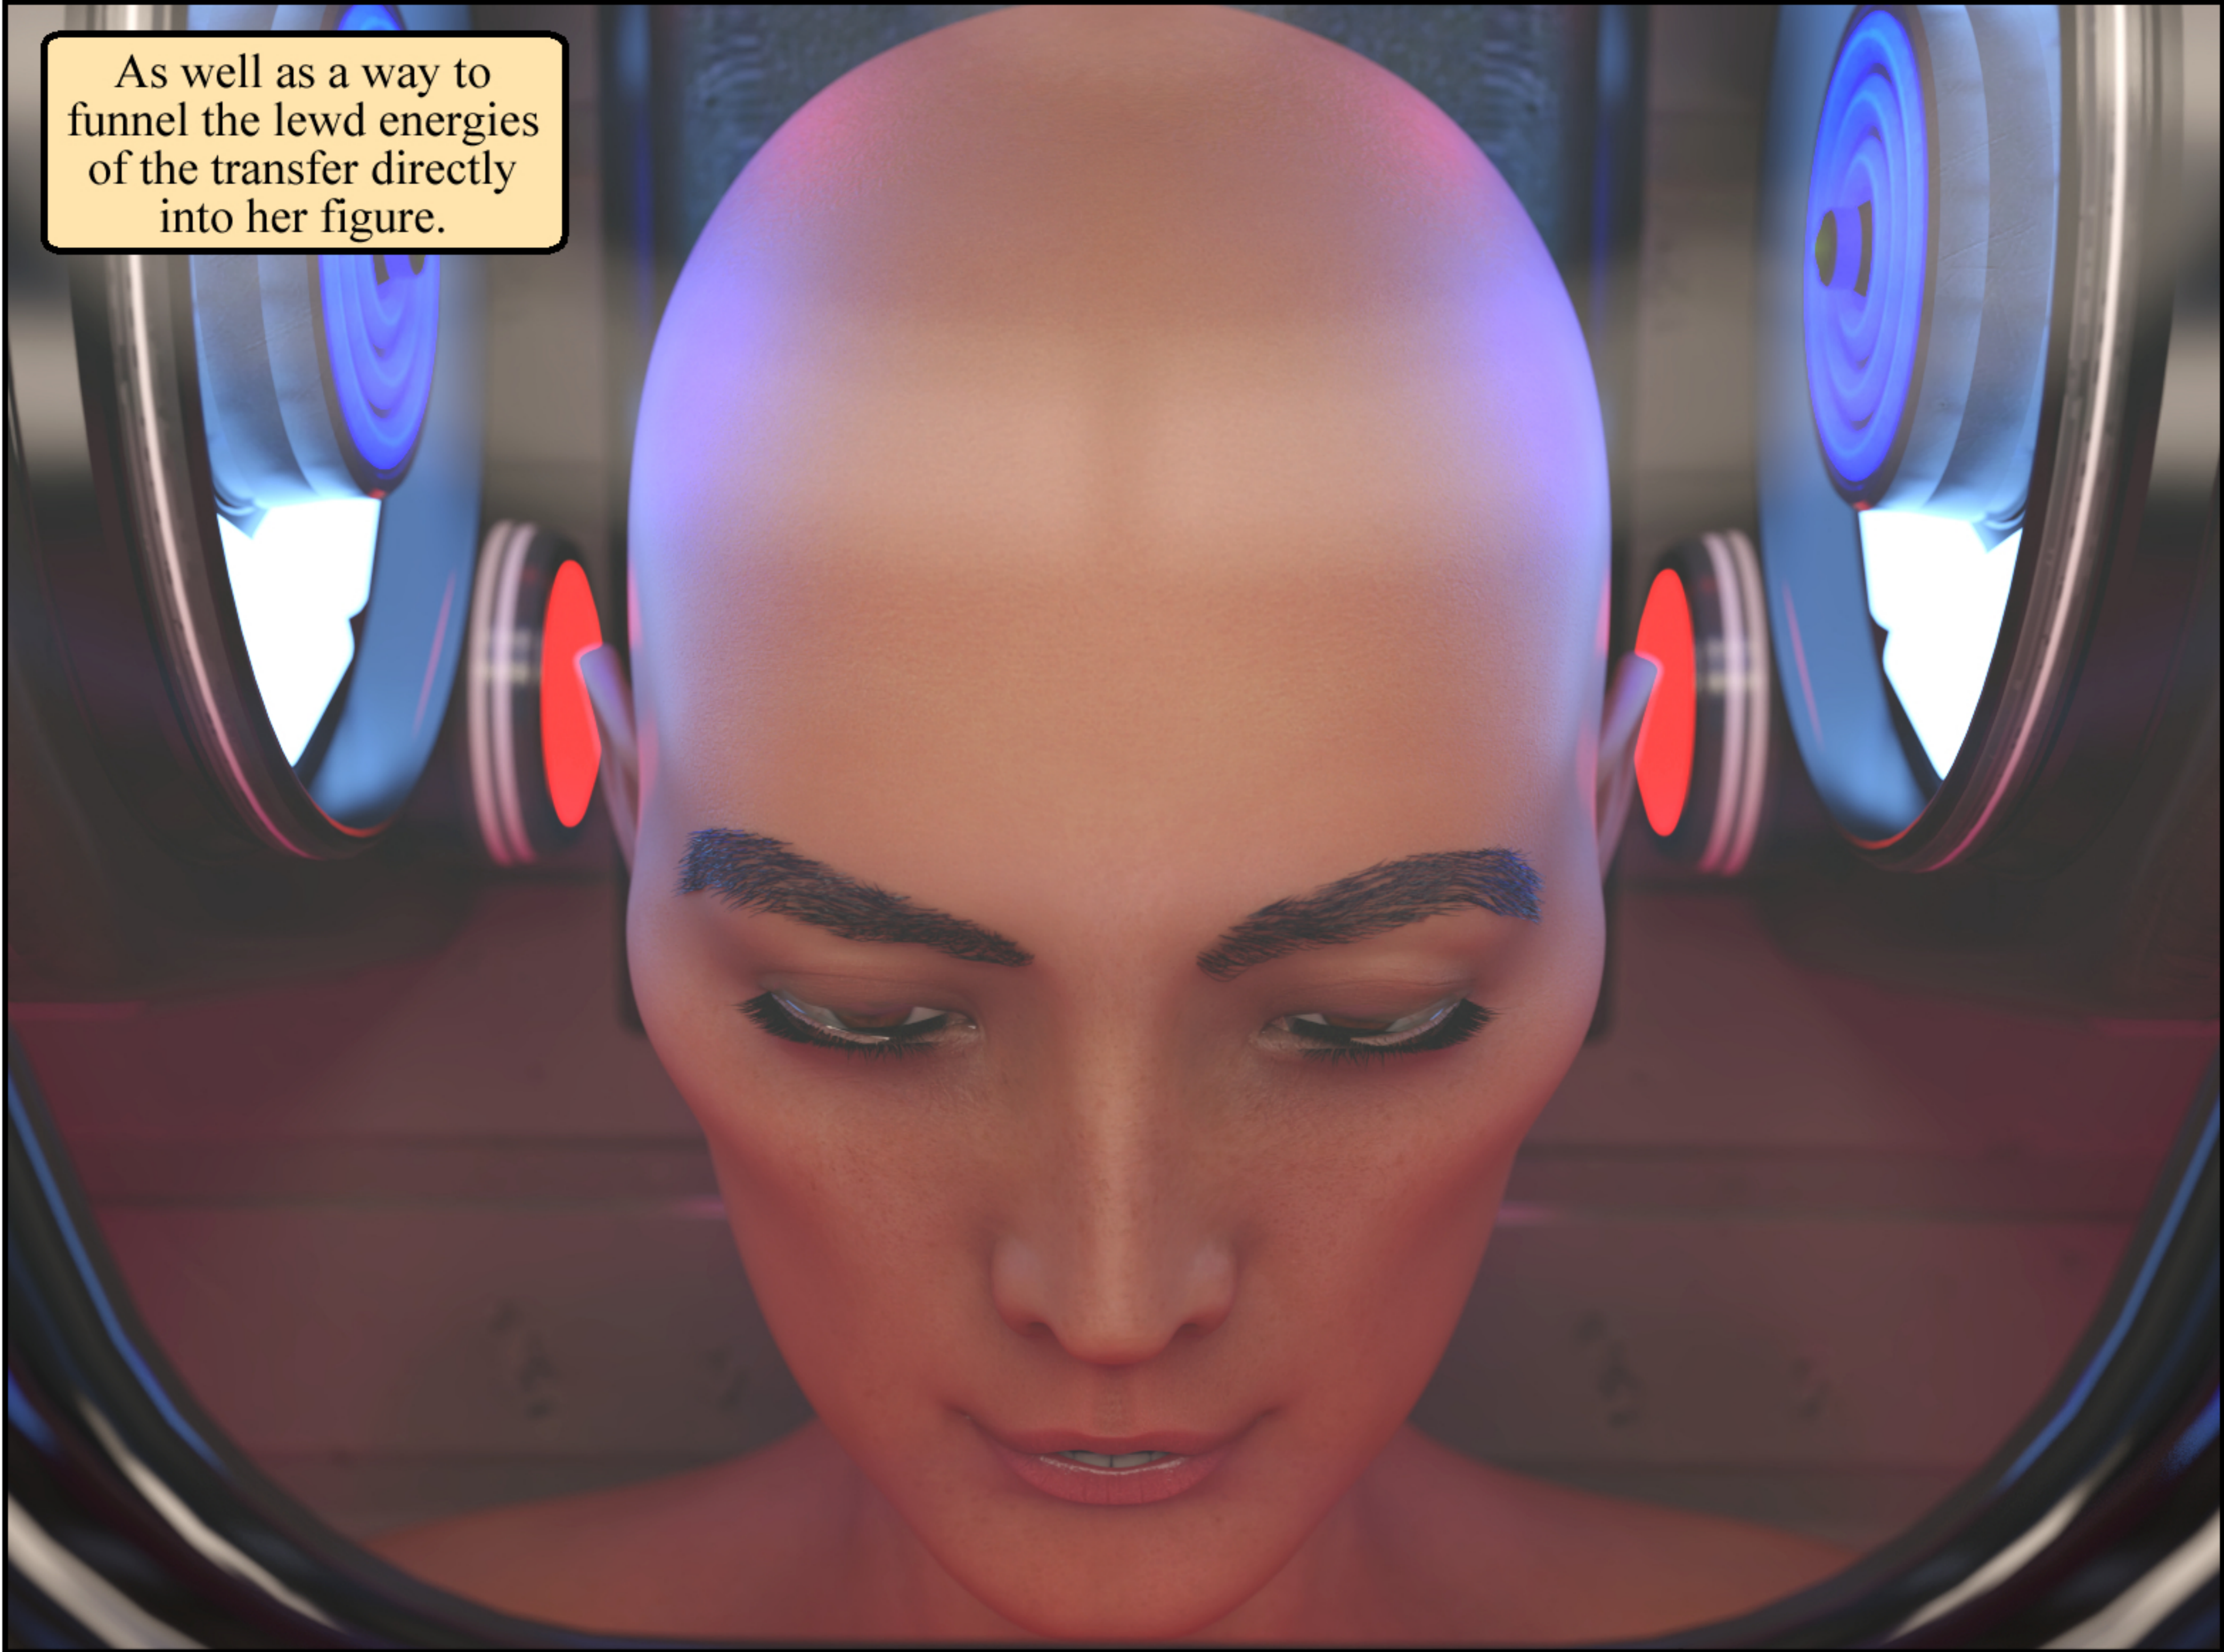

The thick dildo was also a convenient way to pump more of her mixtures into her body.

Pump!

Pump!

As well as a way to funnel the lewd energies of the transfer directly into her figure.

Restore!

Renew!

A close-up, high-angle shot of a woman's face. She has a neutral, slightly downward-looking expression with her eyes closed. Her skin is a warm, light brown tone. She has dark, well-defined eyebrows and long, dark eyelashes. She is wearing large, white, circular hoop earrings. The background is dark and filled with futuristic, glowing elements. On either side of her head, there are large, circular, metallic-looking structures that emit a bright blue light. Below these blue structures are smaller, glowing red circular elements. The overall lighting is dramatic, with the blue and red lights casting soft glows on her face and the surrounding environment.

**Regenerate!**

Rejuvenate!

Some of those energies were from the store of them that Dr. Stealz had been keeping.

Restore!

Renew!

**Regenerate!**

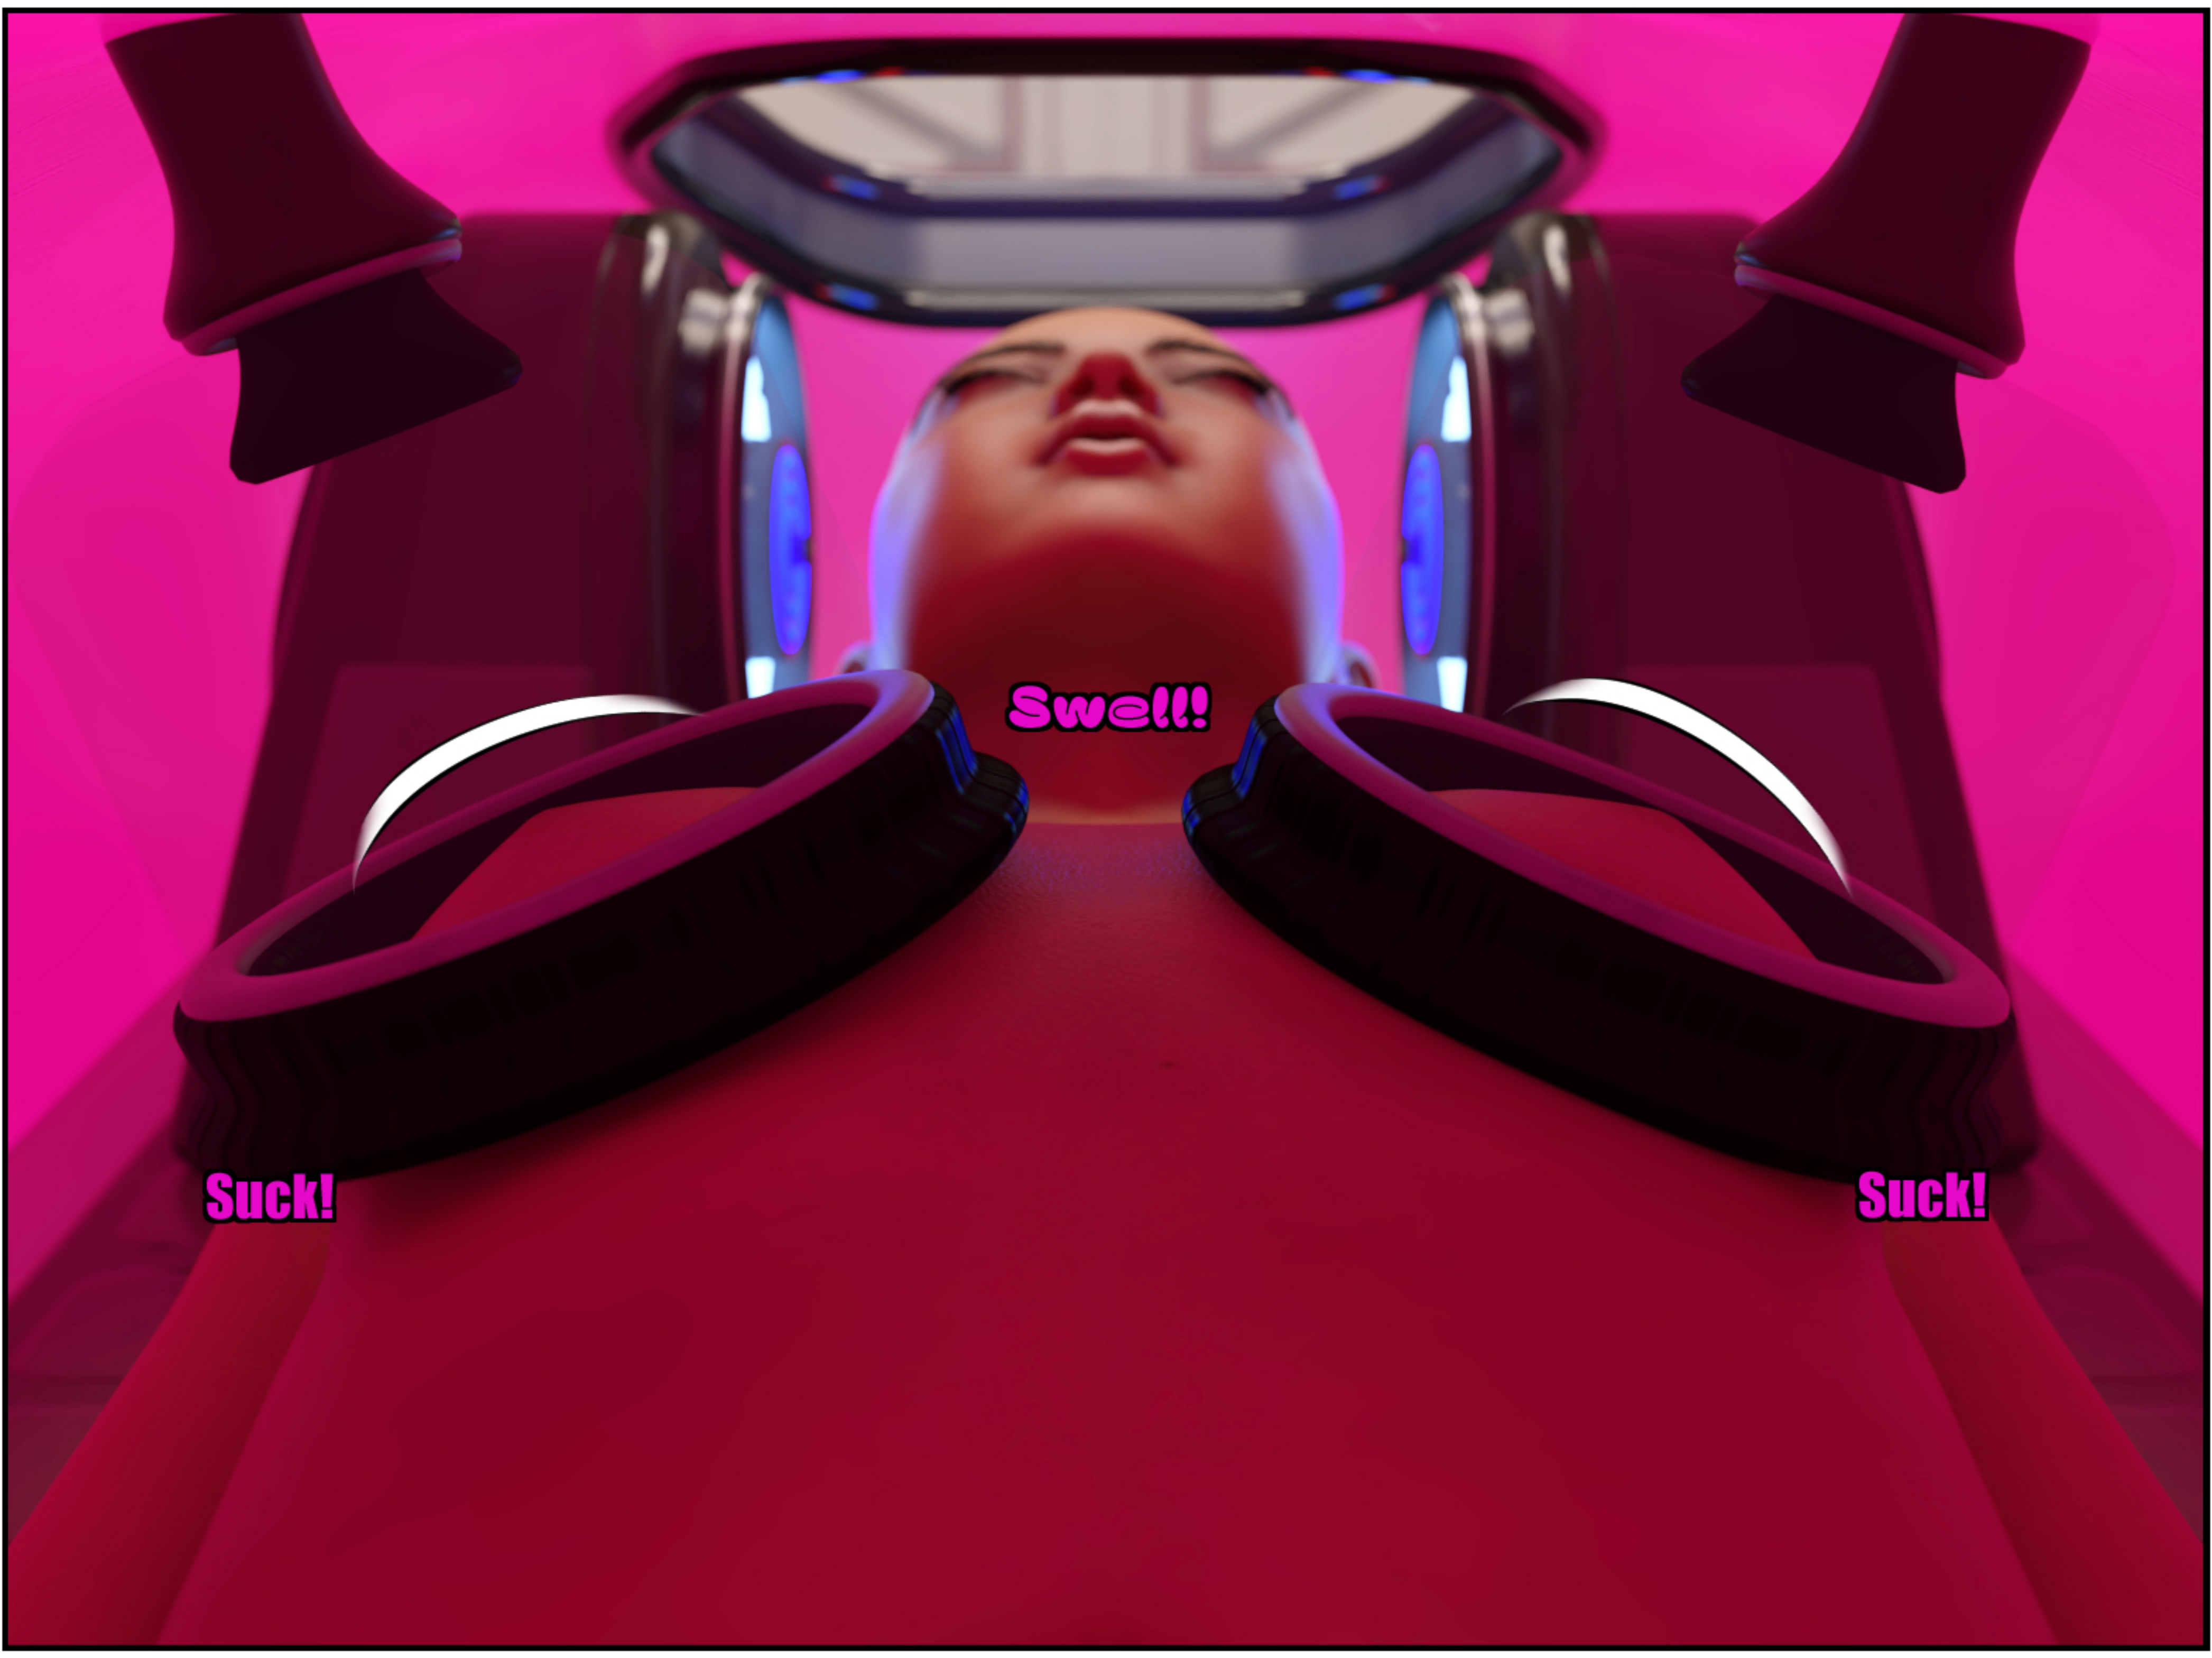

A 3D rendered scene showing a person lying on a table, viewed from above. The person's back is the central focus, with a medical device or sensor placed on it. The device has two vertical orange bars. The person's feet are visible at the top of the frame. The scene is set against a bright pink background. Several glowing white arcs are scattered around the person, suggesting a field of energy or a scanning process. The overall aesthetic is clean and futuristic.

Rejuvenate!

Which, if you remember, would include power taken from Sapphire's, Jackie's, Alidreaux's, and even the She-Orc's transformations.

***Shhh-Punkht!***

***Shhh-Punkht!***

**Swell!!**

**Suck!**

**Suck!**

**Grow!**

**Suck!**

**Suck!**

**Bulge!**

**Suck!**

**Suck!**

**Bigger!**

**Suck!**

**Suck!**

And Sapphire had secretly added to them by syphoning off a bit each time she fixed one of the victims.

***Shhh-Punkht!***

**Vacuum!**

**Fuller!**

**Vacuum!**

**Fatter!**

**Vacuum!**

**Thicker!**

**Vacuum!**

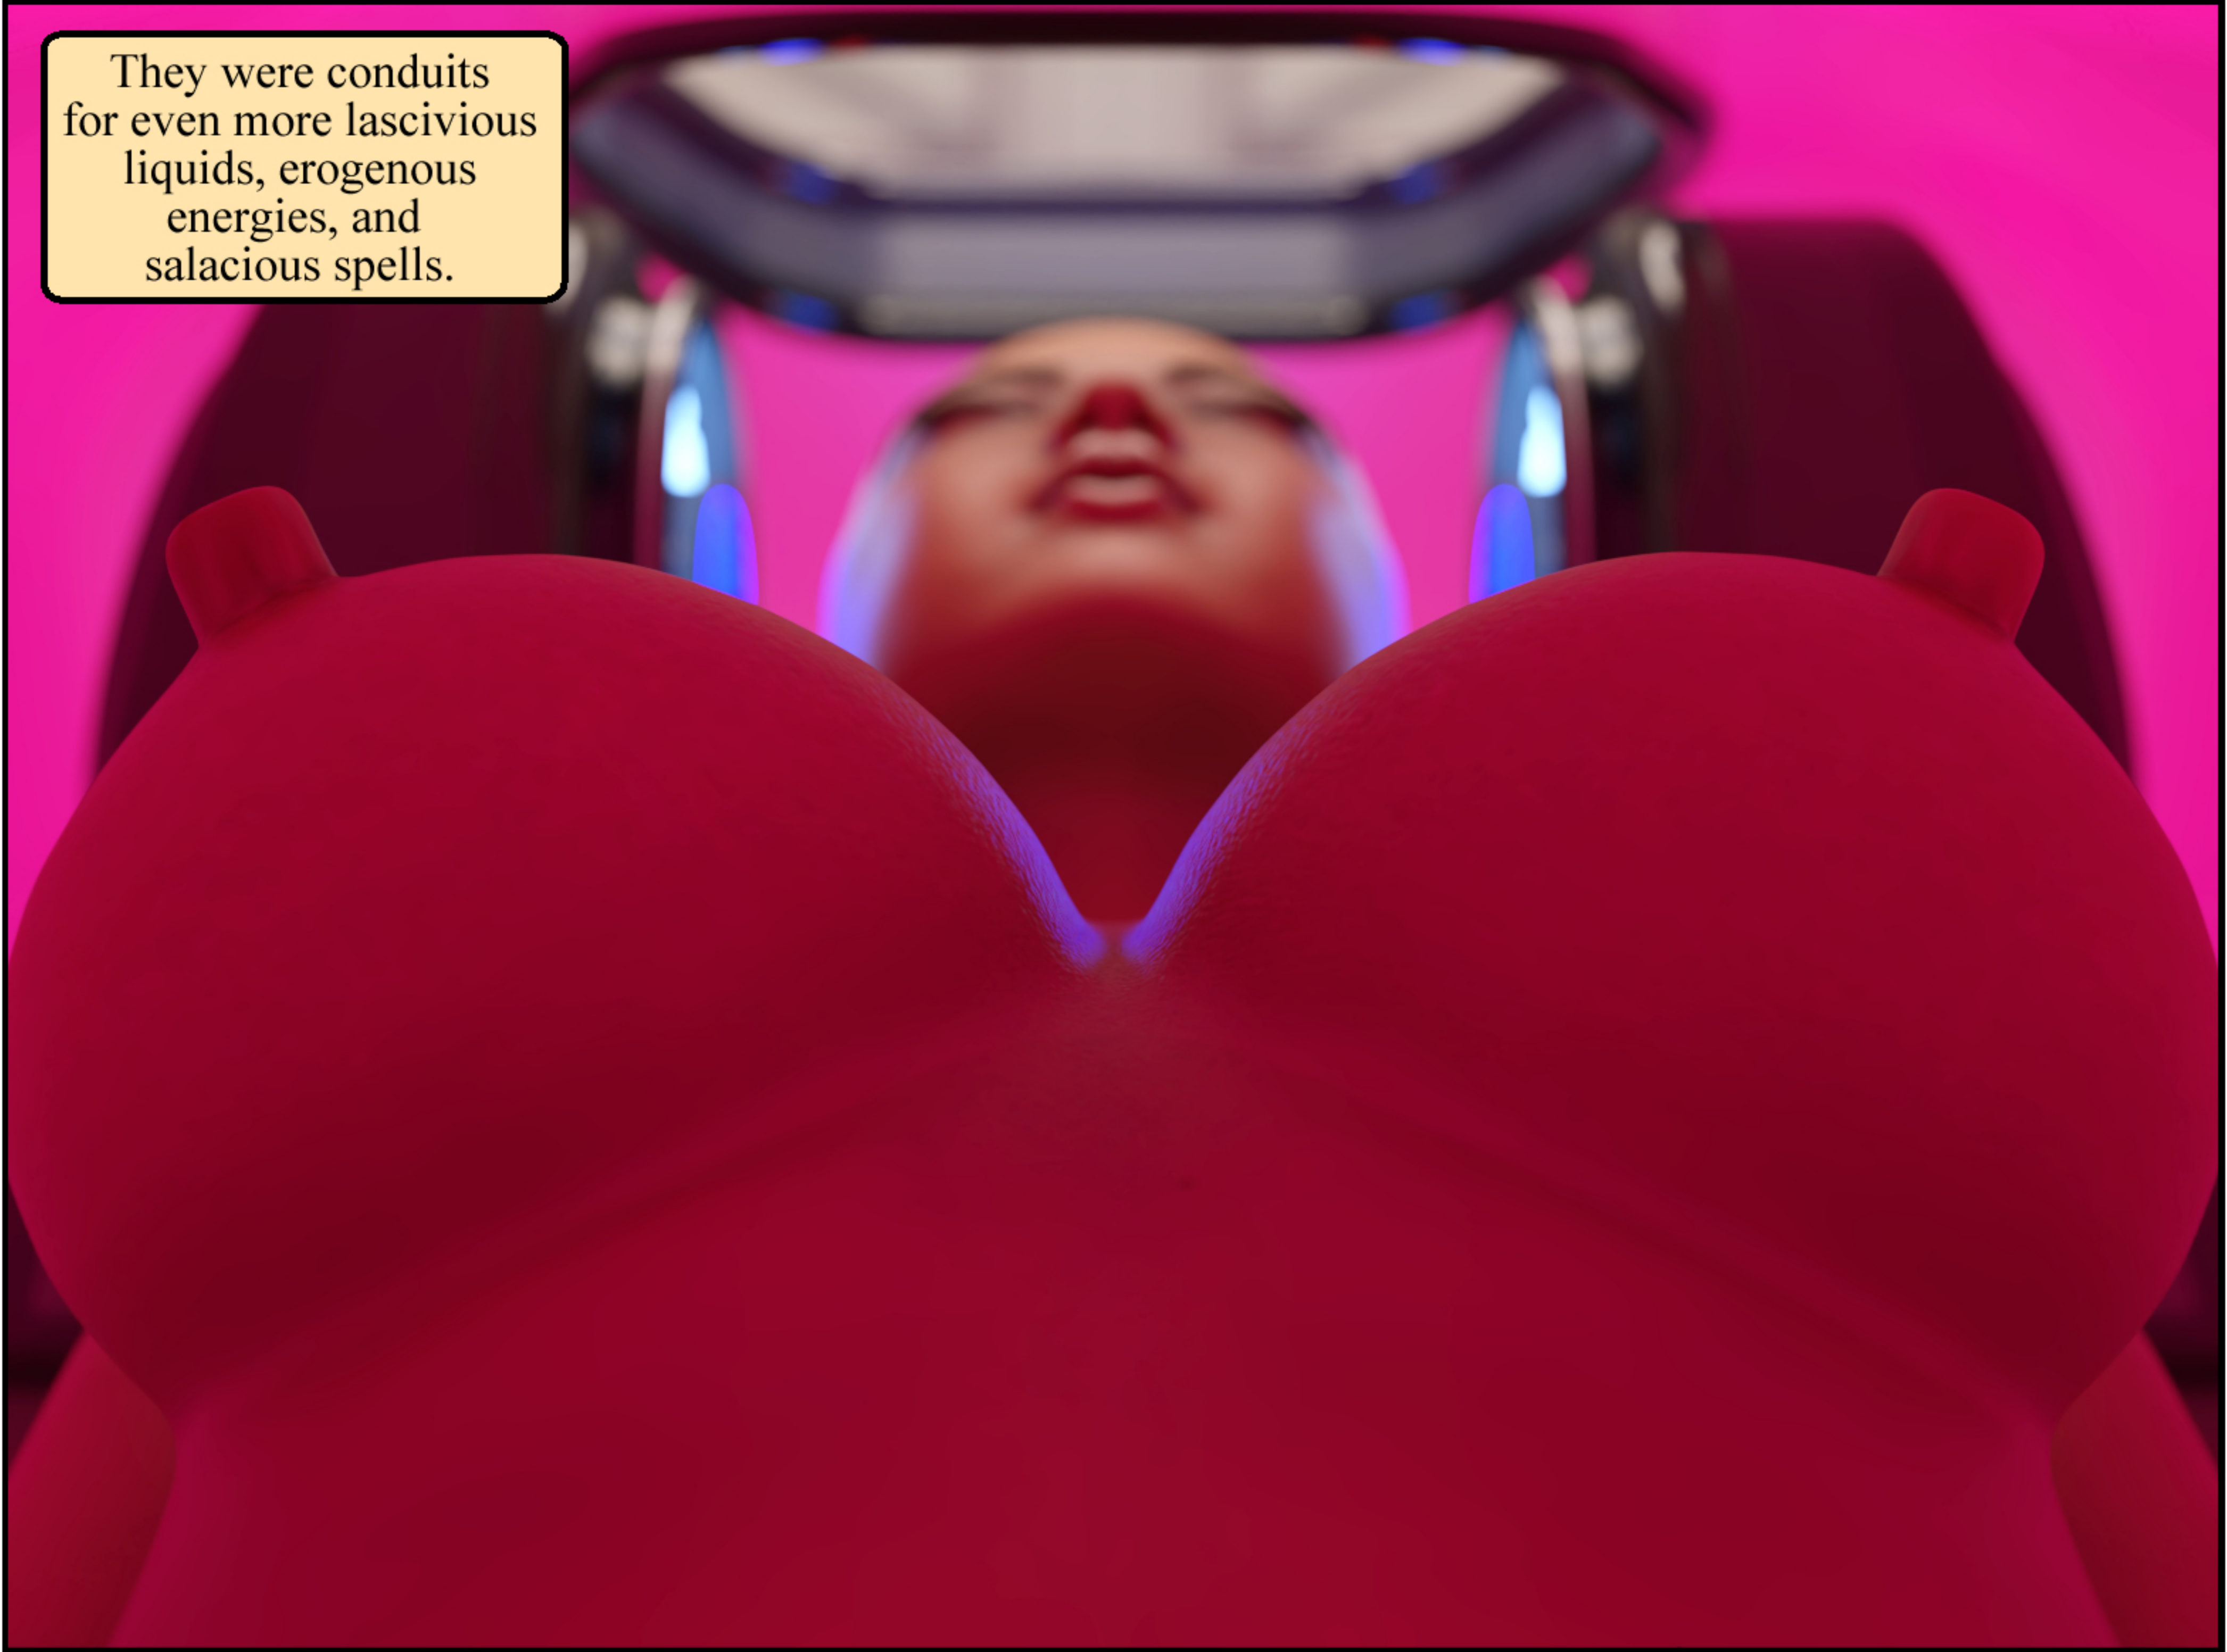

**Turgid Teats!**

Now all sorts of extra devices were appearing almost by magic, opening holes in the chamber and quickly closing them behind each one.

Plorp!

They were conduits  
for even more lascivious  
liquids, erogenous  
energies, and  
salacious spells.

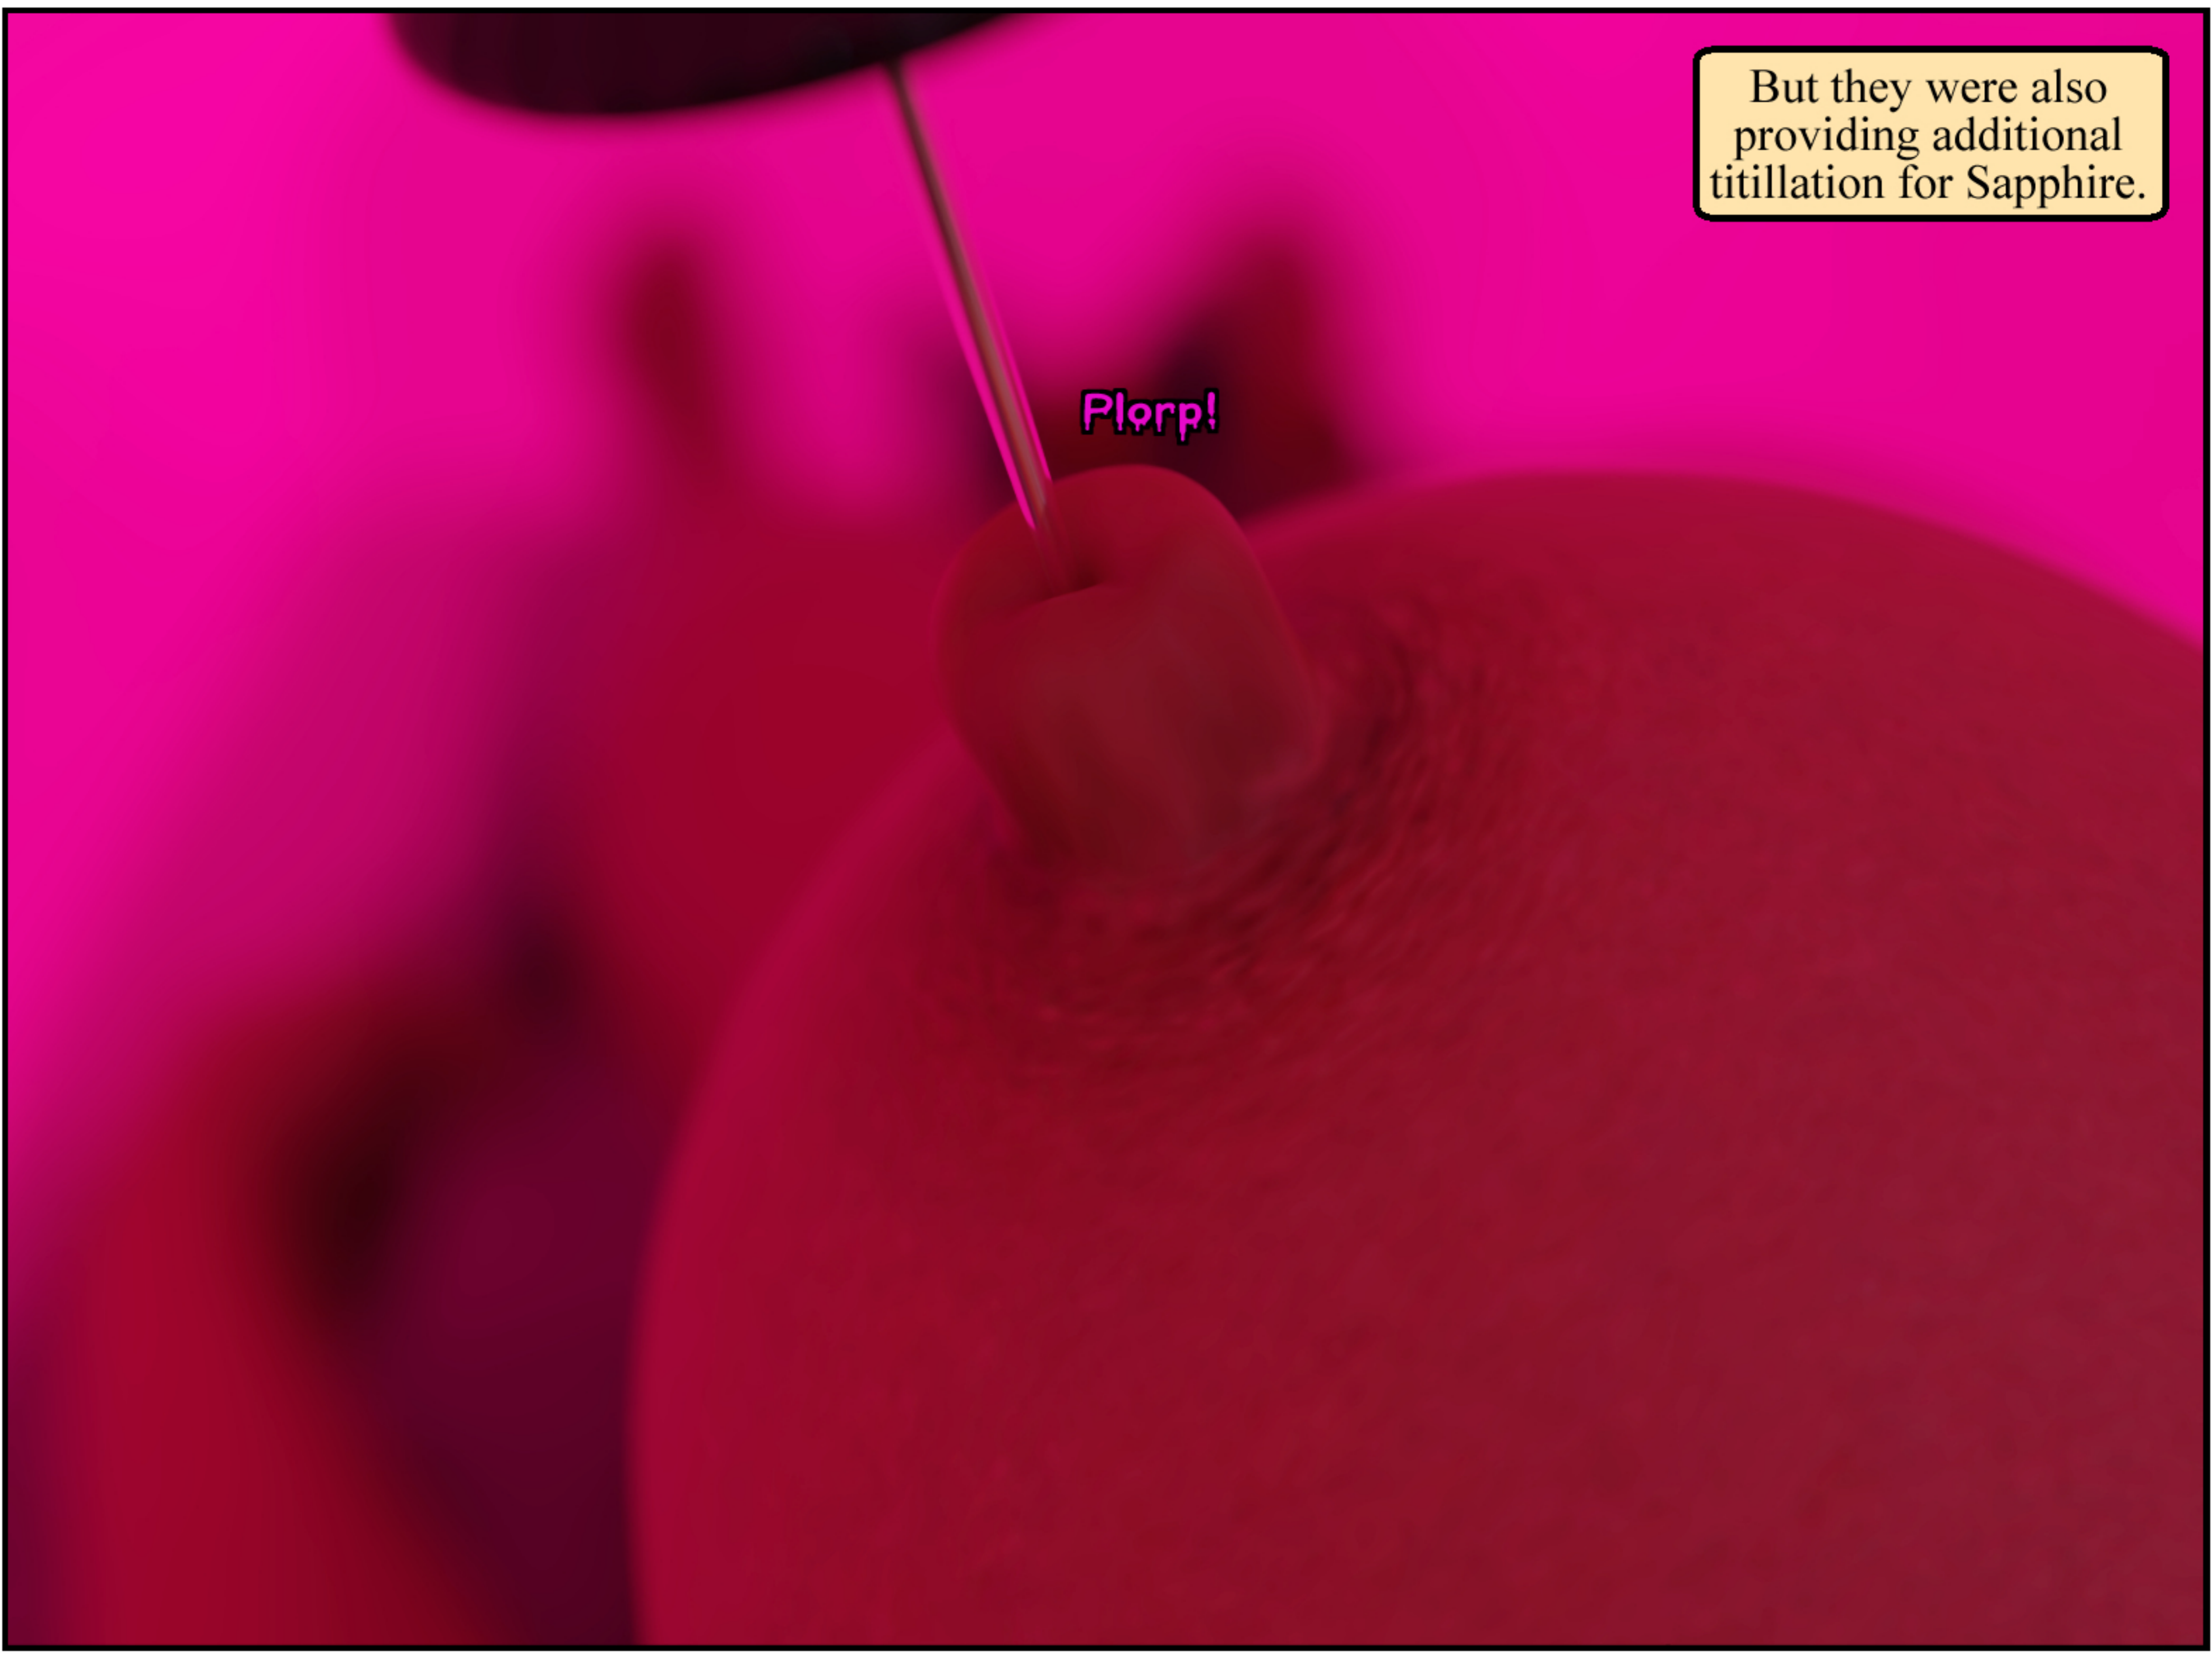

**WHHHIIRRR!**

**WHHHIIRRR!**

But they were also providing additional titillation for Sapphire.

Plorp!

Penetrating her ripe  
and swelling flesh  
more deeply than any  
phallus ever had.

***Shhh-Punkht!***

Flesh that was hungrily  
lapping up all of that  
wonderful obscenity  
and transforming  
itself accordingly.

**Shrink!**

**Smaller!**

**Einch!**

Pinch!

Sapphire held the image  
of what Dr. Stealz had  
turned her into firmly  
in her head.

Wider!

**Rounder!**

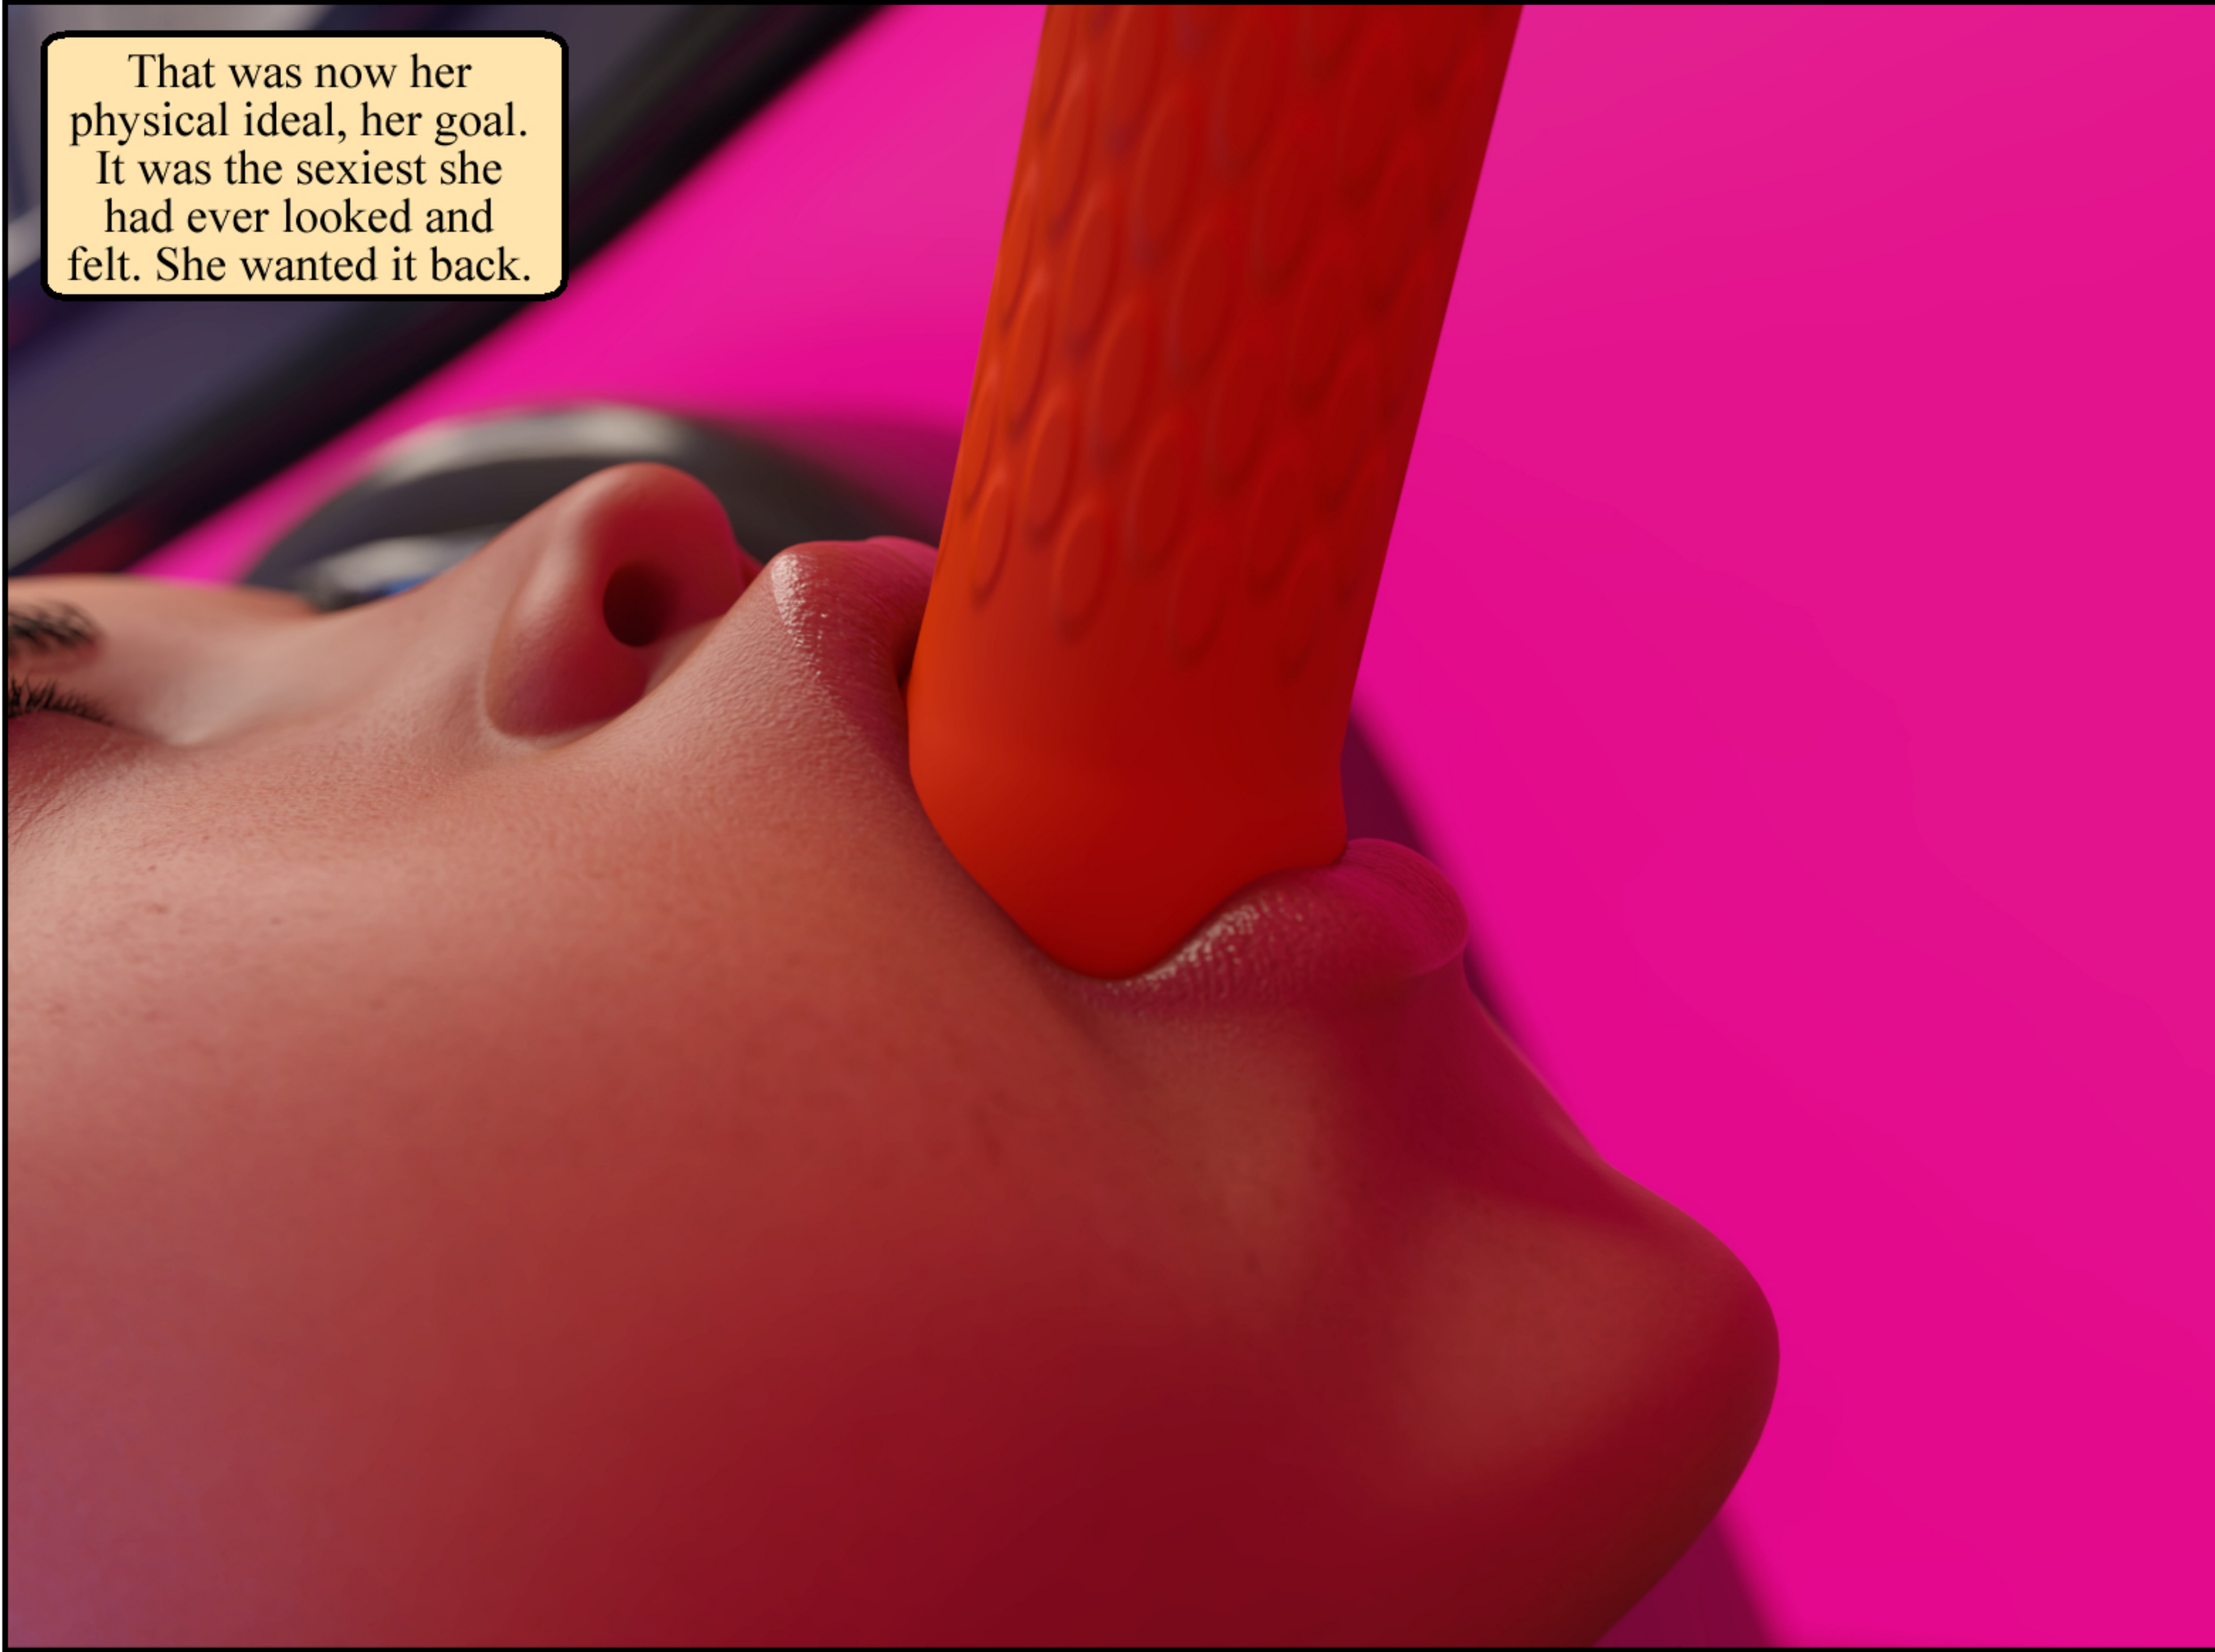

**Curvier!**

**Hourglass!**

That was now her physical ideal, her goal. It was the sexiest she had ever looked and felt. She wanted it back.

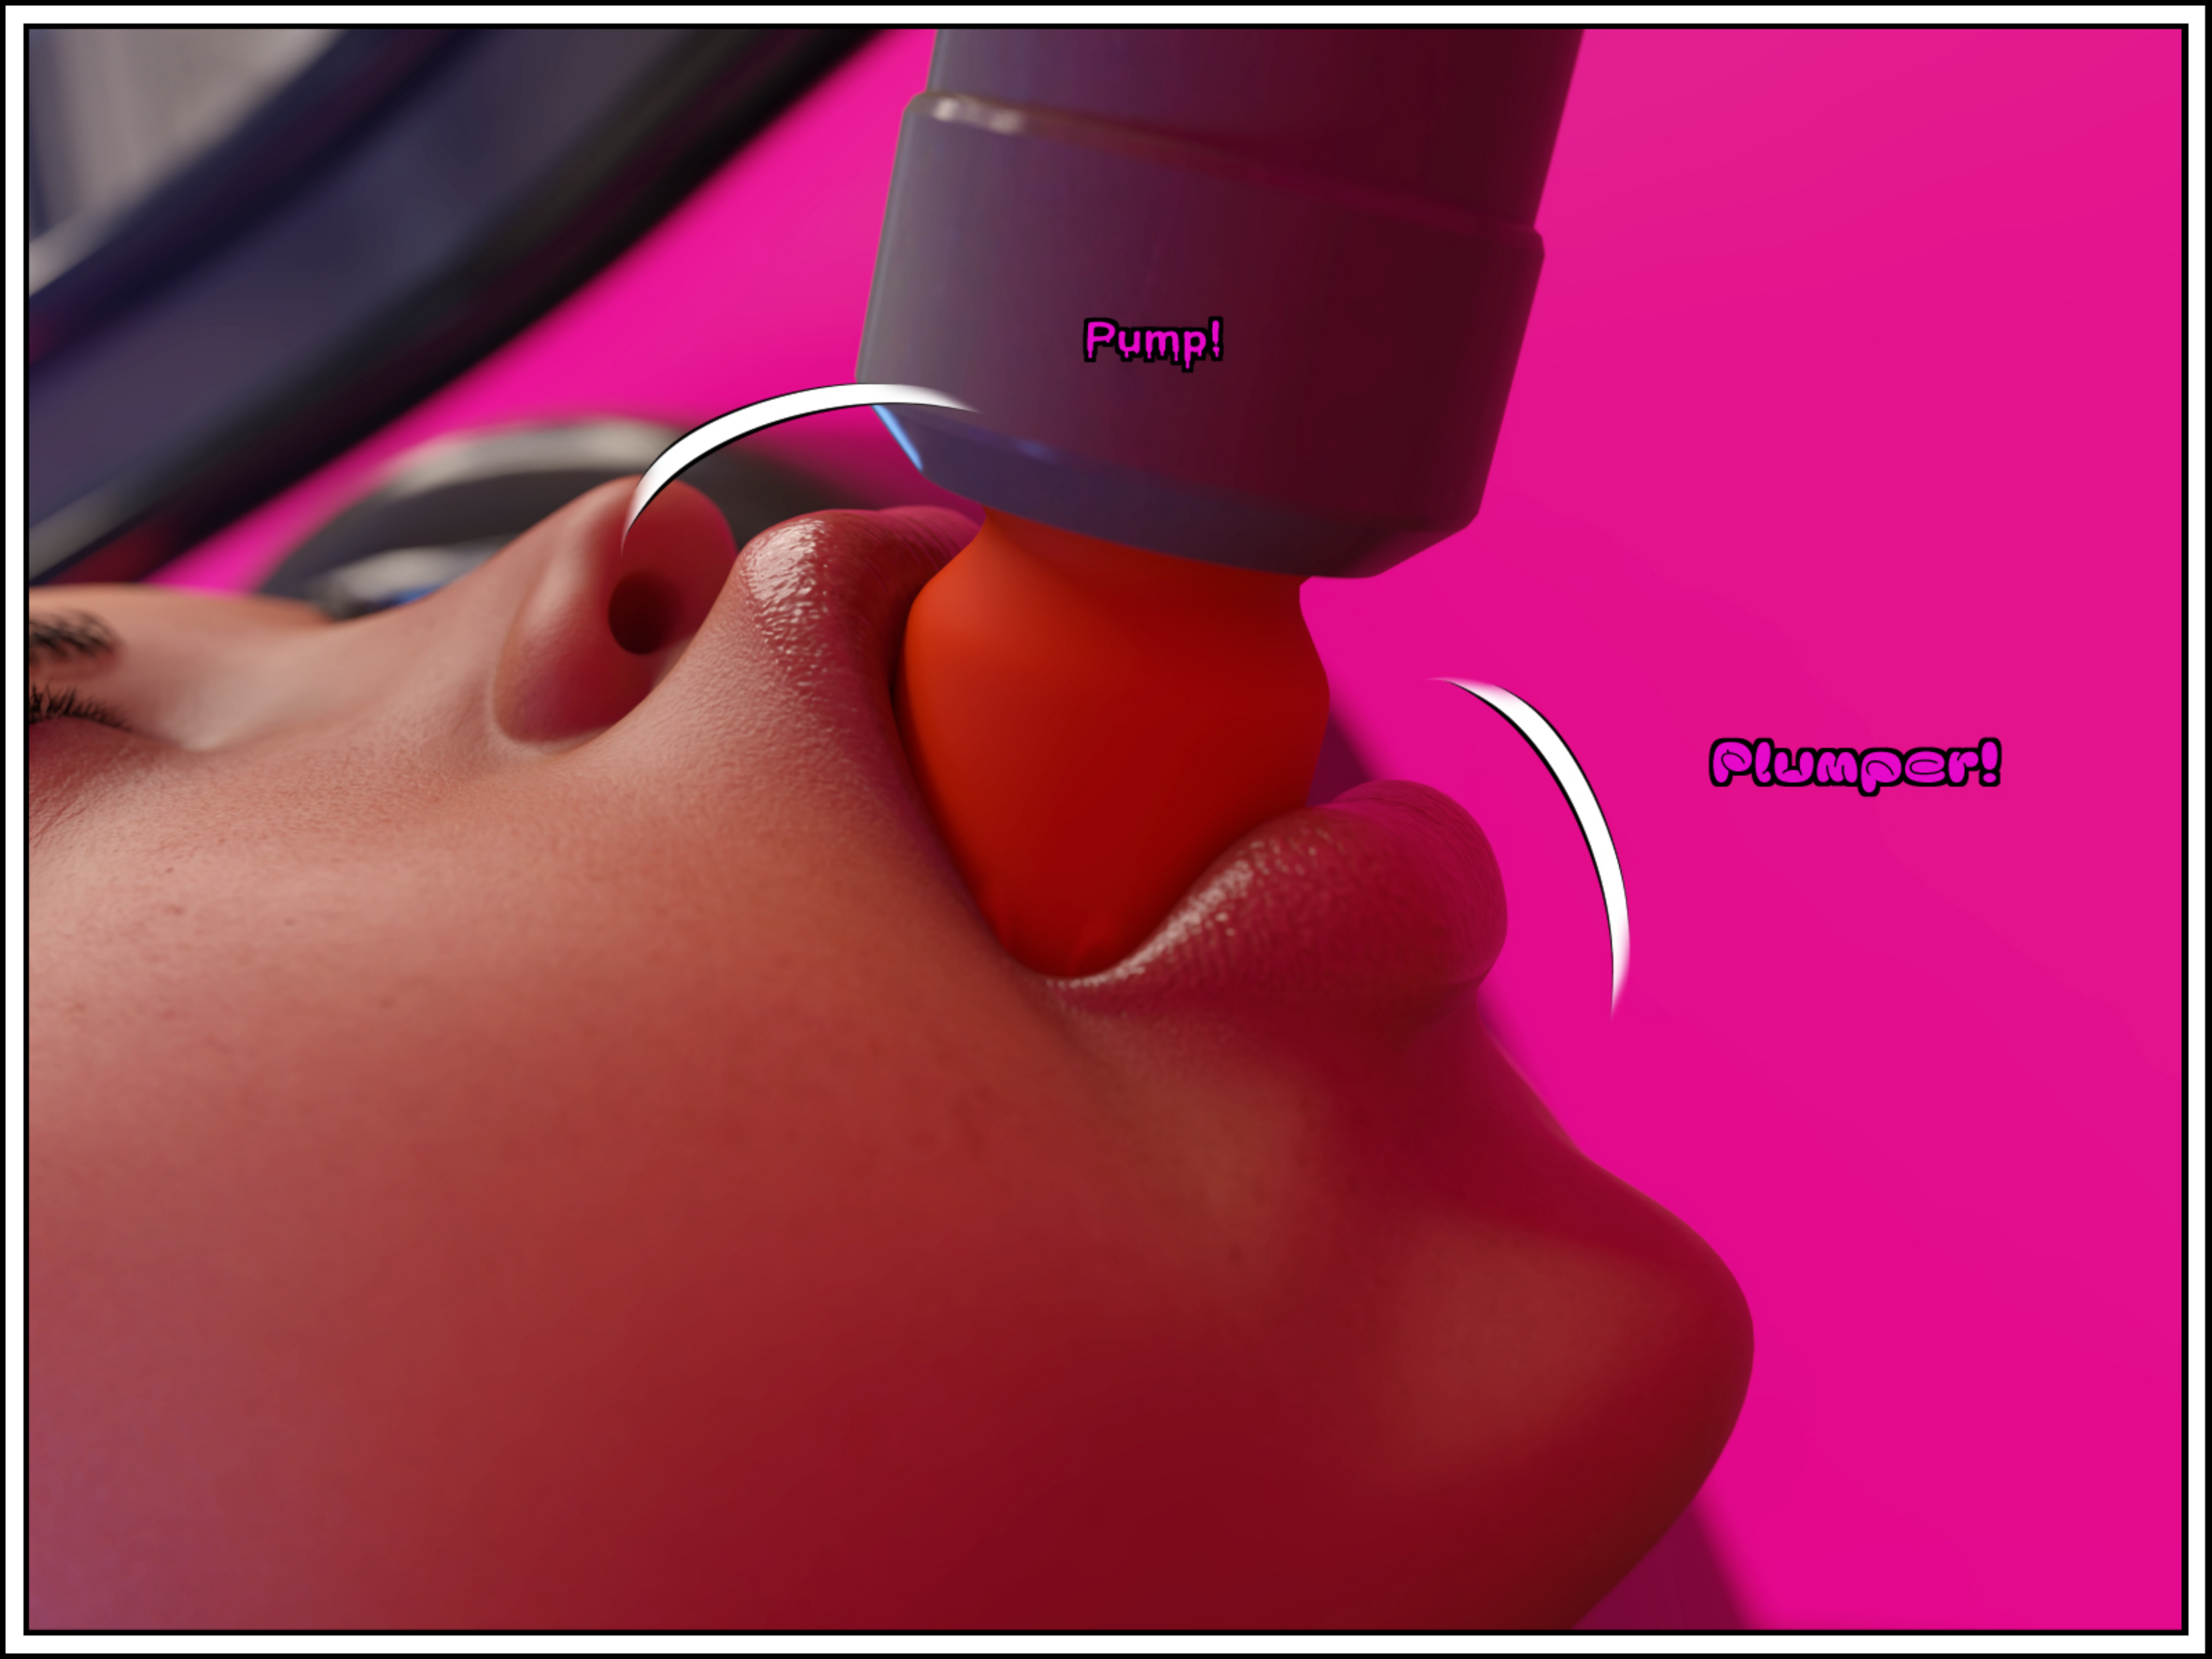

Pump!

Swell!!

**Pump!**

**Fuller!**

A close-up photograph of a person's face, focusing on the nose and lips. A blue, cylindrical pump device is positioned over the bridge of the nose, with a silver, curved applicator tip touching the skin. The word "Pump!" is written in a stylized, pink font with a black outline on the blue device. On the lower lip, a bright orange, bulbous plumper is being used. A silver, curved applicator tip is also visible near the plumper. The word "Plumper!" is written in the same stylized pink font with a black outline to the right of the plumper. The background is a solid, vibrant pink color.

**Pump!**

**Plumper!**

A close-up photograph of a person's face, focusing on the mouth and nose. The person's eyes are closed. A smooth, light-colored wooden object is held vertically in their mouth, between their lips and the tip of their nose. The background is a solid, vibrant pink color. Two white, curved motion lines are present: one above the wooden object and one to the right of the person's mouth. The text 'Pump!' is written in a stylized, pink font with a black outline above the wooden object, and 'Plusher!' is written in the same style to the right of the mouth.

Pump!

Plusher!

But mentally it had left her as almost a drooling idiot, little more than merely a receptacle. Like a dildo, just a toy for sexual gratification.

A close-up photograph of a person's face, focusing on the eyes and nose. The person's eyes are closed, and their nose is visible. The skin is fair. In the background, there is a bright pink wall and a window with a blue light source. A speech bubble with a white outline and a pink shadow is positioned above the person's nose. The text inside the speech bubble is "Grow!" in a pink, bubbly font with a black outline.

**Grow!**

A close-up photograph of a person's face, focusing on the eyes and nose. The person's eyes are closed, and their nose is visible. The background is a solid, bright pink color. In the upper left corner, there is a blurred view of a window with a black frame and a bright light source. Two white, curved lines are drawn above the person's eyes, suggesting a focus or a specific action. The word "Extend!" is written in a stylized, pink font with a black outline, positioned to the right of the person's nose.

In the upper left corner, there is a blurred, dark, curved object that looks like a steering wheel. A white speech bubble with a black outline is positioned above the person's nose. Inside the speech bubble, the word "Increase!" is written in a bold, pink, sans-serif font with a black outline.

**Increase!**

A close-up photograph of a person's face, focusing on the eye area. A hand is visible near the eye, possibly applying makeup or a treatment. The background is a solid, bright pink color. Two white, curved lines are drawn above the eye, and the word "Longer!" is written in a pink, stylized font.

Longer!

And as incredibly,  
indescribably enjoyable  
as that was, Sapphire  
wanted more than that.  
She wanted it all!

**Augment!**

**Develop!**

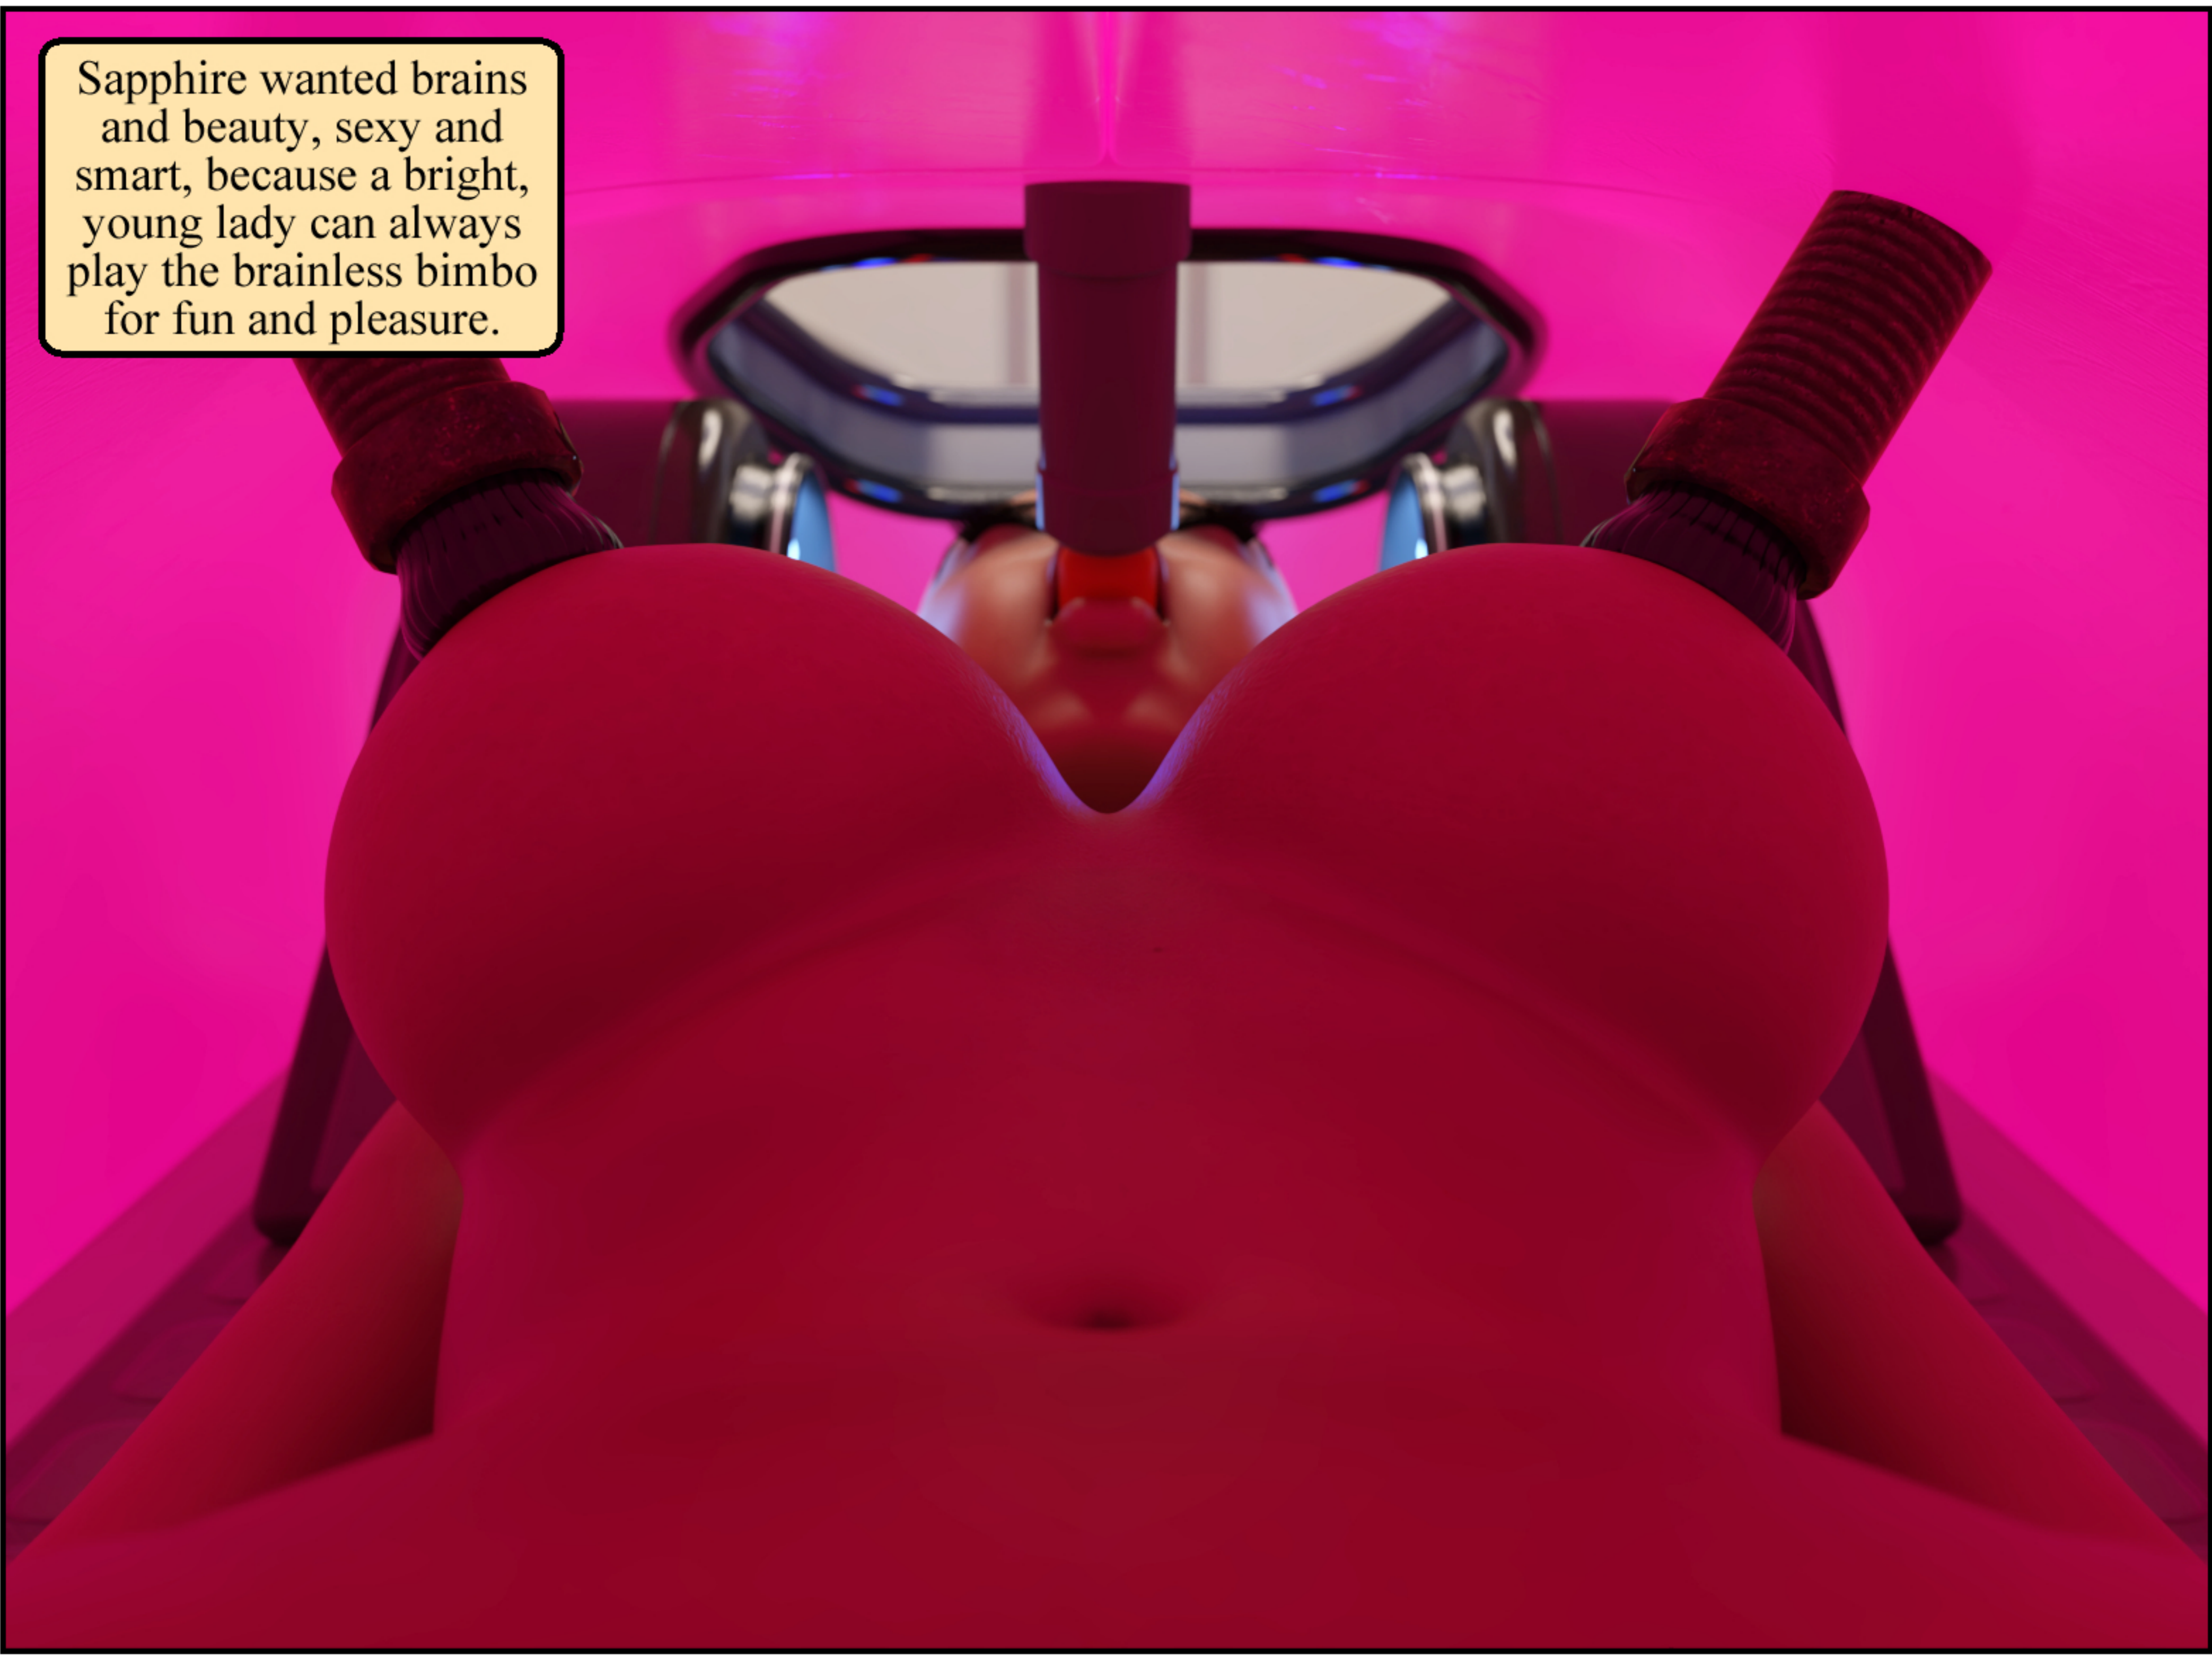

**Enhance!**

**Elongate!**

Sapphire wanted brains and beauty, sexy and smart, because a bright, young lady can always play the brainless bimbo for fun and pleasure.

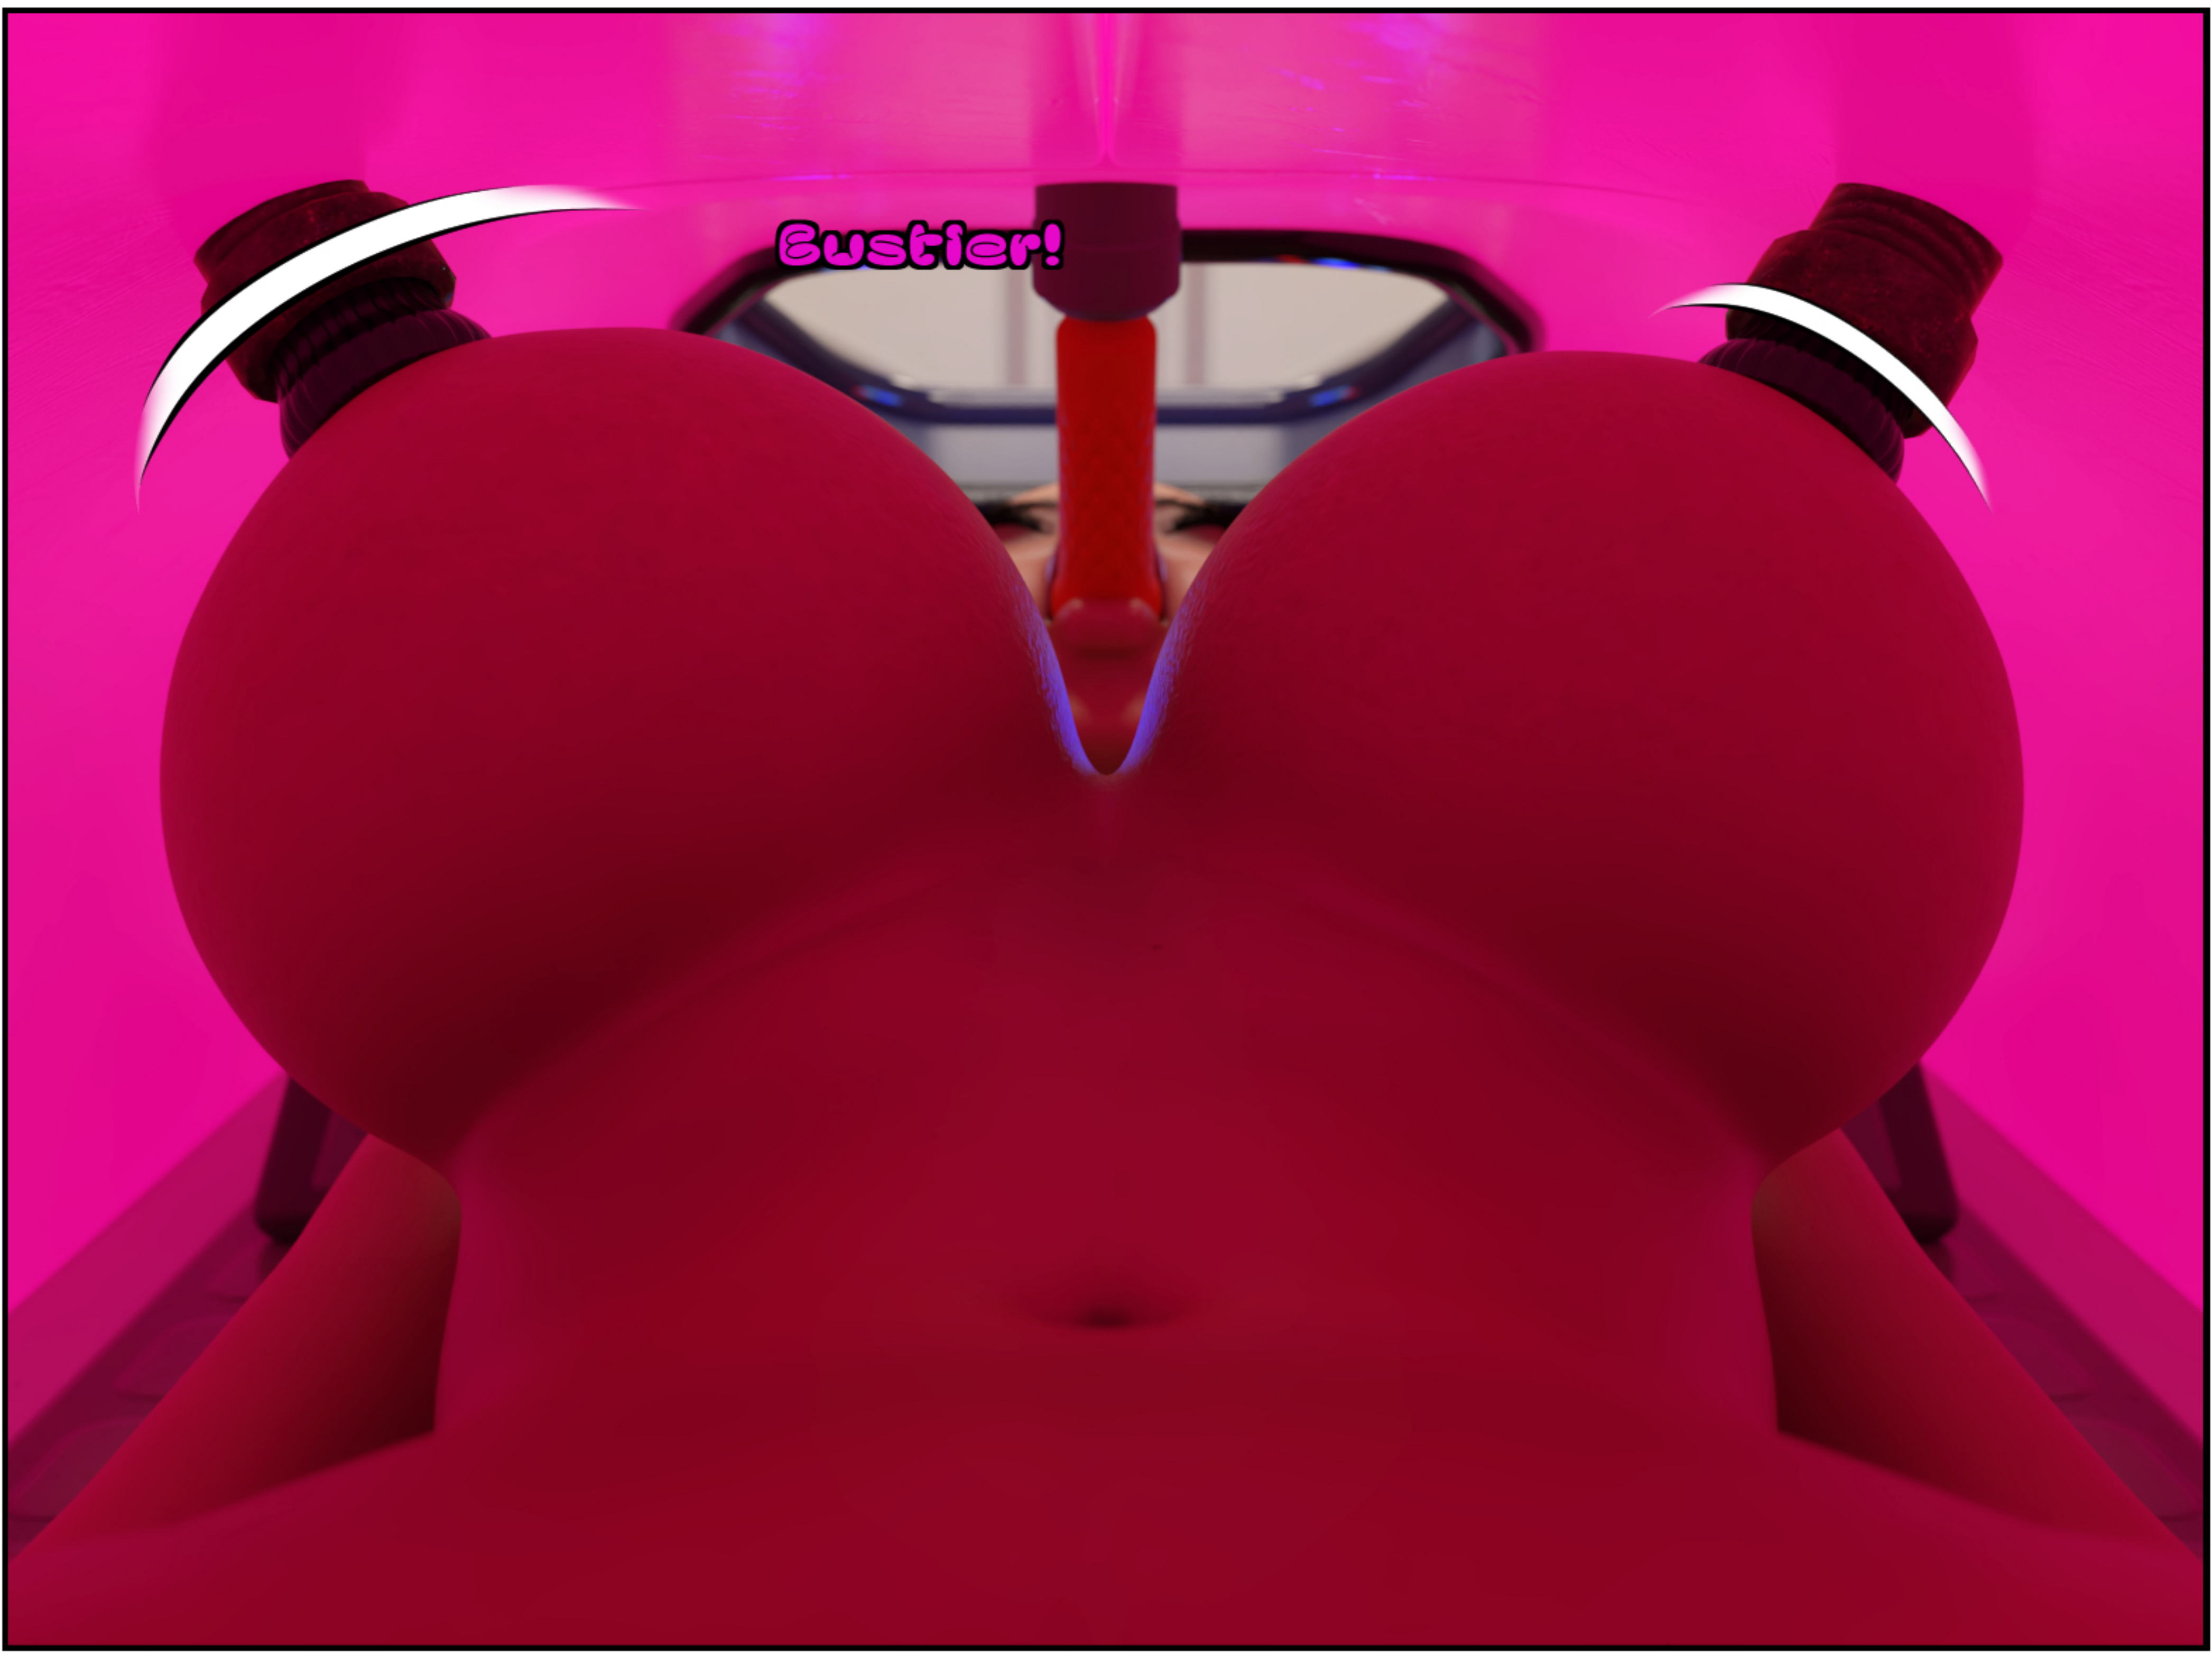

Ample!

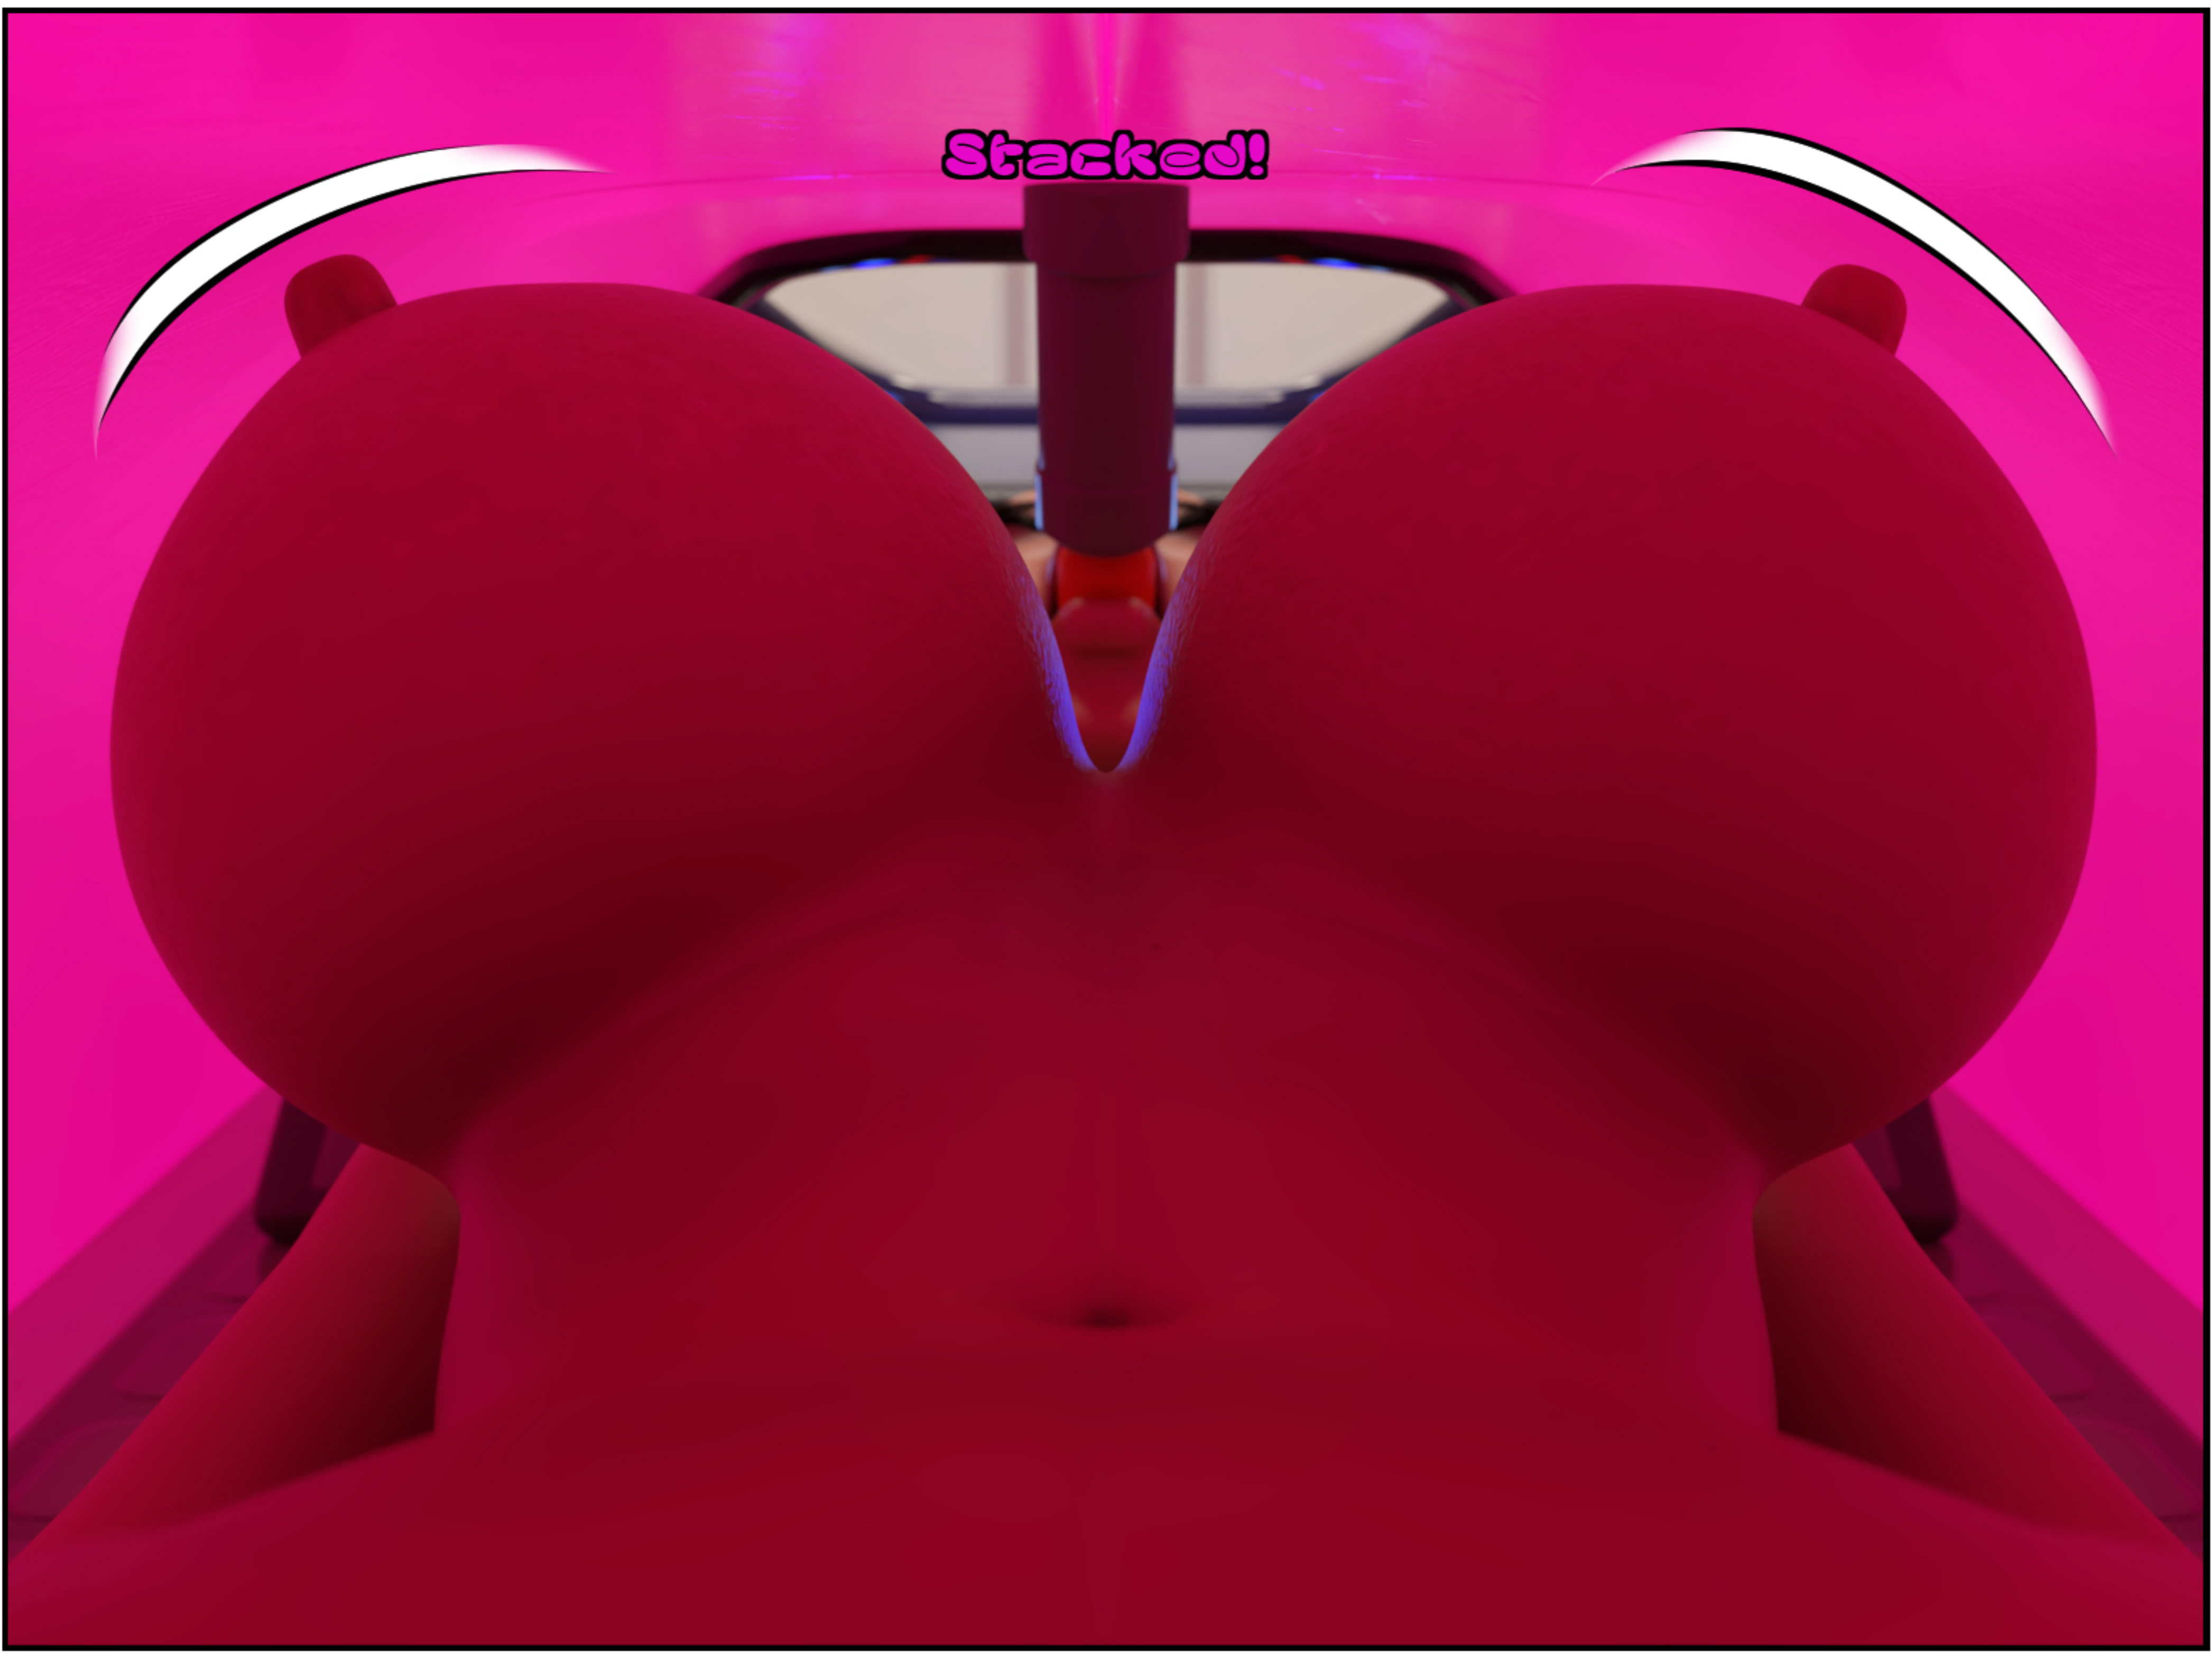

Euxom!

**Bustier!**

Stacked!

A vapid moron didn't have such choices, even if an innocent existence like that might be calm and carefree.

**Stab!**

**Stab!**

A 3D rendered scene showing a red, rounded, bulbous object being pumped and expanded. The object is held by two black mechanical arms, one on each side. A central vertical rod is positioned between the two arms, and a blue, V-shaped opening is visible at the top of the object. The background is a solid red color. The word "Expand!" is written in a stylized, red font with a black outline in the center of the image. The word "Pump!" is written in a stylized, red font with a black outline at the bottom left and bottom right corners of the image.

Mash!

Mush!

Shhh-Punkht!

Shhh-Punkht!

All those complicated thoughts flew out of her head, however, as the pleasure of her giant jugs pressing against the inside of the tube sent her over the edge.

Gush!

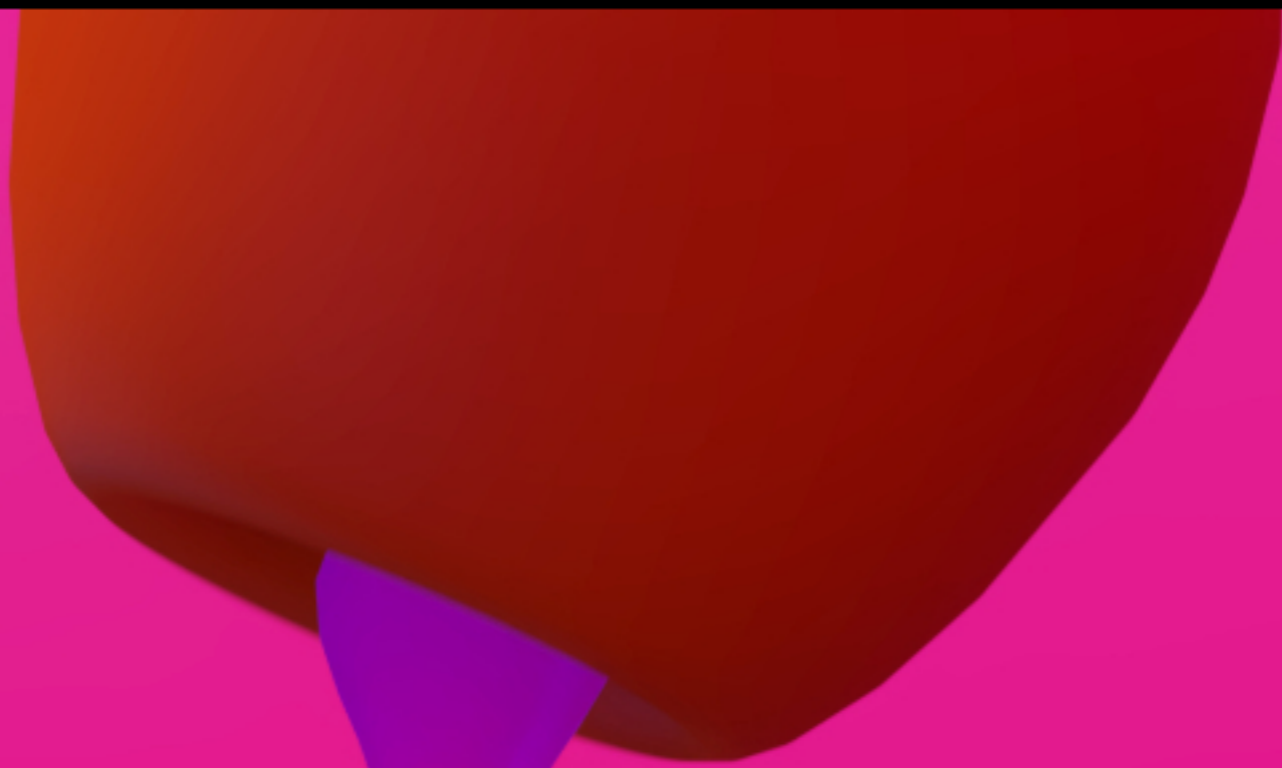

The new process had been explicitly designed to be highly pleasurable and painless, despite all of the needles.

**Dribble!**

**Drip!**

And Sapphire had definitely succeeded in that regard, as a thunderous orgasm rocked her body.

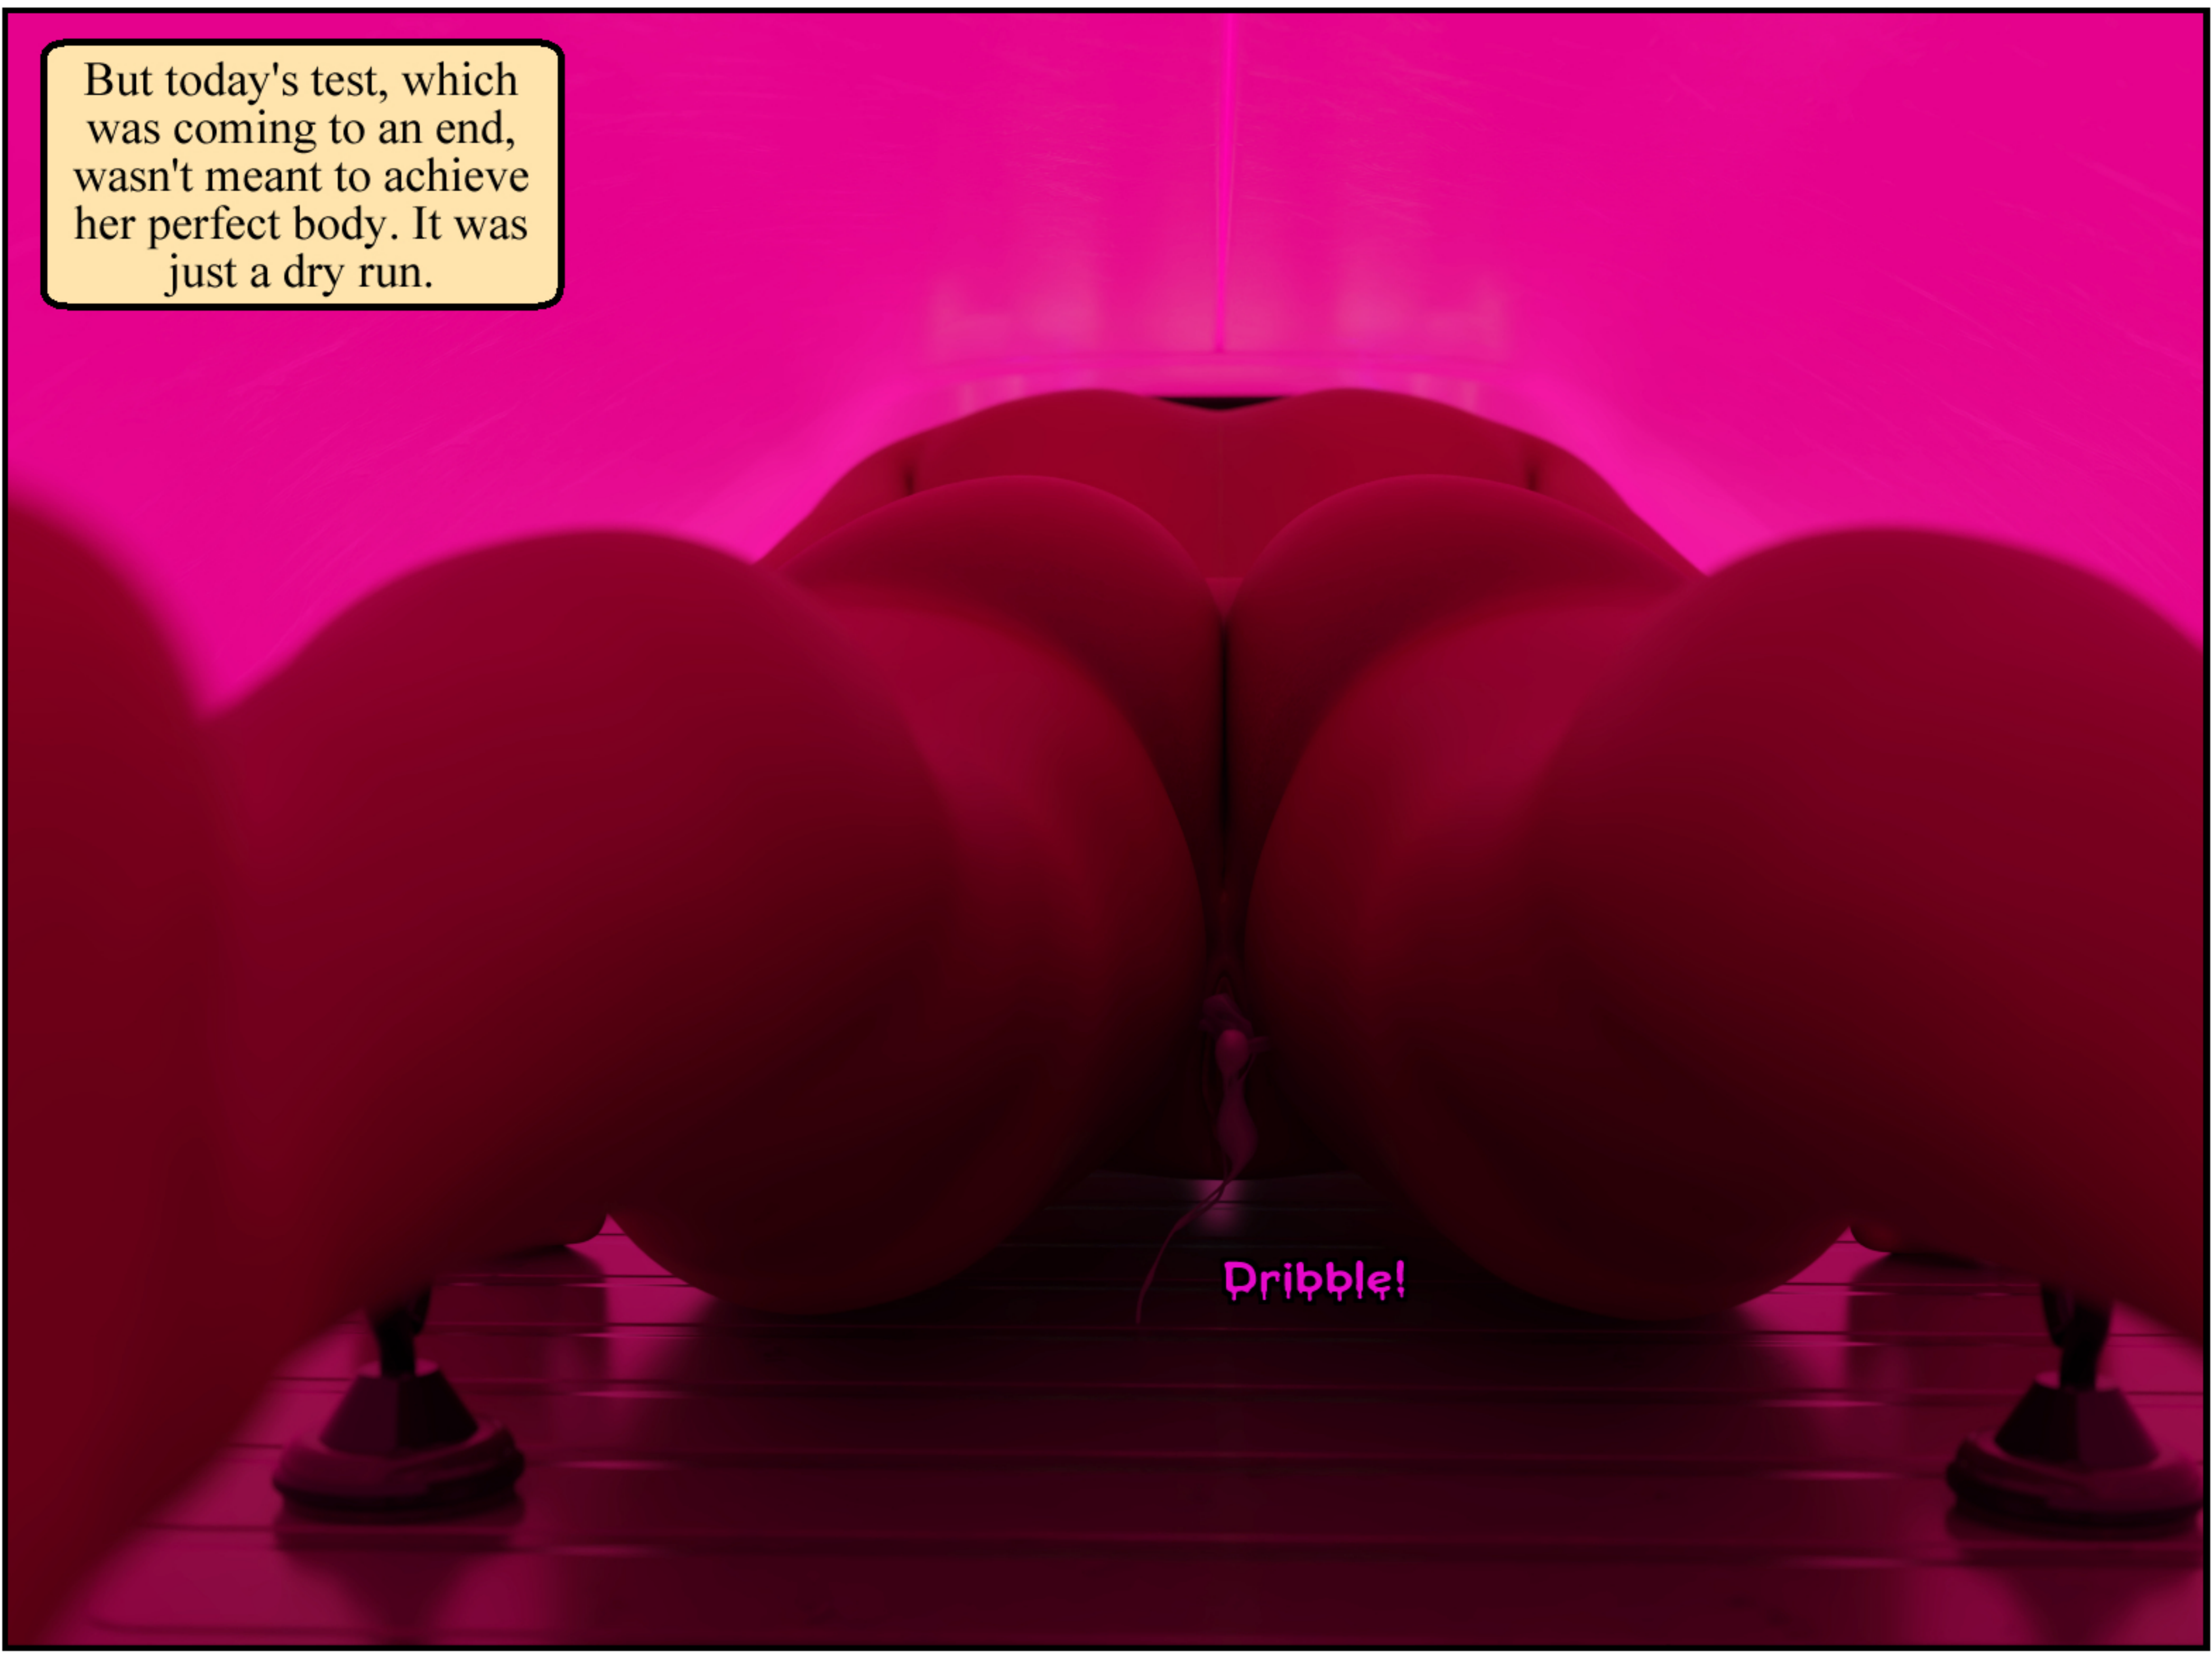

Leak!

QooHhhHh!

But today's test, which was coming to an end, wasn't meant to achieve her perfect body. It was just a dry run.

Dribble!

Sapphire rolled over, mashing her shoulders and huge hooters into the machine, and prepared to exit the tank.

**Mash!**

**Mush!**

All of the various devices had removed themselves from her flesh, but the energy emitters were still winding down.

Riper!

**Rounder!**

A stylized illustration of a person's buttocks, rendered in a dark red color. The buttocks are shown from a top-down perspective, with a central vertical crease. Above each buttock is a white, curved shape representing a buttock cheek. The entire illustration is set against a bright pink background. A speech bubble containing the text "Juicier!" is positioned above the central crease.

Juicier!

Eublier!

Though, they eventually turned off too. The machine was shutting down. The latest process was over.

**THHRRRUUMMM!**

Trace chemicals and compounds still circulated through her system, but otherwise it was done.

**Click!**

Sapphire slowly slid herself out of the machine, adjusting to her new balance.

A few orgasmic  
aftershocks quivered  
through her newly  
enhanced figure.

And some final changes  
seemed to ripple across  
her lewd flesh.

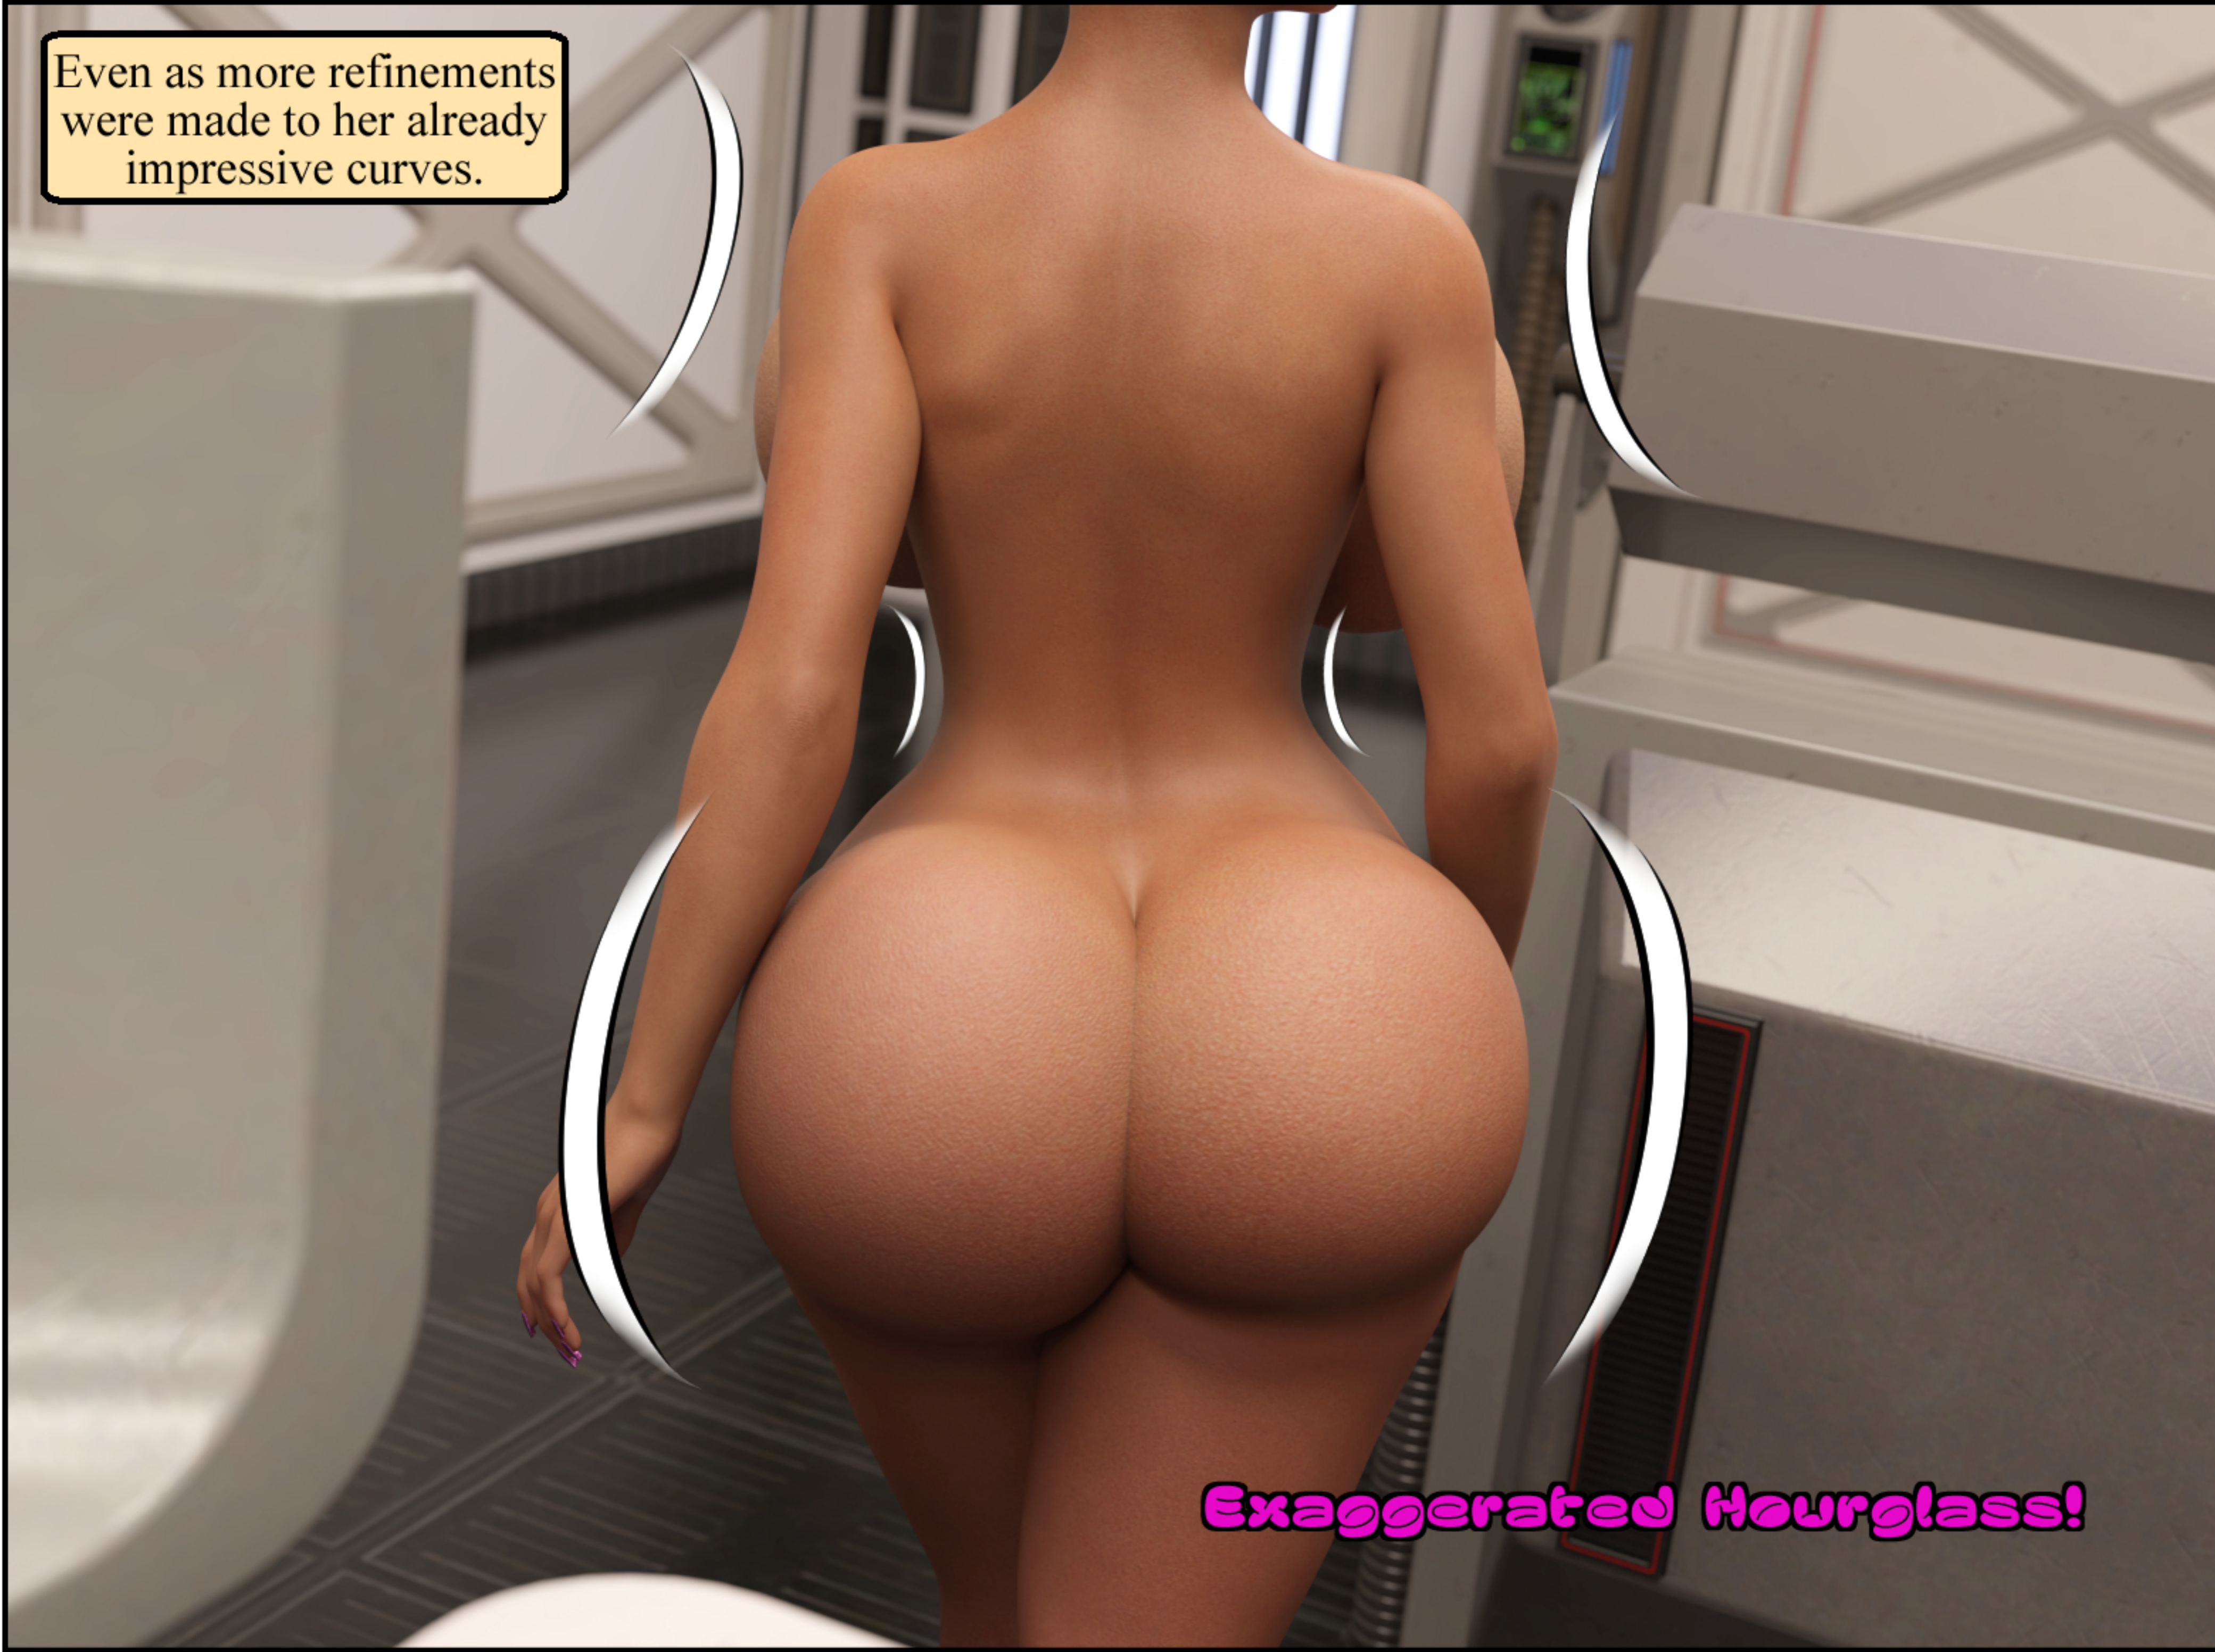

**BLING!**

She stumbled a little, losing her balance, as she walked across the lab.

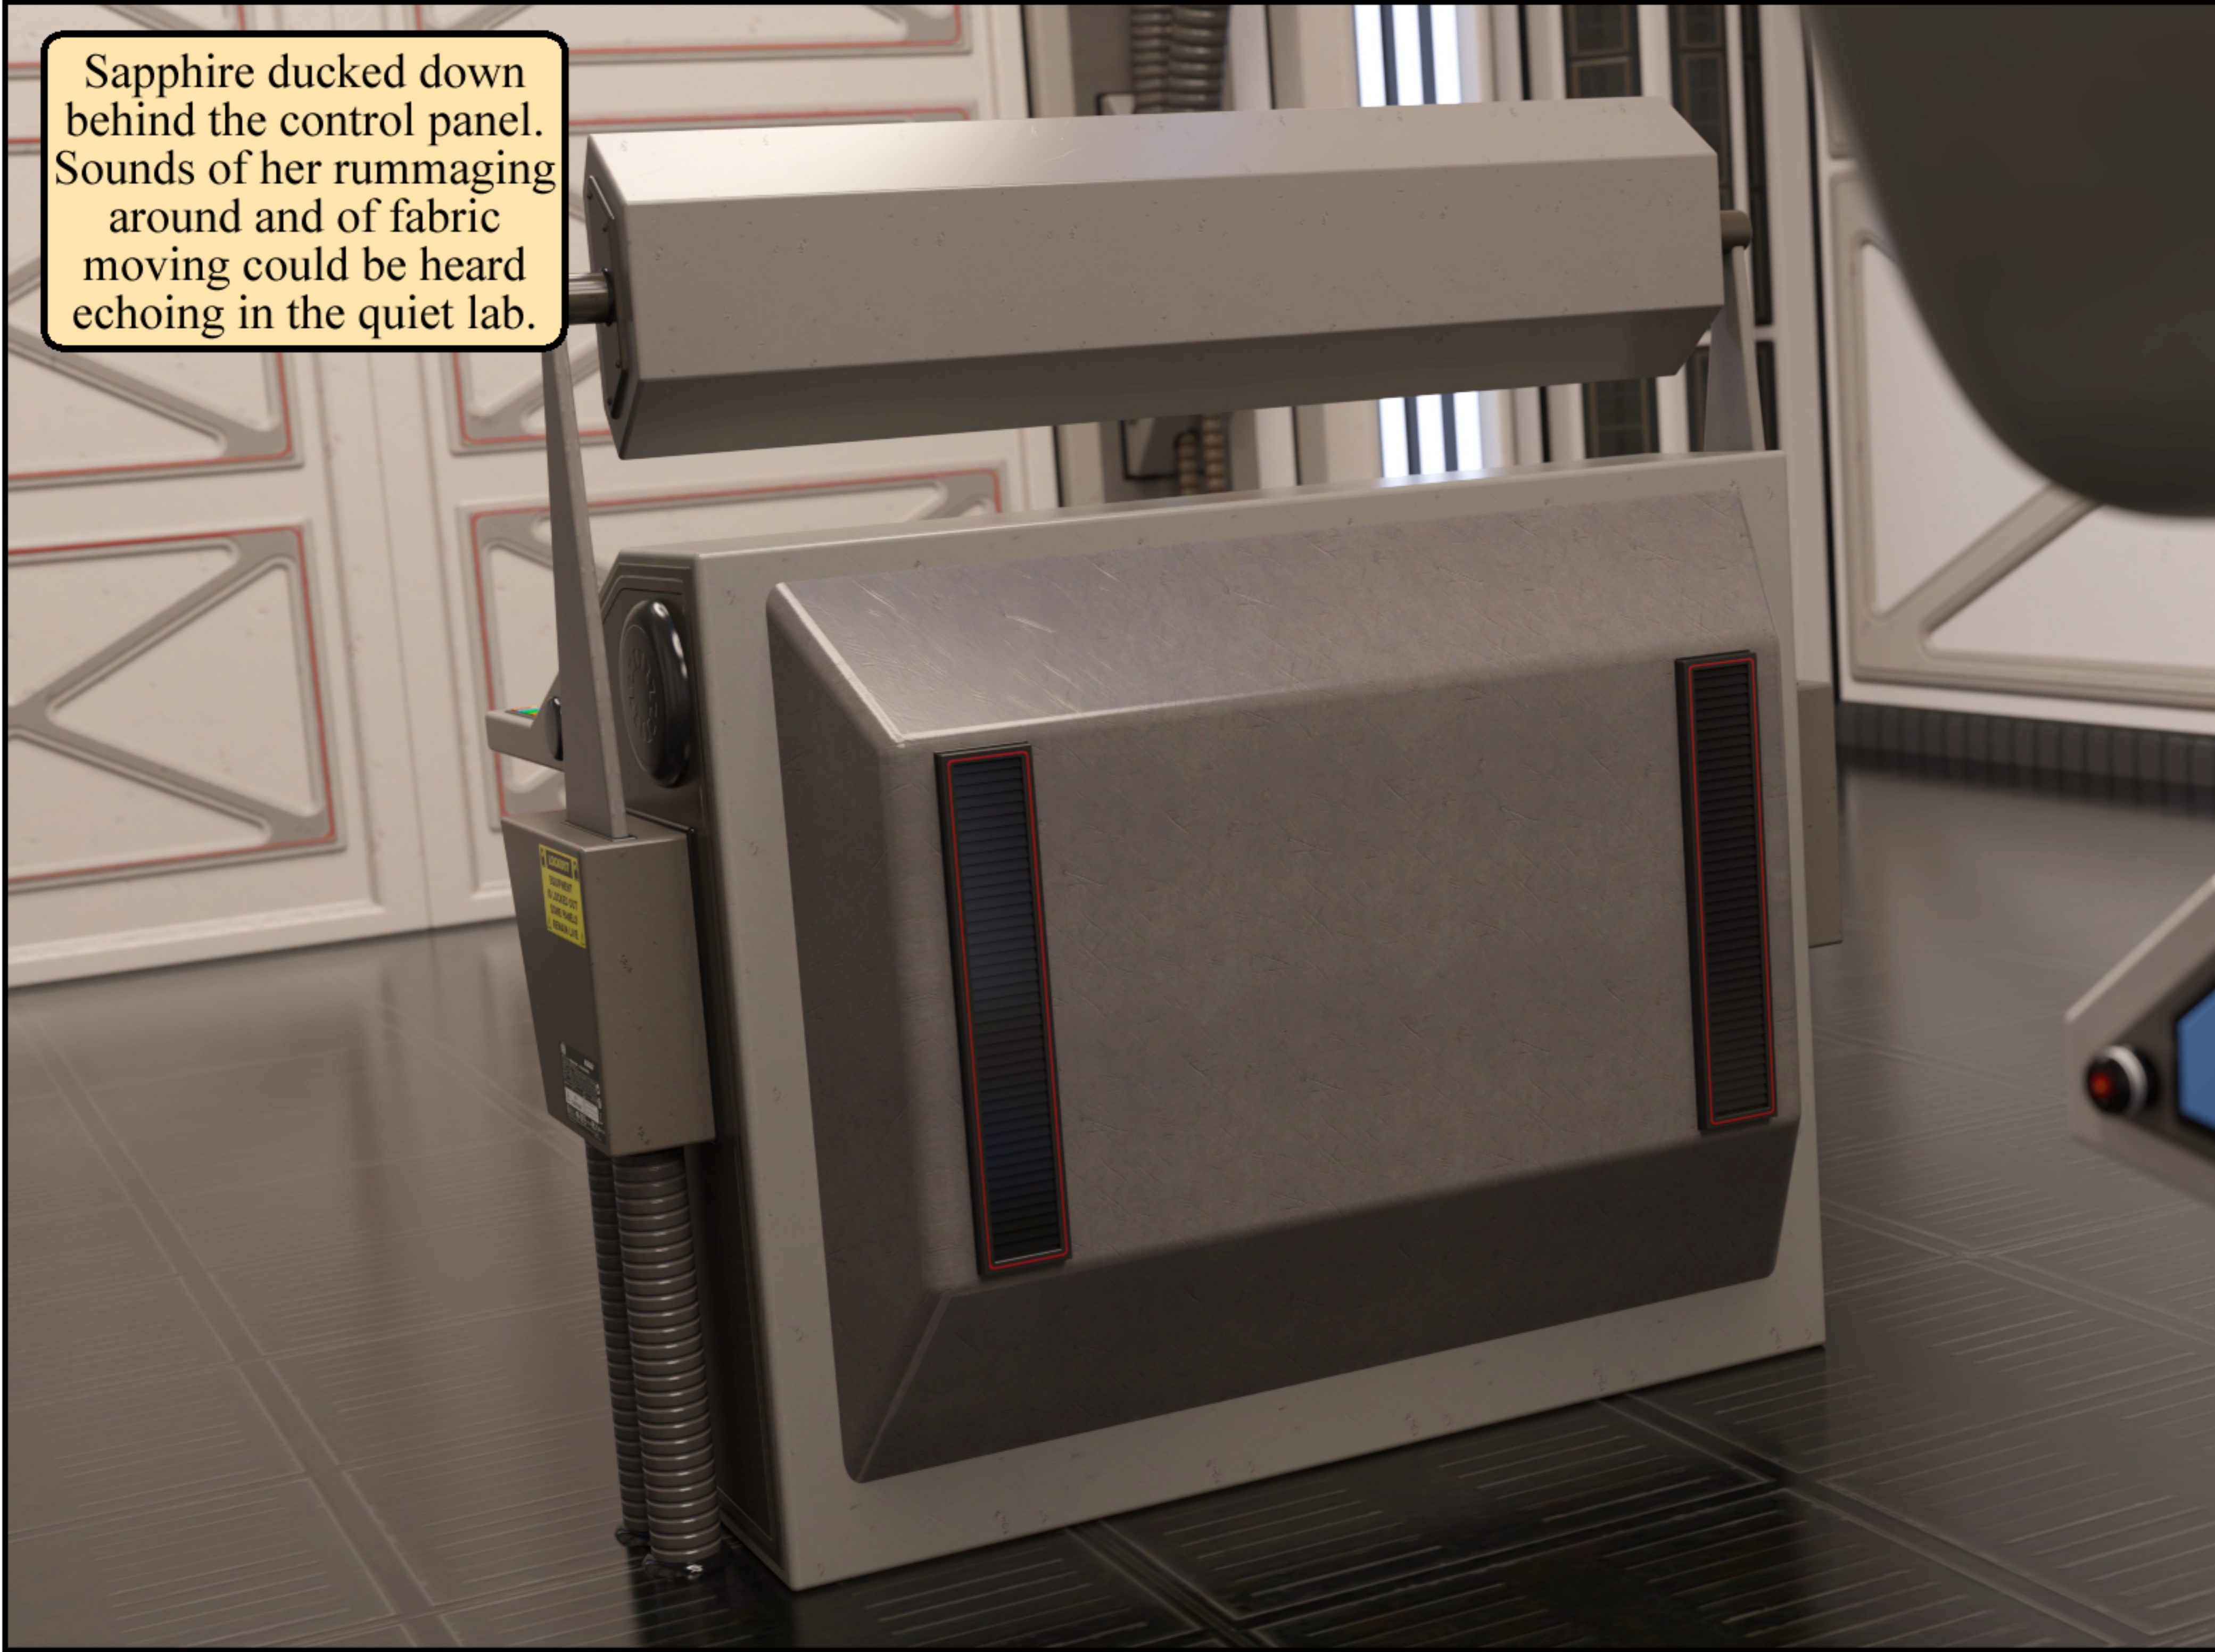

Even as more refinements were made to her already impressive curves.

**Exaggerated Hourglass!**

Sapphire ducked down behind the control panel. Sounds of her rummaging around and of fabric moving could be heard echoing in the quiet lab.

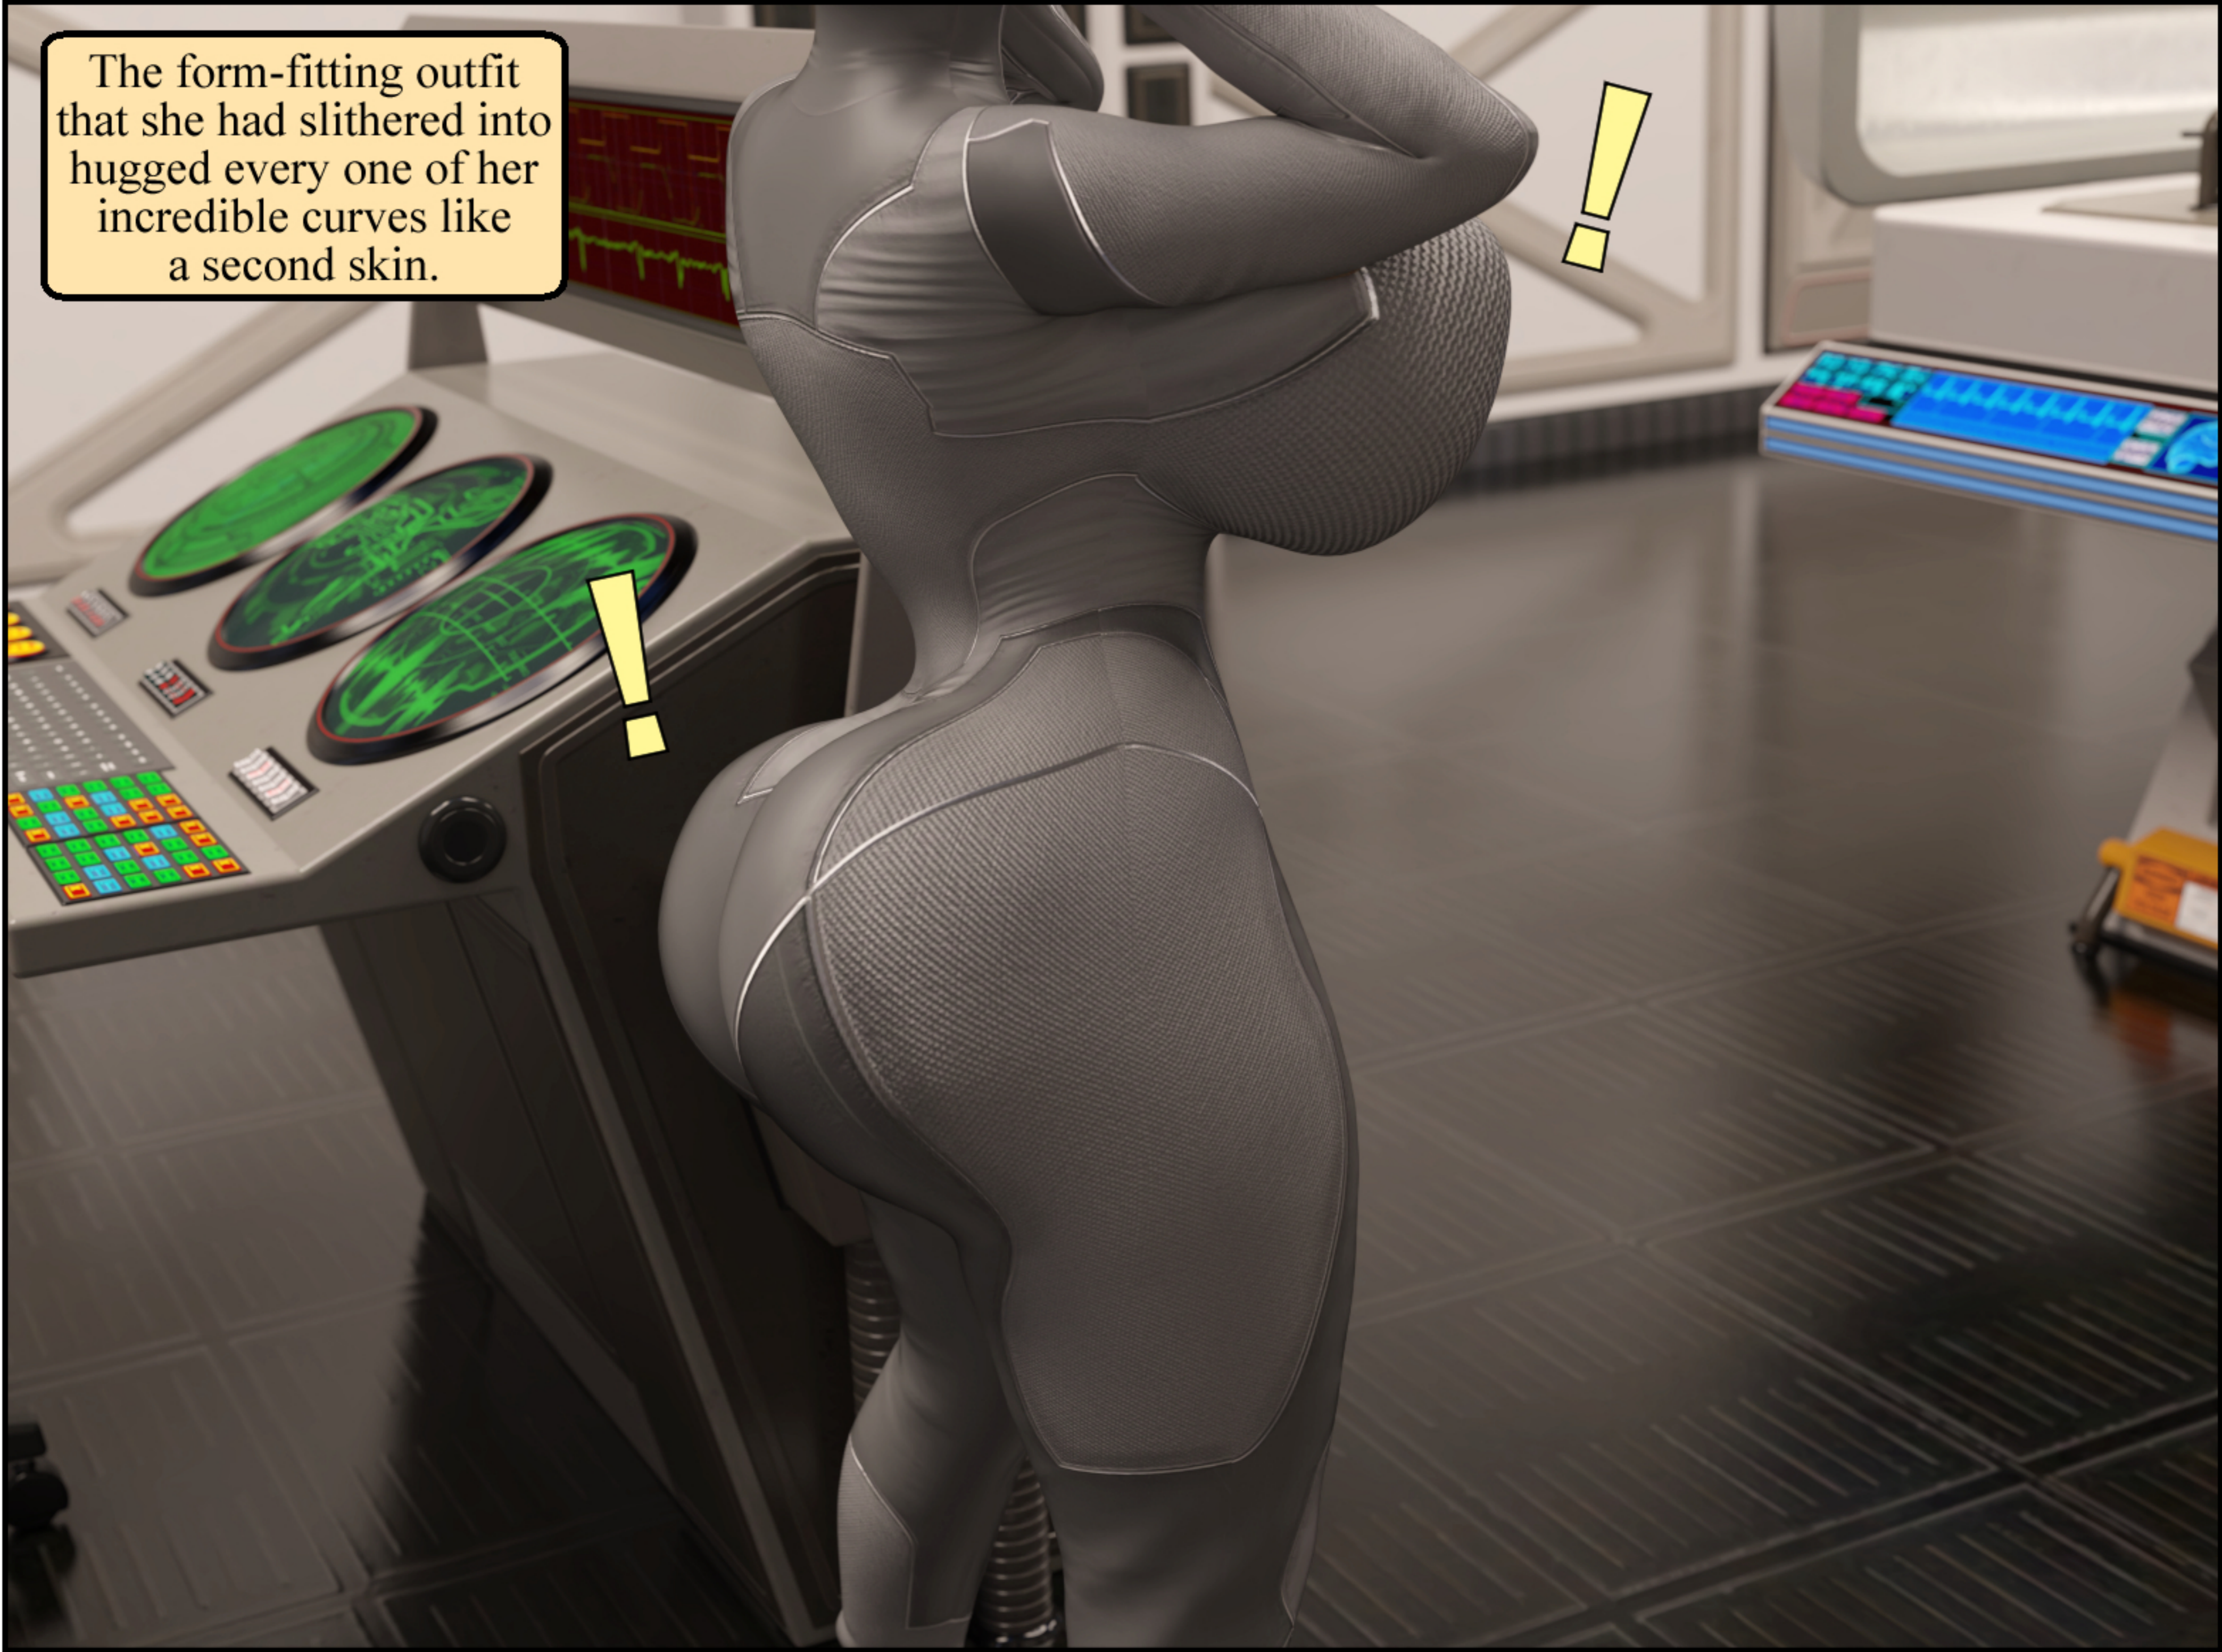

But eventually she reappeared, like a sexual butterfly emerging from her chrysalis.

The form-fitting outfit that she had slithered into hugged every one of her incredible curves like a second skin.

Her enormous new rack strained against the tight-fitting bodysuit, one of Dr. Stealz's.

Especially when they continued to grow larger.

EITHER.

MMMM,  
YES, THIS  
SHOULD DO  
*FIINE!*

Fine indeed! The new process seems to have worked, transforming Sapphire into a voluptuous vixen without making her a mindless fuck-doll. She just looks like one!

Stay tuned!  
Our story will  
continue.
