魚幸之日

Sorry~
I missed the print
deadline—
Here's a small book
to tide you over in
the meantime.

IDIOT!
SUCH A
WASTE!

HEY-
ARE WE
GRILLING
FISH
LATER?

SALT-DRY
THE SEA
BREAM,
YELLOW
CROAKER FOR
SOUP, PAN-FRY
THE TILAPIA
LAST.

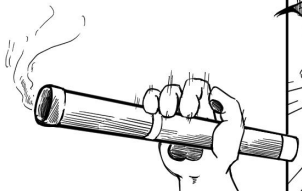

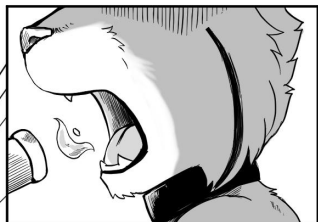

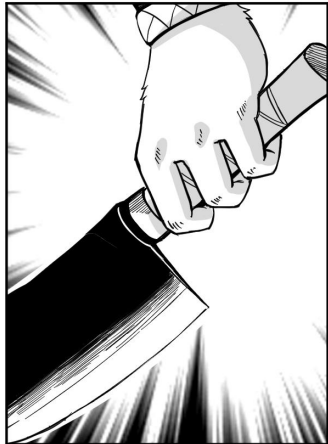

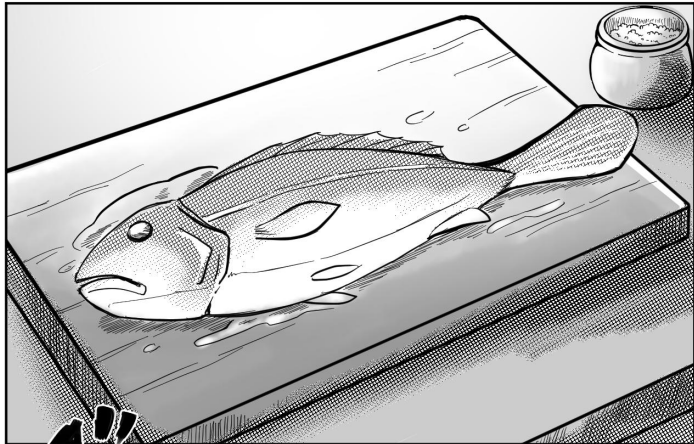

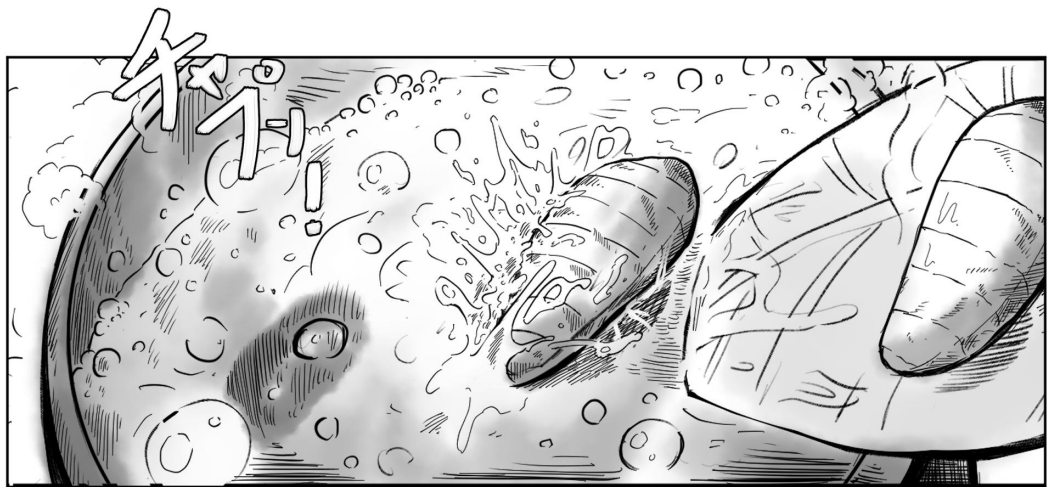

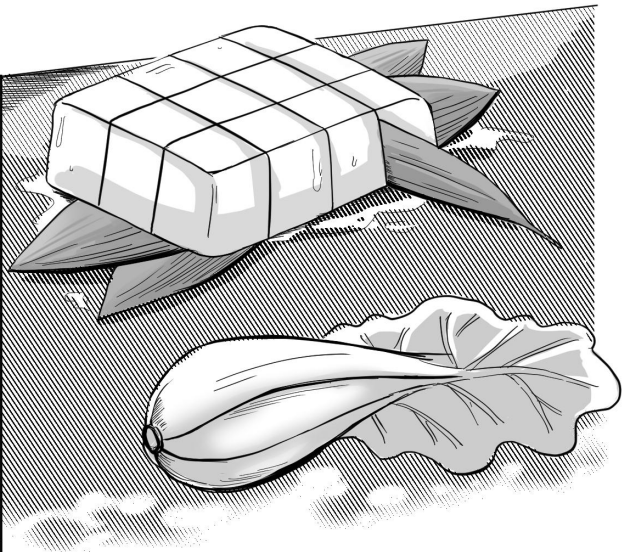

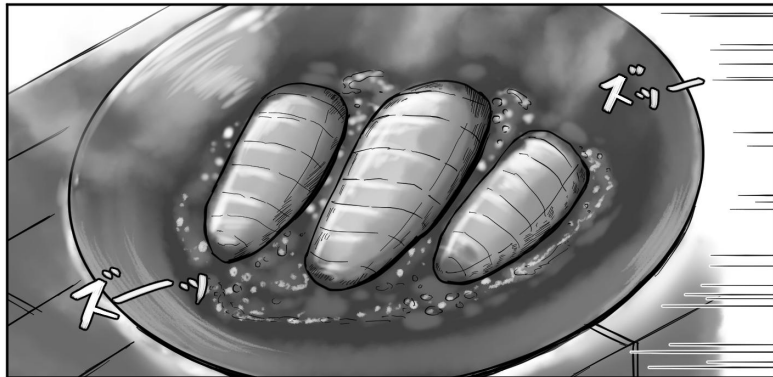

WE'RE
NOT OUT
IN THE WILD
ANYMORE,
SHOULDN'T WE
ENJOY THE
SEA'S GIFTS IN
A MORE
REFINED
WAY?

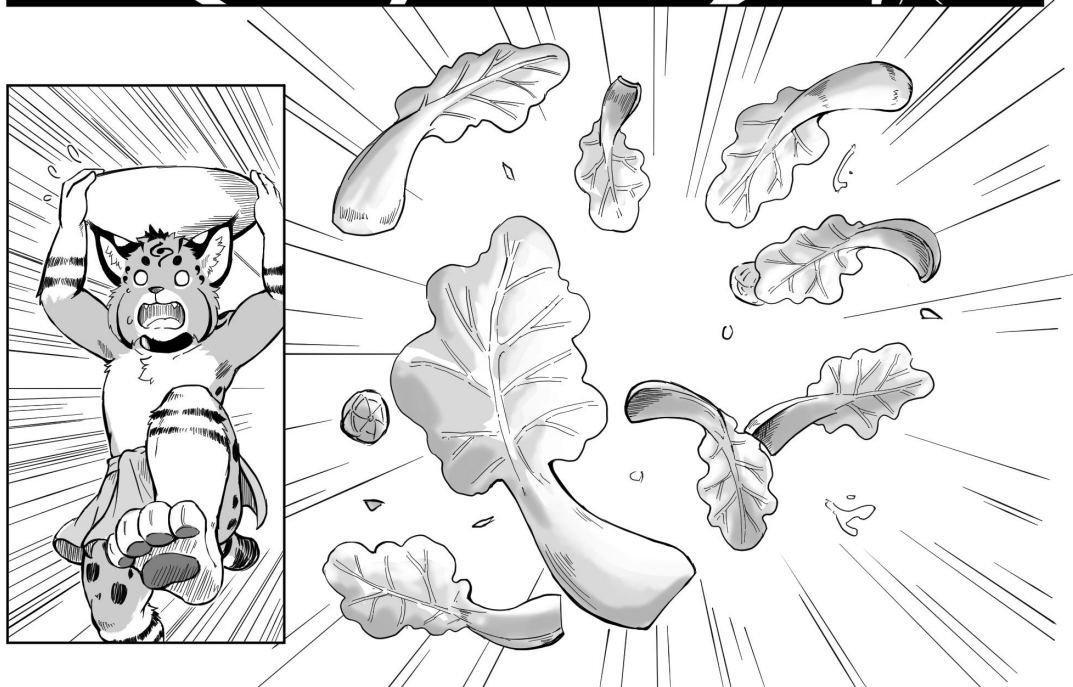

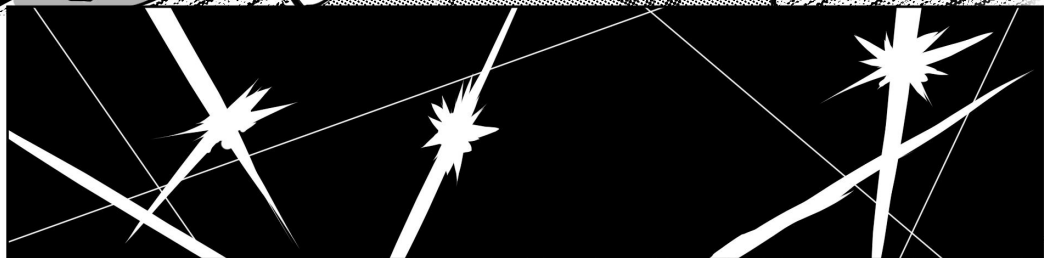

S...
SURE.

NAKED
APRON?

USE YOUR PAWS
TO CATCH IT?

ARE YOUR
PAWS
EVEN
CLEANER
THAN THE
FLOOR?

S...
SORRY!

YOU...
YOU
LITTLE
RASCAL...

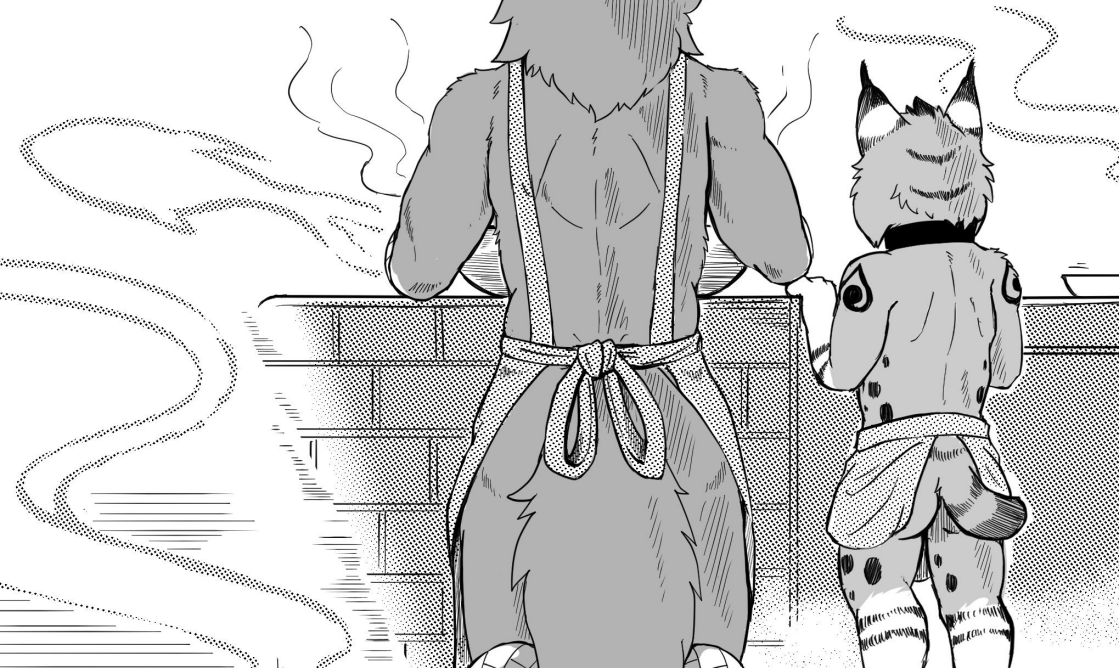

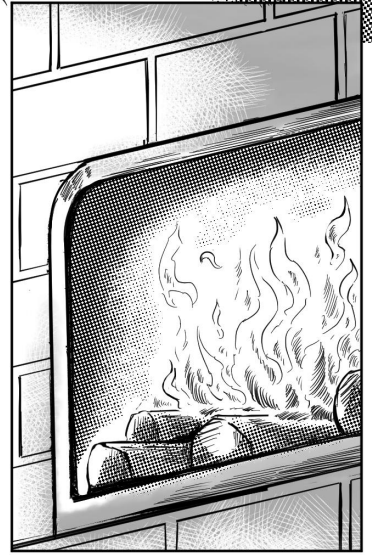

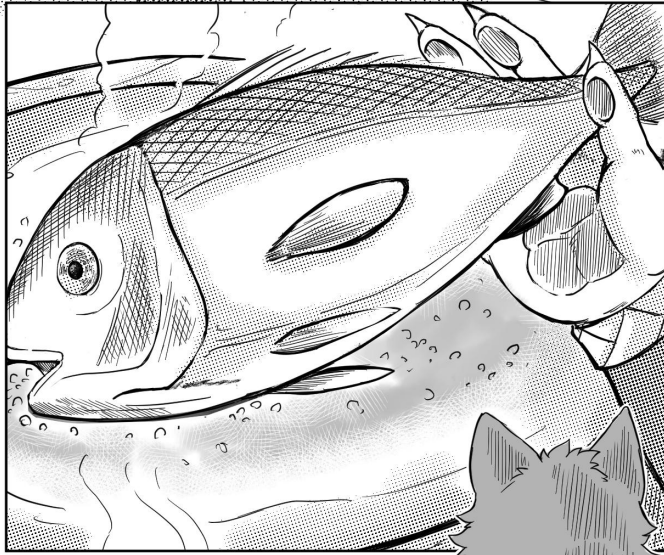

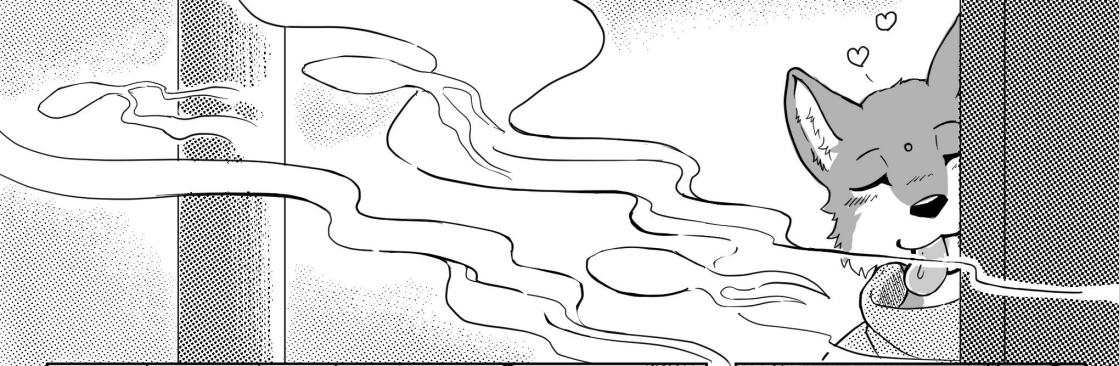

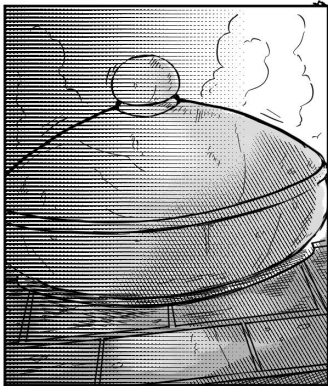

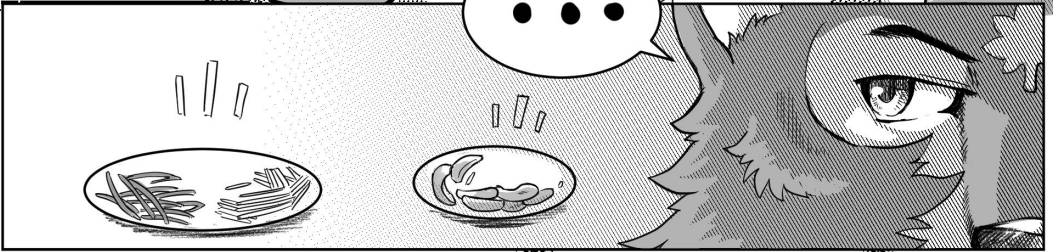

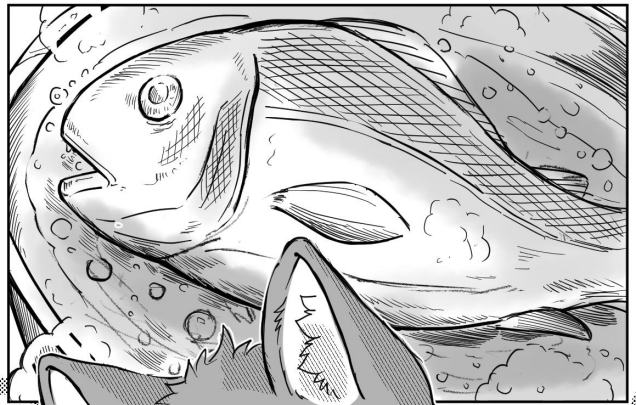

IF YOU
EAT IT NOW
YOU'LL
UPSET
YOUR
STOMACH!

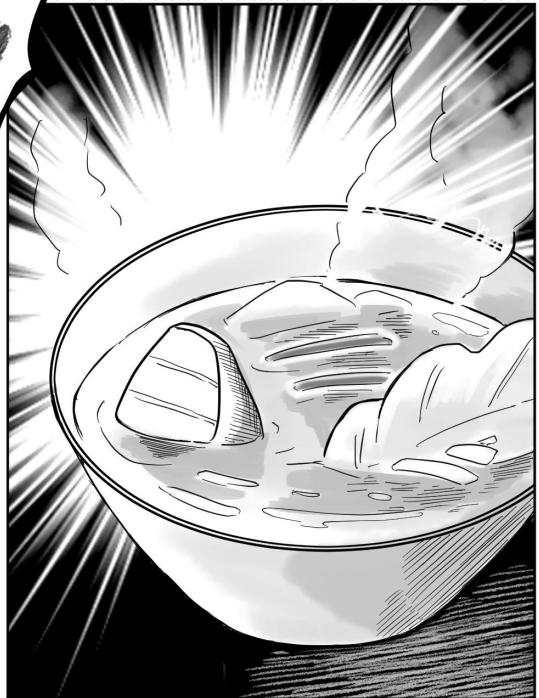

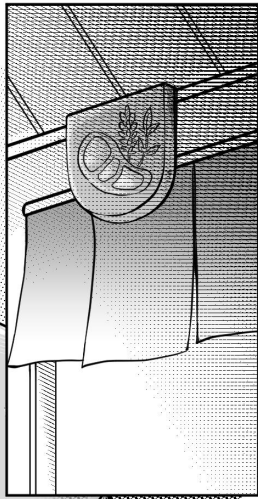

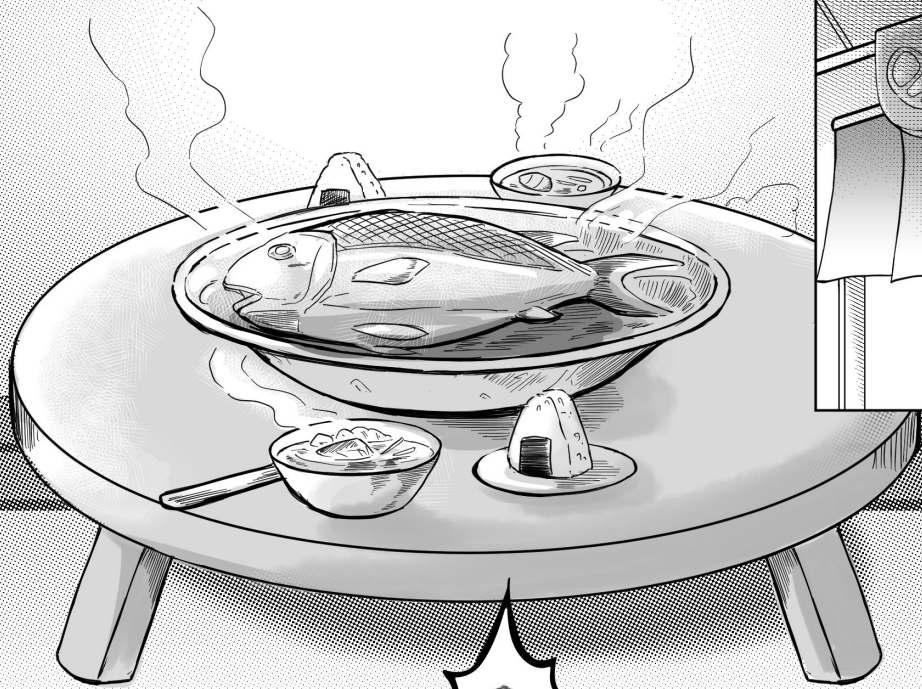

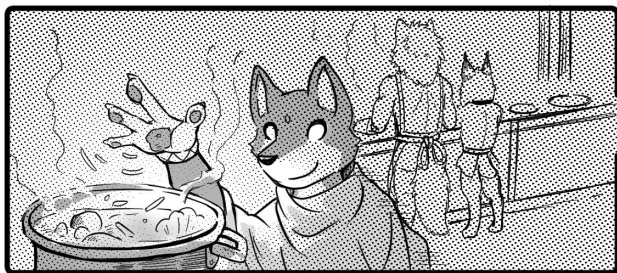

DON'T
COVER IT
YET.
LET THE
AROMA
RISE.

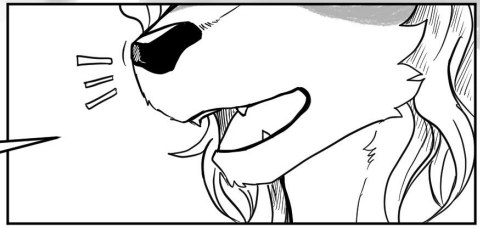

THIS TRULY IS A PERFECT DISH.

THIS FEELING

HMPH... YOU CAN TELL WITHOUT EVEN TASTING IT?

AFTER ALL,
THE FISH WHO
GAVE THEIR
LIVES...WERE
VERY HAPPY!

Aka-Maple

OFF-DUTY FROM THE MILITIA,
HE'S A GOURMET CHEF AT HEART—
BUT NEVER FORGETS
HIS DAILY ROUTINE:
KEEPING THAT CAT BELOW IN LINE.

Enkai

UNIVERSALLY LOVABLE,
NOT AN OUNCE OF ARROGANCE—
LEISURELY EMBRACING
HIS SECOND LIFE.

Aka-Yuki

THE VILLAGE CHIEF'S PRECIOUS CHILD
APPEARING AND VANISHING
WITHOUT A TRACE—
YET ALWAYS BRINGING UNEXPECTED
HARVESTS
WHEN YOU LEAST EXPECT IT.

AFTERWORD

Thank you all for your support!

Things completely got away from me this time— the only solution was to turn it into this light, everyday slice-of-life short story.

Drawing these old characters again, the nostalgia transformed into something familiar and comforting.

Please look forward to the main volume!
