

Oh?
Her twin
tails came
undone...

Huh?! Your
hair grew!

Isn't that
normal...?

I suppose the
style obscured
the growth

Leona
Growth?
It's not like it's
grown a lot...
right?

Eh!

What the hell?! How did it grow this much?!

Wait, say that again?

Leona
H-How did this happen it was normal yesterday!

Huh?

Oh? Sounding awfully girly today~

Leona
Ah... That's... Your just imagining it...

I hoped they would'nt notice...

Splash!

Eh?

later...

Dont worry I'll wait for Leona go to sleep.

Yawn!
HUH? OH YEAH SURE... GOODNIGHT

It's time for that.

Nothing beats a bath...

Now that I have some time to myself... It wont hurt too...

Fwap~
Fwap~
Fwap~

If only I had a few more seconds... I'd been fully able to cum... I don't feel satisfied at all... It was ruined...

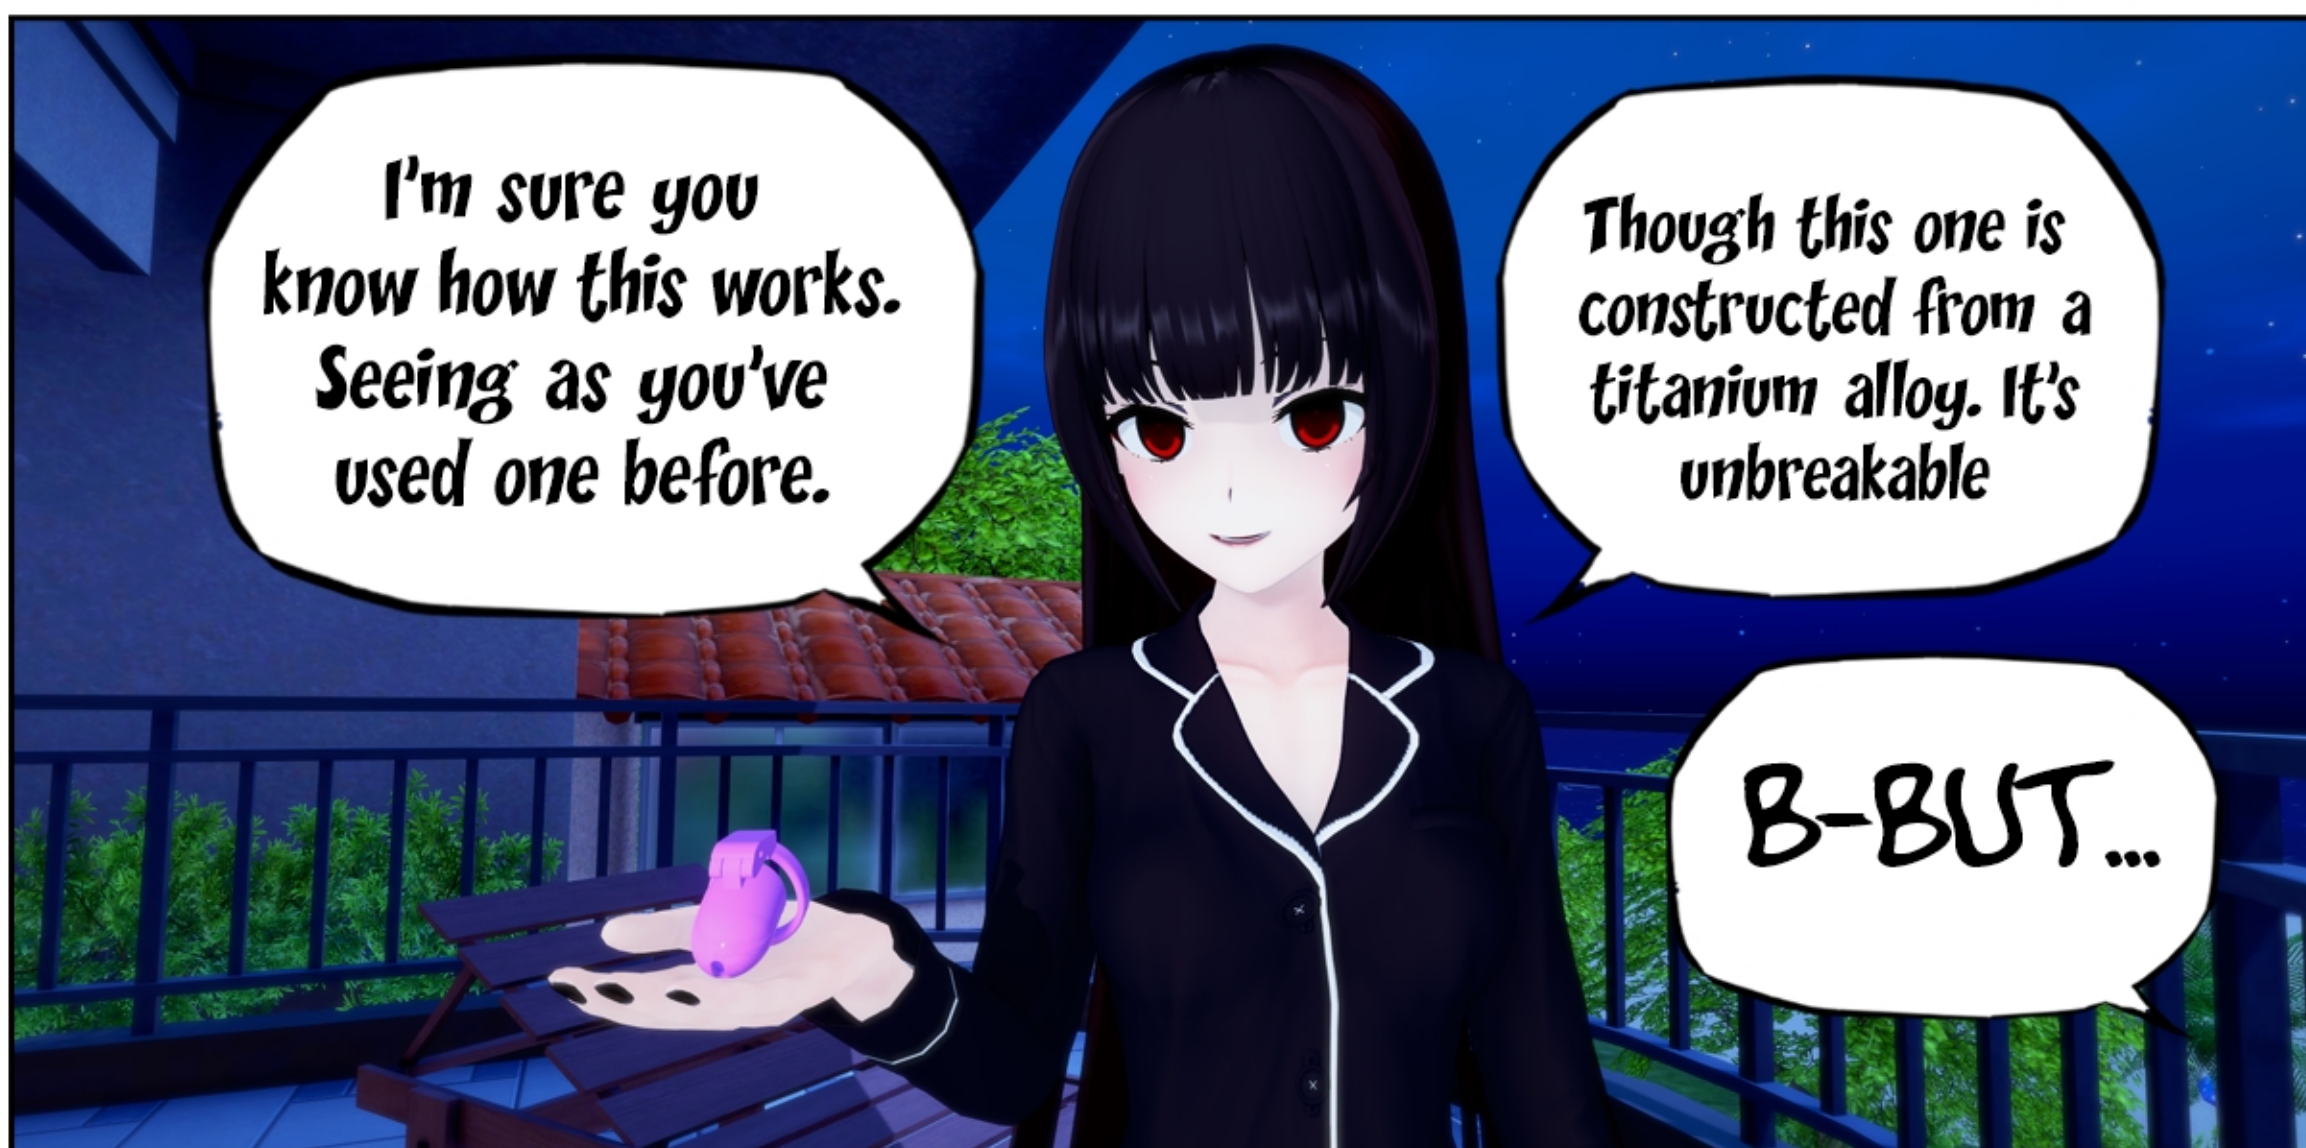

I'm sure you recall when I mentioned I'd help with your little problem during our holiday, right?

I'll finish it later...

Um... Yeah vaguely why?

Because, it's time for that help.

I'm sure you know how this works. Seeing as you've used one before.

Though this one is constructed from a titanium alloy. It's unbreakable

B-BUT...

But nothing! You always find yourself in trouble, so we have to do this. What are you going to do when you're at the beach in your bikini and it starts causing problems?

And besides, it's not like it's permanent. I promise I'll take it off when I have need of that area.

BIKINI?!

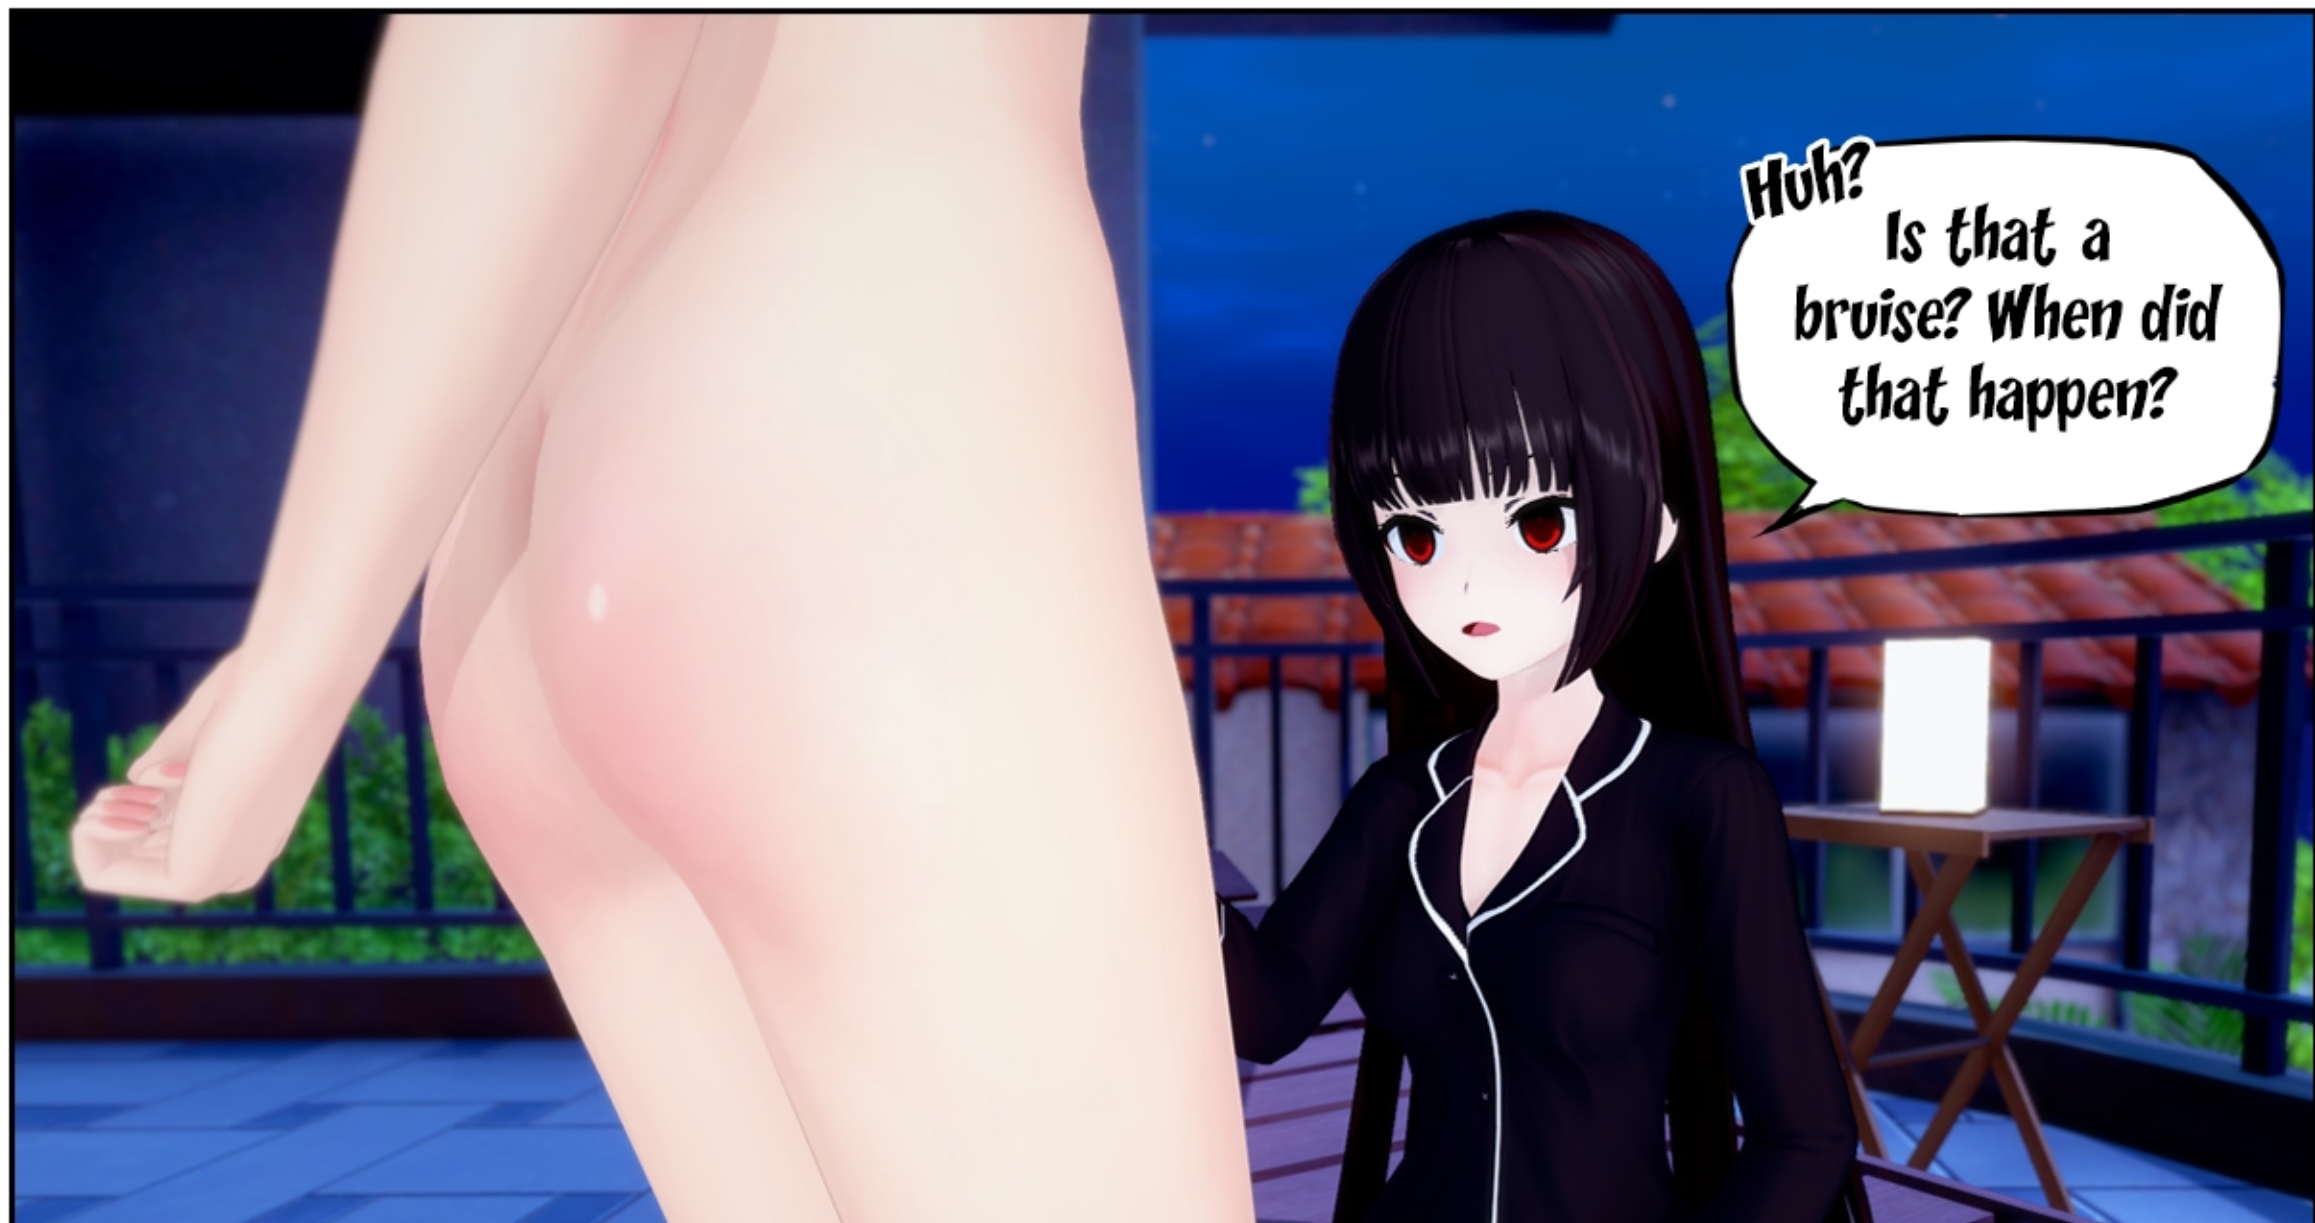

GULP...

FINE...

Thank you, Leona.

Huh?
Is that a bruise? When did that happen?

Ouch!

PLEASE DONT TOUCH IT... IT'S SORE...

I... I THINK I GOT IT WHEN WE WERE... WHEN I GOT... UM SPANKED...

Is that so...

I know for a fact that I didn't hit that area... I'm well aware of how precious and delicate it is. This is something entirely different...

I'll schedule a checkup for him. I'm sure it's nothing, but it's better to be safe than sorry.
