

What are you looking at?

Ah?  
Nothing...  
No one...

HMM

Come now,  
Leona... I wasn't  
staring at  
anyone...

HMPH!

Mmh...  
yeah. I really  
needed that.  
Thank you.

LEAN

Of course!  
...Though, you  
sure can drink  
a lot.

Ahaha...  
you're really  
tall, you know  
that?

Well, yeah. Quite a bit above average, actually.

Eh... the boys must be all over you.

Maybe... but height isn't the only thing above average about me.

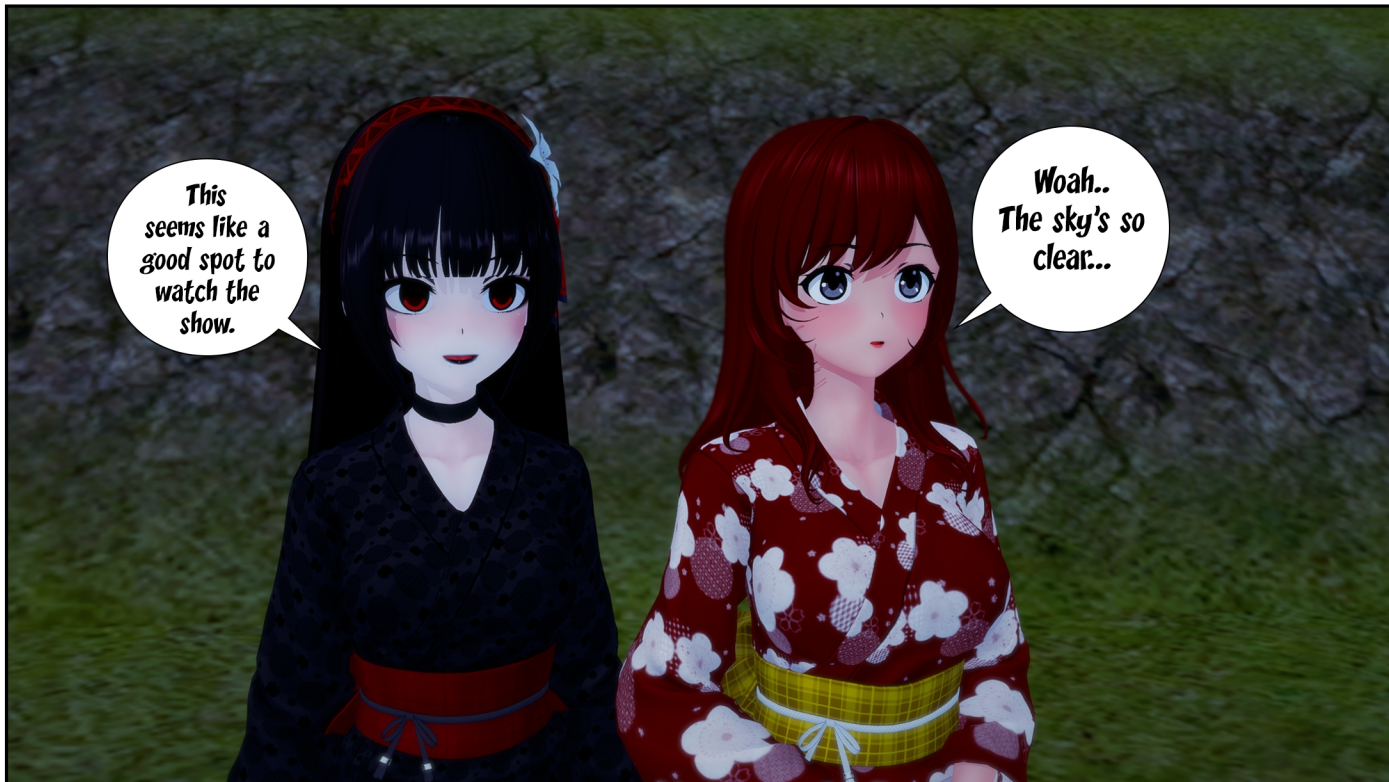

Eh? What do you mean?

Let me show you~

GRAB!

This seems like a good spot to watch the show.

Woah.. The sky's so clear...

Hm... I don't see Riku. Knowing her she's doing something...

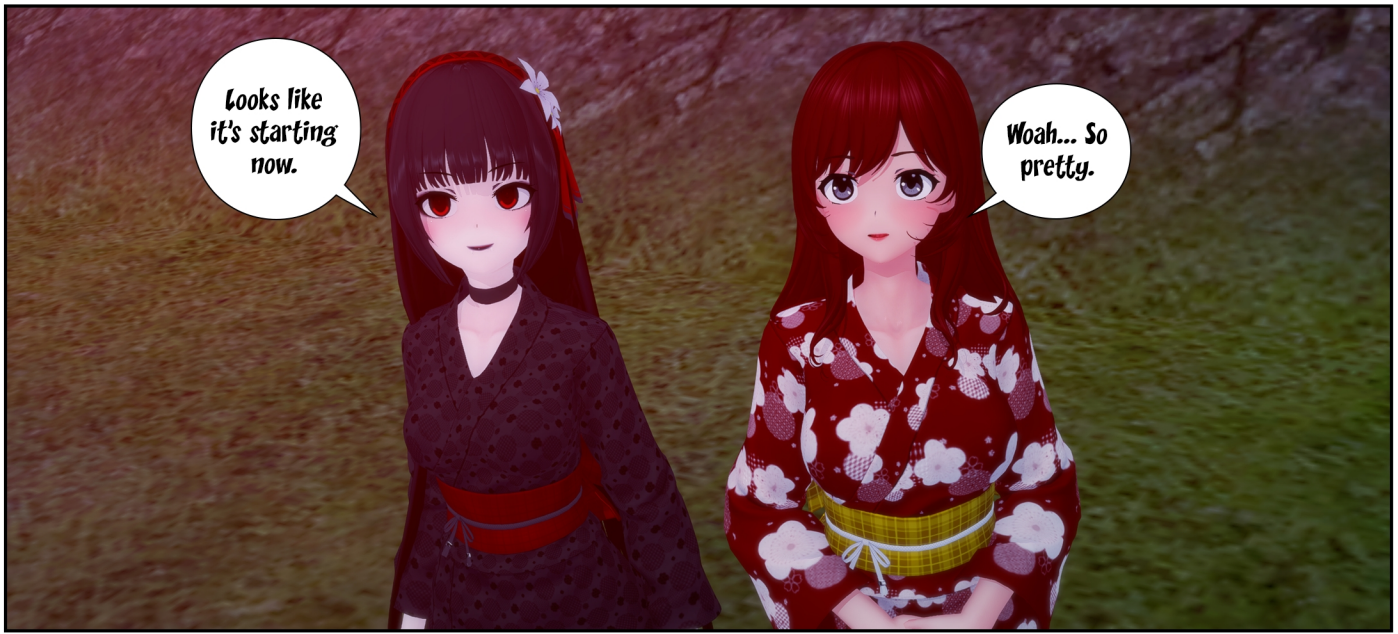

Yeah probably. I hope she doesn't miss this.

Hmm... Should we go over there?

And be smothered by the crowd? I think not.

Looks like it's starting now.

Woah... So pretty.

BOOM!

Woah! That was a big one eh?

Cutting it close.
