

Hm...
So that
bunnysuit
chick has
the scroll.

And when
they draw
on the scroll
I begin to
change...

Therefore,
The best
course of
action is to
get it back.

But
how...?

Is getting
the scroll
back related
to you poking
my breasts?

It helps
me keep
focused.
Now shush...

So... The
best course
of action
would be...

Mission: Sneak into Colt Chambers...

Hey Kazuma?

Yes, I'm Kazuma.

Waifu Posters...

Porn mags...

me of your
room.

wholeheartedly
for this fast and
just action!
